APRIL HAPPENINGS

Research by Terri Campbell

Monday, April 1st is April Fools' Day has long been a day when practical jokes and tricks are played on the unaware. Some believe the day is celebrated in honor of the trickery Mother Nature plays on us this time of year with her unpredictable weather. Check out the Fools Day Jokes and Pranks in this issue of the Breezes.

Tuesday, April 2nd each year, National Peanut Butter and Jelly Day celebrates a classic food favorite. The average American will have eaten over 2000 peanut butter and jelly sandwiches by the time they graduate from high school. According to the Peanut Board, during World War II, both peanut butter and jelly were part of the United States soldiers' military ration list.

Wednesday, April 3rd is National Walking Day encouraging Americans of all ages to get out and stretch their legs and get their hearts pumping. The American Heart Association sponsors this day to remind people about the health benefits of taking a walk. Wear your sneakers and start your day with a 30-minute walk.

Friday, April 5th is Gold Star Spouses Day which honors the surviving loved ones of military service members who died while serving their country. Find out more about Gold Star spouses by visiting goldstarwives.org.

Monday, April 15th of each year is National Tax Day. In the United States, the term "tax day" refers to the day on which individual income tax returns are due to the federal government. The Federal income tax filing deadline is midnight on April 15th of every year.

Friday, April 19th is National Clean Out Your Medicine Cabinet Day which occurs annually. The day aims to raise awareness and effectively rid homes of unused or expired prescription and over-the-counter medications sitting in medicine cabinets, nightstands, or kitchen cabinets that have the potential for misuse or abuse by family members, friends, or visitors. Pinellas County has Operation Medicine Cabinet – please see an attached article in this issue for more information.

Monday, April 22nd is National Earth Day - campaigns around the globe promote ways to keep the Earth healthy. Here's what we can all do: Support and use recycling programs in your community; Volunteer to clean up local parks and streets on clean-up days; Support and frequent green businesses; Use re-usable products versus disposable; Repurpose items that have outworn their use; Shop secondhand and thrift stores for gently used items. Please see an attached article for more information on Recycling and Events, and repurposing materials or for local donations to Habitat for Humanity.

continued on page 10

Tuesday, April 30th - Each year, National Adopt a Shelter Pet Day raises awareness for thousands of pets waiting for (and needing) adoption from the shelters. If you feel you can't adopt, consider helping in other ways. Give your time by volunteering. This helps the shelter by providing the animals with exercise, companionship, and socialization. What could be better than the love and uplifting heartfelt feeling you get from being with wonderful animal who appreciates you for your gift of time? You can also check the shelter's donation needs list. Bring them the items you are able to give. Your support will help the shelter animals find their forever homes more quickly.

FOUND THE MISSING HOUR...

At the March 9th POT LUCK DINNER, 40 people attended this event at the Clubhouse and the food was fabulous! The walls were lined with tables of home-made entrees, sides and desserts and no one left hungry! Everyone was welcome to bring your own big plate if you wanted to, but plates and utensils were provided. In Southwind, our Pot Lucks are the best!

Bonnie Brown, of our Activities Committee, organized this event and had cash prizes to give out to lucky winners. Everyone drew from a hat, to find the lost hour (2:00 o'clock) and the cash prizes were \$25, \$15, and \$10. Additionally there were some door prize items for other lucky winners. Everyone went home full and happy and leftovers were shared as well.

Thank you for all the volunteers who helped set up, cooked, baked, contributed and cleaned up to make this event successful. Can't wait for the next one!

CORNHOLE TOURNAMENT & COOKOUT

February 24th was the perfect weather day for this tournament. It had been postponed due to rain the weekend before, but this was a great day to be outdoors in the fresh air and sunshine.

A big thank you goes out to our Organizer and Tournament Host – Carl Mankowski, Lot 130. We had 38 entries and 19 teams of players. The tournament started at 11:00am and for the first time went smoothly without a hitch, according to Carl.

Our fabulous volunteers cooked, sold hamburgers and hotdogs, and cleaned up after the event. Lunch also included a drink, chips and cookie for only \$5.00 – what a deal! There were plenty of customers and spectators who gave their support.

So who won? Tom Moore, Lot 65 and his visiting guest, Larry. The prizes for 1st place were weather band radios. Congratulations to the winners!

When Carl was asked if anything special or unusual happened at this event, he answered “Yes, my wife Marge showed up!” Thanks for your support Marge! And thank you Maggie G. and Pat S. for sending in the photos.

APRIL FOOLS JOKES AND PRANKS

Believe nothing and trust no one this April Fools' Day. So it's just like any other day. April Fools' Day is like a huge open mic night: Millions of people go out of their way to demonstrate how unfunny they are.

Did you hear about the guy who swapped the labels on the pumps at the gas station? It was an April Fuels' joke.

You should have known that no one understood it was an April Fools' joke. No one expected you to have a sense of humor.

A and C were going to prank their friend ... but they just letter B.

Which day is the worst to propose on? April Fools' Day.

Why was everyone so tired on April 1? Because they just finished a long 31-day March.

Babies born on March 31 are the easiest to prank on April Fools' Day. They were literally born yesterday!

Joke's on you, April Fools' Day. I can be fooled any day of the year.

April Fools' Day is a great day to pull pranks. Except on me, if you're smart.

What's the biggest difference between Thanksgiving and April Fools' Day? On one you're thankful, and on the other you're prankful.

What is a prankster's favorite toy? Silly String!

What's one bone a prankster doesn't want to break on April Fools' Day? The humerus.

April Fools' Day is the favorite holiday of which animal? The silly goose!

Text Prank:

Wait for someone to text you. When you get a text from someone who is a good candidate for a joke, pretend you don't know them. **For inspiration: we're pretending the person texted you to go for a walk, but you can play along with whatever subject matter comes up. Continue with the ruse and try to convince them you don't know them. Before it gets too heated, text them "April Fools!"

Them: Hey, whatcha doin?

You: Not much. Who is this?

Them: What do you mean, who's this? It's me, Chloe! Wanna go for a walk with the dogs?

You: Chloe who? I don't know anyone named Chloe.

Them: Stop messing with me! Do you want to go for a walk or not?

You: Sorry, I'm not going for a walk with a complete stranger!

It's April Fools Day - wanna play a prank on your mate or spouse?

Go to your computer and grab your mouse - put it on the kitchen floor and put a pan on top of it. Bang on another pan and scream - Oh no!! Help there's a mouse in the kitchen - scream and yell – I think I killed it, get it outta here!!! Then when your mate comes in and picks up the pan, seeing the computer mouse - announce April Fools!!!

Here's another one - grab 3-4 bottles of water and set them on the bathroom floor in front of the toilet. Flush the toilet and scream "OH NO" there's water on the bathroom floor. When someone comes and sees the bottles - announce April Fools!

Have fun with your pranks and be safe!

National Clean Out Your Medicine Cabinet Day

Here's how you can do your part at Southwind on Friday, April 19th or any day:

OPERATION MEDICINE CABINET North District is located at 737 Loudon Ave. , Dunedin phone: (727) 582-6900 7 a.m. to 11 p.m./ 7 days

Drop off unwanted or expired medicine for safe disposal:

Look for a Lock Your Meds box in the lobby area. A law enforcement officer will assist you. No information is required nor questions asked. The officer will not open any containers. This program is for the general public, and not for commercial use. Accepted: Any prescription drug or medicine used for people or pets, including pills, liquids, inhalers, patches and Epi-Pens. Not accepted: No syringes or medical equipment. For Liquid medication: Secure bottle caps with tape. Other options: You can also drop off medicine at an Operation Medicine Cabinet event. For upcoming dates and locations, contact the Sheriff's Office at www.pcsoweb.com or call (727) 582-6221. Dropped off Medicine will be safely disposed of by incineration.

Do NOT flush medicine down the toilet or pour it down the drain! Medicine can interfere with wastewater treatment plant operations. For example, antibiotics can destroy the beneficial bacteria used to treat organic matter. Also, treatment facilities were not designed to remove medications, so medicine could pass through the facility and potentially harm plants or fish downstream or even end up in our water supply.

Yes, medicines can be thrown in the trash but prior to disposal, make sure to secure the medicine to reduce the risk of medication falling into the wrong hands or be mistakenly ingested:

1. Package: Keep medicine in its original container to help identify the contents in case of accidental ingestion.
2. Privacy: Mark out the patient's name and prescription number.
3. Treatment: Treat pills by adding water or soda to dissolve them. For liquids, add something absorbent such as cat litter or dirt.
4. Seal: Close the lid and secure with duct or packing tape. Place the bottle inside an opaque (non-see-through) container such as a coffee can or plastic laundry bottle. Tape the container closed.
5. Hide: Conceal the container inside a trash can. Do not place it in a recycle bin.

For Directions to the North District Drop Off Location, go online to: <https://maps.app.goo.gl/7tB9YcNyEYdzHPe06>

***additional note – please be warned NEVER to throw those silicone packets that are inside medicine bottles (for freshness) in the trash where pets or children can get to them. They are TOXIC when ingested by animals or humans!

The Walk

by Bill Roberts

I walk towards the horizon
My back warmed by the sun
It seems so close
The mystery part of the fun

My pace quickens
As the anticipation grows
Sand comforts my feet
The effect nobody knows

The water comforts and soothes
Lapping of the water is a gentle reminder
On and on it rolls with no hint of an end
But time can be a betrayer
An illusion

I see the end
The journey carries me forward
I will soon have no more miles to walk
But I will smile
For I will be home

Help for Migraine Headaches

According to an article in AARP Bulletin by Jessica Migala, there are some new treatments for an old pain source. Reportedly, one in ten older adults experience migraine pain every year, and for women- the change in post-menopausal hormones is a trigger for this condition.

A migraine may be “aura-only”, referring to visual changes – such as flashes, bright spots, shapes, blind-spots, blurred or lost vision that typically occurs before the headache. Seeing a shimmer or partially blocked vision can cause panic, since it’s also a sign of a stroke – talk to your Doctor for a workup to check into it. It can also be a sign of other health conditions like sleep-apnea, or medication interactions. Seek emergency care if a sudden headache causes you to experience weakness, numbness or a change of vision that comes quickly – these are possible signs of a brain aneurysm or stroke.

A number of new migraine therapies have proven to be better for older adults than earlier treatments. Some older treatments are not safe for older adults with conditions such as heart disease. The new generation of migraine drugs is called CGRP (or gepants) that can block the trigger of migraine attacks (such as Qulipta, for chronic migraine). Ask your Doctor if preventative oral medications are appropriate for you.

There is also a nasal spray used to treat migraine, which can bring relief within 30 minutes (just approved by the FDA last year). Injectable treatments can also prevent the onset of an attack.

Neuromodulation: Nerve treatment devices stimulate nerves to help nervous system function which decreases migraine.

The one treatment you can use TODAY, and that does not require a prescription, is the use of a green light bulb in your lamp or light fixture! Green light is considered to be brain friendly and can actually decrease headaches, sometimes by more than half! *“Green light may act on cells in your retina that alter your perception of pain”* according to the article. Hooga brand green light bulbs are available online through Amazon, and other LCD green bulbs are available at Walmart, Target and various hardware stores.

STOP the pain and GO on GREEN...

INSPIRATIONS

FOCUS - if you make the mistake of looking back too much, you aren't focused enough on the road in front of you... - Brad Paisley

SMART - it's about being smart, taking your time, keeping your composure, just going out there and being the best that you can be... - Floyd Mayweather, Jr

CARING - too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around. ... - Leo Buscaglia

PATIENT - patience is bitter, but its fruit is sweet... - Jean-Jacques Rousseau
(not to be confused with Jacques Cousteau -who invented aqualung for underwater exploration and who said *"The happiness of the bee and the dolphin is to exist. For man it is to know that and to wonder at it."*)

FRIENDLY - many people will walk in and out of your life, but only true friends will leave footprints in your heart... - Eleanor Roosevelt

CURIOUS - be curious. Read widely. Try new things. What people call intelligence just boils down to curiosity... - Aaron Swartz
