THANK YOU!

Thank you for supporting and electing me President of the Residents Club. This is a responsibility that I do not take lightly, and I will endeavor to represent you with the utmost transparency and determination.

I would like to congratulate my fellow elected officers. I look forward to serving as your leader while we work together as a team to represent the Residents Clubs extraordinary members.

My personal goal is to increase communication between members of the association by closing the information gap using the Bay Ranch Review.

The future of our club depends on the participation of our members and its activities are driven by our member's interests. If you have an activity or idea that interests you, I want to hear about it.

Let us move forward with determination and enhance the enjoyment for all.

Let's do it together.

2014 DARWIN AWARDS

We always need to end the previous year with these special awards.

SIXTH PLACE

Goes to a San Anselmo, CA man who died when he hit a lift tower at the Mammoth mountain ski area while riding down the slope on a foam pad..... 22-year old David Hubal was pronounced dead at Central Mammoth Hospital. The accident occurred about 3 a.m., the Mono County Sheriff's department said. Hubal and his friends apparently had hiked up a ski run called Stump Alley and removed some yellow foam protectors from lift towers, said Lt. Mike Donnelly of the Mammoth Lakes Police Department. The pads are used to protect skiers who might hit towers. The group apparently used the pads to slide down the ski slope and Hubal crashed into a tower. It has since been investigated and determined the tower he hit was the one with its pad removed.

FIFTH PLACE

Goes to Robert Puelo, 32, was apparently being disorderly in a St. Louis market. When the clerk threatened to call the police, Puelo grabbed a hot dog, shoved it into his mouth and walked out without paying. Police found him unconscious in front of the store. Paramedics removed the six-inch wiener from his throat where it had choked him to death.

FOURTH PLACE

Goes to poacher Marino Malerba of Spain, who shot a stag standing above him on an overhanging rock and was killed instantly when it fell on him.

THIRD PLACE

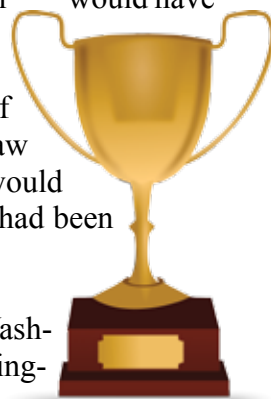

"Man loses face at party" A man at a West Virginia party (probably related to the winner last

year, a man in Arkansas who used the .22 bullet to replace the fuse in his pickup truck) popped a blasting cap into his mouth and bit down, triggering an explosion that blew off his lips, teeth, and tongue. Jerry Stromyer, 24, of Kincaid, bit the blasting cap as a prank during the party late Tuesday night, said Cpl.

M.D. Payne. "Another man had a blasting cap in an aquarium hooked to a battery and was trying to explode it. It wouldn't go off and this guy said, "I'll show you how to set it off!" He put it into his mouth, bit down and it blew all his teeth out and his lips and tongue off, Payne said. Stromyer was listed in guarded condition Wednesday with extensive facial injuries, according to a spokesperson at Charleston Area Medical Division "I just can't imagine anyone doing something like that," Payne said. (Note: Maybe that's why they call these the Darwin Awards)

SECOND PLACE

Doctors at Portland University Hospital said an Oregon man shot through the skull by a hunting arrow is lucky to be alive and will be released soon from the hospital. Tony Roberts, 25, lost his right eye last weekend during an initiation into a men's rafting club, Mountain Men Anonymous (probably known now as Stupid Mountain Men Anonymous) in Grants Pass, Oregon. A friend tried to shoot a beer can off his head, but the arrow entered Robert's right eye. Doctors said that had the arrow gone 1 millimeter to the left, a major blood vessel would have been cut and Roberts would have died instantly. Neurosurgeon, Doctor Johnny Delashaw, at the University Hospital in Portland said the arrow went through 8 to 10 inches of brain with the tip protruding at the rear of his skull, yet somehow managed to miss all major blood vessels. Delashaw also said that had Roberts tried to pull the arrow out on his own he surely would have killed himself. Roberts admitted afterwards that he and his friend had been drinking that afternoon. Said Roberts, "I feel so dumb about this."

THIS YEAR'S WINNER

John Pernicky and his friend, Sal Hawkins, of the great state of Washington, decided to attend a local Metallica concert at the George Washington amphitheater. Having no tickets (but having had 18 beers between them), they thought it would be easy to "hop" over the nine foot fence and sneak into the show. They pulled their pickup truck over to the fence and the plan was for Mr. Pernicky, who was 100 pounds heavier than Mr. Hawkins, to hop the fence and then assist his friend over. Unfortunately for (the late) Mr. Pernicky, there was a 30-foot drop on the other side of the fence. Having heaved himself over, he found himself crashing through a tree. His fall was abruptly halted (and broken, along with his arm) by a large branch that snagged him by his shorts. Dangling from the tree with a broken arm, he looked down and saw some bushes below him. Possibly figuring the bushes would break his fall, he removed his pocket knife and proceeded to cut away his shorts to free himself from the tree. Finally free, Mr. Pernicky crashed into holly bushes. The sharp leaves scratched his ENTIRE body and now, without the protection

of his shorts, a holly branch penetrated his rectum. To make matters worse, upon landing his pocket knife penetrated his thigh. Hawkins, seeing his friend in considerable pain and agony, threw him a rope and tried to pull him to safety by tying the rope to the pickup truck and slowly driving away. However, in his drunken haste, he put the truck into reverse and crashed through the fence, landing on his friend and killing him. Police arrived to find the crashed pickup with its driver thrown 100 feet from the truck and dead at the scene from massive internal injuries. Upon moving the truck, they found John deceased under it half-naked, scratches on his body, a holly stick in his rectum, a knife in his thigh, and his shorts dangling from a tree branch 25 feet in the air.

Congratulations, gentlemen. Five more idiots have been removed from the gene pool and we are richer because of your supreme sacrifice

DON'T FORGET ! DON'T FORGET! DON'T FORGET!

MEET AND GREET EVENING-- Our next get together of new residents along with our current families will be on Wednesday evening, 7:00 PM January 14, 2015. Our Board of Directors thought that we would do the same as last June and have available cookies and coffee or tea. We had such a great turnout last June and knew we should do it again, so mark your calendars for an enjoyable get together to meet the new comers.

A BIG BIG THANK YOU

by Ana

We had a wonderful turnout this Thanksgiving. Thanks to our volunteers everything went just right and the meal was delicious.

The shut-ins were taken care of first. Their dinners were packed by volunteers and Betty Ann (our choir coordinator) attached a song to each of the shut-ins dinners.

One of the shut-ins called and thanked me for the song, says she went around happily singing the song at home. While other shut-ins thanked me for the people delivering the dinners. Yes, all went well with the Thanksgiving Dinner because we had volunteers, shut-ins, and our guest all being thankful together.

LETTER FROM THE EDITOR...

Farewell to Bob Lupton. Bob, in your two years, you and all your dedicated, hard working and wonderful helpers will be missed.... You have brought fun back to Bay Ranch, you alone have gotten many back in the sense of belonging to a great bunch of friends and neighbors, doing things together and enjoying life..... After all most of us are retired and ready to have fun not just sit at home doing nothing.. The Sunset Club has been a great idea and one that all have enjoyed..I do know you will continue to keep this going..and it will continue to grow in numbers.

Monday mornings have become the fun place to be..... whether it's discussing what's happening in the park, or discussing cases of Viagra We all shared laughter over that one.... Visiting with our neighbors and getting hugs from those we haven't seen and have missed... It has truly become an informative yet friendly Koffee Klatch.

Good luck to our new appointed President. She has big shoes to fill.

~Linda Goldstein~

MARDI GRAS

Please bring B.Y.O.B and snacks. Dressing up is welcomed or just wearing a mask would be awesome. Don't you think? Come on down and support this worthy cause.

TEXAS HOLD-EM

On Nov. 29th we had our 1st tournament of 9 players. It was a successful beginning and others had asked if we would do it again. YES! We will be hosting another event on 2/28/15 at 1pm. Cost is \$5.00-Winner takes all. Don't know how to play but want to get in on the action? Call Bill Harris @309-642-2069

NOTE: (PROBABLY THE MOST IMPORTANT RECIPE EVER SUBMITTED)

RECIPE FOR A HAPPY NEW YEAR

Take 12 fine, full grown months, see that those are free from all old memories of bitterness, and rancor, hate and jealousy, cleanse them completely from every clinging spite, pick off all specks of pettiness and littleness, in short, see that these months are fixed from all the past- leave them as fresh and clean as when they first came from the great storehouse of time. Cut these months into 30 or 31 parts. The batch will keep just for one year. Do not attempt to make up the whole batch at one time (so many spoil the whole lot in this way), but prepare one day at a time as follows.

Into each day put--

- 12 parts of faith
- 11 parts of patience
- 10 parts of courage
- 9 parts of work (some people omit this ingredient and so spoil the flavor of the rest)
- 8 parts of hope
- 7 parts of fidelity
- 6 parts of liberality
- 5 parts of kind me
- 4 part of Rest (leaving this out is like leaving the oil out of the salad--don't do it.)
- 3 parts of prayers
- 2 parts of meditation and 1 well selected resolution
- 1 Add a dash of fun, a sprinkling of play, a heaping cup of good humor. Pour love into the whole batch (add generously) and mix with vigor. Cook thoroughly in a fervent heat, garnish with a few smiles and a spring of joy. Then serve with quietness, unselfishness and cheerfulness and a Happy New Year is a certainty...

**WRITTEN BY ANDY ROONEY, A MAN WHO HAD THE GIFT OF
SAYING SO MUCH WITH SO FEW WORDS. ENJOY.....**

- I've learned That the best classroom in the world is at the feet of an elderly person.
- I've learned..... That when you're in love, it shows. And when you're not, it shows too!
- I've learned ... That just one person saying to me, 'You've made my day!' makes my day.
- I've learned That having a child fall asleep in your arms is one of the most peaceful feelings in the world.

- I've learned That being kind is more important than being right.
- I've learned That you should never say no to a gift from a child.
- I've learned That I can always pray for someone when I don't have the strength to help him in some other way.
- I've learned That no matter how serious your life requires you to be, everyone needs a friend to act goofy with.
- I've learned.... That sometimes all a person needs is a hand to hold and a heart to understand.
- I've learned That simple walks with my father around the block on summer nights when I was a child did wonders for me as an adult.
- I've learned That life is like a roll of toilet paper. The closer it gets to the end, the faster it goes.
- I've learned That we should be glad God doesn't give us everything we ask for.
- I've learned That money doesn't buy class.
- I've learned That it's those small daily happenings that make life so spectacular.
- I've learned ... That under everyone's hard shell is someone who wants to be appreciated and loved.
- I've learned That to ignore the facts does not change the facts.
- I've learned That when you plan to get even with someone, you are only letting that person continue to hurt you.

FROM THE MANAGERS DESK

1. No overnight parking on streets and /or grass is allowed. Vehicles will be towed if they are parked on grass during the day. When there's room in your carport, that's where your vehicle needs to be parked. If you have a visitor, they may park on the street for a limited period of time. Do not block intersections where vehicles need to turn. Starting the first of the year, if a vehicle is parked at the Clubhouse, there needs to be an approval from the Manager only. Don't wait until 9:00 PM to call Manager if it's ok for you vehicle to park at the Clubhouse. Please have some consideration.
2. As you know there have been repeated motorcycle violations. Therefore the Homeowner's Association is considering the banning of motorcycles completely from the Park. This new rule is under consideration.
3. Do not overflow garbage, especially on Monday. Anyone caught will not be allowed to bring their garbage that day. We have someone monitoring that day.
4. Speeding has always be a problem, even the speed bumps do not stop some of you. All it takes is for you to hit someone and your life is over. Please be considerate.

Bigamist taxi driver John Smith is keeping two families in different parts of London. Neither knows about the other; however the girl from one family and a boy from the other have met on the Internet and are anxious to meet in person. This presents a nightmare for John as he tries to maneuver through this hellish situation of his own making.

It promises to be a good time and all Red Hatters and guests are encouraged to sign up early. The cost is \$35 per person and includes the show, a buffet lunch tax and gratuities. Money must be paid to Janet O'Hare (coach 1403) by Monday, January 27. Please pay in CASH only (no checks). The bar will be open so there's no need to BYOB. A sign-up sheet with further details will be posted on the bulletin board in the clubhouse on January 5.

MARDI GRAS

On January 17th Management will be hosting a Mardi Gras Masquerade dance for the Help Fund. For those of us who know nothing about this, it was established to help older residents of the park who need help. The D.J. will be our own Denise and the admission is \$4.00 at the door. Please bring B.Y.O.B and snacks. Dressing up is welcomed or just wearing a mask would be awesome. Don't you think? Come on down and support this worthy cause.

RANDOM THOUGHTS JAN 2015

by Russ Trombley

This will be rather brief cause I wasn't prepared to write anything for this month as we have had company up the ying yang since before and after Thanksgiving and it hasn't stopped. Now I love company and I love my relatives but please not all at once. We had 14 nephews and nieces and our oldest son visit all in the span of two weeks. Even Florida natives should get a break. I do love them all so I shouldn't complain, simple as that. You've heard the expression "Y'all come back", right? Back in 1937 we came down to Florida to visit some relatives and as we were leaving the expression came up so my Dad and Mom came back and sat down.. This happened a couple of times when my Dad said "for gosh sakes Ed, make up your mind whether you want us to go or not." Floridians are quite unique in their expressions. I can recall when our Jr. High coach nicknamed most of all one class of boys. There was "Goat, Cuss, Blackdog, Jughead, Sonk, Pin and Butch" just to name a few. Bunch of people who were doers and they were.

We are blessed with people we call doers around here, they keep things humming around here like Anna Peck, Gary Winters, Bob and Gin Lupton, Betty Quish, and lots more like Rose, Wanda and I could go on and on and still not name them all who work for the betterment of Bay Ranch.

We are headed for the New Year and a dance but before all this we should remember the Christmas Eve party, shuffleboard and a few more important dates like the Christmas pageant, caroling and the lighting of the tree. Lots going on so please attend these functions. Well "nuff" said so look out for each other and luv u guys.... Russ
