Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **MortonPlantValveTrial.org**.

2. Parking on the grass or sidewalk is against the rules. If necessary, park on the road.
 3. Cars parked on the street after midnight will be towed. [Eds. Note: you have to pay the fine even if you run out before the tow truck takes your car away. We have nice neighbors who remind us when we are parked on the street at night.]
 4. The Office must authorize overnight parking at the Clubhouse.
 5. The back gate will soon be fixed and closed during the day. This is controversial, as some just want it open. [Eds. Note: we recommend opening the gate before driving through it. LOL]

These messages are posted in the Clubhouse and pertain to every month:

Every Friday from 9 to noon: please turn off your hot water tanks. We use this time to fix leaks in the park.

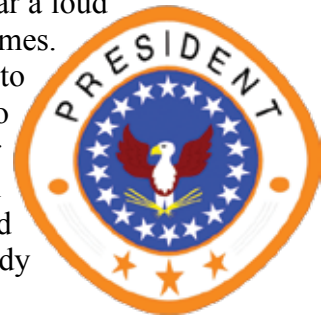

Every Sunday at 5 p.m.: please flush your toilet(s). Our sewers were designed for more pressure than they get with low flow toilets. Flushing simultaneously will increase pressure and help keep the lines clean.

Just Sayin'

By Jeanne Hunter, President

Here at the Ranch we follow the pickle philosophy of life...never a dill moment!

Holiday season is almost over. April is the month we hear a loud woosh sound as the snowbirds take off for their northern homes. Those of us left behind will rediscover the pool (we try to explain to the snowbirds that 70 degrees is NOT pool weather every year) to keep cool in the long hot summer. Roger Renaud will be here for our April dance, entertaining us with 50's and 60's music and a Motown vibe. The Sunset Club continues to celebrate each month with food and drinks at local restaurants. We tried a Sunrise Club, but nobody would come because they don't serve booze with breakfast.

Last month we had two informational speakers at our Monday morning meetings. Bob Solomon, hearing aid specialist, came and did a hilarious comedy magic show. This included audience participation, and Chris Christensen stole the show with a few great zingers of her own. Mixed in with the jokes were a lot of interesting facts about hearing. Bob signed up quite a few of us for hearing tests. He comes directly to your home with his equipment and is a straight shooter and very helpful. I was tested. He said although I had some hearing loss, it was minimal and I didn't need hearing aids. He didn't try to sell me anything! He's been to see quite a few folks here, and I've heard nothing but good things about him. If you would like to get tested, his number is 888-661-4441.

Our other speaker was Christina Lorenz from Largo Parks and Recreation. Largo has an abundance of parks – over 500 acres of green space in 20 parks with over 11 miles of walking trails. Do you enjoy getting outdoors for a nice walk? The Central Park Nature Preserve is a few minutes from here off East Bay. When you get to the light at Highland, turn left and you're there. You'll see native trees and flowers, birds and we even spotted an alligator one morning. The Narrows Nature Center in McGough Nature Park is an education center with live birds of prey and reptiles. Currently they house a bald eagle, too. This park also has nature trails for a look at natural Florida. There is much, much more to do in Largo, much of it free or low cost. I'll tell you more next month.

Here's a real life courtroom drama for you...

A judge was interviewing a woman regarding her pending divorce, and asked, "What are the grounds for your divorce?"

She replied, "About four acres and a nice little home in the middle of the property with a stream running by."

"No," he said, "I mean what is the foundation of this case?"

"It is made of concrete, brick and mortar," she responded.

"I mean," he continued, "What are your relations like?"

"I have an aunt and uncle living here in town, and so do my husband's parents."

"Do you have a real grudge?"

"No," she replied, "We have a two-car carport and have never really needed one."

"Please," he tried again, "is there any infidelity in your marriage?"

"Yes, both my son and daughter have stereo sets. We don't necessarily like the music, but the answer to your questions is yes."

"Ma'am, does your husband ever beat you up?"

"Yes," she responded, "about twice a week he gets up earlier than I do."

Finally, in frustration, the judge asked, "Lady, why do you want a divorce?"

"Oh, I don't want a divorce," she replied. "I've never wanted a divorce. My husband does. He says he can't communicate with me."

FROM THE EDITOR

By Carol Raabe, Editor

St. Patrick's Day is approaching as I write this, and it seems Bay Ranchers are busy with the activities of the end of the season:-- tournaments and matches for Shufflers and Horseshoers, banquets and lunches, dances and shows-- all in preparation for the mass exodus of snow birds. The Grand Finale of the 2016-17 Winter Season.

This year was a little bit different because so many residents cruised the Caribbean as a

...continued on page 16

group, thanks to Harry and Becky Webber. We'll see a repeat of that next year, so we'll have a better idea how to schedule ourselves with the big event happening in January. That isn't likely to mean, though, that March will be any more sedate.

Looking back on the season, I'm struck yet again by what a friendly place Bay Ranch is. Those of us who are here for only a few months really do have a vacation here. Friends and family visit. Sometimes life intervenes. But mostly we have fun, playing with our friends, swimming or sunning at the pool or beach, enjoying the many wonderful places to eat, etc., etc.

With the advent of Bob Lupton's Facebook page Neighbors, we stay connected with Bay Ranchers even in the summer. It makes me even more eager to get back here in the fall.

So best wishes to everyone for a good summer. Those of you who are staying here, find refuge from the heat and have some fun. Those of you who will travel home or to visit, be safe, and come back happy and healthy.

American Flags Need Proper Burial

Dear Editor,
I was down at the dumpsters the other day and another resident who was there pointed out an American Flag laying in the big dumpster. We went over and dug it out. It was still attached to a small pole. We folded it and I brought it home with me. I will take care of disposing of it properly.

I was a little taken aback by the fact that someone would just toss out our flag like that, but I suppose there are folks who are not aware of Flag Protocol.

PLEASE! If anyone has an American Flag that they would like to dispose of, call me at 717-779-7743 and I will come and get your Flag and take care of the disposal. If you wish, you can drop it off at my home, #1377. For future reference, if you would like to dispose of the Flag yourself, you can take it to any American Legion or VFW and they will be honored to take care of it for you.

Our Flag is a sacred symbol of our freedom and the men and women who died for it. It needs to have a proper burial.

Thank you,
John Trygstad

BOB'S CORNER

By Bob Lupton

Hi everyone, I have been very busy lately, first watching an egg try to hatch an eagle, and now waiting for a baby giraffe to be born. Guys we have today an invention called a computer that lets you obtain all the information in the universe. A machine that is faster at mathematical calculations than Einstein himself. It can design a house, paint a portrait, and can communicate with anyone in the world. And I am sitting here watching a pregnant giraffe pace back and forth. Did I mention you can watch funny cat videos, too? I also use it to piss off my friends from time to time (thanks for the inspiration Jeannie Hunter.)

Things that make me smile.

Finding out that someone you thought was really old was actually younger than you.

Standing on a scale that shows me down five pounds, even though I know it is probably broken.

Finding a crumpled up ten dollar bill in the pocket of a washed pair of jeans.

Live music at an outdoor bar.

Gin (not the drink, the wife)

My kids and grand kids

Friends

And a few other things but that are for future articles. Stay tuned.

I can't believe this season is ending soon, and by the time you read this a few of you will be heading north. I hope you all stay connected with us back here at the Ranch. If you haven't joined the Neighbors site on Facebook, just look for me on Facebook and send a friends request.

Maybe by then that baby giraffe will be born and we will be waiting for a baby moose.

Till next time.

Love you all.....Bob

The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

Bay Ranch Profile: 90 Plus Club

By Wayne Redshaw

Sunday, February 19th was a memorable one for Bay Ranch residents especially those individuals who were honored in the 90-Plus Club. In all, nine individuals were honored at a special dinner in the clubhouse and seven were present. The honorees

included: Helen Bryant, Chris Christensen, Ruth French, Bill Kinney, Catherine Slabozian, Rita Troia and Avis Trombly. Not in attendance were Clara Havliceik and Betty Sondrini. Some of these individuals have been residents of Bay Ranch close to 40 years.

The idea of honoring residents over 90 years old was the brainchild of Park Manager Cliff Wicks. Wicks along with many residents from Bay Ranch attended the funeral for Helen Drummond who had lived in the park since it opened and was very involved and highly respected by everyone.

While sitting at the service, Cliff noticed how many Bay Ranch residents were close to Helen in years. "WOW!! I thought this was a unique little club that has been at Bay Ranch a long time. What can we do that might make an impact?" he recalled.

Cliff thought about taking them to dinner. He mentioned it to some people and they thought

...continued on page 36

it was a good idea and wanted to go too. Then he brought it up at a Monday Morning Meeting, and all of those in attendance wanted to be part of it as well.

As it turned out the dinner was held in the clubhouse and the cooks ---Bob Peterson, Ron Griffin, Jack Lees and Roger Heil ---came up with a fantastic menu and did an outstanding job.

Over 90 people attended and Cliff was impressed with the numbers. "I really didn't expect that many," he said. "I thought really around 20 or 30 when the signup sheet went up but it grew and a lot came who never signed up. It actually blew me away.

"I was impressed and I think it was really good for the 90 year old's to see that many people show up. Each and every one who was honored was so overwhelmed. It seemed to me it was a big deal for them."

Cliff said he is thinking of making the dinner and annual event and around the same time. In fact, he is even considering calling it "The Ellen Drummond Memorial Dinner" as she left quite an impact with many of the residents in the park over the years. "She would be tickled pink to know her funeral service actually started this dinner idea," said Cliff.

Congratulations to all the 90 plus club members and to Cliff Wicks for arranging the dinner.

THE FOODIE NEWS

By Adam Pirhofer

April Foodie News

Well howdee doodee kids! Back again for some dining experiences in the area. I have three more places for your gastronomical adventures. The first is right around the corner for a adventure to Italy, Bellissimo Italian Eatery. Next is a comfort food rest spot called Tom+Chee. And last but not least, a place for some of great fast Mexican at QDOBA Mexican Eats in Tampa.

First up is Bellissimo Italian Eatery at 13220 S Belcher Rd, just south of Ulmerton past the IHOP. This is an outstanding true Italian eatery. All the food is fresh made. We started with Fried Ravioli and Brushetta---wonderful flavors and crisp---followed by soups Pasta Fagioli and Italian Wedding. The seasoning for these explodes with taste in your mouth. Some of the best Italian soup I have had. For main course, I tried the Veal Saltimbocca. You could tell the veal was fresh pounded and it was cooked to perfection, tender and perfect. Desert was Italian Lemon Cake. What a way to finish the dinner! Talked to the chef and owner about the food and learned the idea of keeping everything fresh. I cannot say how great it is to have a place this good, this close. I highly recommend going here.

Next is a place by Tyrone Mall called Tom+Chee at 6802 22nd Ave. N, St Petersburg. This is a comfort food joint: grilled cheese sandwiches and tomato soup, elevated just a little. How about Flying Pig grilled Cheese, Roasted Turkey, bacon, pickle, smoked gouda, on hardy white bread grilled cheese? Or build your own with a huge selection of stuff to put on your sandwich. Then choose a cup of soup from Classic Tomato, Creamy Tomato Basil, Chunky Tomato Basil or a hearty soup of the day. If this is not enough, finish with a Grilled Cheese Donut, a grilled donut filled with fresh strawberries, candied lemons, mozzarella and lemon mascarpone. What a decadent idea! Great place for a little upgraded comfort food after a rough day at the mall. Reward yourself for not going broke shopping.

QDOBA at 3801 W Gandy Blvd. on the corner of Gandy and Dale Mabry is a different approach to a taco/burrito joint. Pick a style-- tacos, burritos, nachos, quesadilla--then fill it with protein--grilled adobo chicken, tequila lime chicken beef, pulled pork, smoked brisket or a special protein. Finally, add the extras; veggies, rice, beans, cheese type, guacamole, salsas and stuff. Watch them make it right in front of you. You may think \$9 is too much for a burrito until you see the size of the burrito. Over 1 pound without over stuffing it. Great flavor and fresh taste.

Well there you have it. Three great places to try in and around our homes. Go out with some friends and have some flavor. Bon Appetite.

LET'S EAT

By Ione Jones

Thanks to Jean Stonerock again this month for a favorite recipe. She admits they are not too healthy for diabetics, but loves them anyway.

Popcorn Balls

Makes 2 balls.

In big bowl, mix together:

2 Cups popcorn

½ C salted peanuts

In small bowl, microwave for 35-45 seconds:

2 T brown sugar

2 T corn syrup

1 T peanut butter.

Add to popcorn and peanut mixture. I use coconut oil on my hands to form the balls, works well – less mess.

A LAUGH OR TWO

Submitted by Jean Stonerock

The Bagpiper

Time is like a river. You cannot touch the water twice, because the flow that has passed will never pass again. Enjoy every moment of life.

As a bagpiper, I play many gigs. Recently I was asked by a funeral director to play at a graveside service for a homeless man. He had no family or friends, so the service was to be at a pauper's cemetery in the Nova Scotia back country.

As I was not familiar with the backwoods, I got lost and, being a typical man, I didn't stop for directions. I finally arrived an hour late and saw the funeral guy had evidently gone and the hearse was nowhere in sight. There were only the diggers and crew left and they were eating lunch. I felt badly and apologized to the men for being late.

I went to the side of the grave and looked down. The vault lid was already in place. I didn't know what else to do, so I started to play. The workers put down their lunches and began to gather around. I played out my heart and soul for this man with no family and friends.

I played like i've never played before for this homeless man.

And as I played "Amazing Grace," the workers began to weep. They wept, I wept, we all wept together.

When I finished, I packed up my bagpipes and started for my car. Though my head was hung low, my heart was full. As I opened the door to my car, I heard one of the workers say, "I never seen anything like that before, and I've been putting in septic tanks for twenty years."

Apparently, I'm still lost....it's a man thing.
