**H**ello All

I write this article as tropical storm Colin is making his way out of the Tampa area. This is a good opportunity to thank Rich Williams for training volunteers on storm preparations and to Domenic Berenato and the volunteers who executed the plan to ensure our community was safe and ready. We always hope we don't have to deal with a weather event but it is good to know we are ready and we have a workable plan. All residents have received the information on preparing for a storm and storm shelter information. Hopefully everyone has their plan ready to go if we get another Colin or worse!!

During the recent drive thru it was noted that a number of residents have ladders propped up on their homes or along fences. Your cooperation to remove ladders from fences and units is appreciated.

A reminder to make sure your irrigation is programmed correctly. There should be no sprinkling after 10am or before 4pm and the schedule is Tuesday/Saturday or Thursday/Sunday. All timers should be set to standard time – not daylight savings time.

Work will be done in July to fix the main county water valves that come into the park. These valves do not close properly which means the county water cannot be turned off. The water will be shut off for a few hours while the work is done. Once a date has been established residents will be given advance notice.

The underwriter for our insurance brought a number of small issues to our attention recently and gave us 30 days to correct the problems. One area had to do with our sidewalks. Temporary patches have been made however there are quite a few areas where sidewalks need to be replaced or repaired. A number of quotes have been received and a contractor has been selected. We hope to have the work done over the summer. More detail will be forthcoming as the schedule is set. This project will be funded from the Sidewalk Reserve account.

That's it for now – Happy 4th of July!!!

**H**appy Birthday America! July 4th is the 240th birthday of America and Blue Jay celebrated with a cook out and pot luck dinner. More on that later.

Tony Ruvalo and his crew provided yet another wonderful luncheon in June. He does a great job with his meals and everyone has more than enough to eat and pleasant fellowship in our little part of paradise here at Blue Jay.

The summer heat and humidity has settled in, I won't say nicely 'cause there is no nice in heat and humidity. We once again were bypassed by a tropical storm. "Colin" came up in the gulf and turned east between us and Tallahassee, leaving a lot of rain and windy conditions behind. We were fortunate that only one very minor incident took place in the park.

July is one of our months with the fewest residents in the park (and at Wednesday social club coffee hour.) The pool with its new decking and beautiful flora provides some relief from the summer doldrums.

Back to the Nation's birthday, I suggest we all reflect on our heritage and what this country has provided for us. Our Canadian "family" shares in the bounty provided by our founding fathers. We can all say a big Thank You to them.

## Happy Days with Special Visitors

**M**y daughter Nancy with her husband Mark, son Keeton and daughter Rylee visited from Round Rock, Texas this week. They enjoyed our beaches and sunshine along with the Orlando theme parks.

Keeton attends Cedar Ridge highschool and plays the clarinet. Their three Raider bands traveled here to compete at Festival Disney where each of their bands' placed – "Best in Class" 1st place!

We love visiting Grandma Jackie and Aunt Phyllis and always wish we could stay longer"! (Smith Family)

**T**wenty of our Red Hatters had lunch at the Paradise Restaurant in Safety Harbor on Thursday, May 19, 2015. Our hosts for this event were Ronnie Beetle and Pat Serletic. The restaurant is now under new ownership and the food and service were great.

The usual 50/50 was held and it was decided by all to split the winnings two ways. The lucky winners were Maria Mavridis and Ida Morris.

A few of us did a bit of shopping on the way home, but we did not make our usual pit stop.

To all you new ladies in Blue Jay who have not joined our group, you are welcome to do so at any time. You could also go out to eat with us the third Thursday of any month to see if you would like to join. The yearly fee is \$3.00 and that money is usually used for something at Christmas time.

## Ice Cream Social

---

**A**re you ready for a nice break from our summer heat?

Join us for the Ice Cream Social on Friday, July 15th at 7:00 p.m. at the Clubhouse. Sign-up sheets will be posted in the Clubhouse and tickets will be sold at Wednesday Coffee meeting beginning June 22nd...Hosted by Tony and Linda Ruvolo.

## Advice from the A-List

---

**C**elebrities aren't necessarily smarter than the rest of us, but their success speaks for itself. Here's what they have to say about achieving success in any endeavor:

- Leonardo DiCaprio, actor: "I've been very lucky to have achieved a lot of the things that I dreamt of achieving as a young man. But at the end of the day—and I truly believe this—it is not about achieving great wealth or success, because they don't bring happiness ultimately. They really don't. What matters is whether or not you've fulfilled the idea of having led an interesting life, whether you've contributed in some way to the world around you."
- Beyoncé, singer: "The reality is, sometimes you lose. And you're never too good to lose, you're never too big to lose, you're never too smart to lose; it happens. And it happens when it needs to happen. And you have to embrace those things."
- Justin Timberlake, singer: "I like being a beginner. I like the moment where I can look at everyone and say, 'I have no idea how to do this. Let's figure it out.'"
- Chris Pine, actor: "Fear runs our lives. It doesn't matter who you are. You have to understand your relationship with fear. Whether you're scared of getting into a relationship or taking the new job or a confrontation—you have to size fear up."
- Ellen DeGeneres, talk show host: "Never follow anyone else's path, unless you're in the woods and lost and you see a path. Then, by all means, follow that path."

# July CROSSWORD

## Making room

---

A farmer lived in a small house with his wife and six children. The lack of space was driving him crazy, and in desperation he sought advice from the local rabbi.

The rabbi listened sympathetically to his problem. “I can help you,” he said, “but you must do exactly as I say.” The farmer agreed.

“Do you own any animals?”

“Yes,” the man said. “I have a cow, two goats, and some chickens.”

“Good. When you get home, bring all your animals into the house with you.”

The farmer was puzzled, but he did as the rabbi advised. The next day he returned, complaining, “Rabbi, the animals are all over my house! What should I do?”

“Go home and take the chickens outside,” the rabbi said.

The man went home and took the chickens away. The following day he went back to the rabbi’s house. “The chickens are outside, but we still have two goats and a cow getting in the way.”

“Take the goats back outside,” the rabbi instructed.

The day after that, the man returned again. “The goats are out in the yard, but the cow is everywhere.”

The rabbi nodded. “Now take your cow back to your field.”

The farmer came back smiling the next day. “It’s amazing! The house is quiet and we have room to spare! Thank you, rabbi!”

## Not so obvious

---

A math professor had a very rapid and hectic lecturing style. He often simply turned his back on the class and scribbled equations on the chalkboard while speaking so fast many students couldn’t keep up.

One day a student asked a question about one of the problems. The professor replied, “Well, that’s obvious!” But the student persisted. The prof listened thoughtfully, nodding, then went out into the hallway to think. He paced the hall for 10 minutes, then returned to his classroom.

“I’ve thought it over,” the professor said. “I was right: It is obvious.” And he went right back to his lecture.

## Balance your internal ‘thinker’ and ‘doer’ to bring ideas to life

---

**C**reative people can have dual personalities: the “thinker” who comes up with bright ideas and the “doer” who puts plans into action. How can you help them work together effectively? Follow these steps:

- Record your revelations. When an idea strikes in the middle of a task, don’t stop what you’re doing so you can ponder your brainstorm. Instead, keep a notebook where you can record sudden inspirations to review at a more appropriate time.
- Take time to think. Set aside some time each day when you can forget about performing tasks and quietly focus on shaping your ideas.
- Conduct a weekly review. Bring the thinker and doer together each week to decide how to turn vision into reality. Review your ideas, then create action steps to ensure they come to fruition.

## Take the risk of being creative

---

**C**reativity is a risky business. Your best ideas may get shot down—or never even make it into the air. If your worries are interfering with your ability to find creative solutions to problems, keep this advice in mind:

- Practice. Don’t wait for the pressure of a crisis to start flexing your creativity. Envision some possible scenarios where you’d have to think fast to find a solution. When real problems arise, you’ll be better prepared to deal with them.
- Seek feedback. Look for people who can help you evaluate your ideas fairly. They should challenge you, not just say, “Great idea!” This will help keep your thinking sharp.
- Take small risks. Get used to uncertainty by using your imagination when the risks are minimal. You’ll build confidence as you learn what works and what doesn’t.
- Search for data. Be on the lookout for all the information you can gather about the problem you’re trying to solve—and about your organization and industry. The more facts you have, the better the creative decisions you’ll make.

When you’re heartbroken, you’re at your most creative—you have to channel all your energies into something else to not think about it.

—Florence Welch
