**A**s I write this article, we are just coming off the Hermine weather event. With the exception of a couple of fallen trees, Blue Jay came out unscathed. Thanks to all the volunteers who worked to secure the common areas and for making sure the ponds drained efficiently.

The next Board meeting will be held on Tuesday October 18th at 7pm in the clubhouse. The final budget numbers for 2017 will be reviewed in preparation for sending the proposed plan to all residents. The Board will vote on the 2017 Budget at the November meeting. There are a number of agenda items for this meeting so please plan to attend.

The sidewalk repair project will occur in October or early November. Residents will be informed of the actions that need to be taken once the dates are confirmed. These funds will come from the Reserve account and if you remember from my previous letters, some of this work is necessary due to our insurance underwriter.

No doubt everyone has been enjoying the pool over the summer. It is important that everyone follow the rules of the pool – many of which are mandated by the County. It is a must that you shower before entering the water and again after applying lotion and going back in. To ensure only residents and their guests are using our pool please be sure to bring your pool tags. If you need tags, contact a board member.

The RV lot is looking great!! Thanks to Bob and Janet Morgan for cleaning and painting the shed and the fence.

To the folks that are returning to Blue Jay, please remember to put your change of address in to the Association so you can receive correspondence in a timely fashion.

This is a good time to bring to your attention there will be 3 vacancies on the Board for 2017. Please give consideration to running for a position. If you are interested, you can get information from any Board Member or through Kathy at Resource Property Management.

I expect to be back in Blue Jay by mid November, in the mean time I can be reached at [lpgilray@aol.com](mailto:lpgilray@aol.com) or 905-430-3132.

We continue to hold weekly operations meetings on Monday morning at 8:30am. Residents are invited to attend.

## From the Social Club

*Bud Fox, Chairperson*

**K**udos to Sally Ericson for writing the September article. It is with deep sadness of heart to say that we lost five of our neighbors and friends since I last wrote this piece. John Sturino, Len Muchko, Julie Flanagan, Bob Bean and most recently Swede Ericson have passed away. Our hearts and prayers go out to all the families touched by their passing.

Once again Blue Jay was bypassed by another tropical storm. We are so thankful there was only minimal damage and that was a tree. I know Tony put on a waffle breakfast while we were gone that I am told was fabulous (as usual). By the time you read this the Ruvalo's Italian Dinner (with music by Rich and Cindy) will be history, but as I am writing this we are still looking forward to it. I know it will be as good as every other function the Ruvalo's host.

The board of directors is busy working on the 2017 budget. We all have our pet ideas and maybe a few disagreements, but they do a terrific job managing our finances and we all owe them our sincere thanks for their time and effort keeping Blue Jay the home community we want and love.

The Labor Day "pot luck" was very nice. There were about 40 in attendance but those 40 as always had food that was both delicious and bountiful. If anyone left hungry it was only by their own choice.

This month the fall schedule of events begin. Make sure you mark your calendars so you don't miss out on anything.

## TOYS FOR TOTS

*Duane & Mavis Buckholz*

---

**T**oys for Tots has been Blue Jay's charitable contribution organization for many years. Blue Jay residents have been generous participants of the program by contributing both toys and cash.

Toys for Tots collecting and distributing of new unwrapped toys for needy children began in 1947 when the Marine Corp Reserve in Los Angeles collected and distributed 5,000 toys to needy children. Since that time the Marine Corp Reserve across the nation have collected toys for needy children in their communities.

Our Toys for Tots campaign will begin in November, more information will be coming at our Wednesday social club coffees.

**J**oan Sturino is stepping in and taking over chairing the Bake Sale for our annual Treasures and More bazaar on the 5th of November.....

Last year we ran out of all the homemade goodies much too soon. So we are truly hoping this year, many new residents (and veteran bakers) will hear our call and contribute their culinary pastry talents. Remember **THE ITEMS MUST BE HOMEMADE....** Please let Joan (#96 phone 785-7598) know she can count on all of you..... Thanking you all in advance.

## DO YOU KNOW

---

**D**o you know how many pennies it takes to make a mile? When all the pennies are put into dollars do you know how many dollars that is?

Each week at Wednesday morning coffee hour a lovely young lady named Jan Heminway carries around a container for anyone who so chooses to put whatever amount they want to contribute in the container.

Back in the '90's another young lady named Marge Tahamont came up with the idea to collect pennies or change on Wednesday morning at coffee hour. The money collected is put into a "Mile Of Pennies" fund and is used to help the Board of Directors and the residents do projects that does not have to come out of our maintenance fee. We have purchased a lot of things with this fund, Christmas lights, pool furniture, fans, the freezer, coffee pots that is just to name a few. The Board of Directors do a great job to keep our maintenance fee affordable for us all. Sometimes things are needed so they ask the "Mile Of Pennies" fund to help out.

OK, here is the answer to how many pennies it takes to make a mile. It takes 16 pennies to make a foot there are 5,280 feet in a mile, so if my math is right it takes 84,480 pennies to make a mile. That is \$844.80, again if my math is right. So now you know. Peg McConnell # 217

## Condolences.....

---

**B**lue Jay sadly had to say good-bye to two of their residents..... Bob Bean , husband of Nancy Bean #28, passed away August 23, 2016.... And Swede (Ed) Ericson, husband of Sally Ericson #15, deceased on September 5, 2016.

Remember them, their families and dear friends in your hearts and prayers.

## Red Hat Mamas

*Paulette Derr, Queen Mother*

Only eleven of our Red Hat Mamas went to Leo's for our monthly luncheon on Thursday, August 18, 2016. Some of our gals were on vacation, not feeling well or just didn't want to go this time. However, those that did go had a good time and enjoyed a good meal.

We held our usual 50/50 and it was won by Nancy Bean.

A few of us did a little shopping and then stopped for some delicious coffee, some ice cream and some chit chat.

I made arrangements at Daddy's Grill for our annual Christmas luncheon on Thursday, December 8, 2016. It's a week earlier because some of the gals will be heading north for the Christmas holidays. We'll go back to the clubhouse after lunch to exchange our gifts and have a little treat.

## From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital and its physicians served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

*The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2017. Another example of how the community gave back.*

## Check medical bills with care

---

Dealing with health insurance claims can be frustrating and time-consuming. Multiple bills from different departments for what seems like one medical procedure can baffle even the most organized consumer. The key is to keep track of insurance claims and keep detailed records. Follow this advice:

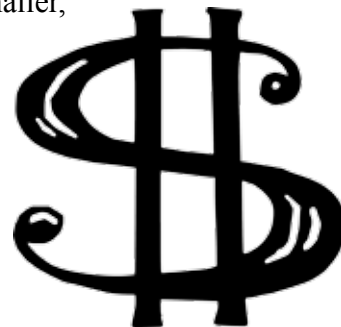

- **Review records.** Verify that the medical provider has the correct billing information. Also, check the identification or group number of your insurance plan on claim forms.
- **Follow up to be sure the claim is being processed.** Contact the provider or insurer after receiving a bill to confirm receipt. Write down the names of everyone you speak to, noting the date of the call and any available confirmation numbers.
- **Verify all the expenses.** Check to see if you are being billed twice. Similarly, verify that the contracted rate between the insurer and the provider is actually what you are being billed for.

## Revamp your finances to save more money

---

If you can figure out how to save just \$125 per month, then set up an automatic savings to a mutual fund that yields an average of 7 percent, in five years you will have almost \$9,000. In 20 years, that amount will have grown to \$65,000! Here are four suggestions for coming up with that \$125 per month:

- **Look at your cable TV bill. Do you need all those channels?** You can roll your bill back by getting rid of premium channels or subscribing to a smaller, cheaper package.
- **Stop picking up magazines from the supermarket or newsstand.** Save yourself some money by reading online or subscribing to your favorite magazine instead. And if you're subscribing to anything you don't read, cancel it.
- **Change your cell service.** Shopping around can get you a better deal that will save you bucks. Just make sure you won't be penalized for breaking a contract early.
- **Call your credit card company.** You may be able to get a lower interest rate just by asking.

## Some challenges spur imagination and success

---

Imagination performs best when it's challenged. Perfect freedom leaves the imagination listless, and whatever is created is lifeless as well. Only when a challenge presents itself does the imagination perk up. How can the problem be solved? What other paths could you follow?

Take for example, American writer Flannery O'Connor. She was stricken with lupus erythematosus in her mid-20s. She spent almost all of her life (she died at age 39) on her family's farm. But as the disease made movement more and more difficult, it also pushed her to sit at her typewriter every day and write. The stories she churned out are full of wild imaginings and a great spirit of hope.

## Just listen

---

A man whose marriage was in trouble sought advice from his minister. The minister heard the man out and then said, "You must learn to listen to your wife."

The man took this advice to heart, but he returned a month later to say the marriage was still unhappy, even though he had learned to listen to every word his wife said.

The minister said with a smile, "Now go home, and listen to every word she *isn't* saying."

## Learn to let go

---

A little boy was playing one day with a very valuable vase. When he put his hand inside it and couldn't draw it back out, he called for his mother. His mother tried gently to slide his hand free, but it remained stuck.

She was ready to break the vase when she said, "OK, let's try one more time. Open your hand and hold your fingers out out straight, and then pull."

"Oh, no, mommy!" the boy cried. "If I do that, I'll drop my penny!"

Storytellers have as profound a purpose as any who are charged to guide and transform human lives.

—Nancy Mellon

## Did you know that October is also...

**Italian-American Heritage Month.** The goal of Italian-American Heritage Month is to inform the public about the contributions made by Italians and Italian-Americans, especially in the arts, the humanities, and the sciences, and to celebrate the impact that Italian culture and language have had on the United States.

**National Bullying Prevention Month.** A campaign held during October, uniting communities nationwide to educate about and raise awareness of bullying prevention, National Bullying Prevention Month is recognized in communities across the United States, with hundreds of schools and organizations signing on as partners.

**National Cybersecurity Awareness Month.** The internet touches almost all aspects of everyone's daily life, whether we realize it or not. National Cybersecurity Awareness Month is intended to engage and educate public and private sector partners through events and initiatives with the goal of raising awareness about cybersecurity and increasing the resiliency of the nation in the event of a cyber incident.

**National Walk Your Dog Week, Oct. 1-7.** According to the American Veterinary Medical Association, more than 40 percent of dogs—a total of about 17 million—in the United States are overweight. Walking your dog just 30 minutes a day helps both of you maintain a healthy weight and a good heart.

**Earth Science Week, Oct. 9-16.** This year's Earth Science Week celebrates the theme, "Our Shared Geoheritage"—the collection of natural wonders, landforms, and resources that have formed over eons and come to this generation to manage, use, and conserve effectively.

**Free Speech Week, Oct. 16-22.** A yearly event to raise public awareness of the importance of free speech in our democracy and to celebrate that freedom. Express your right to free speech by posting a message online, composing a poem, writing a letter to the editor, or whatever works best for you.

**National Massage Therapy Awareness Week, Oct. 23-29.** Research suggests that symptoms of stress, anxiety and depression may be ameliorated with massage therapy. Athletes at all stages have also benefited from massage therapy. By combining your exercise routine with a massage therapy treatment, you will be able to train longer and harder and make the most of your workout.

**World Animal Day, Oct. 4.** An international day of action for animal rights and welfare, celebrated annually on the feast day of Francis of Assisi, the patron saint of animals.

**National Chess Day, Oct. 8.** Play a game that sharpens your mind, challenges your intellect, and brings you closer together with other people.

**Columbus Day, Oct. 10.** Observed on the second Monday of October to commemorate Christopher Columbus's arrival on the North American continent on Oct. 12, 1492.

**Ada Lovelace Day, Oct. 18.** Considered one of the world's first female computer programmers, Ada Lovelace helped develop an early predecessor of the modern computer in the 19th century.

**Halloween, Oct. 31.** Trick or treat!

## Try these tips for better napping

---

**S**leep is important to your health, and regular naps can make a positive difference. One Harvard study found that people who nap at least three times a week for a half hour or more have a much lower risk of heart disease. Other studies suggest that a 40-minute nap can improve performance on the job.

So what's the best way to nap? The Science of Us website summarized the findings of different studies. First, try to sleep for at least an hour to get a deeper sleep, even though shorter naps have positive benefits as well. Second, lie down for your nap; you'll wake up feeling more alert than if you sleep sitting up in a chair.

Finally, nap in the morning if possible. You're more likely to get REM sleep because your brain still craves it from the night before. Although, on the other hand, afternoon naps tend to be more restorative and improve memory.

## Chest pain? Worry—but don't panic

---

**Y**ou're having chest pains. Should you rush to the hospital? Although you shouldn't ignore the pains, don't panic. According to an article on the Medline Plus website, fewer than 6 percent of chest pains are symptoms of a heart attack. That's the good news. The bad news is that doctors usually can't determine the cause of chest pains, and they can be evidence of a serious illness.

Researchers studied a database containing records of emergency room visits, looking at 11,000 cases of chest pain unrelated to other trauma. They found that only 5.5 percent of patients suffered from life-threatening ailments. The most common diagnosis was simply "non-specific chest pain," accounting for more than five in 10 patients complaining of discomfort.

Chest pains cause more than 8 million trips to emergency rooms each year, second only to abdominal pains.

## Heart health improving for Americans

---

**A**mericans are taking better care of their hearts, according to the Centers for Disease Control and Prevention. According to a study published in the American Journal of Preventive Medicine, the rate of heart disease in Americans over 40 dropped to 8 percent in 2011-12, down from 10 percent in 2001-02. Among Americans 60 and older, the rate dropped from 19.5 percent to 15 percent in the same time frames. The researchers found no significant change either way in Americans 40-59 years old, however.

One factor influencing the improvement was having access to health insurance, according to the study. Better management of risk factors like high blood pressure, cholesterol, smoking, weight, and diabetes probably contributed to the decline, the report suggested.

## Go for the quick laugh

---

Jokes don't have to be longwinded. Try these one-liners out on your friends:

- I sold my vacuum cleaner—all it was doing was gathering dust.
- I give all my dead batteries away—free of charge.
- I hate elevators, so I take steps to avoid them.
- I know a man who drinks brake fluid. But he says he can stop any time.
- When will all the rhetorical questions end?
- Women really should not have children after 35. After all, 35 children are enough.
- It's hard to explain puns to kleptomaniacs because they always take things literally.
- A hard-boiled egg in the morning is hard to beat.
- There are only 10 types of people in the world—those who understand binary and those who don't.

## Hot tip

---

A man was watching TV one night when his wife walked up behind him and smacked him on the back of the head with a newspaper.

“What was that for?” he demanded.

“I was doing the laundry and I found a piece of paper folded up in your back pocket with the name ‘Carol Anne’ written on it,” she said.

“Oh, honey,” the man said. “I was at the track the other day and a guy gave me a hot tip on a horse named ‘Carol Anne.’ I won \$50.”

Unconvinced, the wife said, “All right, then,” and went back to the laundry.

Two nights later the husband was watching TV again when the phone rang. A minute later, his wife walked up behind him and once again hit him with the newspaper. “What are you doing?”

“The phone call? That was your horse.”
