From the Board of Directors

Penny Gilray President

There will be 2 openings for Board of Director positions coming up in February. Please consider running. It is imperative that we have a full Board to conduct the business of the Association. We need a mix of full time and part time residents to share the load. Nomination information will be sent to each homeowner in December at the address currently on file with the Association.

A reminder - if you are returning from up north for the season, please ensure you have put in a change of address in the box in the clubhouse.

We continue to get complaints about speeders in the park. **Most of the offenders are residents.** The speed limit is 15 mph – a reasonable speed for safety. At this time of year we have visitors and children in the park, not to mention folks who are not as fast as they used to be. **PLEASE** obey the speed limit and stay to the right side of the road!! If complaints continue we may be forced to put in speed bumps to slow the traffic.

Good news!! We have been accepted for the state funded Tie-Down Program. This program is FREE and provides for enhanced windstorm tie-downs for manufactured homes. 210 of our homes are eligible for the program and we need a minimum of 126 homeowners to participate. Each homeowner will have to provide a signed authorization to proceed and a sign off for skirting requirements. Forms are available in the clubhouse and can be put into the clubhouse mail box. For additional information you can contact a member of the Board.

We are fortunate to have storage space for our RVs and boats. If you have an assigned space it is your responsibility to keep the grass and weeds under control. There is a lawn mower and weed wacker in the shed at the lot that can be used to keep your space cleared.

A special nod to all the wonderful volunteers we have in our community. Thank you for doing your part to keep our costs down and our park looking great!!!

The next Board of Directors meeting will be held on Tuesday January 19, 2016 at 7pm in the clubhouse. Please plan to attend.

On behalf of the Board of Directors, we want to wish you a Merry Christmas and a Healthy and Peaceful 2016.

Happy Holidays!

From the Social Club

Paulette Derr, Chairperson

Welcome back to Blue Jay all who have returned from the cool northern states to bask in and enjoy the warm Florida sunshine. It's good to have you all back.

I forgot to mention in last month's report that Deputy Skipper was at our Wednesday morning meeting October 30, 2015. He picked up unused medications from the residents and talked about security, fraud and unauthorized people soliciting in the park. We also had Anna Marie Millett from the Pinellas County Consumer Protection Bureau at our October 28 Social Club meeting to talk to us about identity theft, credit card offers, telemarketing calls, etc. She had several brochures available with phone numbers to call when you need help with any of the above.

The Halloween Dance was held Saturday, October 31, 2015 and was hosted by Bud and Elaine Fox. They always do a great job hosting this event and there was a great turn out this year with many people wearing costumes. Three cash prizes were given out and the lucky winners were: 1st prize to Bob and Ronnie Beetle; 2nd prize to Bud Fox and 3rd prize went to Rich and Cindy Williams. ...Joe Montione always takes pictures of the different tables of people at each dance to post in the frame up front. This year there were so many in costumes that those individual pictures took up all the space in the frame. Make sure you check out the pictures 'cause it's always neat to see what outfits people came up with.

I wish all of you a very Merry Christmas and a healthy and happy New Year. ..Have a safe trip home for the holidays and a safe trip back to Blue Jay.

Another Treasures & More Success!

Joan Addington, Chairperson and Co-ordinator

My sincere gratitude goes out to all of the wonderful volunteers who again made our annual Treasure and More Sale such a great success. This year we added another day to unload and set up. This allowed us more time to make more appealing and pleasant displays. Great job, everyone!! I must also thank those who help throughout the year with the cleaning, pricing, packing and storing. Of course I can't forget to thank the Board of Directors, and the Social Club for approving and graciously paying for an additional trailer. It was greatly needed and deeply appreciated.Thank you for all your support and cooperation!

Red Hat Mamas

Paulette Derr, Queen Mother

Eighteen of our Red Hat Mamas went to Ivory in Dunedin on Thursday, October 15, 2015 for the monthly luncheon. The usual 50/50 was held and it was decided by all that the money paid out would be divided into two so there were two winners. A \$5.00 gift certificate was purchased by the Red Hats and raffled off, but unfortunately, I do not remember who won the 50/50 or the gift certificate. Guess it was not a good day for yours truly?!

We have thirty four red hatters signed up for the show at Ruth Eckerd Hall in February. I had reserved thirty seats and was lucky to get five more tickets which means there's one more ticket to sell as of this date. There are quite a few who did not mark what kind of sandwich they want for their box lunch, but there's time to get that settled.

We are also going to the Early Bird Dinner Theater January 28, 2016 and if you haven't already done so, please sign up, make your check (NO CASH), payable to me and make sure I get it by January 5, 2016.

Don't forget, we are going to Daddy's Grill on December 10, 2015 for our Christmas luncheon. We will come back to the clubhouse to hold our 50/50 raffle, exchange our gifts and have a little treat. Each of us purchases a \$10.00 gift to be wrapped or put into a gift bag – no names on gifts – and we play a game to exchange the gifts...I expect everyone to wear a red hat or something festive in their hair for this luncheon.

Merry Christmas to all!!

Toys For Tots

Duane & Mavis Buckholz

Now it is time to get serious about your contribution to Toys for Tots. Saturday December 5, 2015, is the date of the presentation of toys to the Marine Corp Reserve and dinner to be held in the clubhouse. Penny & Lenny Gilray are preparing a delicious dinner for those attending. The Marine representative will be here to receive the gifts from our Blue Jay gift-givers...

All unwrapped new toys will be accepted at the clubhouse or, at Unit #111 by noon December 5, 2015. Checks or cash will be accepted as well. Checks should be made out to Toys for Tots. Please be as generous with your gifts as you have in the past.

So come and enjoy a great evening at the clubhouse with food and friends. Get in the holiday spirit!

DO YOU EVER WONDER

Do you ever wonder how some things got started here in Blue Jay? The one program that I hold dear to my heart is the Bereavement Committee. I have to go back in my memory to 1983 for this article. There were residents in # 49 Harold and Alice Kent, they came from Illinois and were very good friends of Will and Helen Meiner in # 144 who also came from Illinois. One day Harold was on his way to a bank on Tampa Road, he had an accident, he pulled out in front of a cement truck and was killed instantly. Harold and Alice had nine children and of course they all wanted to be with their Mother in this time of such a tragedy. They were scattered all over the United States, some were married and had children. There were nieces and nephews that were close to Alice and Harold and wanted to be here. Needless to say Alice's house was not big enough to accommodate everyone. The residents of Blue Jay offered places in their homes for people to stay. Alice and her family planned a funeral for Harold. What would she do for food for all of them. I was president of the social club at the time. (we were president, vice president, secretary and treasurer back in those days). Helen Meiner came to the officers and ask what we could do to help. We got together and planned food for the family, with phone calls and going door to door we asked the residents if they would help by donating some food. Of course, everyone said "yes" and the clubhouse was used for the luncheon for Alice, her family and residents of Blue Jay.

Soon after that we were called upon again. Raphael and Germaine Dunigan who lived in #131, they came from Michigan and were retired from GM. Raphael had a heart attack and did not survive. We again provided food for a luncheon for Germaine, family and friends. There were others that followed and the same thing was done for anyone who wanted a luncheon.

Sev and Angie Galati had moved into #194 and Angie said there has got to be a better way to do these luncheons. Angie came up with the idea of residents having individual garage sales or carport sales, but permission had to come from the Board of Directors to do this. After a lot of discussion and rules set down the clubhouse would be used for the sale of goods that residents wanted to sell. Angie took charge, rented tables, had a bake table, kitchen for food and any items left from the white elephant sale and craft sale that was from the November bazaar were also sold. All profits going to the fund set up for luncheons. Thus our Bereavement Fund came about and is now part of the Blue Jay Social Club budget.....Just another part of Blue Jay History!

TO: BLUE JAY ESTATES NEWSLETTER
SUBJECT: CORRECTION:
CHRISTMAS CARD CAMPAIGN FOR OUR MILITARY SERVICE
MEN AND WOMEN
FROM: MARLENE M. STOCK AND THE BLUE JAY ESTATES SOCIAL CLUB

In our November, 2015, newsletter I indicated that we had 15 Military Service Men and Women with ties to our community currently serving in the military. Please note that number has decreased to 10 with one husband and wife serving.

So now we only need each household to sign a packet of 9 Christmas cards along with a message of encouragement. (One card for each service member and one card for the couple serving.) Drop off the packets to me at #126 and I will enclose a cover letter from us and send them off to each Service Member. We would like to have the packets by Monday, December 7th, 2015, to allow time for the cards to reach our service people by Christmas as it takes the mail awhile to reach them. The postage and supplies for this project are provided by the Blue Jay Estates Social Club.

Please let us demonstrate our appreciation for the Military Service Men and Women who sacrifice so much. The military service men and women are now deployed more often and are gone longer due to the cut back in our military. The least we can do is remember and support them at Christmas time.

NEA: Fewer Americans enjoy the arts in person

When was the last time you went to the symphony, the ballet, or a museum? A National Endowment for the Arts study points to a disturbing trend: The number of Americans attending core arts events like the opera, the theater, and other activities is on the decline.

According to “A Decade of Arts Engagement: Findings From the Survey of Public Participation in the Arts, 2002–2012,” only 33.4 percent of U.S. adults attended any arts events between July 2011 and July 2012—down from 34.6 percent in 2008, and down yet again from a decade earlier when the figure was 39.4 percent.

One bright spot in the report: Although only a third of U.S. adults attended a cultural event in person, 71 percent said they had watched, listened to, or downloaded some kind of artistic event via the Internet. That includes streaming pop music, however, lumping Beethoven in with Nicki Minaj.

Americans upbeat about science

Despite controversies and disagreements about climate change, genetically modified foods, animal testing, and other scientific issues, most U.S. citizens have a positive view of science and scientists, according to a study from the Pew Research Center.

The study found that 79 percent of U.S. adults believe science has made their lives better, and a majority of them have a positive view of science’s impact on such matters as food quality, health care, and the environment. Additionally, 61 percent believe that government investment is essential to scientific progress, although 34 percent say that private investment would be sufficient.

The effort to understand the universe is one of the very few things that lifts human life a little above the level of farce, and gives it some of the grace of tragedy.
