## From the Board of Directors

*Penny Gilray President*

---

Hello All,

November already, where does the time go!!

There were two big projects underway in October – the fence on the north side and the repairs on Gull Pond – as I write this, I expect these projects are well on their way to completion or done. These were two projects that were in our 2014 budget and approved at our April meeting.

As our seasonal residents make their way back please remember to complete a change of address. This is so you receive correspondence from the Association in a timely fashion. Forms are available in the clubhouse.

A couple of reminders –

For those of you with a dog – please observe the rules and only walk your dog in the pet section or in the RV lot. Also, your dog must be on a leash and not left unattended anywhere in the park, even your own yard.

If you are planning to do any outdoor renovations, please talk to the Architectural Committee before you begin any work. The forms are available in the clubhouse and any member of the Committee will be happy to help you prepare the request for approval by the Board of Directors.

We often have contractors working in our community either on a regular basis or for some special project. Residents are asked not to engage these workers. If you have a concern, you can contact a member of the Building and Grounds committee or Board of Directors.

The next Board of Directors meeting will be held on Tuesday December 2, 2014. The purpose of this meeting is for the Board to approve the 2015 budget. Residents will be asked to vote on the carry-over of any surplus funds, a year-end financial review and use of reserve funds in a catastrophic event. Material for this meeting is being sent to your mailing address in early November. Please mark your calendar for the date as it is imperative that we have a quorum.

There will be 3 openings for Board of Director positions coming up in February. Please consider running. It is important that we have a full Board to conduct the business of the Association. Information will be sent to each homeowner in December.

I am now back in Blue Jay and can be reached at Lot 44 or 727-786-2921. Look forward to seeing you.

*Penny*

## From the Social Club

*Paulette Derr, Chairperson*

---

**A**s you all know there was no report from the Social Club last month because yours truly was on a 5 1/2 week hiatus in Allentown, PA. visiting family and friends and where we had another memorial for Don. The weather was great because it was a bit cooler than here and I had a wonderful time, but now it's time to get back to work!?!

A big thank you to Pat Serletic for filling in for me and to the entire Social Club committee for everything they do.

Donna Cooper from St. Mary's Pharmacy was our guest speaker at the Social Club meeting on September 24, 2014. She told us that some prescriptions might be cheaper at St. Mary's, depending on your insurance, and that they have home delivery.

I hope most of you attended the All American Picnic put on by Tony Ruvolo and Rich Williams and the Ice Cream Social put on by Tony. It's great to have people volunteer to host different functions that our residents can attend. This is what keeps the "social" part of the park going.

Don't forget about the Halloween Dance hosted once again by Bud and Elaine Fox. Music is by Carlo and everyone enjoys listening and dancing to his tunes.

The annual sale, and I'm not sure what Joan Addington is calling it this year, is Saturday, November 8 and the set up day for the sale is Friday, November 7. All residents who are not working the sale or helping to set up will be able to go to the clubhouse between 1:00pm and 3:00pm to look for treasures.

Sometime in November and after the sale, I will be looking for a few volunteers to help clean out the shed on the deck.

We welcome back all the snowbirds and hope you'll attend the meetings.

## Toys for Tots

Duane & Mavis Buckhkolz

---

The season for giving is here and it is time for all of us to start thinking about giving a new toy donation to Toys for Tots again this year. Blue Jay residents have been very generous in the past and we want to continue our efforts this year. The boxes will be up in the clubhouse for your gifts or you may leave them at my house at #111 Maple Leaf Drive.

## Fire and Memories

---

A few weeks ago four fire trucks and the fire chief vehicle made a splashing grand entrance to Blue Jay. I could hear the sirens coming. The back of my house is so situated that I can see the entrance. I watched the trucks come in and was amazed of how they could make the turn without upsetting. I was thinking I might have a fire truck in my back yard. Being good fire fighter drivers they made the turn and responded to the home at 195 Timber Run Drive. Fortunately the fire was not serious. However, it did have a lot of street observers and I, being one of them stood on the sidewalk between my home and Emil's home so I could see the backyard of 195. I was joined shortly by other street observers and I, being the oldest in residency and by age related to my co-observers that there had been two serious fires here in Blue Jay destroying both homes and treasured items in the homes.

The first fire was in 1988 when the home at 116 Maple Leaf Drive occupied by Jim and Virginia Humphries was destroyed by fire. The home next to them 115 was owned by Ned Harkness and was not occupied at the time. Ned sold the home to the Humphries 116 then became a vacant lot after the home was removed. Gary Moltenbrey and Lois Janice lived at 129 Cedar Drive. Gary was our mailman at the time and Lois was a real estate person selling homes here in Blue Jay. They decided they would buy the vacant lot and have a new home put in and moved in shortly after. Gary and Lois lived there until 1990 when they sold the home to Duane and Joanne Wyman.

The second fire was on December 17th 1991 at the home of Henry and Lois Morgan 130 Cedar Drive. It too was destroyed by the fire. Lois and Henry lost a lot of their valuables including all of Lois's Shirley Temple outfits. By February 1992 their new home was ready for them to move back. Lois still resides there today.

*...continued on page 10*

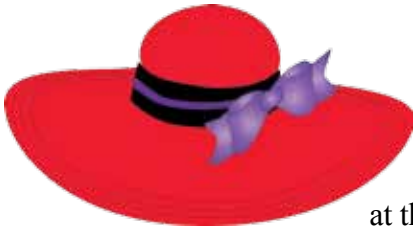

**Y**es, we have had two serious fires that destroyed two homes and valuable and cherished items that could not be replaced. We are so thankful that no one was hurt or injured. Just a little bit of history of Blue Jay for some of the newer residents who now live here.

## **Red Hat Mamas**

*Paulette Derr, Queen Mother*

---

**A**s you all know, the Red Hat Mamas did not meet for lunch in August, but we are back in the swing of things again.

On Thursday, September 18 we had a very good pizza lunch at the restaurant everyone knew as Ci Ci's. It is now Cheese ZZ's and they now have a full salad bar, soup, pastas and chicken to choose from. Thirteen of us enjoyed the many varieties of pizza, including the dessert pizzas and had plenty to eat.

We held our usual 50/50 and it was won by Kay Ordway. Five lottery tickets were raffled off and the winners were Fran Ternsten, Carol Violette, Bonnie Preston, Pat Hawthorne and yours truly. One of these weeks we're going to win the BIG bucks!!

For those of you who have not attended the last few luncheons, we are planning a trip to Spinners on St. Pete Beach in November. We are looking for gals willing to drive down and take others with them. We looked into renting a limo, but found it was very costly. Please let me know as soon as you can if you would be willing to drive.

Haven't picked a place yet for our Christmas Luncheon, but I'm working on it. We might be going to Ruth Eckerd Hall in Jan. or Feb. for an afternoon show, but we'd have to go on a Monday in Jan. and I think the ticket price includes lunch. You have your choice of seeing BARBRA and FRANK on Jan. 19 or GLENN MILLER ORCHESTRA on Jan. 26. On Thurs., Feb. 12 we could see 107 YEARS of BROADWAY. Think about what you would like to see and we can discuss it at our luncheon in November.

## Monthly

---

### National Epilepsy Awareness Month

Epilepsy, characterized by recurrent, unprovoked seizures, affects about 2 million people in the United States. Delayed recognition of these seizures and inadequate treatment increase the risk for additional seizures, disability, decreased quality of life, and, in rare instances, death.

### National Novel Writing Month

You can write a novel in only a month, along with the 600,000+ people who've already done so. Go to [www.nanowrimo.org](http://www.nanowrimo.org) for advice, support, and a network of fellow authors working diligently on the next Great American (or any other nationality) Novel.

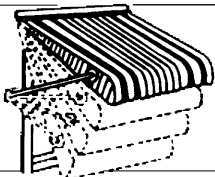

### National Runaway Prevention Month

A campaign by the National Network for Youth to increase public awareness of the issues facing runaways and to educate the public about the solutions, and about the role they can play in preventing youth from running away.

### Manatee Awareness Month

The manatee is the official marine mammal of Florida, a gentle, slow-moving animal protected by the Federal Endangered Species Act as well as Florida state law. But manatees face the risk of extinction due to human activity, including the loss of their warm water winter habitat. For more information, go to the Save the Manatee Club website at [www.savethemanatee.org](http://www.savethemanatee.org).
