The next HOA Board Meeting will be held Tuesday, March 6, at 7:00 pm. The next Social Committee Meeting will be held on Wednesday, March 7, at 7:00 pm.

**DEADLINE FOR THE APRIL NEWSLETTER IS MARCH 13.
Please contact Lauri, #72 Diamond, or 847/465-9745.**

SOCIAL CLUB

The meeting was called to order by Sharon Reed at 7:00 pm. She led the Pledge of Allegiance, Arlene Horslin led the Canadian greeting, and Dave Suderman offered a prayer.

All Social Club officers were present. Minutes of the previous meeting were read by Lauri Le Gault; moved by Barb King, and seconded by Jackie LaFountain. Patty Peterman presented the Treasurer's report, which was moved to accept by Lorrie Richards, and seconded by Liz Johnson.

Wayne Davis, president of our HOA, related that one of our residents contacted the Clearwater Police Department regarding the early morning and late afternoon/evening firearms qualifications in recent weeks. This resident shared concerns that noise abatement is not working, and that some residents were apprehensive, and requested consideration of scheduling. A prompt response was received from the Clearwater Police Department, sympathizing with the concern, but explaining that the recent qualifications involved low light/no light SWAT training, which is louder than normal. They are exploring additional sound baffling, and have engaged an engineering firm to assess and develop solutions.

Sharon Reed again announced that March 31st ends the current terms of the Social Committee. Wayne Davis reiterated the importance of the Committee and urged anyone with questions/possible interest to contact Sharon.

Shuffleboard

Shuffleboard will begin again on Monday, Dec 4th at noon. This is a weekly event and feel free to contact Ed O'Neil at #380 727-238-8170. The fee of \$15 remains the same for this season.

Bingo.....Mondays.....6:30pm

Looking for a fun night out? Join us on Mondays for BINGO at the clubhouse. The more the merrier! Prize payouts depend on attendance.

Plan to come a few minutes early because the first game is a progressive cover-all and you will need time to mark the pre-drawn numbers.

Let's Do Crafts

Come up to the clubhouse on Tuesday Mornings at 10:00am. Bring a craft project that you are working on and your ideas to share with the others. We will be glad to welcome you there.

For more information contact Faye Rahrig (419) 277:2753.

Bunco

Every Tuesday at 1pm we play Bunco at the Clubhouse. It's a \$2 game and all the money goes back out as prizes. You don't have to know how to play, we'll teach you. See you there, just throw the dice!

Koffee Klatch

A social gathering especially for coffee and conversation and donuts. We begin at 8am on Wednesday mornings. Coffee is free but the donuts are \$1 each.

The men settle the world's problems (LOL) while the women discuss their kids and grandkids.

Horses Thursday Night - 6:30 – 8:30pm

Everyone is welcome to join us. We are a group of about 10 – 20, depending on who is available. No experience necessary – you don't even need to know how to ride a horse! We would love to welcome you to our (s)table.

EVENT REPORTS

New Year's Eve 2018

What a great night! Seventy-six neighbors and friends attended and danced the night away to the wonderful sounds of Al March.

Everyone welcomed in the New Year with a champagne toast and the countdown of the ball drop at midnight.

The clubhouse looked stunning, thanks to Lauri, Janet, Paul, and their crew. They really outdid themselves this year.

The added touch was provided by Don and Faye Rahrig who created the photo area which everyone loved. It was a lot of fun for all.

Thanks to everyone who attended and helped make this a wonderful New Year's event for Amber Glades.

Barb King

PANCAKES AND MORE....

The breakfast was a belly-buster, and very well attended. Thanks to Don and Faye Rahrig, and their superb organizational skills, everyone was served in a short period of time and the response was all positive!

Their efforts resulted in a net positive addition to our Social Committee budget of more than \$200.00, which will hopefully lead to additional events like this one in the future.

SCAVENGER HUNT

On Saturday, February 3, treasure hunters gathered for a scavenger hunt, pot luck, and cakewalk. The weather cooperated so that the treasure hunters could go outside and hunt for painted rocks. The rocks were decorated and had affirming words or phrases. Dinner was awesome; the variety and quality of food brought was excellent. Thanks to all who brought the food.

After dinner, we drew words and phrases for thirty prizes and finished off the evening with an old fashioned cake walk for 17 cakes complete with carnival music on the old Wurlitzer Theater Organ. The turnout was small but a great time was had by all. Thanks to Lucien Rouleau for sharing the cakes he won with the Bunco group the following Tuesday.

Thanks to Sharon Reed for her assistance as well as all the folks who stayed after to help clean up. It was much appreciated.

MYSTERY LUNCH

The mystery was solved. Our destination for the Mystery Lunch was McDivot's Wing and Raw Bar on the northwest corner of Country Way and Linebaugh. About six miles away. Don't let the name scare you. It is a laid back place that is just right for a casual lunch or dinner. The menu is extensive and offers a variety a variety of sandwiches and meals. They also have daily lunch specials. I heard from someone who attended the lunch that the Reuben sandwich was superb and someone else said the Cuban sandwich was the best she had ever had. I know from experience that the Fish&Chips and burgers are both good although I prefer the homemade chips as a side.

Service was great even though 40+ of us dropped in, all at the same time. They were ready for us, the owners, husband and wife, their son, along with other help served up lunch to us all. I've heard from several people that they have already been back to try something else on the menu.

Glad everyone liked it and THANK YOU to all that supported this event.

IMPORTANT TO OUR COMMUNITY FEDERATION OF MANUFACTURED HOME OWNERS OF FLORIDA, INC.

The FMO is a not-for-profit, membership organization whose purpose is to protect mobile/manufactured home owners. All FMO officers are volunteers, it is headquartered in Largo, and has a staff that will assist you. The FMO has an attorney that advises the Board of Directors, and a lobbyist in Tallahassee who, on behalf of FMO, watches for rule changes and FMO challenges many of them. Our lobbyist also watches for legislation that would hurt homeowners, like the tax bill that would have taxed all mobile/manufactured homes as real property, even those in rental parks.

In 1984, your FMO succeeded in having Florida Statute Chapter 723 written into law, which is by far the best piece of mobile/manufactured home legislation that has ever passed anywhere in the United States. This statute guarantees that you will receive only one rent increase per year, and if said increase seems unreasonable, can negotiate the rent increase. The FMO fights to make sure that park owners don't change Chapter 723.

The FMO needs your support to continue the work to protect the lifestyle you have chosen. Dues are only \$25.00 annually, or 84 cents per day. Please consider joining the FMO so it can continue the great work it's doing for you. For more information, contact:

Jackie LaFountain, Lot #44, phone 802/342-6604.

OF INTEREST....DAY TRIPPING

Where can we go? What can we do today? Have you been to Sunken Gardens? It's just a short hop to the south. Located in historic St. Petersburg, very near Tropicana Field. Cost is \$8.00 for seniors and the gardens are beautiful. The wandering paths take you through the park with giant tropical plants, a koi pond, aviary, turtle and flamingo enclosures and lots of benches. An interesting fact is that the park is sixteen feet below street level. But, don't fret, there are no steps that I saw.

Continued on page 18

The day we visited, they were decking the gardens with flower displays for a weekend event. The slow stroll was very relaxing and the flora was amazing. After checking out the gift shop on the way out, we were ready for lunch and googled the local restaurants.

We found that just two blocks to the south was Three Birds Tavern. We walked the distance and were not disappointed. Sandwiches, salads, and tavern fare. All in the \$9-\$12 range. They also had dinner entrees. The JoJo Fries appetizer was amazing and enough for four. FYI, if you order the JoJo Fries, don't order fries with your lunch – try one of their other side dish options. Portions are large. The huge wrap-around porch was a delightful place to enjoy our lunch out of-doors on a beautiful day. The staff was friendly and meals were delivered quickly.

I also spotted an Outback Steakhouse and a Panera restaurant across the street from Sunken Gardens, if those are more your style.

Make this a half day adventure or extend it by visiting another attraction in the area while you are there. We left Amber Glades just before 10:30 a.m. and returned at 2:30 p.m. That included the wonderful, leisurely lunch with good friends.

Get out and explore! We'll be looking for you on our next adventure.

Living in a healthy state

Does the state where you live affect your health? Some U.S. states appear to be dramatically healthier than others, based on rates of infectious disease, obesity, smoking, infant mortality, air pollution, and other factors. United Health Foundation looked at the figures and identified the healthiest—and unhealthiest—states in the country:

Healthiest

- Massachusetts
- Hawaii
- Vermont
- Utah
- Connecticut

Unhealthiest

- Mississippi
- Louisiana
- Arkansas
- Alabama
- West Virginia

He who cures a disease may be the skillfullest, but he that prevents it is the safest physician.

Protect your eyes when dealing with car batteries

Many people don't know that vehicle batteries contain acid and produce hydrogen and oxygen gases, making them lethal if improperly handled. It's particularly important to understand the dangers when jump-starting a dead battery. A spark or lighted cigarette can ignite the gases and turn the battery into a bomb of flying fragments and acid.

The first line of protection is to wear safety goggles when dealing with car batteries. If battery acid does splash into your eyes, though, don't panic. Flush your eyes with any "drinkable" liquid close at hand. It can be water, milk, juice, or even soda. Remember that every second counts. The longer acid sits in the eyes, the more damage it can do.

Be contrary to plumb new ideas

Following the crowd is usually a safe bet, but it doesn't usually lend itself to creative thinking. If you want to be creative, sometimes you have to go against the grain. The trick is figuring out when you have a situation that calls for you to stand out from the crowd and take a contrary point of view from the majority.

The first thing to do before launching your career as a rebel is ask yourself whether you have a good reason for your contrary opinion. Just going against the conventional wisdom for the sake of taking the other side isn't usually smart. For instance, if you think your organization should change the color of a product, but it has a long history of making the product in only one distinct color, you have to be able to back up your opinion with reasons why you think this will benefit the organization. You might believe, for example, that your product needs to be rebranded—that it has grown stale with time and overexposure. Even if you don't ultimately succeed, you'll stretch your creative muscles and show an ability to think independently, which can only boost your career.

How the famous get ahead

What makes today's richest people so successful? There's no one answer, of course, but an infographic on the MBAnoGMAT.com website looks at some of the secrets of many highly successful figures in business, science, entertainment, and more:

- **Elon Musk**, founder and CEO of Tesla Motors and SpaceX. He schedules his day in five-minute blocks to squeeze the most out of every minute.
- **Mark Zuckerberg**, co-founder and chairman of Facebook. He wears the same T-shirt, pants, and hoodie every day to minimize the number of decisions he has to make, leaving his mind free to pursue the most important ideas.
- **Bill Gates**, chairman of Microsoft. The computer guru reads 50 books a year.
- **Richard Branson**, founder of the Virgin Group. He gets up every day to exercise by swimming, playing tennis, or flying kites, and claims to get an extra four hours per day or productivity as a result.
- **Peter Thiel**, co-founder of PayPal. He often asks, "Why can't you get your 10-year plan done in the next six months?" He believes in staying "lean" or "unplanned," because entrepreneurship is about experimentation.

VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"
