## President's Corner

*Don Boccanfuso*

**A**s you all read this it will be May and the park is pretty much empty of us northerners. The budget was approved and new coupon books are printed.

The board met with Lance our tree trimmer and we came to an agreement to completely deboot them, which will make for a more attractive tree and a much cleaner park, in the past we just took of the loose ones.

We signed a contract with Kimley-Horn Engineering to oversee our swale project, this should put us on the right track to finally get it completed.

On a sad note, we lost one of our park resident Dick Cieminski, he was always a happy face that I enjoyed many conversations with. Our hearts go out to Joan his wife. He will be deeply missed.

In closing we leave our park in the good hands of our permanent residents.

## 2017 Social Calendar

### Social Committee Tidbits

Ingrid Eby

---

**W**ow it's April. Where has the season gone? It just seemed like yesterday when all the Snow Birds were arriving and now we are saying Good by until Fall. We pack a lot into the three months when everyone is here and it just seems to fly by.

The Club House is now decorated for Easter and looks lovely. Everyone is awaiting the Easter dinner which will be put on by Maud and Bill Davis and Ann Martin. We always look forward to the dinners because they are always so good. It is great having the fellowship of our fellow neighbors. Even though there aren't too many left, it will be a good time.

Research was done for the purchase of a grille for the Club House and after looking at many different styles one was selected. The grille was bought at Lowe's and it came assembled and delivered. The total cost out the door was \$869.00. Bob Bummer volunteered to go along with the buyers so we could get a Veteran's discount. The grille was delivered on April 6th and is now stored in the pantry at the Club House.

The weather is beautiful now and we are hoping it won't get too hot too quickly. "We desperately could use some rain. A few brush fires have broken out causing major traffic tie ups.

The last Board Meeting will be held April 18th and then many of the board members will be heading home. News from that meeting will be in the Presidents article.

*...continued on page 10*

## News and Notes

Sad news to report again this month. Dick Cieminski (husband of Joan) passed away on April 8th. Dick had been recovering from a stroke. We extend our sincere sympathy to Joan and ask God to keep her in His care.

On a happier note, Tony DiSpirito is coming along. He is done with his radiation treatments, but is continuing with chemo. We pray these procedures are doing their job.

Elda Fitzsimmons is still in the Rehab facility and getting stronger. We pray that she will soon be strong enough to fly back to Ohio for the summer.

*I don't let old age bother me. There are three signs of old age. Loss of memory.... I forget the other two. Red Skelton*

*As always stay healthy and be safe.*

## Resident of the Month

May 2017

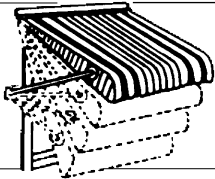

This month's featured resident is Dan Spitzley. Dan and Kathy were married in 1963 and hail from the State of Michigan where he worked for Bell Telephone and later with AT&T for over 40 years. He has five children and owns property there, that allows them to grow many veggies that Kathy then cans. He has several bee colonies that produce an abundance of honey and has a barn on his property that is used for holiday festivities and weddings. He has been a past Treasurer of his County and the local American Legion.

Dan has been in Boca Ciega for over 35 years. During this time, he has been involved with the Park in many ways. He has been on the Board for 7 years with various duties including Treasurer, budget coordinator, and clubhouse and grounds. His biscuits and gravy Coffee Klatches have been a hit for many years and he was the Pancake Breakfast organizer until this year. He is frequently seen riding his little mini scooter (often too fast) in the Park going from job to job fixing just about anything that needs to be fixed.

Congratulation Dan, our May "Resident of the Month."

## Shuffleboard League

*by Santo Amenta*

---

**T**he disks were bumping, spirits were high, and the weather was sunny and perfect, as the shuffleboard season came to an end with a 36-player double elimination tournament and BBQ lunch. When the dust had settle the team of Gary McQueston and Rose Baldwin had come away as the winners against runner ups Don Boccinfuso and Diana Johnstone. A tasty BBQ lunch was enjoyed by over 40 people in-between tournament matches. At the final presentations, as well as prizes for the winners and runner ups of the tournament, prizes were given out to the top 2 players in each time slots of season play as well as 5 draw prizes among the remaining participants. A group of 42 players had friendly competitions during the 10-week season to determine the best overall averages. The winners of the 10 a.m. Tuesday group were Glen Groff, and Dave Williams. The winners of the 11 a.m. Tuesday group were Bill Lawrence and Gary McQueston. The winners of the 10 a.m. Thursday group were Matt Schwamberger and Dennis Eby.

A lot of fun was had by all and we all look forward to a good season next year with more players taking part.

## Boca Ciega Friends and Family

---

**B**ill and I are asking everyone to include our grand niece in your prayers, she lives North of Jersey. She is recovering from a rare genetic brain disease called Moya Moya, it constricts the arteries inside the brain, making it difficult for blood flow. She has suffered 3 strokes, causing lose of peripheral vision in her left eye and mobility in her left hand. There are 2 more surgeries planned, hopefully they will rectify the problems. She is 16 years old, please pray for her.

Thank You

Mary & Bill Lawrence

## Take Me Out To The Ball Game

*Ingrid Eby*

---

**T**hanks to Judy and Santo Amenta for organizing a fun evening. For the second year in a row we have been able to enjoy an evening at the Tropicana Field and an exciting ball game. Twenty-two of us car pooled to the field with a dinner before hand at the Burger Grille. This was the same restaurant we attended last year. They have a reputation for good burgers and we weren't disappointed.

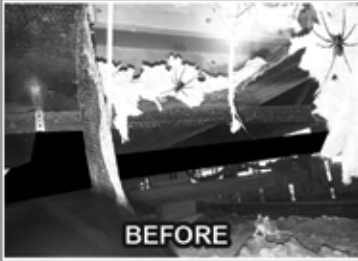

From the Grille, we walked to the stadium and found our seats. This year we were on the third base side. The Tropicana was virtually empty so after a few minutes we all found seats that were perhaps a little a little better. The Rays and the Blue Jays were on the field and the Jays were looking for their first victory.

About the fourth inning with the bases loaded Enders Morel as hit a grand slam. The Blue Jays fans went wild. The Rays tried to make a come back but with little success. The Blue Jays won the game and secured their first win of the season.

It was a fun night and we thank Judy and Santo again for organizing a great evening. It is always more fun being together but when your team wins, it's even better.

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **[MortonPlantValveTrial.org](http://MortonPlantValveTrial.org)**.

## Leading by example

---

**B**ill Gates, co-founder of Microsoft, has his own private jet now, but he didn't always. On the Business Insider website, former senior vice president Brad Silverberg recalls that in the 1990s, all Microsoft employees were required to travel by commercial airline—in coach, despite the fact that by that time Microsoft was a thriving organization. On one flight from Seattle to New York, Silverberg flew with Gates and some other members of the Windows team:

“And there was Bill, sitting in coach, in a middle seat. It didn't matter to him; he spent the whole flight reading. He wasn't as universally recognized then so it wasn't such an issue for him to fly commercial. It made a big impression on me, a new Microsoft employee, seeing Bill lead by example.”

## Different priorities

---

**D**uring a Little League game, one of the batters hit a fly ball to right field that the right fielder made no attempt to catch. After the inning was over, the coach pulled his right fielder aside and asked him why he didn't even try to catch the ball.

“If I had caught that ball,” replied the boy, “I would have killed my new friend.” And with that, he opened up his glove to show the coach a caterpillar he had found in the field.

Remember this story to remind yourself that everyone's priorities are different.

## Rules apply to everyone

---

**D**uring the Civil War, Ulysses S. Grant, commander of the Union forces, had to reprimand a guard who had deserted his post. “Orders must be strictly and promptly obeyed always,” Grant told the young soldier.

A week later, the same soldier was told to guard a steamboat loaded with ammunition. His assignment: to make sure that nobody with a lighted pipe or cigar came near the boat. On the guard's first day at his new post, General Grant started walking toward the boat, puffing away on one of his famous cigars.

“Halt!” called the guard. “I have been taught to obey orders strictly and promptly, and my orders are to allow no one to approach this boat with a lighted cigar.”

With a smile at hearing his own words repeated back to him, Grant threw the cigar in the river.

## Getting into Heaven

---

A woman died and found herself at the Pearly Gates. St. Peter approached her with a smile. “To enter, you need only pass a simple spelling test. Can you spell the word ‘love’?”

“L-O-V-E,” the woman replied, and St. Peter stepped aside and allowed her to enter Heaven.

Several years later, St. Peter found her on a cloud and said, “I have a big meeting today with the Boss, and I can’t watch the gates. Would you mind taking my spot?”

The woman agreed. The morning passed uneventfully, and then she looked up and saw her husband approaching. “It’s so nice to see you!” she exclaimed. “How have you been?”

“Just great,” her husband replied. “I married the beautiful young nurse who took care of you while you were sick, and we had three more children. I won the lottery. We lived in a huge mansion. We had matching BMWs. My wife and I were taking our yacht on a second honeymoon cruise when I fell overboard and drowned.” He looked around. “So, how do I get into Heaven?”

“You just have to spell one word.

He smiled. “Great! What word?”

She stared at him. “Kyrgyzstan.”

## Feeling the heat

---

A man in Dublin went in for a serious operation. The surgery took some time and the man was returned to his room to recover. As he came out of the anesthetic he looked around his room and saw that all the shades had been drawn, even though it was early afternoon.

When the surgeon walked into the room to check on his patient, the man asked why all the blinds were pulled down.

“The house across the street is on fire,” the surgeon told him. “I was afraid that if you saw the flames when you woke up you might have concluded that the operation was not a success.”

## Keep your home safe to prevent injury

---

Your home might be your castle, but that doesn't mean you're necessarily safe there at all times. Follow this advice to protect yourself and your family from common household injuries—and even death:

- **Check your smoke detectors.** Fire kills more than 2,900 people and injures 16,000 each year. And most of the fires break out when people are asleep. Install a smoke detector on each floor and outside each bedroom; change batteries at least twice a year.
- **Buy carbon monoxide detectors.** Carbon monoxide is an odorless, colorless gas that can kill you or send you to the hospital. Most detectors cost between \$40 and \$170.
- **Invest in nightlights.** It may sound basic, but a simple nightlight could prevent you from tumbling down the stairs and breaking something.
- **Other tidbits include:** deadbolt locks, grab bars for the tub, rubber-suction bath mats, handrails on stairs, fire extinguishers, flashlights, a fire evacuation plan, and posting local emergency numbers on the refrigerator.

## Olympic secrets to achieving your dreams in life

---

Want to achieve all your goals in life? Former Olympian Inga Stasiullontye shared the secrets that propelled her to fame as an athlete and entrepreneur on the Success magazine website:

- **Be fully committed.** Choose a goal that's important to you, and motivation will follow.
- **Focus on learning.** You won't succeed all the time. Don't obsess about results. Instead, keep your mind on learning what works and what doesn't, and why.
- **Have some fun.** Try not to take your efforts too seriously. Choose goals and activities that you enjoy so you can have some fun along the way.
- **Think creatively.** Don't mindlessly repeat everyone else's tactics and strategies. Use your imagination to find new ways of doing things.
- **Challenge yourself.** Get out of your comfort zone. If you're always waiting for the perfect idea or the best moment to act, you won't get the results you want.
- **Rely on yourself.** Don't expect other people to do the work for you. You can ask for help, but remember that in the end your effort is what matters.
- **Plan.** Start with a long-term plan, and then map out intermediate steps. Move forward one step at a time until you reach your goal.
- **Avoid burnout.** You can work so hard that you exhaust yourself and lose your motivation. Eat a healthy diet, get plenty of exercise, and take breaks so you don't overextend yourself.

## A solemn tradition: Memorial Day

Memorial Day began in the 19th century as “Decoration Day,” when citizens were encouraged to decorate the graves of soldiers who’d died in the Civil War. After World War I, Decoration Day expanded to include ceremonies honoring the dead in all of America’s wars.

Decoration Day officially became Memorial Day in 1967. In 1968 the Uniform Holidays Act established it as one of three holidays (including Veteran’s Day and George Washington’s birthday, now called Presidents Day) celebrated on a Monday to create a convenient three-day weekend. Memorial Day is now observed on the last Monday in May.

Wearing poppies is a popular Memorial Day tradition. The custom is generally credited to Moina Michael, a former teacher at the University of Georgia, who was working for the YMCA Overseas War Secretaries at the end of World War I.

She was inspired by reading the poem “In Flanders Fields,” by Canadian poet and doctor John McCrae. The poem’s opening lines read:

In Flanders Fields, the poppies blow  
Between the crosses, row on row . . .

During the Overseas War Secretaries’ annual conference held in New York City in 1918, shortly before the signing of the armistice that ended the war, grateful delegates gave Michael \$10 in recognition of her help with the conference. She spent the money on 25 red silk poppies to hand out to participants (or she may have used the money on materials to make the poppies herself).

The poppy became a national symbol of remembrance, and two years later the American Legion adopted it at its own conference. Poppies have symbolized the day ever since.
