From the Board of Directors

Roland Doucette President

The Annual General Members Meeting will be held on February 19, 2019 at 7pm for the purpose of hearing reports of committees.

The Board will again have a very busy spring this year, in keeping with our policy to spend wisely, keep the park looking really good, keep our infrastructure in proper repair, and at the same time stabilize your monthly contribution. We have kept our capital spending to a minimum this year, to take a “breather” after last year’s hurricane expenses caused a little strain on our finances, so the only projects we will be pursuing are a new canopy for the front of the clubhouse and the final stage of speed hump installation. We expect to have both projects completed before April.

As always, a special thanks to all the volunteers who donate their time and talent. You help to keep our community in good repair and our maintenance fees reasonable. We are so fortunate to have you!! Our thanks!!

Please remember, if you have anything you would like to discuss with the Board we are available every Monday morning at 8:30 in the clubhouse. Alternatively, fill out a report form and put it in the box in the clubhouse. A member of the Board will get in touch with you to discuss the issue.

Finally, the time has passed for turning in intentions to run for the board, and there were only three submissions, from the incumbents, for the three available positions. As a result there will be no election for the Board at the February Members meeting, and the current Board members will remain. The Board will hold a short meeting following the Members meeting to elect officers for the 2019-2020 term.

From The Social Club

Sally Ericson, Co-Chair

Are you still writing 2018 on your checks? Don't be upset, statistics show 95% of all people (not your favorite dish for a pot luck dinner for the buffet table. Only us seniors) haven't fully adjusted or realized we are a good four (4+) weeks into 2019! What ev-er.....

However, your new Social Club officers are really with it. Absolutely!! Pat and compa-ny have pretty much planned the entire year for entertaining everyone in 2019!

A big part, a most important part, of this year's planning process, was putting together and delivering a survey regarding our annual bazaar/rummage sale. The survey asked all residents for their vote on, if we should continue with the sale, or, not. If the majority vote no we need suggestions of possible alternative means of raising monies which help pay for the Social Club's functions.....All completed surveys are to be de-posit-ed in the box in the clubhouse by January 15th.....

Never thought I would say this, but, January is perhaps my favorite month, (at least for the past 22 years). Simply because most of my Florida friends are back from "where-ever" after the holidays. Now most have rejoined our peer group..

Our New Year's Eve party was a blast! The ladies were all glittery in their finest formal wear. The guys, so handsome, in their "spiffy" outfits too.! Some opted to be less for-mal, no matter, everyone was in a festive mood. Regardless of one's attire, love and goodwill abounded. A great buffet of snacks was provided by hosts Pat & Joe Mon-tione. Rich and Cindy Williams played a wonderful variety of all kinds of music, includ-ing individual's requests... Yes! Midnight came too soon.

January ushered in more fun! ...The 12th was the Elvis Celebration presented by No-lan Ray.. A dinner featuring favorite foods of Elvis was cooked and served by Nolan's wife, Adrienne Ray. Nolan played all music Elvis made famous and sang them in his impersonation of a more mature "king".. On the 16th - Bill Hunter, a Neurologist , gave us some insight on Alzheimer's disease.....The last Saturday - 26th is when all us "cowboys" and "cowgirls" always look forward to – The Western dance. Music by Carlo and hosted by Domenic and Louis Berenato.

Coming up. February 9th - Valentine Dance. Music by Bill and Mary Poast. Hosts are

Announcing: BLUE JAY'S GOT TALENT SHOW

Mike McKenna

That's right! It is coming early next year in 2020. Our last Blue Jay Talent Show was in 2017. It was a huge success. We had 13 Acts all performed by our own Blue Jay people. It was produced and directed by our late Ms. Phyllis Zaluga. We sadly lost Phyllis a short time after that. Our 2020 Talent Show is in memory of Phyllis and her past shows.

Even though our Talent Show date is a year away, it does require that much time for organizing and planning. We know we have many Blue Jay residents who are gifted and talented. So start thinking about your talent and how your act could be part of an amazing and exciting Show. We will be looking for all kinds of talented acts. Be really creative. Be fun. Be brave. Start practicing. The show will be limited to the total number of Acts, so we are limiting them to only Blue Jay adult residents. We will also need many volunteers for a production crew. Please think about how you could help in production. Now that our Talent Show has been announced, I'll have more information about it for you in the next few monthly Bulletins.

The success for a great, "Blue Jay No talent Show" depends entirely on your participation. We need you and we hope you'll want to be part of it. It will be exciting and fun. It is going to be like a roller coaster ride and I don't know how it is going to end up. So buckle up your seat belt. I want you to join in the ride. Hope to hear from you.

Military Family Christmas Cards

Marlene Stock, Coordinator

This is a “Thank You” letter that we received from Captain Brennan Bylsma at Camp Casey, Korea:

Dear Blue Jay Estates,

I would like to thank you for the holiday cards and the warm wishes contained within.

My Soldiers and I really appreciate the effort you have gone through to show us your support this holiday season! Being forward deployed to Korea and on a “Fight Tonight” footing these warm wishes are especially appreciated this year. A lot has changed since last year; I completed my second Company Command as the Commander of the Headquarters and Headquarters

Company of the Maneuver Center of Excellence at Ft. Benning, GA and simultaneously graduated with my Master’s of Science in Organizational leadership. Shortly after that I moved to Ft. Hood, TX and then deployed to Korea.

I am now the Company Commander of Carnivore Company, 1-9 CAV, Second Brigade

Combat Team, First Cavalry Division, forward deployed to Camp Casey, Korea. Carnivore

Company consists of approximately one hundred forty infantrymen, mechanics, and supply personnel as well as fifteen Bradley Fighting Vehicles. We are a Mechanized Infantry Company tasked with supporting the Armistice here in Area 1 of Korea. I appreciate you sending two packages this year so I would have enough cards to give to all of my soldiers! We have been here for about seven months now and will redeploying to Ft. Hood, TX in March. Everyone is looking forward to seeing their loved ones and being back in the states.

Once again, thank you so very much for your letters of support and encouragement!

They mean so much more to my Soldiers than I could ever convey through words. It is encouraging to know there are still Americans out there who will take the time and effort to show our Troops that they are truly appreciated!

Sincerely,

Brennan A. Bylsma

Red Hats

Bonnie Preston, Coordinator

The Beachcomber Restaurant on Clearwater Beach was where we had our Christmas Luncheon on December 13th. The food was very good and the service was excellent. They decorate beautifully for the holidays (this is their 70th year. They opened in 1949) We had 30 ladies attend. I hosted with my elf helpers Debbie Guzzo, Vivian Williams, Shirley Ellsworth, Sharon Hurd, and Fran Ternsten. Thank you so much for your help!

We returned to Blue Jay to continue our party. Our 50/50 was divided into 3 - \$10.00 winners, Florrie Breckner, Alma Bunting, and Gen Jones. There was a \$10.00 gift exchange with some very nice gifts. I had an extra drawing and 5 surprised ladies went home each with a box of chocolates. They were June Modzeleski, Marcy McGrath, Shirley Ellsworth, Bev Woods, and Gen Jones.

Every year we donate to a charity. We have chosen Wounded Warriors Project for the last few years. Our check for \$100.00 was sent in November. I received a letter thanking us for our support, greatly appreciated.

Thank you so much for the gift. It forced me to go shopping! We have many new residents who might not be familiar with Red Hats but you are welcome to come check us out at a luncheon. You can call me for more information at 727-483-9955. Our dues are \$3.00 per year due in January. Please put in an envelope with your name and lot #. You can drop it off at lot #12.

Cave drawing of bull is earliest of its kind

Archeologists have discovered the oldest known drawing of an animal on the wall of a cave in Indonesia, according to the U.S. News & World Report website. It's some 40,000 years old, about five feet wide, and it depicts a bull-like creature in a red silhouette.

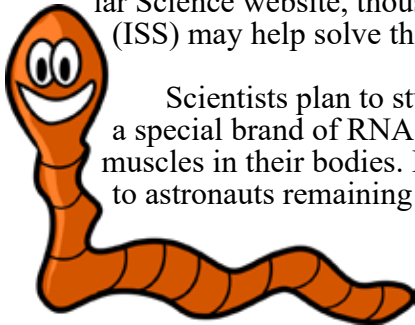

Along with similar drawings on cave walls in Borneo, the drawing sparks renewed debate about the role of art in ancient times. Similar cave paintings have been found in France and Spain, though they're just 33,500 to 37,000 years old.

Cave dwellers began sketching humans engaged in hunting activities and dancing some 14,000 years ago in both Europe and Asia. The findings raise the possibility that humans migrated from Africa to Europe and then Asia, bringing their artistic sensibilities with them.

Invasion of the space worms

Long-term space travel poses many challenges, but one of the most daunting is the loss of muscle mass in a zero-gravity environment. On a voyage to Mars, for example, space travelers could arrive on the red planet too weak to stand. Now, reports the Popular Science website, thousands of worms headed to the International Space Station (ISS) may help solve the problem.

Scientists plan to study muscle atrophy in the worms and then treat them with a special brand of RNA designed to stop the breakdown of protein and preserve the muscles in their bodies. If all goes according to plan, this could alleviate one danger to astronauts remaining in space for long periods of time.

Science is simply common sense at its best, that is, rigidly accurate in observation, and merciless to fallacy in logic.

—Thomas Henry Huxley
