PRESIDENT'S MESSAGE

It is February and time to pay your HOA dues. Your HOA runs events every month and saves the money needed for the negotiations with Cal-Am coming next year and has your back when you need help

More members means more and better activities, more funding for negotiations and to strengthen our hand, as well as bring us together as one. You also get access to the IITS HOA Facebook Page. We on the HOA Executive Board need your support to make our community the best it can be.

Jill Norwick
IITS HOA President

TREASURER MESSAGE

Membership dues are still being collected. Anyone who has not paid by the 8th of March will no longer have access to the IITS HOA Facebook page.

RESIDENT ACTIVITIES ANNOUNCEMENTS

These activities are not HOA or Cal-Am sponsored activities. They are resident led.

Ladies Luncheon is held monthly, a different restaurant is chosen each month and announced on the various IITS Facebook pages, sign up is online or at the Clubhouse.

Shuffleboard is held on Fridays at 1 pm, join the fun.

Like to play Texas Hold 'Em, join the group at 6:30 pm on Sundays, Wednesdays and Fridays.

Pickle Ball is a fun activity that is enjoyed by many in the community. They play Mondays and Tuesdays at 6:30 pm and would love to see more players. The group is willing to teach new players.

Chit Chat is on Friday nights at the Clubhouse from 5 to 7pm. Bring whatever you would like to drink. You may bring a snack if you would like to share, but that is not necessary to join us for some good old fashioned chatting around the table. Be aware, Politics, Religion and HOA are not discussed during this time.

Anyone wanting a resident activity to be spotlighted in the Media Guide please contact Tammy Blaisse.

See the calendar in the Media Guide or on the clubhouse board for upcoming daily activities, HOA activities and Cal-Am activities.

SAVE THE DATE FOR THESE HOA EVENTS

March 16th brings us to our St Patrick's Day party and we will be celebrating with traditional Irish Food and a DJ. Tickets will be \$10.00 for HOA members and \$15.00 for Non-Members.

In April we will be having the popular Tampa Game Night back. They bring a live Game Show Experience, this is an interactive game show with buzzers, podiums, videos and sound effects. Tickets will be \$15.00 for HOA members and \$20.00 for Non-Members.

In May there a Cinco de Mayo party hosted by Jeff and Karen Sopak. Then June is going to be a pool party and for July there is a Pajama Party Breakfast being planned, August will be the dog Days of Summer party gathering School Supplies, then in September there will be a Scavenger Hunt, October will bring us Halloween, November has the Thanksgiving Dinner and finally New Year's Eve. There may be more events if we can get enough people to participate and host. We are also asking for donations for door prizes.

We need hosts to continue these events. People have asked for certain events and while we would like to make them happen, we cannot without people volunteering to host. People are also needed to help with the set-up, replenish food if needed and most of all clean up. We are required to completely clean up like we were never there and that takes some effort.

Neighbor Helping Neighbor

It has long been our dream to be able to help those in our community who are struggling health wise and or financially. People who need help with small things and sometimes larger things. There are so many small ways we can improve the quality of life for all of us here at Island In the Sun.

You can help us by letting us know who in our community are facing challenges:

- who may be shut in and would welcome a visitor,
- who might need help weeding because they can no longer bend over,
- who might need help walking their dog
- who might need help putting something together

You can help by letting us know if you are able to offer help for a neighbor in need and what kind of help.

Our goal is to have a list of people who can help and a list of those who need help so that we can assist them.

If you are willing to help coordinate this once we have it underway please let us know. Your HOA cannot do it alone. We need your help to make this community an even more loving, caring place to live.

Please message either Rusty at 865.232.9072 or Jill at 727-245-4592 if you wish to be part of neighbor helping neighbor.

Marvelous facts about March

In old Roman calendars, one year used to be ten months long, starting in March and ending in December.

The “Ides of March” was a day in the Roman calendar equivalent to March 15th. It was considered a deadline for settling debts. It was also the day Julius Caesar was assassinated.

If you were born in March, your birth flower is a daffodil!

March babies are spoiled with two birthstones: aquamarine and bloodstone, which symbolize courage.

There are two zodiac signs in March. Pisces, which is until March 20, and Aries, which is from the 21st.

The first month of spring is March, which starts between the 19th and the 21st.

March is the equivalent of September in the Southern Hemisphere.

Every year, March and June finish on the same day of the week.

March is the time of year when animals start waking up from hibernation.

The name for March comes from Mars, the Roman god of war. It was named as such in both the Julian and Gregorian calendars.

The Vernal Equinox occurs around March 20 or 21st. This is when the sun is directly above the equator, making the day and night equal in length.

The Anglo-Saxons called March “Hlyd monath,” meaning “Stormy month,” or “Hraed monath,” meaning “Rugged month.”

The popular social media outlet Twitter was launched on March 21, 2006, with the first tweet going out the same day. It was posted by the founder, Jack Dorsey, which read, “just setting up my twttr.”

Saint Patrick’s Day occurs every March 17th, celebrated in many western countries to commemorate the day Saint Patrick died.

Easter Sunday is another popular holiday this month. Initially observed by Christians to celebrate the resurrection of Jesus Christ, it has now become a holiday involving egg hunting, candy, and the Easter bunny.

Statistically, March is the most unproductive month of the year in the U.S. This is the result of “March Madness,” which is the season of the NCAA. Some companies lose up to \$1.9 billion in wages paid to workers who were not productive and instead spent company time betting on the NCAA tournament.

Back in the older days, March was when military campaigns would resume that had previously been put on hold for winter.

On March 10, 1876, Alexander Graham Bell made the first-ever phone call. It was to his assistant, and he said, “Mr. Watson, come here. I want to see you.”

The Eiffel Tower was ascended for the first time. Eiffel himself led a group of government officials and members of the press to the top. The elevators were not in operation yet, so the journey was made on foot and took over an hour.

President John F. Kennedy founded the Peace Corps on March 1, 1961. It is a successful volunteer organization that has since sent at least 235,000 Americans abroad to developing countries to help with health care, education, and other human needs.

Finally, after a long cold winter, March promises those in the northern hemisphere longer and warmer days. Spring has arrived, and people are starting to enjoy the outdoors more often.

With Saint Patrick's Day, Easter (sometimes), International Women's Day, and many more holidays all falling in the month of March, there are so many reasons to celebrate.

Why Do We Celebrate St. Patrick's Day?

This year, St. Patrick's Day will be observed on Sunday, March 17.

Although the holiday originally started as a Christian feast day celebrating the life of St. Patrick and the spreading of Christianity to Ireland, today, it is a day of revelry and a celebration of all things Irish. Don't forget to wear green!

St. Patrick's Day is officially observed on March 17 each year, though celebrations may not be limited to this date. The significance of March 17 is that it's said to be the date of St. Patrick's death in the late 5th century (circa A.D. 493).

Who Was St. Patrick? Was He a Real Person?

Saint Patrick is the patron saint and national apostle of Ireland. He is credited with successfully spreading Christianity throughout Ireland—hence the Christian celebration of his life and name.

Definitely. However, there are many legends about him that mix with the truth. Did he play a large role in spreading Christianity to Ireland? Yes, absolutely. Did he really drive all the snakes out of Ireland? Probably not, since snakes weren't native to Ireland to begin with!

The man who would eventually become St. Patrick was born in Britain (part of the Roman Empire at the time) as Maewyn Succat in the late 4th century. His family was Christian, but it's said that Maewyn himself was an atheist throughout his childhood.

That would change at age 16 (around A.D. 400)A stained glass recreation of St. Patrick holding a shamrock was found in Junction City, Ohio. when Maewyn was kidnapped from his home on the west coast of Britain by Irish pirates, who proceeded to carry him off to Ireland and force him to work as a shepherd herding sheep. After six years, he escaped his captors, walking nearly 200 miles through the Irish landscape and convincing a ship to carry him with them back to Britain. This harrowing experience certainly had an effect on Maewyn, who was convinced it was the Lord who protected him and delivered him safely home.

Upon returning home, Maewyn received his call (in a dream) to preach the Gospel—in Ireland, of all places! He spent the next 15 or so years in a monastery in Britain, preparing for his missionary work. When he became a priest, his name was changed to Patricius, and he returned to the land of his captors to begin his teachings.

Although some Christians already lived in Ireland at the time, the country was largely pagan, so spreading a foreign religion was not an easy task. Patricius traveled from village to village to share the teachings of the Lord and was eventually successful enough to found many churches there.

Why Is the Shamrock Associated With St. Patrick's Day?

We wear a shamrock on St. Patrick's Day because, legend says, St. Patrick used its three leaves to explain the Holy Trinity in his teachings. (The Trinity is the Father, the Son, and the Spirit as three divine persons who are one divine being [God].) The truth of the St. Patrick legend, however, is in question, as there is no direct record that the saint actually used the shamrock as a teaching tool.

More St. Patrick's Day Facts, Fun, and Folklore

Blue was the color originally associated with St. Patrick, but green is now favored.

The first St. Patrick's Day parade in the American colonies was held in New York City on this day in 1762.

St. Patrick's Day is the traditional day for planting peas, even in the snow! See our fun video on how to plant peas.

Cabbage seeds are often planted today, too, and old-time farmers believed that to make them grow well, you needed to plant them while wearing your nightclothes! See our Cabbage Growing Guide. No PJs are required!

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
