April Monthly Media Input

The clubhouse windows have been replaced. This project is now complete for 2015. We will consider the rest of the windows for replacement in the 2016 budget.

The sidewalks have been cleaned by teams of residents. The benches have been refurbished and painted and the parking stripes and road signs have been painted. These acts of volunteerism have helped to keep costs down in our community. Thanks to all who participated. It looks like you had a bit of fun doing it too!!

On March 12, 2015 the Board of Directors held a workshop to review and update the current Rules and Regulations. Thanks to the residents that attended and provided their input. Each homeowner will be receiving a copy of the proposed updates. The draft document will be reviewed and approved at the April 21, 2015 Board Meeting.

Many of our snowbirds will be leaving for the north in the next few weeks. Here is a checklist of items to do before you leave –

1. Make sure someone is in charge of your property and notify the Association who it is.
2. Update your contact address with the Association before you leave. Forms can be found in this news bulletin or at the clubhouse and may be left in the depository at the clubhouse.
3. Change the batteries in your sprinkler timer.
4. Make sure ALL items around your home have been stowed. During hurricane season, a mat or mail basket can become a projectile and do damage to your home or your neighbors.

Watering days are Tuesday/Saturday for odd number houses and Thursday/Sunday for even number houses. Be sure your watering times are correct. Timers stay on STANDARD TIME throughout the year.

A reminder when you are using the clubhouse, please take a minute and pick up after yourself before you leave. We are finding food on the floor and other debris. This is your home too!!

I will be heading north April 18 however, I plan to attend the operational meetings on Mondays by telephone to stay current and involved. I can be reached at 905-430-3132 or by e-mail at lpgilray@aol.com . Sheila Voss will be handling the day to day activity and Rich Williams will be your contact for grounds and buildings.

Did you know that you can view the monthly bulletin on line – great for those heading north!! The address is www.monthlymedia.info . Then look for Blue Jay.

The next Board meeting will be held on Tuesday April 21st at 7:00pm. Mark your calendar and plan to attend.

For those heading north, have a safe trip and for everyone make it a great summer!!

Attention Snowbirds and Travelers

It's that time again when snowbirds fly the coop and many folks take extended vacations. Please be sure to complete a change of address form before you go. This ensures that you can be contacted should there be a requirement from either the Board of Directors or Resource Property Management. The information should include who is looking after your home while you are away. You can also provide your e-mail address – it won't be shared beyond the Board and Resource.

For your convenience, we have enclosed a change of address form in the April monthly media. Drop the completed form in the deposit box at the clubhouse.

Your attention to this matter is appreciated. Have a safe and happy summer!!

From the Social Club

Paulette Derr, Chairperson

February was a busy month in Blue Jay Estates starting with guest speaker at our Wednesday morning meeting on February 11. James from Tri-S spoke to us about spraying for bugs in our homes and the problem of termites. You can call Tri-S to have them check your home to make sure you do not have termites and a plan to avoid getting them.

On February 14 Ron and Nancy Beardsley hosted our annual Valentine's Dance. Since my "valentine" was no longer here to go with me, I opted to sit this one out. However, I was told it was a great dance with music by Bill and Sally Kneller which was enjoyed by all. Some people were looking forward to the ice cream sodas usually served at the dance, but were replaced by other goodies. Maybe next year??

Friday, February 20 several couples and singles got together for a "Social Hour" in the clubhouse at 4:00 pm. Anyone can come to this – just bring a snack and your drinks and enjoy. Later that evening there was a "Jam Session" which included Dan Sobkowiak on guitar and his brother Paul on sax and harmonica. All the guys sounded great and how lucky we are to have them play for all to enjoy. Looking forward to the next one.

Sunday, February 22 was the date for our annual 50th Anniversary celebration. Angie McGrath headed up the committee which consisted of last year's honorees and a few other helpers and they did a wonderful job. The clubhouse was beautifully decorated in white and gold, the honorees once again received lovely gifts and were treated to a champagne toast. Ron Beardsley emceed the event and ushered each couple to the cake table to cut a slice of their own cake. Newt Beardsley provided the background music during the event.

Thank you to all who give their time and effort to make our social events successful. Without all the volunteers we wouldn't be able to have all the events so many of you enjoy. Thanks again!!

Tony's Luncheon

Tony is planning a pulled pork sandwich luncheon for Saturday May 16th. The menu and price as of this printing is still being worked on, but you all know that you never go away hungry. Watch bulletin board for the sign up sheet with all the details.

Red Hat Mamas

Paulette Derr, Queen Mother

Our Red Hat Mamas, 38 to be exact, went to Ruth Eckerd Hall on Thursday, February 19, 2015 to see “107 Years of Broadway”. Yours truly did not make this event due to illness, but I understand it was a great show and the box lunch, which consisted of a turkey or beef sandwich, was also very good. The music was from Broadway shows during the 50’s, 60’s and 70’s and was enjoyed by most of the gals. Everyone must have been tired after the show, because they all went straight home...no shopping or stopping at our favorite pit stop this time.

For those who have not paid the \$3.00 Red Hat membership fee, you can still do so and the money can be given to either Pat Serletic or myself. If you’re not sure whether or not you paid, check the membership list which is posted in the clubhouse.

The Red Hat Mamas is open to all women in Blue Jay Estates and we would love to have new residents join us for our lunches and many outings.

‘Jay Jam

Blue Jay Estates people truly know how fortunate they are to reside in such a great community. In addition to all the lovely surroundings, the populace is very congenial and fun loving. Beyond all the planned affairs throughout the year, there are some leisurely events created spontaneously for all to come out and enjoy.

First for the year was on Friday, January 16th.. That night turned out to be an unusual musical evening. It combined fantastic jamming with a birthday celebration for our drummer, Domenic Berenato. Wife Louise planned a total surprise for her spouse with their adult children and grandchildren joining the party. Their grandson Joey added to the night by drumming a brilliant rendition of “Wipe-out” (Domenic’s signature highlight)...

Another pleasant surprise, was DAN SOBKOWIAK who attended with his lovely wife Carol. Dan was coaxed to come up on stage to play and sing along with the rest of the band.

Back by “popular demand” a return session was on Friday night February 20th. This night was equally pleasurable. A return of Dan Sobkowiak and, on this night, his brother Paul joined in on saxophone and harmonica.

Our community boasts of having a number of talented musicians living in our park, who hail from all parts of the country. They form a band and put together these seemingly effortless, amazing jam sessions. Some residents come to just listen and socialize, but more often they get out there, on the dance floor, and do some fancy steppin’ to some familiar tunes! Boy! Aren’t we lucky to have so many gifted artistic and altruistic “jammers”!!

From the Welcome Committee

Jackie Triplett & Linda Dingman

In unit #24 we are happy to welcome Ray & Angie (Anna) Williams, from New Jersey and South Carolina. Ray is the son of Peg and the late Ray (Whitey) Williams. Proud parents of five (5) adult children, three (3) girls and two (2) boys. Now there are eleven grand children and one (1) great grandchild. Ray was in construction and Angie is a supervisor in the Department of Homeland Security. They enjoy leisure time at the beach and/or fishing.

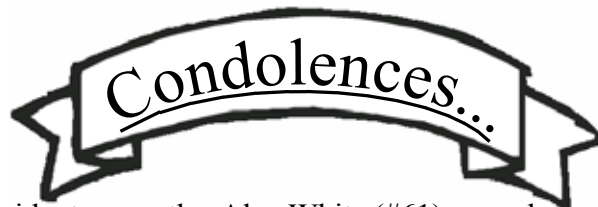

Rose Marie Baltros , unit #2, was born in Manhattan NY, but has lived in Florida for almost 28 years. There are two (2) daughters and one (1) son in her family.

Bowling, dancing, cards, church, movies, shopping and especially taking walks along the beach are her favorite pastimes. But most of all she enjoys spending time with her children and dear friends.

Welcome, welcome all! We are delighted to have you join us here at Blue Jay, and look forward to seeing you at some of our “doings”!

Blue Jay lost two (2) residents recently. Alan White (#61) passed away this past January 2015. Earl Trask (#64) deceased February 26, 2015. Our thoughts and prayers go out to both of their families and friends.

New Pain Treatment Available in Dunedin

Dunedin, FL - Imagine forty years ago if you were told that lasers would replace scalpels in surgery or that robotic instruments would build cars; you may not have believed it. By the same token, would you **believe that chiropractic treatments could be performed using a special hand-held instrument using space age NASA technology**, all while you were sitting in an upright position without turning or twisting movement to your spine?

According to Dr. Drew, **"This new form of computerized treatment is so gentle and effective that it amazes even the most skeptical patients. It's called the Impulse IQ and it is the latest state-of-the-art technology in existence today, and the only one in the Hernando, Citrus, Pasco & Hillsborough area."**

Dr. Drew says that, **"The secret to the Impulse IQ is in its ability to deliver an extremely precise adjustment."** He says "Even though traditional forms of adjusting also work, people are drawn to this new technique because of how gentle it is and does not involve any twisting, especially in the neck." **The Impulse IQ is FDA approved, UL listed and treatments are covered by most insurances, including Medicare.**

The procedure is backed by years of scientific research, and our patients can't stop raving about their results. They are using words like **"Incredible", "Amazing" and "Unbelievable."** It's changing the future of pain treatment like nothing else I've seen in over 20 years of practice", says Dr. Drew. If you have any of these conditions, the Impulse IQ may be the answer you've been looking for.
