members attending to view the counting.

There were a total of 41 ballots cast. The Results tallied were;

For Malcolm Deane, Recall 39 - Retain 2

For Wayne Perkins, Recall 37 - Retain 4

Nominations for replacements were given to Jeanne Hunter, Chairperson of the Nominating committee

As of latest count there are 133 members of the Bay Ranch HOA. The number of new members so far in 2019 is 25.

Respectively submitted,

Dee Murphy

Secretary of the Bay Ranch HOA

Eds. Note: Reading various Facebook pages gives the impression that the Recall Ballot is controversial, with some members of the Board not accepting its validity. The issue seems from here (my summer home) to be contentious, but it is unclear how many are involved in the controversy, how many are quietly paying attention, and how many do not care.

FMO

If you like to stay in the know about policies and events that affect your mobile home ownership, membership in the FMO is the way to go. If you like the idea of sharing what you learn, become the Bay Ranch representative to the Federation of Manufactured Home Owners of Florida (FMO).

Eds. Note: this position has been empty for some time. Contact with the FMO is important because they keep up on laws and regulations that affect mobile home owners and mobile home parks. Moses has expressed interest in being appointed FMO Representative.

JUST SAY'IN

By Jeanne Hunter

[The Just Say'in column is optional in the summer.]

NOTES FROM THE BAY RANCH OFFICE

Eds. Note: The next issue (December) will update this column, removing information that is no longer needed and possibly adding new information. If you know of something that should be here, either contact the Manager, or contact the Editor, who will run it by the Manager.

Management requests that when the water is off, you turn off your water heater to prevent the element from burning out. Eds. Note: According to diy.stackexchange.com/questions/3766, this needs to be done because the element will burn out if the water heater becomes empty.

Sewer clogs continue to be a vexing problem for park maintenance. PLEASE do not throw items like surgical gloves, grease and rags down the toilet or put grease down the sink drains. Bay Ranch will not continue to pay to unclog sewers when the clog is caused by inappropriate items put down the sewer. The tenant will have to pay for this problem.

You must register at the office if you have something parked in the field north of the clubhouse, or see Brent (maintenance).

While garbage remains a troublesome topic in our park, we have another disposal problem: sewage. A number of tenants have had problems with drains and toilets backing up. Frank's plumbing has said these back-ups are caused by putting grease, paper towels, and cloth-like materials down the drains. Bay Ranch will not pay to unclog sewers when the clog is caused by inappropriate items put down the sewer. The tenant will have to pay for this problem.

Eds. Note: those so-called flushable personal cleansing cloths are really **NOT FLUSHABLE**. They do not disintegrate in the sewer system, and they WILL clog the sewer someplace in the system. Lots of people like to use these cloths in the bathroom, but PLEASE do not put them in the toilet. Limit what goes into the toilet to toilet paper and tampons (is this an allowable word in a community of seniors?).

Eds. Note: My housemates and I had to hire a plumber when our own drain system clogged due to dishwasher detergent that was not well dissolved. We had virtual rocks of detergent blocking the drain. Our solution (after paying the plumber): liquid detergent.

- * Please, put ALL garbage in the dumpsters, even big and heavy items like furniture.

- * DO NOT dump behind, beside or anywhere near the trash bins. Put the garbage in the bins.

- * Put household trash in the smaller trash bins.

- * Do not bring garbage to the bins on Monday morning. By that time, the bins are overflowing. Wait until Monday afternoon or later, when the bins are empty.

- * Pick up for furniture, tree brush/limbs and other debris will be on Monday, Wednesday, and Friday only. Put out trash after 5:00 p.m., the day before.

- * **DO NOT DISPOSE OF TVS OR ELECTRONICS IN THE PARK. DO NOT PUT THEM IN OR BESIDE THE DUMPSTER.** We get fined. Call pinellascounty.org/recycle to dispose of them.

- * If you need help disposing of something, someone in the park may help you for a fee

The following information remains in force:

Rules: The Park has rules that everyone received and reviewed when they bought or rented their coach. They are also printed annually in the Directory (September issue of Bay Ranch Review). Please read and follow them. Failure to follow rules is grounds for eviction, and management has shown that it is willing to evict.

No cars may be parked on the street at night. Failure to follow this rule may lead to the offending car being towed, resulting in fines. [Ed. Note: I can verify this. EVEN IF you run out to the street before they hook up your car to tow, you will get the fine.]

Cars parked on the street during the day should be staggered so emergency vehicles can pass by. Do not park on the grass or sidewalk.

Fires: Test your smoke detectors to make sure they work. Recommended action: purchase a fire extinguisher if you don't have one and know how to work it. If a fire starts, spray it

Continued on page 14

with the fire extinguisher immediately and GET OUT OF THE HOUSE. Fire destroys mobile homes very quickly.

Visitors: Reminder: that rent is based on one or two per household. Each person above the two must pay an additional \$30 a month, including visitors who stay over 30 days. Please be proactive about this and pay the money without first being reminded.

Other announcements:

The purified water dispenser at the clubhouse operates on its own schedule. After someone has filled containers, it may take the dispenser some time to regenerate enough water for more containers. There is a light on the dispenser that tells whether it is ready.

Some have questioned why the application fee is “so high.” One reason is to help cover garbage fees, since new owners usually throw away most of the furniture and electronics.

Mr. Larson (the owner) calls the lawn service for lawn care on an as-needed basis. The park pays for lawn mowing, etc., once a month but the need sometimes goes unnoticed. If you notice the lawn needs trimming, please let the office know so they can call Mr. Larson.

Sometimes an automobile will leak oil onto our new, nice looking pavement, creating an eyesore. If you notice a leak by your house, call the office to have it cleaned up. Let’s keep these streets looking nice!

Lost and Found Dog/Cat: If you have found a dog or cat, you can post on a site called pawboost.com or call Animal Service on Walsingham. If you call, Animal Services will come out, free of charge, to pick up an animal.

All Residents: Rules commonly broken:

1. Parking on grass or sidewalk, overnight on street, and/or every day. The Office must authorize overnight parking at the Clubhouse.
2. If you have someone living with you, make sure you have registered in the office.
3. Piling garbage in front of garbage bins. When you throw garbage, throw it to the back so when you open the door, it doesn’t fall out and there is space.

Check mobile for cleaning, trim, awnings, driveway and/or painting.

FROM THE EDITOR

By Carol Raabe

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crotts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crotts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

Mary Lou Foos

Mary Lou Foos died on October 12. She won't miss George any more. Mary Lou used to refer to herself as an "old broad." She did, it is true, have an "old broad" personality at times. And I loved those times. Besides, it gave her a lot to talk about. And she did like to talk a lot.

Mary Lou has been a Bay Rancher for a long time, so many long-time residents can probably eulogize her better than I. We met Mary Lou at Elda Hastings' dessert party about a year after George passed. Actually, I should say Jan met her there: they spent the whole evening on the front porch watching an Ohio football game. That won't be a surprise for anyone who has driven past her home and noticed the Ohio State signs and colors that adorn her door and driveway.

Many long-time residents remember Mary Lou as the strawberry lady. One of the joys of her life was picking bucket after bucket of strawberries, then giving them to friends and neighbors. As late as 3 years ago, she and I spent a morning bending over row after row in a strawberry field, possibly eating as many as we picked. My muscles were SO STIFF the next day, but Mary Lou – well, if hers were, she didn't say. She did, though, spread her booty among our neighbors.

Another of her joys was feeding people. Charlie and Elda were recipients, as were we.

...continued on page 34

She often called to offer us supper just as we were pulling ingredients out of the cupboard and refrigerator. We'd carry her bounty to our house and insist she eat with us. My favorites were probably her cream puffs and sangria. While she ate, she'd regale us with stories about her friends. Other times, she'd just pop over to talk.

From those talks, we learned about her, including: she loved Ohio State, she loved to gamble, she loved bingo, she loved, loved, loved George.

BAY RANCH PROFILE:

Eds. Note: Wayne writes this column during the winter season.

GOOD TIMES AT BAY RANCH

Pictures

Does it seem to you that the same old people (oops, I didn't mean the people are OLD—though we are, by definition--, just that we see them all the time) are in every picture or every issue? That's because only a few people take pictures of the same few people.

I'm looking for pictures that aren't too dark and are in focus. It helps if they are of only a few people, and it's fun if the people are doing something, but these are not required. PLEASE SEND ME YOUR PICTURES if you don't want to put them on Facebook.

As usual, these pictures were downloaded from Facebook. If you take pictures of Bay Ranch events and don't put them on Facebook but want me to consider putting them in the Review, you can email them to nelsonraabe@gmail.com or message them to 605-730-0476.
