## Cliff's Notes

---

**N**o new notes from management this month. These messages are posted in the Clubhouse and pertain to every month:

**Every Friday from 9 to noon:** please turn off your hot water tanks. We use this time to fix leaks in the park.

**Every Sunday at 5 p.m.:** please flush your toilet(s). Our sewers were designed for more pressure than they get with low flow toilets. Flushing simultaneously will increase pressure and help keep the lines clean.

## Just Sayin'

*By Jeanne Hunter, President*

---

**J**eanne isn't sayin' anything for February, either. (She's been ill.)

## From The Editor

*By Carol Raabe, Editor*

---

**L**ots of people contribute to the Review, some unknowingly. Many take pictures and post them on Facebook; maybe some are hoping their picture(s) will end up here, but probably many have no idea I download them and make choices while putting the issue together. It does seem like more different people are posting pictures, and I thank you all. I'm particularly grateful to Bob Lupton this month for quickly taking shots of couples at the New Year's Dance while the room was still light.

I try to credit the photographer but am not consistent about keeping a record of who shot what. And in this issue, some of the photographs are labeled with the subjects' first names.

*Continued on page 10*

I'd appreciate hearing whether you like this and whether you'd like to see first and last names.

Another unwitting but very witty (ha!) contributor is Mary Lou Foos, my neighbor, who can't resist sending me funny emails. She's never mentioned that she's noticed her name in the Review, except when she submitted a poem.

Though it seems like a very easy thing to do, those who submit regular columns will tell you that the 10th of the month comes up very fast. On the other hand, it is the articles by and about our own park that you all care about the most: Wayne Redmond's Profiles are very popular, and he puts a lot of work into having them ready, with a picture every month. Thank you, Wayne.

That said, this publication is still open to the occasional or even one-time submission by anyone in the park who wants to reminisce or write a story or whatever. If you are uncertain about the content, just ask me.

## Bob's Corner

By Bob Lupton

**B**y the time you read this we will be back from the cruise and looking forward to our next event. Been a little chilly the last few days but not like up north. We can take comfort that if it is 50 degrees today it may be 75 tomorrow. Such is winter in Florida.

I was offered to DJ the February Valentine's dance and have accepted. So if anyone has a favorite song they want played please let me know. And yes Cliff, I will play "The Rose".

Also the Residents' Club is looking for a volunteer to plan a flea market sale for next November. We need someone to lead the project, although from past activities, I am sure that person will get a lot of volunteers to help.

To those who never attend the coffee klatch because you're too tired or just don't want to get involved, please stop by some Monday morning at 9 AM and you will be welcomed by some of the friendliest people you will ever meet. The Residents' Club is for you, and we would love your ideas and input as we plan activities everyone will be interested in.

I often wonder who reads this column so I will try a little experiment. If you see me in the park after you read the Review, give me a thumbs up and I will return one to you.

Till next time,

Love you all,,,,,, Bob.

(Sponsoring this event is mainly a matter of

### Bay Ranch Profile: Jeanne Hunter

*By Wayne Redshaw*

Jeanne Hunter has a great sense of humor and she credits her father Jack for it.

About 50 years ago Jeanne and her family attended a huge barbecue in someone's backyard when one of the youngsters suffered a severe cut.

"Everybody was upset and scared," recalled Jeanne; who is president of the Residents Club. "At some point, maybe 15 minutes, my dad stood up and told a joke. It calmed everybody down in the crowd and changed the mood even though the kid was hurt. After, I heard people saying 'Jack knows the right thing to say' and everybody calmed down.

"I was so proud of him. All my life that has stuck with me. Probably because of that incident I use humor a lot. I think I have done the same thing here at our meetings. It only used to be complaints and crap time. It is different now. People come with smiles. I have noticed little by little more people are coming to the meetings and they know what is going on. They know they are going to have a laugh or two and a good time. I work hard finding those jokes. I wouldn't dare show up Monday morning without a joke."

When asked what is her source for the jokes she was quick to reply, "I shouldn't give my

*Continued on page 26*

secrets." Then she revealed them to this writer and added, "I put some aside, and I am surprised that many people come up to me and say, 'Here's a joke you can use.'

"I believe I manage to bring out the goofy in people. I can be around some people who are the most serious and quiet people in the world and within a couple of hours they are saying things to themselves in a funny way."

Jeanne has gained experience sitting on executive boards and in the workplace. And yes that good sense of humor has come with her. She believes in a professional approach. Example, if a person is talking while the meeting is in progress, Jeanne says there's a way to do it rather than embarrassing them."In other words, a little humor can go a long ways."

Before becoming involved with the Residents Club she served with the Home Owners Association at Bay Ranch, three years as a director and then another three years as president. "I think we changed the atmosphere there too. We worked hard first of all to make people know it [the HOA] was really here and what it is. Home Owners Association in this park is really a liaison. This isn't a home owner park like some in the area. Those home owners have a lot of power. In this park the HOA is really a a liaison between management, owner Mr. Larson and the people. If there is a problem or a complaint we (the people) don't have the power to make a rule change or rent or anything like that. The people don't realize that."

In addition to the Home Owners, Jeanne feels her work experience over the years, especially with the Times, where she started as a carrier and worked her way up to management in the circulation department, has proved beneficial. Likewise, her work experience in others fields over the years plus volunteer work at various schools has helped along the way too.

It has all paid dividends, but especially her sense of humor. Every meeting she conducts is always in a very professional manner. She definitely is top shelf in every respect.

# Let's Eat

By Ione Jones

Carol Raabe submitted two recipes this month, one for an easy Valentine's treat and one perfect for a cool day, especially paired with a grilled cheese sandwich. Carol likes her grilled cheese made with real cheese, and Jan is usually willing to oblige, though he prefers American cheese.

## Valentine Haystacks

### Ingredients

1 1/2 cups chow mein noodles

1 cup cocktail peanuts

12 oz bag quality semi-chocolate chips (I used Hershey's Kitchens)

Candied cherries-halved

Red sprinkle jimmies

Heart-shaped confetti sprinkles

### Directions

Line a large baking pan with wax or parchment paper. Set aside.

## Easy Slow Cooker Tomato Soup

Note: the recipe says “no substitutions,” but we may not all want to use granulated sugar or Mrs. Dash Tomato Basil. Or even heavy cream. Go ahead and make this your own way. It will still be delicious.

### Ingredients

- 3 – 28-ounce cans tomatoes
- 1 onion chopped
- 3 cups chicken broth
- 1 tablespoon granulated sugar
- 1 tablespoon Ms. Dash Tomato Basil (No substitutions)
- 1 teaspoon Italian seasoning (Pizza Pasta Magic)
- 1 teaspoon ground black pepper
- 1 teaspoon granulated garlic
- 1 teaspoon salt
- 1 cup heavy cream

### Instructions

Add the chopped onions and can tomatoes to slow cooker

Pour in the chicken stock

Add Ms. Dash TOMATO BASIL, sugar, granulated garlic, Italian seasoning, salt, black pepper

Cook for 3 hours on high

Next, pour in the heavy cream.

Cook another 30 minutes until hot.

Use an Immersion blender and blend until smooth and creamy.

**CAUTION:** Be extremely careful with the Immersion blender. Keep it submerged under the soup while running.

Serve with croutons, Parmesan cheese or a delicious grilled cheese sandwich.

# A Laugh Or Two

Submitted by Mary Lou Foos

## Southern Boys vs Northern Boys

One morning three South Georgia 'good old boys' and three Yankees were in a ticket line at the Atlanta train station heading to Athens, GA, for a big football game.

The three Northerners each bought a ticket and watched as the three Southerners bought just one ticket among them.

"How are the three of you going to travel on one ticket?" asked one of the Yankees

"Watch and learn," answered one of the boys from the South.

When the six travelers boarded the train, the three Yankees sat down, but the three Southerners crammed into a bathroom together and closed the door.

Shortly after the train departed, the conductor came around to collect tickets. He knocked on the bathroom door and said, "Ticket please." The door opened just a crack, and a single arm emerged with a ticket in hand. The conductor took it and moved on.

The Yankees saw this happen and agreed it was quite a clever idea. Indeed, so clever that they decided to do the same thing on the return trip and save some money.

That evening after the game, when they got to the train station, they bought a single ticket for the return trip, while to their astonishment the three Southerners didn't buy even one ticket.

"How are you going to travel without a ticket?" asked one of the perplexed Yankees.

"Watch and learn", answered one of the Southern boys.

When they boarded the train, the three Northerners crammed themselves into a bathroom, and the three Southerners crammed themselves into the other bathroom across from it.

Shortly after the train began to move, one of the Southerners left their bathroom and walked quietly over to the Yankees' bathroom. He knocked on the door and said, "Ticket please".

There's just no way on God's green earth to explain how the South lost the Civil War.

Ed. Note: Mary Lou is from Ohio and a diehard Ohio State fan.

### VINYL IS FINAL

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"
