From the Board of Directors

Roland Doucette President

Hello All,

It was just a couple of months ago that I was writing about Tropical Storm Colin, which affected us last year, and as I write this entry for the Monthly Media it is the day after Hurricane Irma hit the Tampa area with 100 mph wind gusts, 8-10 inches of rain, and the resultant clean up that will be required.

From first reports there was minimal damage compared to what could have happened, and the Board of Directors will be looking to hire the appropriate contractors to get the park back into the condition we all expect. The good news is that the clubhouse and pool areas did not suffer any calamitous damage, and what was done can be repaired or replaced. A few homeowners suffered some damage. They have been notified by Rich and are making arrangements to have it taken care of.

The most important thing, however, is that there was a full evacuation of Blue Jay in accordance with the Hurricane Plan we have in place and the directions of Pinellas County, and as a result everyone is safe and coming back home. You can replace things. You cannot get back a person who is harmed by this type of weather event. Let's hope nothing like this storm approaches for another 100 years. We were indeed very lucky.

Special thanks need to go out from all of us to Rich Williams and his team of volunteers who put away all of our pool equipment, and even went house to house to help homeowners who could not put away the materials from their driveways and around their homes. We always say that we live in the greatest community in all of Florida, but it is at these moments that we truly come to appreciate the efforts of our fellow homeowners. Thanks very much folks. We really do appreciate all you do for Blue Jay.

Sue and I will see you all soon. We plan to be back on October 16th.

Roland

From The Social Club

Sally Ericson, Reporter

Never daunted by IRMA last month, our wonderful Social Club Chairlady, Pat Serletic foraged ahead setting up many fun events. She proceeded with great plans for the coming months.

As reported in September's issue, our August Summer Dance Party was a more than huge success. Everyone loved Nolan Ray. We had a great turnout, and no one wanted to leave. He will be invited back!

Labor Day Cook-out also was well attended.

Looking ahead – Pat initiated a new event – It is the Fall Pot-Luck dinner which will be a little different. Guess who is returning for more good music and entertaining? Nolan Ray! (Aha!) Dinner at 5:00. Music by Nolan 6:30 – 8:30... This is the Social Club's welcoming gift (no charge) for all the residents. But remember it is a POT-LUCK (including entrees as well as side dishes and desserts are to be contributed by attendees.)

Then, mark your calendars, the Halloween Dance on October 28th hosted by Christy and Randy Spencer. Music by Ray Curtis. Costumes optional.

Coming up fast is the Annual Blue Jay Bazaar. November 4th is our big fund raiser, which finances the various philanthropic and social activities thru-out the year. Once again, Joan Addington is chairing.

Another super cool night to look forward to is the Fabulous 50s Dance scheduled for November 18th.! A great time for dancing and reminiscing with all the "oldies" (I am referring to the music). And if you want to dress up (or down) in the fashion of that era, you may have more laughs. It's up to you. Hosts are Bud & Elaine Fox and music by Flashback.

And there are many more events coming up, but you'll get the info on them in the next issue.

A reminder. All our activities are posted on the outside bulletin boards and in the clubhouse. , However, individuals need to come into the clubhouse to sign-up on a numbered or a diagramed sheet inside for an accurate count of persons planning to attend that particular event. Especially when a host or the committee in charge needs to buy food for that event.

I wish to again praise Pat, and company, who work so diligently in order to offer many fun occasions in the interest of encouraging everyone to join in and get to know and interact with all our fantastic Blue Jay people. I know you will agree.

Harvey, Texas & the Salvation Army

by Sally Ericson, Reporter

Joan Sturino personally wishes to thank all the wonderful Blue Jay residents for their generous donations to the Texas victims of hurricane Harvey.

Joan contacted the Salvation Army, and they promptly came to her home to collect 24 (yes! 24!) boxes of clothing etc. which were collected and contributed by a number of Blue Jay friends.

The humanitarian endeavors of the Salvation Army are world renown. Along with volunteers, they are always there to help, wherever & whenever a disaster occurs. We know they will see that all Blue Jays donations will be given to any person in need.

This sincere thank you comes from Joan and the Salvation Army. Once again Blue Jay people have answered the call!

See ya'll next month.

Red Hat Mamas

Bonnie Preston, Queen Mother

Thursday, August 17th, was the date of the monthly Red Hat Mamas Luncheon hosted by Joan Addington and Florrie Breckner. There were 20 ladies attending and they went to Rusty Bellies Waterfront Restaurant at the Tarpon Springs Sponge Docks. They enjoyed delicious lunches and everyone was pleased with the restaurant chosen by Joan & Florrie!

The usual 50/50 drawing was held and Elaine Fox was the winner! The second drawing was a \$5.00 gift certificate won by "Our Lucky Lady" Gen Jones.

After the luncheon a few of the gals did some sight seeing and a little shopping in the many shoppes along the way before heading back to Blue Jay.

A friendly reminder to all of you gals who have not yet done so, we would love to have you become one of our Red Hat Mamas and join in the fun! Just give me a call at 727-483-9955.

Toys For Tots

STOP..... STOP..... STOP

Peg McConnell #217

Are you stopping at all the STOP street signs, are you driving on your side of the road, and watching your speed limit of 15 mph. If you are not then you are violating all the driving rules of road. Just because the roads in Blue Jay are “private roads,” doesn’t mean you don’t have to obey the traffic rules of the road, BECAUSE YOU DO. Are we going to wait until someone is hurt because you did not drive on your side of the street, going more than 15 mph or did not stop at the stop signs, I certainly hope not. ALL residents of Blue Jay PLEASE slow down to the posted 15 mph, stop at all the stop street signs and drive on your side of the street.

This also applies to anyone driving a golf cart.

A concerned resident

To Blue Jay Residents

Christy Spencer #58

Blue Jay residents continue to recover admirably from Hurricane Irma. We were spared the “Wrath” of this storm and we were so very blessed to have sustained only minimal damage to our beloved park! To those of you who are up north, we Blue Jay “full timers” are fine and we are taking care of each other and our park. Electricity has been restored and the park is still the beautiful, sunny, palm tree adorned home to all of us. Lastly, this quote so stoically reminds us of our Blue Jay Park, “ She stood in the storm, and when the wind did not blow her way, she adjusted her sails.”

Three activities to ward off Alzheimer's

Alzheimer's disease may not have a cure, but experts believe some practices can help delay memory loss. Here's what you can do:

- Cognitive training. Crossword puzzles and other games can help, but try some different techniques. Do simple arithmetic in your head instead of relying on a calculator. Develop a new method for remembering what's on your shopping list. Train your brain to remember things in new ways and you'll keep it sharper.
- Control your blood pressure. Reducing high blood pressure with medication and weight loss not only cuts your risk of heart disease, but it can also ease stress on the delicate blood vessels in your brain— stress that can exacerbate memory loss and dementia.
- Exercise. Moderate aerobic exercise has many health benefits, including heading off symptoms associated with Alzheimer's. Try exercising for 30 minutes five days a week, or 50 minutes three times a week. You'll feel better and extend your cognitive health.

Scientists search for life on the toughest planets

We think of life as viable only on planets orbiting stars like our sun, but scientists now speculate that it could evolve on worlds circling very different types of stars.

Stars called M dwarfs are the most common stars in our galaxy. Their harsh flares and gravitational grip on their innermost planets could interfere with the formation of liquid water, which is necessary for life. However, astronomers have spotted approximately 200 planets circling M dwarfs, and dozens are in the so-called habitable zone where liquid water could exist and temperatures aren't too extreme for the development of life.

Scientists are studying these strange new worlds in hopes of detecting conditions that might lead to life—although it will probably be very different from any life found on Earth.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"
