President's Corner

Don Fitzsimmons

Hello to All,

My oh My, this will be the last newsletter before we all fly away to our northern homes for the next six months or so. Time sure flies when we are having so much fun.

It has been a very good winter season here in Boca Ciega and the Social Club is to be commended for such a fine job they do in providing all the programs and activities for the park. A big "Thank You".

The park is looking great and the park is progressing smoothly in its operation. We still wait endlessly for SWFTMUD to do their thing. I sure am glad they are not my physician for emergency health treatment. Hopefully within the next month or two we will get their okay and can proceed. In the meantime if you see any mosquitoes in or near the ditch, let the office know and we will have county out for spray treatment. That is the only remedy I know for the insects at this time but we need for you all living on the ditch to be our eyes and report to office immediately on seeing any mosquitoes.

Another bit of help is needed. You all see the "meat" truck in the park from time to time. Upon seeing it please each of us go to them, tell them there is no soliciting in the park and if they don't leave immediately the sheriff will be called. This we need for each of you to do to get this particular solicitor to stay out of our park. Your preventive intervention would be most greatly appreciated.

The Love's and O'Connor's have sold their units and will not be with us in the future. We do say to both of them you have been such a welcoming part of our community while you were here and we wish you both Godspeed in your future. You will certainly be missed here. We welcome the Bulmer's and the Cieminski's into the park and look forward for their getting involved in our community.

Well, until next month we wish you good health, good travels home and a great time being home but await your return in the fall.

Since 1978

Easter.....Apr. 5/15

To All Our Boca Ciega Friends and Neighbors

June Andrews

Lyle and I want to thank everyone for the get well cards and prayers while Lyle has been in the hospital and at rehab. The concern of all has been very comforting to us. Lyle is back at the Largo Medical Center as of Thursday evening, Mar. 12th. He will return to Palm Garden of Largo Rehab Center after his discharge from Largo Hospital.

Social Committee Tidbits

Ingrid Eby

The Social Club met March 9th and we were treated to a delicious pot luck dinner. The food is always so good and such a variety of dishes. We had a special treat with former residents Jo and Jerry Lewis in attendance. They were thrilled to be back in the park and many people remembered them. It was great to see them once again.

Nominations were held for officers of the Social Club. The standing officers were nominated again and accepted. Your officers are Don Boccinfuso Chairperson, Santo Amenta 1st. Chair, Carol Persons 2nd Chair, Dennis Eby Treasurer and Ingrid Eby Secretary.

All of the events in the park are up and running. Good participation by everyone in the park keeps these activities going.

- Blood pressure is now the 1st Tuesday from 10:00 to 11:30.'
- Early Bird Dinner was at Harold Seltzers on Thursday March 19th.
- Julie Kent doesn't need any more egg cartons for the library.
- Line Dancing concluded at end of March for the season.

The quilt, painting and Swedish embroidery show was held on the 21st during Coffee Klach. All was welcome to see the talent in our park. The St. Paddy's dance was held on Mar. 11/15.

New Business:

Dan Spitzley asked for people to inform him when they see eggs on sale. The price of eggs is a factor in the profit for pancake breakfast.

The dance on the 22nd was a farewell dance for the Love's and the O'Connor's.

The End of the Year Party was held March 28th.

If you have a computer you are encouraged to get the letter on line and this saves the club a lot of money.

News and Notes:

There has been a lot of sickness in the park. This has been a very strange year. So many people have been sick I can't even list them because for sure I would miss someone. It is too bad we can't have the park sprayed for germs like we do for bugs.

I do know that Lyle Andrews has been in the hospital, then to re-hab, and then back in the hospital. He had to have back surgery and will be going back to re-hab soon, Our prayers and well wishes go out to Lyle.

We send prayers out to all who have been or who still are sick.

We also send prayers out to those who have had to return North early for various reasons.

Girls Night Out

Shirley Mann

On Sunday Feb. 15th, my friend and I went to Ruth Eckerd Hall to listen to the Florida Orchestra, they played Nat King Cole music. It was a wonderful and unforgettable evening of music.

But it ended with a big kaboom, down went my friend, down went me, then we dragged the lady behind down with us, quite a chain reaction. Fortunately for everyone involved, there was no casualties, BUT WHAT A GRAND ENDING.

Pizza & Beer Casino Night

On Feb. 22nd, our annual volunteer appreciation night was attended by 154 people. The night was a success again, the beer was flowing and enough pizza for everyone to enjoy. And as the saying goes "It Takes a Village to Make Things Happen".

The hosts - Bonny & Bob Nemecek, Pat & Ken Nemecek and Roz & Brian Bogo, would like to thank the wonderful group of volunteers that worked with us to make the night what it was.

The Ladies at door - Donna Tosh & Mary Stroble, The Assistant Bartenders - Will Tosh & Mark VanDenhouten, Mable VanDenhouten for setting of the tables, The Wheelers - Lucy & Don Bocco, Lore & Rob Bocco, & Patty & Dave Williams, and The Blackjack Dealers - Pearl & Bud Davis, Fran & Tony DiSpirto & Ingrid & Dennis Eby.

New Orleans Trip

Ingrid Eby

New Orleans - The Big Easy - another city that never sleeps. The city is a dichotomy of extremes - the sublime to the ridiculous - elegance to decadence with not much in between. Loud music everywhere you go and many restaurants to enjoy their cuisine.

After a quite comfortable bus ride thirty three hardy souls arrived at our hotel and were ready to party. After dropping off the baggage we were off to a night on Bourbon Street. What a street it was. We heard music everywhere, coming out of bars and restaurants, on various corners, and in the middle of the street. Quite a cacophony of sounds. I think all of us agreed the two little boys, who I guessed to be nice and eleven that were playing on five gallon pails impressed us the most.

The next morning we were entertained by Dave our New Orleans tour guide for a three hour tour. Yes, we did return -- not like Gilligan and the Minnow. Dave gave us so much information about New Orleans and we all wished we could remember even half of it. Louisiana is made up of many cultures and because of the diversity has many traditions that are celebrated each year. Mardi Gras is of course the most famous. We saw many remnants of the celebration that had recently taken place. Along the way we had our group picture taken in Louis Armstrong Park in front of his stature. Dave also told us his story surviving Hurricane Katrina. His family evacuated to various places to out run the storm and when they could finally return they found they had lost everything. It took them thirty three months before they were back in a house.

At the conclusion of the guided tour we were dropped off at the French Market. Of course, the ladies had to check out all the various "trash and trinket" shops. Some of us enjoyed the local cuisine, muffalettas - a delicious sandwich, gumbo and jambalaya were some of the choices. A must in New Orleans is a beignet which is a pastry covered with powdered sugar and the most famous place to have one is the Cafe Dumonde. DELICIOUS!

Tuesday morning was free time to explore some of the favorite sights along the guided tour. Some took a walking tour of the various New Orleans homes. Others went to the Katrina and Mardi Gras Museum and the World War II Museum. Still others took the trolley from one end to the other. After lunch most of us met up for the Natchez Paddle boat ride. This took us for a two hour tour on the Mississippi and it really is the "muddy" Mississippi. We learned that the Mississippi is the third longest river in the world after the Amazon and the Nile. The Port of New Orleans is one of the busiest ports in America and the river is constantly being dredged because of all the mud that comes in from many states and Canada. It was a very relaxing ride and you will have to ask all the guys on the trip about the extra entertainment we saw on the shore.

Our last night in the Big Easy was a side trip to Frenchmen Street. This was an off the

beaten path area of local musicians. We all ended up at Bamboula's establishment for food, liquid refreshment and entertainment. The food was good, the Margaritas were great and the three piece group who sang and played instruments were excellent. A great time was had by all and as we made our way to the bus more entertainment by street performers.

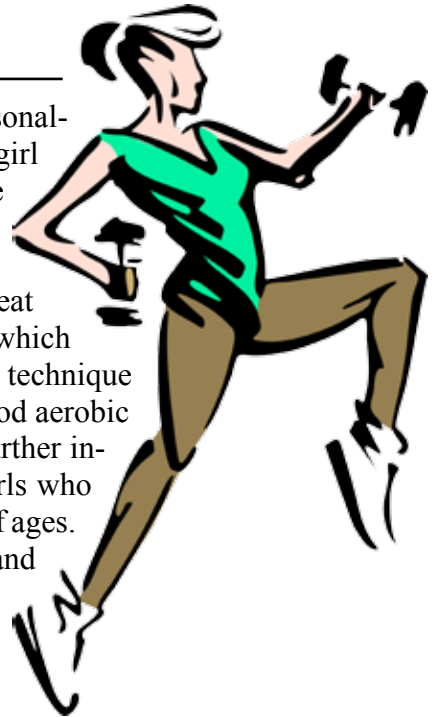

Wednesday morning we were on our way by 7:30. Our first comfort stop was at the U.S.S. Alabama. Everyone had a chance to see the ship and the surrounding memorials to WW II and the Viet Nam War. It gave everyone something to ponder and feel very thankful to all the men and women who serve.

Back on the bus we watched movies and heard a very funny comedian. All of us were just about rolling in the aisle. We turned onto Ulmerton and soon said good bye to our new friends from Midway Park. We enjoyed meeting all of them and hope they will join us again on another trip. We cheered as we rolled into Boca Ciega. It was a good time and we all have many memories.

You Can Do It

Mary Gilmore

This season our exercise program has evolved into a personalized program for each woman who participates. Each girl knows that she is the one who challenges herself. The program that we are using is by Leslie Sansone; it is a three mile walking program; the steps involved include kicks, knee lifts and lateral moves or a grapevine step. We move to the beat of familiar popular music. We are now incorporating HIITS which stands for high intensity interval training. This is an exercise technique that is now popular with trainers for helping people get a good aerobic workout. Some of the girls have chosen to use weights to further intensify their workout. I have never asked the ages of the girls who participate in the morning, but I know that it is a wide range of ages. I am proud of the women who have grown with the program and have made the program one that is right for them. We meet each Tuesday, Wednesday, and Thursday at 8:30AM in our hall and we welcome all to join us whether you live in the park or are just visiting for a while.

A Poem of Love

Submitted by Frank Aquino

The Best Love

Show me a smile, my love ...
do me a caress, maybe it's better that a caress a smile
better than a kiss caress
hundred kisses better than a kiss
better a love poem that hundred kisses
better to make love to a love poem
love you better than making love
better to marry than to love you and that's it
best love for life that only marry
better cross the life that love you for life
percent better love lives still love you more than life
better stop time and love you at this moment,
in an eternal present, who still lives percent
better to get rid of the time and fly away, in another galaxy,
that stop time and love you at this moment,
better just stay good here, in silence, watching the night,
to get rid of the time and fly away,
in another galaxy.
better ... better ...
I'd better do this smile, my love.
based on the book " For the love you have to us the passion "

St. Patrick's Day Dance

Debbie McQueston

The St. Patrick's Day Dance at Boca Ciega had everyone wearing green and thinking they were Irish for the evening. It was a very successful dance with good food, great prizes for spot dances and door prizes (Irish Cream, Irish beer and wine) nice music and wonderful company! We even had a visit from one of the "wee folk" - a leprechaun aka. Bill Davis. Thank you to the hall decorating crew who did a wonderful job helping to make us feel like we were in Ireland. Many thanks also to the St. Patrick's Day Dance organizing committee consisting of Judy & Santo Amenta, Bill & Diana Johnstone, Peggy & Dan Reid and Deb & Gary McQueston. A good time was had by all! May the 'Luck of the Irish' be with you always!
