If Advent/Christmas is a revelation of God’s presence with us, then Lent/Easter is a revelation of God’s desire to use all of life for our wholeness and our healing – the revelation that he will pull life from death.

Lent (literally springtime) is a time of preparation, a time to return to the desert where Jesus spent forty trying days preparing for his ministry. He allowed himself to be tested, and if we are serious about following him,. We will do the same.

## VALENTINE DANCE

*Barbara Lee*

The dance was held on Saturday night with the attendance of sixty-two persons. Our band “Ruby Tuesday” did a wonderful job, and all in attendance had a great time.

While the dance chairperson, Linda Fletcher, was recovering from surgery and still in the hospital, it took several other nice persons to help me with setting up and putting on the event, and a whole lot more to clean it up.

We had a door prize given and it was won by Arline Horslin. Thanks to Richard “Doc” Holliday, Greg Johnson, and Herb Hendershot our “Share-the-Wealth “ was conducted. We had seven \$10. winners.

My sincere thanks go out to all who helped with the dance, especially to name a few, Hazel Holliday, Liz Johnson, Pam Routzon, and Rose Hendershot.

## GREETINGS FROM CANADA

*A Big Thank You from Bev Pearson*

Last April 6 Dan suffered a stroke and I took him to Mease Countryside where he was tested and diagnosed with a stroke (brain bleed) the doctors called it. Our insurance wanted him in Largo Medical Center, and he was transferred the same day; was Air Ambulanced back home when he could travel, on Monday, April 14. Between hospital in Niagara Falls and rehab hospital in St. Catherine’s, he was finally released mid- June and had six more weeks of outpatient rehab.

He is doing great now (February, 2015) and even played a few rounds of golf with his friends in the fall. Our daughters flew down to Florida to help me pack, etc. Kathie flew back with her Dad and Heather helped me drive the 1350 miles home.

I need to thank so many friends in Amber Glades. First, Dolores and Roland, who were my rocks the first day. Also Rose and Herb, who were our neighbors. Sharon DesJardins, who came and had morning coffee with the girls and me. It was great to talk with a friend. Carol and Rick,. Who were so helpful, and Ed, Bob, and Wayne, who went to see Dan in the hospital; I believe that helped him.

Roy and Ed, who came and helped me put the bike rack on and secured it so well for the drive that it took Kathie and me about half an hour to unload it. Also

Linda for the Nova Scotia blueberry jam (it was delicious) and the homemade muffins.

Thanks for the phone calls after we arrived home; Don Horrigan, Sharon, Theresa.

Now to all my friends on Facebook who have been so supportive, I really appreciate all your prayers, and I believe all your prayers helped us get through this ordeal.

If I have forgotten anyone, I apologize; it was such a trying time for us.

We are both doing well now. Miss Amber Glades and all our friends.

I am on Facebook if you want to get in touch, or there are some in the park who have my e-mail address. Would love to hear from you.

P.S. I hear the Shuffleboard is doing great, wish I was there to play. Again. A big Thank You to All.

# New Pain Treatment Available in Dunedin

Dunedin, FL - Imagine forty years ago if you were told that lasers would replace scalpels in surgery or that robotic instruments would build cars; you may not have believed it. By the same token, would you believe that chiropractic treatments could be performed using a special hand-held instrument using space age NASA technology, all while you were sitting in an upright position without turning or twisting movement to your spine?

According to Dr. Drew, "This new form of computerized treatment is so gentle and effective that it amazes even the most skeptical patients. It's called the Impulse IQ and it is the latest state-of-the-art technology in existence today, and the only one in the Hernando, Citrus, Pasco & Hillsborough area."

Dr. Drew says that, "The secret to the Impulse IQ is in its ability to deliver an extremely precise adjustment." He says "Even though traditional forms of adjusting also work, people are drawn to this new technique because of how gentle it is and does not involve any twisting, especially in the neck." The Impulse IQ is FDA approved, UL listed and treatments are covered by most insurances, including Medicare.

The procedure is backed by years of scientific research, and our patients can't stop raving about their results. They are using words like "Incredible", "Amazing" and "Unbelievable." It's changing the future of pain treatment like nothing else I've seen in over 20 years of practice", says Dr. Drew. If you have any of these conditions, the Impulse IQ may be the answer you've been looking for.
