President's Message

By Carol Blair

April showers bring May flowers. Our Beautification Committee has been working very hard planting flowers around the grounds.

Two major projects began in April and if not complete when you are reading this, they should be very soon. Work on the new fountain began around April 15 and should have been completed by April 25. The new entrance sign was scheduled to be installed by the end of April. In addition to those projects, surveillance cameras will be installed around the pool area and WIFI will be available in the Clubhouse. We will also be doing some major work at the main pool this summer to fix a leak. The main pool will be closed for a few weeks, while the repairs are being done. The small pool will be open. Thank you for your patience.

Duke Energy has replaced all the lamps in the park with new LED fixtures saving us money every month on our utility bill. This was done at no charge to us. This summer the maintenance crew will be working on the renovation of the restrooms by the Bocce and Shuffleboard courts.

Thurman Ferryman has volunteered to install solar lights on the coaches in the Park. Before you purchase any light talk to Thurman first. He is also looking for volunteers to assist him.

We need volunteers to help read the water meters every 3 months. Many hands make light work. The Safety committee is working hard to protect us. New stop signs will be placed around the Park. Please obey the speed limit signs and the stop signs. They are there for your protection.

If you are going to lease your home please notify the office. They also must have an interview and background check. During the summer I will be in the office on the third Wednesday of every month, by appointment only.

The Board Meeting will be held on the fourth Wednesday of the month at 10:30 A.M. in the clubhouse starting in May thru September.

Enjoy the summer and keep safe.
Sincerely, Carol Blair

From Your Office

By Diane Lavonne, LCAM

WATER SHUT OFF

The maintenance staff will be scheduling PARK-WIDE water shut off dates during the summer months. Keep your eyes on the bulletin boards for advance notice. Any red notice posted on the Boards is water related. The shut offs are being done to complete the project related to fresh water shut off valves and zoning the shut offs. By creating additional zones, when it's necessary to shut down the water in a specific area, the number of affected homes will be restricted to a much smaller group of homes.

HURRICANE SEASON

June 1st through November 30th is our hurricane season. Please prepare your essentials as early as possible so you're ready should a warning be received. Store or secure all outside patio items, so they don't blow away. Also, prepare to be evacuated or to seek shelter personally in a safe place inland. Hurricane information is available in the Office.

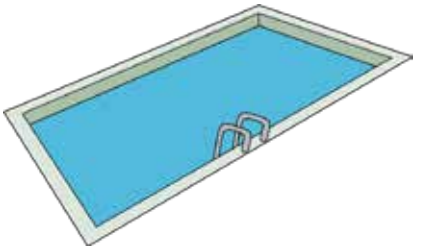
POOL REFURBISHING



The large pool will be shut down for scheduled maintenance and repairs at some time during the summer. Reserve funds are budgeted for pool and deck refurbishment in 2016; which is perfect timing to eliminate a small but persistent leak. Contractors are involved in the inspection and proposal process to ensure the end result will be pleasing. Several other projects are in the works to improve the common property as well, so keep tuned….

News From Your Social Club

By Don Collins, President

Hello Everyone from the Cascade Social Club. I was away for most of March so I apologize for being late with some thank you notes.

The March Breakfast was hosted by Cindy Barnstorf with 127 people attending. I received many complements that the meal was a great success. Thank you to Cindy and Steve and all your helpers.

The March Dinner/Dance hosted by Jeanne Stoness provided a great meal for 154 people. Our normal limit for a dinner is 140 and therefore a special thank you to Jeanne and her helpers for allowing us to accommodate Jack Gagnon's family being here for his 90th birthday. Jack and his family appreciated your efforts. The dance entertainment Bandstand was well received and we will get them back next year.

Our Annual Park Picnic was attended by 194 people who enjoyed the lunch provided by PoFolks. We have received many positive comments on our effort to recognize your support by returning the event price. We will try to surprise you again so please continue to support your Social Club at all events.

Clearwater Cascade Stop Sign Installations

By Thurman Ferryman

Pursuant to a resolution passed by the Clearwater Cascade Board of Directors new stop signs will be installed at four intersections and a stop sign at one intersection will be moved. This is the schedule for installation for the spring and summer of 2016.

- May 02: Move the stop sign at the northeast corner of Liberty St. North and Tulane Ave. West to Liberty St. South and Tulane Ave. West.
- May 16: Place stop signs at the intersection of Canal St. and Liberty St. North.
- Jun 06: Place stop signs at the intersection of St. Anne Ave. and LaSalle St. (south laundry).
- Jun 20: Place stop signs at the intersection of Clairborne Ave. and Canal St. (north laundry).
- Jul 11: Place stop signs at the intersection of Basin St. and Orleans Way.

These recommendations were made to the Board by the Safety Committee in an effort to control traffic throughout the Park. It is hoped that this effort will result in a safer community.

Summertime & Pets

By Bonnie Keck

This is a reminder for people who walk their pets. The pavement gets very hot as the coming spring and summer approaches. If it's too hot for your bare feet it is too hot for pet's paws. Be sure to walk pets at edge of grass only. Your pet will love you for your thoughtfulness.

Neighborhood Watch

By Gary Ryan

First, if I do not have your e-mail address and you want to know what's going on from police notices I receive, I need an email address or phone number.

Recently I noticed that more bikes are well lit and that electric scooters are also being lighted which increases the safety of everyone on the roads after dark. While this is a step in the right direction, we can do more.

The message of the Neighborhood Watch Program/Committee is simple:

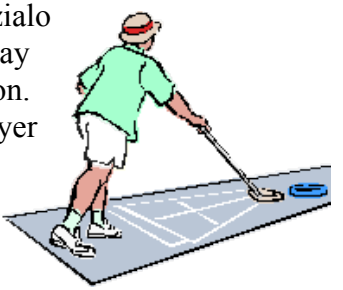
- Keep your windows and doors locked even when you are at home.
- Keep your car locked, whether you are in it or not.
- If you want to keep it, lock it up which means keep valuables out of sight in both your car & home.
- If you see suspicious activity or people, phone police and ask them to check it out.
- If you have something stolen, please phone the police and file a police report & let me know as well.
- Light up the dark places around your home – solar LED lights with motion sensors work great.

Shuffleboard News

By Verne Montgomery

The shuffleboard season ending party was held on Thursday March 24th. A big thank you to Gisele Brouillette, Carol Blair and all their helpers and to those who brought desserts and other goodies.

A special thank you to the Team Captains who keep the league operating and running smoothly all season long. They are Bruce Borowski and Charlie Dzialo for Friday morning, Gisele Brouillette and Rae Philbrick for Thursday morning and April Tantalo and Norve Loomis for Thursday afternoon.



The regular season produced two winners and one wild card player from each of the three leagues. Regular season winners were Bob Gerdes and Connie Luka from Friday morning, Carol Blair and Mary Timm from Thursday morning, Norve Loomis and Betty McCafferty from Thursday afternoon. The wild card players were Dorothy Shoemaker from Friday morning, Cecile Cyr from Thursday afternoon and Verne Montgomery from Thursday morning.

The playoffs were held on Thursday March 17th. Both the semi finals and finals went to a third game before the winners emerged. Congratulations to our 2016 champions **Carol Blair** and **Mary Timm**.

Have a safe and great summer and we hope to see you all again in the fall.

Caregiving has its rewards

As Americans live longer, families are feeling a heavier burden in the caregiving area. The Bureau of Labor Statistics estimates that some 40.5 million Americans are acting as unpaid caregivers for older family members. Most just help one person, but 22 percent are responsible for two people and 7 percent provide help to three or more. Most caregivers are between the ages of 45 and 64 (23 percent), but 17 percent of people older than 65 act as caregivers as well.

The demands may be high, but many Americans find the work worthwhile. Yes, 32 percent describe caregiving as stressful, but 88 percent say helping out an elderly loved one is a rewarding experience.

Too much of a good thing

A farmer went to church one Sunday. To his surprise, he and the minister were the only people there.

"This is a little embarrassing," the minister said. "Since you're the only one here, would you really like to hear my sermon?"

The farmer said, "Well, I'm not too smart, but if I went to the barn to feed my cattle and only one showed up, I'd still feed him."

So the minister began his sermon. He spoke passionately for an hour and a half. When he finished, he asked the farmer what he thought.

The farmer answered, "Well, I'm not very smart, but if I went to feed my cattle and only one showed up, I sure wouldn't feed him all the hay."

You Have To Smile

Source Unknown

A priest was being honored at his retirement dinner after 25 years in the parish. A leading local politician also a member of the congregation was chosen to make the presentation and give a little speech at the dinner. He was delayed, so the priest decided to say his own few words while they waited.

"I got my first impression of the parish from the first confession I heard here. I thought I had been assigned to a terrible place. The very first person who entered my confessional told me he had stolen a television set and, when questioned by the police, was able to lie his way out of it. He stole money from his parents, embezzled from his employer, had an affair with his boss's wife; taken illegal drugs, and gave VD to his sister. I was appalled. But as the days went on I knew that my people were not all like that and I had, indeed, come to a fine parish full of good and loving people."

Just as the priest finished his talk, the politician arrived full of apologies for being late. He immediately began to make the presentation and gave his talk. "I'll never forget the first day our parish priest arrived," said the politician. "'In fact, I had the honor of being the first one to go to him for confession."

Moral: ***Never, Never, Never Be Late!***

Exercise: More isn't necessarily better

Losing weight is just a matter of exercising, right? Actually, that may not be the case, according to a study of exercise and weight loss reported on the CNN website.

Researchers looked at 332 adults in the U.S., Jamaica, and Africa, measuring their activity level over a week. The volunteers displayed a variety of exercise levels from sedentary to active. Although those who exercised and were active more burned away more calories than the others, their activity tended to hit a plateau—after a certain level, more exercise didn't produce more weight loss.

Switching exercises helped a little, since using different muscles can make your body use more energy. But in the long run, a combination of exercise and a reduced-calorie diet may be your best bet for losing those unwanted pounds.
