**H**ello to All,  
Wow, another month gone already. Where does the time go? My Mother used to say, "The older you get the faster time flies." How true that is.

The park is looking very good. Everyone is doing a nice job around their units and with each doing their part we will remain a beautiful park.

The ditch remains an enigma. Now we find the engineer who last handled the permitting has been transferred and the new engineer knows nothing about our problem so we have him working diligently getting the dilemma solved. Government red tape! Ugh!

New LED lighting has been installed in the clubhouse and they sure are an improvement from the old fixtures and are much appreciated by all who use the clubhouse. Fine job fellows. Your volunteerism in all phases of operation of the park is extremely appreciated. Thanks!!!!

**Nothing more for now, so stay healthy and enjoy each future day with celebration and love.**

## Social Committee Tidbits

Ingrid Eby

---

The Social Club met February 8th after a delicious potluck dinner. This dinner had a Valentines theme and everyone was dressed in red and had their pictures taken with their favorite Valentine. There were over 100 people and we were very happy to see Jo and Jerry Lewis who were visiting, along with Dotti Lokanc who was well enough to come to dinner. Elda Fitzsimmons is home from re-hab and it was great seeing her back in the park. It was great having June Andrews and her daughter Lori at the dinner along with JoAnn Taylor. So good seeing everyone who was there.

The meeting was called to order and the various events were discussed.

The Garage Sale was another huge success with a net profit of \$3,395.25. This money will go a long way to make our events less costly for the residents. People are asked to place large items for next year’s sale in the shed behind the Club House.

There are volunteers needed for Coffee Klatch on Saturday mornings for the month of March. Please sign up so we can continue this event.

There is a new member of the recycle team. Bob Bulmer has agreed to help with the crushing of the cans that are returned for money for the Social Club. We also thanked Rob Boccinfuso for taking over for Jim Norton while he was back in Canada.

Shuffle board is going well and there is always a need for subs on Tuesday morning. Drop by and see if you can fill in and have a fun morning. The shuffle board banquet is set for March 22nd, this will begin at 9:00 a.m. for the final tournament for the year.

The Italian night is set for February 13th and you may purchase tickets from Don or Lucy Boccinfuso.

There will be a work shop in March for the upcoming events and calendar planning. Bring your ideas for new activities and think about volunteering.

Elections of Board Members took place. The existing Board was unanimously re-elected.

### New Business:

We are always looking for suggestions for new activities. Volunteers are always needed to help with activities. If you are not sure about running an activity, just ask and someone will help you learn the ropes. April 4th Santo Amenta is looking to have a group go to Raymond

James Stadium for a baseball game. We are hoping to get a group rate. See Santa if you are interested.

Easter Dinner will be held on March 28th. There will be a sign-up sheet for people to volunteer to help. This dinner will be run the same as the Christmas dinner which worked out quite well.

A florist in the area has volunteered to give a flower arranging class at the Club House. The cost would be \$20.00 and you would take your arrangement home. We need 15 people to make this happen. See Carol Persons if you are interested.

If you loved the luminaries that were in front of each coach on Christmas Eve you might want to think about volunteering to do this project next Christmas. It involves getting people to save their milk jugs, cutting them out and placing them in front of the coaches. It looks so pretty and we hope someone will step up and make this happen again.

A thank you was extended to Joyce and Roger Mrozinsky for heading up the Coffee Hour on Saturday for many years. This has been a tradition since 1971 and we greatly appreciate all the people who make this happen.

Mary Finke will take over for Joyce and Roger next fall. Thanks Mary for volunteering.

### **News and Notes**

I am happy to announce that Roz Bogoslawski has finished her chemo and is feeling very good. Prayers are still going out for her and her continued recovery.

Marianne Schwamberger had major surgery and we are praying for her healing and recovery. She is still in the hospital but hoping to come home soon.

Ida Maurice is back in the park and recovering from their car accident. It is a slow process and we pray for her to get strong and be back at the activities once again.

Pat and Ralph Cornelius should be back in the park February 16th. We look forward to seeing them again.

John Anderegg was in the hospital for a brief stay and we wish him well.

Doris Brookhard has recovered from her bout with pneumonia. Great praise report.

If I missed anyone please know that it is not intentional, but just an over sight. I am not infallible.

Great news for Debbie and Whitey Hughes. Whitey's cancer has been removed and he won't have to return to Ohio for more procedures. Another praise report.

Until next time stay well and be happy.

## Dinner Theater Wrap Up

---

Seventy theater goers arrived at Ed Fletchers Early Bird Dinner Theater expecting a delightful evening. As usual we were seated in the front row with a few tables in the second row. Everyone had a good view of the stage.

Soon we were invited to go up and partake of the salad bar. There were many people but the serving moved along. The next course, consisted of five entrees and various sides. Our meal concluded with a delicious dessert that many of us wished we could get the recipe. As we finished our meal it was time to turn our chairs and settle ourselves to enjoy the performance.

The play took place in Niagara Falls, Canada which made all of our Canadian friends feel right at home. It was opening night for a new restaurant and everything went wrong. The famous chef didn't arrive, gangsters were shipping illegal booze out of the basement, a hot blooded immigration officer was on the trail of the chef and a tee totaling Mountie was looking for all kinds of law breakers. The slap stick comedy offered many laughs and one liners to completely entertain everyone.

There haven't been any negative comments and people have asked me if we are booked for next year. It looks like this will be an annual event.

## To All My Wonderful Boca Ciega Friends and Neighbors

---

It is with sincere gratitude that I thank everyone for their prayers, cards, calls, goodies and concerns during my hospitalization for pneumonia and my recovery at home.

I am blessed to live in Boca Ciega Mobile Home Park..."THE FRIENDLY PARK'

My heartfelt thanks to ALL .....Doris Brookhart

We would like to thank everyone for their prayers, cards and concern.

We are slowly getting better.....Ida & Noel Maurice

A sincere Thank You to all my Boca Ciega friends and neighbors for the sympathy cards and personalized notes remembering Lyle. They were very comforting to me, and my children enjoyed reading the cards as well.

My Boca Ciega "family" has been so supportive during this past year.....June Andrews

## January Potluck 2016

Maud Davis

Our first Potluck of 2016. I would like to thank Tom and Susan Logan for coming forward and asking to help out so they would be able to run a Potluck at some point in time.

A big Thank You to our hosts Ann Martin, Bud and Pearl Davis, Tom **POTLUCK DINNER** and Susan Logan and Bill and I.

We had a great turnout of 93 guests. It goes without saying our choices of dishes just get better and better, also there is such a variety of everything. I was standing at the counter, I heard the comment from some new comers. "Oh my this is the Best Buffet I have ever seen" "How nice is that.

So a big Thanks goes out to all the residents that participate and make our potluck so successful. We will be glad to help anyone who is interested in doing a Potluck just let me know. So again thanks to everyone on our team, everyone who participated and of course all the help we get to clean up.

We had a short Social Club meeting afterwards which was very well attended.

Thanks to all .... See you next month.

## Golf Gods Strike Again

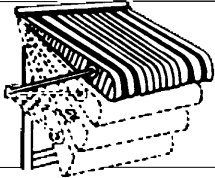

### Congrats to Karen Hopkins

Feb. 1, 2016, Karen Hopkins became the 2nd Lady Golfer to register a Hole-In-One.

I was playing at Pinecrest, like we do every Monday (weather permitting). My foursome was Dart, Pearl, Diana & Karen Hopkins. The other foursome was Mary Gilmore, Mary Ross, Yogi & Pat. The world shaking event happened on the first hole. The distance was 101 yds. I used an old nine hybrid that I had bought at the Wagon Wheel Flea Market some time ago. Incidentally, I was told that it really wasn't a very good club & should think about taking it out of my bag, by the guy at Blue Collar Golf, on Seminole Rd. When I hit it, everything worked & it looked beautiful. Diana said "It's in the cup!" Because of the cataract growing in my right eye, I don't see as well far away. I thought it had rolled across the green & gone off the back. So, when we got to the green, I was hopelessly looking for my ball off the back of the green, when Diana walked to the cup & pulled out my ball, saying "I told you it went in". I was flabbergasted. What a fluke. As tradition calls for, I bought the beer when we went to the clubhouse for lunch. Glad to do it. I've joined your elite club, Roz.

## February Potluck 2016

*Maud Davis*

---

With the Valentine theme for our Feb. potluck what a Great job the team did. Santo and Judy Amenta, Gary and Debbie McQueston, Glen and Heidi Groff, Bill and Julie Kent and Diana and Bill.

As we gathered in the hall Judy came around and got everyone's picture which she will post on the Bulletin board in the hall. Then, next week everyone can take their picture. Great job Judy!

Then as each table number was called they were asked to sing a line or two of a romantic song. What fun that was and everyone was such a good sport. There certainly was a lot of planning and work put into this event. We had 100 guests attend so all the hard work was enjoyed by many.

The food seems to get more plentiful each month, so many choices, and of course the desert table, goes without saying, excellent. With all of these fabulous chefs in our Park, I'm thinking maybe this is one of the criteria on the back ground check when coming to the park or are we just very fortunate to have these talented neighbours.

After dinner we had a Social Club meeting. There was a vote for the committee, but our existing committee was gracious enough to continue on for another year. You do such a great job and thanks for continuing to run for another year.

We do have the March Potluck looked after and we will probably not have a potluck in April, as we are having Easter Dinner at the end of March.

I'm hoping that we will have some new comers sign up to do a potluck in the future and don't forget there are lots of people to help any one new that would like to give it a try, just let me know.

Until next month keep well.

# Boca Ciega Social Derby

Carol Persons

**O**n February 6, 2016 we held our “Seventh Annual Boca Ciega Social Derby” (horse races”) and we believe it was a huge success. We ran 9 races with horses with names such as “Italian Stallion” whose jockey was J. Valore, and “Gay Gordon” whose jockey was H. Webster. You’ll notice we used the names of some of our park residents to add a little levity.

The races were hosted by Bill and Maud Davis, Bud and Pearl Davis, Dennis and Ingrid Eby and Butch and Carol Persons, with special assistance from John Tirschman in moving the horses and from Ann Martin who so graciously kept the popcorn popped, the snack bowls filled and the soft drinks flowing. Friends and relatives from outside the park were also welcome. The doors opened at 6:00 pm and the races ran from 7-9:30 pm. There was a one-time entry fee of \$5.00 and everyone started out with 1,000 points to bet with. The bonus dice came up 5 times so everyone received 10,000 extra bonus points during the races so they could increase their bets.

We sold 105 tickets and \$525.00 was paid out in cash prizes at the end of the evening. We had nine \$10.00 door prizes which were drawn while the staff was tallying up the winning scores and we had 37 prizes going to the highest winners so there were a lot of chances to win. In addition to that we had thirteen \$10 winners in the 50/50 drawing. Some people were lucky enough to win twice while others were not so lucky but even if you were not lucky enough to win a prize we hope you had a good time and feel you got your money’s worth in snacks and entertainment.

Looking forward to seeing you again next year. Tally ho!

## Going the store? Why leave the house?

Shopping online has exploded in recent years. One example: A survey conducted by 72 Point Inc. and commissioned by Door to Door Organics, an online organic grocer, found that shoppers increased their online grocery purchases by an average of 29 percent in the past year, and those shoppers do about 19 percent of their weekly grocery shopping via the Internet.

## Extra sleep may not lead to longer life

Most of us look forward to sleeping late on the weekend. After a hard week of work, we deserve a few extra hours, right? But a study from the Journal of Clinical Endocrinology & Metabolism suggests that sleeping in may contribute to a higher risk of diabetes and heart disease.

Researchers tracked more than men and women age 30-54, using devices that recorded their movement to determine when they fell asleep and woke up for a one-week period. Close to 85 percent went to bed later and got up later on their days off from work, and those people tended to experience lower levels of HDL cholesterol (the good kind) along with higher triglycerides, greater resistance to insulin, and a higher body mass index, even after controlling for factors like physical activity, calorie consumption, and alcohol use.

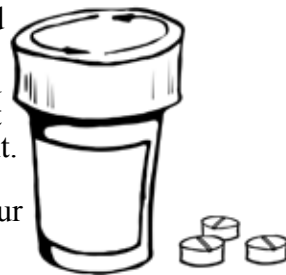

The implications are clear: Maintaining a consistent sleep schedule, even on weekends, is better for everyone's long-term health.

## Aspirin prevents skin cancer?

Aspirin is known to cure our aches and pains and improve heart health. It may also be useful in preventing certain kinds of skin cancer, according to an article on the Discover magazine website.

Non-steroidal anti-inflammatory drugs (NSAIDs) like aspirin and ibuprofen are already known to help prevent cancers in the colon, lungs, prostate, and breasts. A meta-analysis of studies, some previously unavailable to researchers, turned up evidence that non-aspirin NSAIDs can reduce the risk of developing squamous cell carcinoma by 15 percent, and that when aspirin is added to the mix, the risk drops to 18 percent. NSAIDs are known to inhibit COX-2, an enzyme produced by skin cells in response to ultraviolet light.

Talk to your dermatologist about aspirin, and otherwise limit your exposure to UV light to stay safe from skin cancer all year round.

## Keep the speed up when you walk

A brisk walk is good for your health, especially as you grow older. A study reported on the LiveScience website found that older adults who maintain a speed of 3 miles per hour when they walk have a 50 percent lower risk of heart disease than people with a pace of two miles per hour or slower. And folks who walk an average of seven blocks a day have a 47 percent lower chance of developing heart disease than those whose walks add up to just five blocks a day or less. So put your shoes on and get walking.

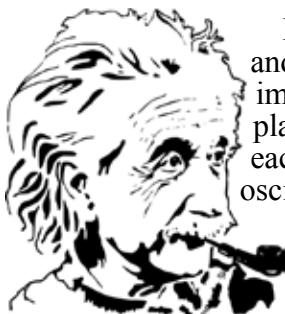

## Help your brain stay healthy

Feeding and stimulating your brain well can keep it healthy throughout your life. The American Academy of Family Physicians offers these tips for keeping your mind in tip-top shape:

- Eat a healthy diet. Choose nutritious foods like antioxidant-rich vegetables, fruits, and whole grains, and omega-3 fatty acids, and cut out saturated fats. Avoid fad diets that offer only short-term results.
- Watch your weight. Maintain a healthy weight and pay attention to your blood pressure, cholesterol, and blood sugar, which are all associated with an increased risk of dementia.
- Exercise your brain. Keep learning new things all the time. Puzzles and games that stretch your mind can help you maintain good brain health. So can staying active socially, so keep up your friendships and strive to meet new people.

## Mission to gravity: Space probe searches for waves

A European space probe will try to confirm a theory about gravity developed by Albert Einstein, according to the Reuters website. Launched late last year, the LISA (Laser Interferometer Space Antenna) Pathfinder will assume an orbit between the Earth and our sun, collecting data about gravity waves.

Einstein predicted the existence of ripples of gravity that bend space and time some 100 years ago, but finding those ripples on Earth has been impossible. The space-based experiment will monitor two cubes of a gold-platinum alloy to determine whether they maintain their distance from each other in free fall. The results will allow scientists to observe minute oscillations caused by gravity waves.
