From the Board of Directors

Roland Doucette President

Hi Everyone,

I hope you are all enjoying the summer months. I hear that the pool is getting good use in the hot weather by homeowners and guests. Now that it has been resurfaced and reopened we are finally back to normal. Take advantage of the coolest place in the park!

It is summer, and we all know what that means. Weeds!!!! It has been warm and wet lately, and that means our not so friendly grass species are free to go wild in our planters. Rich is working with our landscaper to minimize our yearly scourge, but nonetheless they somehow manage to grow faster than they are killed. Please be patient, as there is only so much that can be done outside of permanently leaving someone at Blue Jay to go around daily. Let's be honest, if the worst problem we have in our lives is some weeds in our planters, aren't we really doing pretty well?

The Board has recently contracted with Trinicon Company, a disaster relief company that will be able to help us out in the event of future disasters like the hurricane last summer. Trinicon manages restoration services in the event that a major issue develops with our common buildings and grounds. While they do not deal with individual homeowners, they would be available for any issues that develop with the clubhouse, pool, fence, etc. Trinicon not only would provide remediation services for us, but they also maintain a list of contractors who would help put us back together much more quickly that we could on our own. They also negotiate with insurance companies to assure that we get the coverage we pay for. Best of all, there is no cost to Blue Jay. They are paid as part of our settlement after the disaster. While we hope we will never need them, it is comforting to know they will be there to help out in case we do.

The state has pushed back the "website date" until January 1st, 2019. While we could have gone public on July 1st, we will be able to provide a better service to our homeowners if we have the fall to work with our partner at Resource to get the website looking better. We hope to have it up and ready shortly after Penny and I are back to our winter homes.

The Board will be conducting a budget workshop in August to begin the process of putting together the budget for the calendar year 2019. The date of the workshop is Monday, August 20th. It will be at the clubhouse at 2 PM. Mark your calendar and try to be there. We always appreciate your input.

If you need to speak to me, I can be reached at 401-659-0073, or at phyteach88@gmail.com. Stay Cool!

Roland

From The Social Club

Sally Ericson, Co-Chair

August!!????? What happened to June and July??!! Oh Yeah. Now I remember!

June 16th was another new party. A Saturday Evening “Gathering” (A.K.A. Happy Hour[s]) with yummys (A.K.A. hot and or cold appetizers). Our own “Music in the Park” played and again everyone danced ‘til well into the night. ... Then came Tony Ruvolo’s luscious luncheon on June 22nd.... The big birthday celebration, or known as July 4th Independence Day turned out to be idyllic. The Social Club provided the hot dogs and hamburgers and Master chefs Dimitrius Mavridis, Bernie Hallinan and Jim Renauld did the grilling. Attendees brought their best side dishes to go along with the entrée. Home made desserts finished off the meal. Our own “Music in the Park” again pleased us with great music inspiring everyone to, get up and go, and get out on that dance floor and burn up those extra calories..... Friday night July 6 premiered another new activity, Ballroom Dancing lessons. Peg McConnell led 18 persons in learning the Waltz and the Fox Trot. People were paired off for basic dance steps. The lessons and camaraderie were well received.July 8th was a very special added activity. The entire park was invited to share the joy and celebrate the marriage of Harry Krentz and Mary Jo Offutt. We all wish the happy couple the very best.....Another mid-summer affair took place on July 14th. Ron and Nancy Beardsley hosted a Summer Evening Dance Music provided by Bill Poast and Mary. Social Club opened this event up for families and friends of residents.....

And now we are up to August..... Coming up is Tony Ruvolo’s special luncheon on August 17th....August 25th Jackie Tripplett is hosting a Mexican theme dance with Ron and the Classics doing the music....Ole, Ole, Ole!!!!!!

Jumping a little ahead – September 3rd will be our usual “divine” Pot-Luck dinner. But more on that later.

All of you who are enjoying families and friends, or perhaps, doing some traveling, we want you to know we look forward to your return, and to include everyone in even more of all the fun things ”in the works”. So ‘til then,.....Be safe, be well, and see you soon.

Red Hat Mamas

Bonnie Preston, *Queen Mother*

Our monthly luncheon was held on June 21st. This luncheon was hosted by Carol Violette and Pat Serletic.

The fifteen Red Hatters that attended enjoyed the good Italian food and plenty of yummy salad & bread sticks. There were a few gals that also enjoyed what I think they called an “Italian Margarita” and WOW, what a drink that was!

I’m sure many of you have figured out the restaurant was Olive Garden. We have gone there quite a few times as Red Hat Mamas and when other residents here at Blue Jay hear about so many ladies with positive comments about the good food, good service, and also reasonable menu prices, you can be sure they will be trying Olive Garden if they haven’t yet!

We did our usual 50/50 drawing which was won by Ida Morris. There were lotto tickets won by Kathleen Hurley, Carolyn Johnson, Norva Bylsma, Gen Jones, Sue Conway, and Pat Serletic.

A special thanks to Carol & Pat for planning the luncheon & drawings. Please check the board in the clubhouse so you know what’s happening! 727-483-9955

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

ATTENTION

After 2 years of researching into new cart manufacturers, we have chosen to represent JH Global "Star Cars" line of new vehicles. They have a 14 year proven track record in manufacturing & customer service and all of their major electrical components are US made instead of imported.

Over the years we have seen numerous new carts come and go from the market, leaving customers hanging with useless warranties and no parts available.

The cost of dry cleaning around the world

Have you ever wondered how much dry-cleaning a suit costs around the world? Maybe not, but the online dry cleaning service Zipjet did, and it looked at 100 cities around the world to find the answer.

The most expensive city for dry cleaning a two- or three-piece suit is Oslo, Norway, where the cost is \$52.03 in U.S. dollars. The cheapest is Jakarta, Malaysia, at \$2.20. Chicago ranks 53rd, with a cost of \$12.72.

Russia is the biggest user of dry cleaning services, spending \$3,265,888,189 annually. The United States comes in second, at \$3,029,470,494, followed by Brazil in third place, at \$1,065,702,298. Of 10 countries surveyed, Canada spends the least—\$500,834,651.

If you're intrigued, you can check out more information at the study at <https://www.zipjet.co.uk/2018-global-dry-cleaning-index#USD>.

Discarded tech adds up

Chances are you've got a few old cell phones sitting around your house that you haven't used in years. A recent survey by Decluttr.com found that Americans have some \$33 billion worth of discarded technology lying around, with the average U.S. home hanging onto \$264 worth of unused tech. That includes:

- Almost 60 percent of U.S. homes with more than two unused cell phones (Apple and Samsung, mostly).

- Thirty percent of people who say they keep their old phones for backup, and 30 percent who don't want to risk losing control of their personal information.
- Other devices, such as cameras (40 percent), PCs (25 percent), consoles (10 percent), and iPods, tablets and more (10 percent).

Computers are better than we are at arithmetic, not because computers are so good at it, but because we are so bad at it.
