## MEET YOUR HOA PRESIDENT

Happy September! I'd like to introduce myself. My name is David Suderman. I am 71 years old and was born and raised in the central valley of California farm country. My parents loved me very much and forced me to take piano lessons at the age of 7. By age 11, I actually started to like it and at Modesto High School in the 60's I was very involved in Vocal and Choral Music while continuing the piano. I also had to milk our cow at age 9 or 10. I didn't like that at all. I definitely was NOT a willing farm boy. However, my dad was a carpenter/builder and he taught me the ropes. I liked that a lot.

In 1966, I enrolled at Fresno (CA) Pacific College (now University) where I studied Psychology and met a girl from Oregon named SueAnn who very graciously consented to become my wife in 1969. Fortunately (for me), she persisted with me through the ups and downs of life and we have now been married 51 years. We started our family in 1971 and have 3 children (plus one whom we consider our child but share no blood with), three boys and a girl. In 1972, we moved to Salem, Oregon, SueAnn's home town, where we raised our family.

After a number of different jobs in my early 20's, I was hired by The Housing Authority of the City of Salem in 1975 as a Housing Assistance Representative, working with people qualified for low-income housing assistance. I was there 36 years until I retired in 2011. Over the years as the Housing Authority grew and new programs came about, I morphed from a property manager for low-income apartments to an inspector for the HUD Section 8 Housing Assistance Program, dealing with both tenants and landlords. At the same time, I was always involved in music at the various churches we attended as a family over the years, from choir director to drummer/guitarist in the worship band to congregational worship leader.

Of our adult children 2 still live in the Northwest and 2 lived in Florida at the time of our moving here in 2013. We wanted to retire to a warmer climate so we came where the kids were. Our daughter lived in Fort Walton Beach and our youngest son in Clearwater at the time. We bought our place at 353 Ruby Circle on February 1, 2014, and spent 2 ½ months remodeling while living with our son. We've been snowbirds up until this summer, going back to Oregon in the summers where we still own a home occupied by our oldest son. In Oregon, I love fishing and camping in the Cascade Mountains. In Florida, my wife and I have become Disney nuts, going to the parks in Orlando as often as we can. We both enjoy participating in the social activities at Amber Glades, and in the Living Stones, our senior group at Harborside Christian Church in Safety Harbor.

I've been on the HOA Board since January 2016 as a Director, and the President since June 1, 2020. I love living in the Amber Glades Community. I hope you do too.

**Dave Suderman**

**President, Amber Glades Homeowners Association**

*Next month, we will feature our Vice President*

## FOOD PANTRY

---

The need to help the food pantry seems even greater today than it did when we first started collecting donations here four months ago. So we will continue to pick up your donations every Saturday at noon. We can't say enough about the generosity and selflessness we have witnessed here in our Park. Thank you all from the bottom of our hearts.

Thank you,  
Liz Johnson

## WELCOMING COMMITTEE

---

**W**e are thrilled to see so many new faces and even better, we are seeing new neighbors from different countries as well! This is a great opportunity for all of us to learn new traditions while making new friends!

If you see someone new, say hi! Let's try to make everyone feel welcome. Daryl and I try, when we meet our new neighbors to give them new information about our area but you may have something valuable to share as well. If you can't think of anything, give your new neighbors a big smile... that's the best of you!

Here are our new neighbors who moved into our community in June:

#112 Coral Gerarado Gomez 786-752-2362

He is originally from Cuba. Loves gardening and going to the beach. Loves the neighborhood and is looking forward to meeting new neighbors.

#281 James & Elizabeth Emling Jr. 779-227-9746

They are originally from Illinois, then Georgia and now these creative, and talented people are here with us. She is a multi-talented designer and Jim carries out her design. Jim is also a great handyman and he'll make your life easier.

#364 Phillip Marron 727-247-4664

He's a native Floridian and he's been in the restaurant industry for many years. He's in flux at the moment but loves living here.

# 65 Diamond Joe Beuno N/A

We've been unable to meet with Joe but we will keep trying!

#122 Coral LeRoy Shannhan 410-972-9801

He is a world traveler and he is now settling into his forever home. He has definitely made home his own quite beautifully.

#131 Topaz Michael & Cheryl Leigh 417-430-9542

We haven't been able to meet with them yet, but as soon as they are settled we will greet them!

## PLANT TIPS

---

**H**i there, my name is Debra Santee, and you may have seen me working around the yards in our Park. I thought I would share some of my tricks for low-maintenance landscapes.

1. Fill beds and borders with perennials and shrubs instead of annuals.
2. Avoid fast-growing plants – they need pruning more often.
3. Focus on native plants – they can better withstand local weather and pests, and generally need less care.
4. Opt for hardscaping like gravel or creeping groundcover instead of grass.
5. Build landscape elements like retaining walls out of stone or brick instead of wood. Choose man-made materials for decks and fences over wood.
6. Advance planning cuts down on water woes. Make watering easy on yourself. Forget about hauling the hose to the farthest reaches of your yard. Plant the thirstiest plants closest to the house and/or water spigot. Or put them at the bottom of a slope where they will benefit naturally from runoff. Put drought tolerant plants in beds farthest from the house or at the top of a slope.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
