#### From the Board of Directors

Penny Gilray President

pring has sprung and the Snowbirds have flown north. It has been a busy and productive winter with many of our budgeted projects being completed. The remainder of the budgeted projects will be scheduled for the fall.

The erosion wall on Gull Pond is now complete and looks great!! Thanks to Domenic Berenato and his team who oversaw the project.

To protect and preserve the pool deck it will be resealed in early June. That means the pool will be closed for 2 days (providing we have good weather). Your cooperation is appreciated to stay out of the pool area while it is closed. Specific dates will be posted in advance so you will be aware.

The common ground palms and oaks will be trimmed this month. Residents that have signed up for tree trimming will be contacted by the contractor.

The Mile of Pennies fund has purchased a new BBQ for the back deck. Please be sure to clean it when you finish cooking. Thanks to our residents who contribute to this fund. It sure helps!!

If you have a dog please be sure to walk them in the dog section of the park. That means if one side of the street is "doggie allowed" and the other is not, you should stay on the "doggie" side. The only part of the common ground that is "pet friendly"

is the RV lot.

If you are heading away for an extended period of time, please have someone looking after your home and take in all objects that could be tossed around in a storm.

Sheila Voss is looking after things while I am up north. I will continue to participate in the Monday operations meetings via telephone.

I can be reached at 905-430-3132 or via e-mail at lpgilray@aol.com should you have a question or need to talk to me.

Stay safe and have a great summer!

#### From the Social Club

Paulette Derr, Chairperson

s I'm sitting here at my computer typing this report, which happens to be on Thursday, April 9, I'm wondering where in the world the time goes. It seems like we were just talking about and planning the St. Pat's Dance and now it's the second week in April and some of our northern friends have already given up the beautiful sunshine and warm weather at Blue Jay to face some cold weather up north.

Since March brought some warmer weather than we had during the winter, the

"Social Hour", previously known as "Happy Hour" was resumed and held on the deck adjacent to the clubhouse Fridays at 4:30 pm. Everyone is invited to join in on this; just bring a snack or appetizer and your

drinks of choice.

In March we had Anna Marie Millet from the Pinellas County Protection Agency speak at one of our Wednesday morning Social Club meetings. She spoke about how many ways people are "scammed", about identity theft, among other subjects, and explained how many ways Consumer Protection is available and can help you.

Saturday, March 14 was the St. Pat's Dance, hosted by Rich and Cindy Williams with the help of Mike McKenna and it was another great event with over 100 people attending. They did a great job on the decorations and snacks and the music by Ron and the Classics was enjoyed by all.

The Golf "outing" or "tournament" was held Thursday, March 19 and John Broderick hosted this event. I understand the golfers had a fun day and the ladies joined them later at the clubhouse for some appetizers and drinks.

Saturday, March 21 some residents participated in a "Personal Rummage Sale" and this was also hosted by John Broderick. Everything was set up Thursday night so the residents could have first "pickings" on all the treasures Friday morning. The kitchen was open for chili hot dogs, thanks to Gael Dorsey and her helpers.

Thanks to all the people who helped John during the golf outing and the sale to make each a success.

#### **Red Hat Mamas**

Paulette Derr, Queen Mother

wenty four of our Red Hat Mamas traveled down to the Ed Fletcher Early Bird Dinner Theater in Clearwater on Thursday, March 19, 2015 to see "Hotbed Hotel", a hilarious play about a young couple trying to sell their hotel in Key West. Everyone enjoyed the madcap events as well as the delicious buffet. Thanks to Bonnie Preston who made the ar-

were also entertained by one of the main stars who sang during the lunch hour. She not only sang a lot of old tunes we were all familiar with, but also some of the newer hits. The red hatters agreed she would be a good vocalist to consider having at one of our Blue Jay functions so we'll look into it. We did not have our usual 50/50 raffle and only

a few gals went for coffee after the show to discuss all the mix ups in the play. By the time you read this, some of our Red Hat Mamas will be up north and others will be getting ready to leave. Safe journey to all of you and I wish you a happy and healthy summer and a safe return so we can enjoy another season of Red Hat fun. Happy Mothers' Day to all.

#### **REMEMBER OUR SERVICE MEN & WOMEN:**

Marlene M. Stock

he Blue Jay Social Club supports a Christmas Card campaign for the service men and women who are members and friends of our community. We post pictures of those people in our club house in a picture box by the front door. We encourage people who live in our community to contribute pictures of those loved ones who serve so that they may be in-

cluded in this campaign at Christmas time. We need their picture, rank and address in order for them to receive the Christmas cards we contribute.

By December 1, 2015, please prepare Christmas cards for the military members pictured and have them to me at #126 Cedar Drive so that I have time to send them off in time for them to receive the greetings by Christmas.

In this time of trial and trouble throughout the word, it is necessary that we remember those who are sacrificing for our freedom and this is a small thanks we can give them for their time and talents.

Thank you for taking the time to contribute to this noble cause. If you have questions, please call me: 651-491-8759.

#### Get smart with your exercise routine

In spring, many of us start putting our exercise routines into high gear. So here are some tips on exercising more safely and effectively:

- Stretch. Stretching helps loosen muscles and prevent aches the next day.
- Go easy on the weights. Start gradually and work your way up. To tone, stick with 3- to 5-pound weights and more repetition. To build muscle faster, choose slightly heavier weights and fewer reps.
- Warm up. Especially before aerobics. Warm muscles mean less chance of injury during your workout. Five minutes of brisk walking is enough.
- Cool down. Let your heart ease back to a normal rate after a workout so you don't overtax it. Gradually slow down your heart rate to 120 beats per minute or less.
- Drink enough water. If you feel thirsty, you've already dehydrated your body. Drink water before exercising and after.

#### Pay attention to your mental health

Physical health is important, but good mental health is crucial to your overall well-being. You don't necessarily need medication or psychotherapy to find peace and satisfaction in your life. Just follow this simple, commonsense advice:

- Exercise. Aerobic exercise keeps your heart and muscles in good shape, and a vigorous program of walking outside can go a long way toward strengthening both your body and self-esteem. Nature walks and gardening can improve your spirits, and may be as effective as medication in fighting anxiety and depression.
- Eat right. Your brain, like your body, needs the right combination of nutrients to remain healthy and active. Follow a healthy diet rich with fruits, vegetables, beans, and cereals, and eat meats and high-sugar foods in moderation.
- Sleep. You need sleep to rest your mind as well as your body. Keep a regular schedule, and get at least seven or eight hours every night. Avoid alcohol, caffeine, and sugar at night, and stay away from TV and the computer right before going to bed.
- Take up a hobby. Get involved in something that takes your mind off work and chores. Choose something active—volunteer work, costuming, a book club, or some other activity that will get you moving and encourage contact with others who share your interests.
