Anyone interested in acting as Secretary of the HOA, please contact President Malcolm L. Deane (Deano), Coach 345, 637-3160. According to Deano, the Secretary’s duties won’t take a great deal of time.

If you have an issue you wish to address, put a note about it in the suggestion box near the piano in the clubhouse. Your name, coach number and phone number are helpful if you want a response.

RESIDENTS' CLUB

Come to the Monday Morning Residents' Club Meeting, every Monday at 9 a.m.

Ranchers come to Florida to have fun, or they live at Bay Ranch all year to enjoy the ambiance Florida has to offer. The Residents' Club does all it can, given we are all volunteers, to make that happen. As the name suggests, the organization is for residents, full and part time. It is the hub of our social network.

Most days, the Monday Morning Meeting is a casual get together where we drink coffee and eat donuts that we buy there or bring from home, talk to friends and neighbors and learn about activities and events in the park during the next week or month. The meeting part itself can be pretty repetitive but the company is great.

The first Monday of the month is a business meeting, where we hear what the elected Board of Directors have been considering and how much money we have. It's usually short and sweet.

Please join us.

CLIFF'S NOTES

Rules: The Park has rules that everyone received and reviewed when they bought or rented their coach. Please read and follow them. Failure to follow rules is grounds for eviction, and management has shown that it is willing to evict.

No cars may be parked on the street at night. Failure to follow this rule may lead to the offending car being towed, resulting in fines. [Ed. Note: I can verify this. EVEN IF you run out to the street before they hook up your car to tow, you will get the fine.]

Cars parked on the street during the day should be staggered so emergency vehicles can pass by.

Garbage: Do not bring garbage to the bins on Monday morning. By that time, the bins are overflowing. Wait until Monday afternoon or later, when the bins are empty.

Do not put tvs in the trash.

Fires: Test your smoke detectors to make sure they work. Recommended action: purchase a fire extinguisher if you don't have one and know how to work it. If a fire starts, spray it with the fire extinguisher immediately and GET OUT OF THE HOUSE. Fire destroys mobile homes very quickly.

Continued on page 10

Visitors: Reminder: that rent is based on one or two per household. Each person above the two must pay an additional \$30 a month, including visitors who stay over 30 days. Please be proactive about this and pay the money without first being reminded.

Other announcements:

The purified water dispenser at the clubhouse operates on its own schedule. After someone has filled containers, it may take the dispenser some time to regenerate enough water for more containers. There is a light on the dispenser that tells whether it is ready.

The pool has been shocked and heated and is ready for use. Remember not to be in the pool alone.

Some have questioned why the application fee is “so high.” One reason is to help cover garbage fees, since new owners usually throw away most of the furniture and electronics. Cliff is considering a fee of \$10 for each tv in newly purchased homes.

Mr. Larson (the owner) calls the lawn service for lawn care on an as-needed basis. The park pays for lawn mowing, etc., once a month but the need sometimes goes unnoticed. If you notice the lawn needs trimming, please let Cliff know so he can call Mr. Larson.

Sometimes an automobile will leak oil onto our new, nice looking pavement, creating an eyesore. If you notice a leak by your house, call Cliff to have it cleaned up. Let’s keep these streets looking nice!

Lost and Found Dog/Cat: If you have found a dog or cat, you can post on a site called pawboost.com or call Animal Service on Walsingham. If you call, Animal Services will come out, free of charge, to pick up an animal. Any questions, please call Rose Kalp at 459-4808. We have sent quite a few animals to animal services.

PLEASE BE a responsible owner and have your animal fixed. This service is very low cost through animal services.

All Residents: Rules commonly broken:

1. Parking overnight on street and/or every day.
2. If you have someone living with you, make sure you have registered in the office.
3. Do not pile garbage in front of garbage bins. When you throw garbage, throw it to the back so when you open the door, it doesn’t fall out and there is space.
4. Check mobile for cleaning, trim, awnings, driveway and/or painting. We will have someone out soon checking your mobile.

Still relevant announcements Cliff made this year at Koffee Klatch:

1. Keep the dumpster area neat, especially on the weekends. If the dumpster is full, please put extras neatly beside it.
2. Parking on the grass or sidewalk is against the rules. If necessary, park on the road.
3. Cars parked on the street after midnight will be towed. [Eds. Note: you have to pay the fine even if you run out before the tow truck takes your car away. We have nice neighbors who remind us when we are parked on the street at night.]

4. The Office must authorize overnight parking at the Clubhouse.

These messages are posted in the Clubhouse and pertain to every month:

Every Friday from 9 to noon: please turn off your hot water tanks. We use this time to fix leaks in the park.

Every Sunday at 5 p.m.: please flush your toilet(s). Our sewers were designed for more pressure than they get with low flow toilets. Flushing simultaneously will increase pressure and help keep the lines clean.

Just Sayin'

By Jeanne Hunter, President

I've been watching lots of zombie shows lately. My biggest fear about becoming a zombie is all that walking.

Just been on the computer with my health insurance company. Put in my user name and password and then it says "Check if you're not a robot." I can't help thinking if there's a robot smart enough to type all the other information, it can figure out how to hit enter. I didn't know there was a robot invasion. I thought hackers were the problem. Maybe they should say, "Check if you're not a hacker."

So I get a robocall from my beloved insurance company about a prescription. It asks, "Is this Jeanne Hunter?" Really? I want to tell them I'm the robot who just logged into my account, but I resist and say yes. I feel so secure because they ask that question since I know nobody would ever lie on the phone.

I have an Amazon Dot, aka Alexa. So now I have a phone and a little disk that's smarter than me. Alexa is pretty cool and if I ever figure out how, she'll do lots of things for me. I use her as a timer when (okay, this is rare) I'm cooking. If I want to listen to the radio, I can name a station and she plays it. I can ask her to call my daughter and she makes the call. She gives me weather reports and a news rundown and tells jokes worse than mine: example, "Why did the school ban scissors? To keep students from cutting class."

I got a B12 shot at the doctor's yesterday. They said it will give me energy. That's scary. I might start doing housework!

Here's a little story to bring you a smile:

An old hillbilly farmer had a wife who nagged him unmercifully. From morning till night, she never let up. The only time he got any relief was when he was out plowing with his mule. He plowed a lot. One day his wife brought him lunch in the field. He drove the old mule into the shade, sat down on a stump and started to eat his lunch. Immediately his wife started pestering him. Complain, complain, nag, nag, on and on. All of a sudden the old mule lashed out with both feet, caught her smack in the back of the head. Killed her dead on the spot.

At the funeral, the minister noticed something odd. When a woman mourner would

Continued on page 14

approach the old farmer, he would listen for a minute and then nod his head in agreement. But when a man mourner approached, he would listen for a minute and then shake his head in disagreement.

This was so consistent that the minister decided to ask the old farmer about it. After the funeral, he asked the farmer why he nodded his head and agreed with all the women, but disagreed with all the men. The old farmer said, "Well, the women all came up and said something about how nice my wife looked or how pretty her dress was, so I'd nod my head in agreement."

"And what about the men?" the minister asked. "They wanted to know if the mule was for sale."

FROM THE EDITOR

By Carol Raabe, Editor

One of the things I'm good at is bugging people to send in their newsletter articles. I'm bad about thanking them, except a little e-mail reply. So here is a great big thank you to all the people who make this newsletter what it is (and I'm proud of it)! There is a list of contributors in the masthead at the beginning of the newsletter. Not listed in the masthead are those who deliver the newsletter each month (I don't even know who they are), those Wayne Redshaw interviews for his column, those who upload pictures on Neighbors (which I "borrow" sometimes), those who provide information about their activities or special events, those who let me know of errors to fix in future editions, and so on. In other words, just about everyone in Bay Ranch has a hand in the Bay Ranch Review. So again, Thank you.

The summer Review is always somewhat light, but this summer, it will be even more so. Birthdays and anniversaries will be in (an updated, thanks to the efforts of Cindy Devinney and Pat Harwood). If a special event is announced before the submission date, it will be on the calendar. Bob and Jeanne may submit columns or maybe not. There will be no editorial. But please keep the pictures coming: Good times at Bay Ranch will continue.

A number of holidays occur in the summer, including Memorial Day in May, Mother's Day, Father's Day, Independence Day and Veteran's Day. If anyone wants to write a piece about a holiday, please email it to me. I'll also look for eulogies (even 1 or 2 lines).

Have a good summer!

BOB'S CORNER

By Bob Lupton

Hi everyone.

Wow, did that month pass quick! And it now brings me to the time of the year that I most dread. It is the end of our snowbird season and we must bid adieu to our Northern friends. At this time a few have started their trip North and more will follow in the weeks to come.

Cliff and Rose's annual picnic was a rousing success, and Gin and I are very grateful to receive the Carole Carmadella award.

For those of us not leaving, we are planning quite a few activities for the summer and I plan on hosting a free dance every month, with Karaoke included.

I am pretty sure we can run some kind of a Sunset club this summer as the attendance will be much smaller so we will be able to go to some of those beach bars that were out of the question for 40 or 50 people.

I would like to see some kind of picnic like we once had at the Sand Key pavilion a few years back. And look forward to a few Pot Lucks this summer as this has been discussed and agreed on,

Jim and I will keep the computer club going as long as we have attendees. It seems we have mostly helped with smart phones so far and haven't got really deep into computing but we will be there for whatever you need.

Of course the Mermaids [Ed. Note: the activity is now called "Swimnastics"] will be starting up and we still will be meeting for coffee and chat every Monday.

If you have not joined Neighbors on Facebook, now is the time to jump in. This way you can keep informed of all the activities we have coming up.

Let's just hope that we do not finish the summer like last year with that visit by Irma, Before we know it the summer will again be over and our friends will return. Until then we will be holding down the fort.

Until next month ...Love you all...Bob

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

GOOD TIMES AT BAY RANCH

Pictures

As usual, these pictures were downloaded from Facebook. If you take pictures of Bay Ranch events and don't put them on Facebook but want me to consider putting them in the Review, you can email them to nelsonraabe@gmail.com or message them to 605-730-0476.

Bay Ranchers gathered in force to wish Snow Birds a safe trip "up North" and a quick return. Photos by Sharon Van Horn.

As usual, the “End of Season” party at Country Inn Pizza in Largo was well attended and festive. Jim Jones hosts the party each year. Photo by Bob Lupton.

Our first potluck in several years featured 7 pots of meatballs, all of them delicious. Steps will be taken to have more variety at the next meal. LOL.

Poem in honor of Gin and Bob Lupton :

**When you need a plan
This couple can . . .
When you can't compute
Save your loot . . .
No sound for the shows
That really blows . .
Raves and rants cuz we
Got no dance . . .
No memories ? . . .
We need pictures, please.**

Congratulations to Gin and Bob Lupton, this year's recipients of the Carole Carmedella award for service. The award was presented at the Steak Dinner sponsored by Cliff and Rose, with proceeds going to the Help Fund. Photo by Sharon Van Horn

Health benefits of coffee for (almost) everyone

Is coffee good for you? Bad? The arguments go on and on, but a meta-analysis of 127 studies on the question by the University of Catania in Italy has found that drinking coffee is associated with the following health benefits:

- Decreased risk of breast, colorectal, colon, endometrial and prostate cancers, among others, from 2-20 percent depending on the cancer type.
- Five percent reduction in risk for cardiovascular disease.
- An approximately 30 percent lower risk for both Type 2 diabetes and Parkinson's disease, thanks to coffee's ability to improve enzymes that regulate glucose and insulin metabolisms.
- A lower death rate.

Coffee's natural antioxidants reduce free radicals that can damage cells and cause aging. It's also an anti-inflammatory that calms you down so you don't overact to stress.

One group that should avoid coffee, however, is pregnant women. Coffee, the study notes, can increase the risk of miscarriage.

Be ready to donate

Are you nervous about donating blood or signing up to be an organ donor? You don't have to be. An infographic from Work The World explores some of the common misconceptions about blood and organ donations. They include:

- Age. There is no age limit on organ donations. In fact, the oldest known donor to date was a Scottish woman of 107 who donated one of her corneas after death. The main factor is the health of the organ and the donor.
- Organs. A single organ donor can improve or save up to eight lives. Donating tissue can save even more.
- Blood type. All blood types are needed, even the most common ones.
- Tattoos. Got a tattoo? That won't prevent you from donating blood as long as you're otherwise healthy.
