Presidents Report

As I sit, pretty much in isolation, I wonder what the world will be like after this pandemic is over. 9/11 changed the world, and now this pandemic will change it again. Our hope is that we will be allowed to come back to Florida and resume our retirement with not too many changes. In Boca news, the sales of unit 52 and unit 56 should be finalized and the tree trimming also should be done. The ditch was put on hold as the contractor had to stop because of Covid19. I would like to thank the tree trimmers that got together and did a great job. I missed being there!

In closing, please practice social distancing to stay healthy, so we can all make it back next season... and for our permanent residents, please stay safe.

Respectfully,
Don Boccinfuso

We are submitting this month's newsletter, after completing our two-week self-isolation! We have to agree that it actually went well. We have done our Spring house cleaning and have both enjoyed our individual creative past times....mine being virtual online paint classes (see pics), and Darryl has been reading book after book!!! Remember to check the bulletin boards, and the web site for any updates etc. Our resident alert e-mails continue to keep us updated for sure!!

Please keep our Boca Ciega family updated with your Covid 19 Pandemic trials and tribulations!

Please advise us as to any errors, updates, or additions. We would really appreciate it.

Nothing is the same at Boca. In Florida, as in most of the United States and Canada, we stay at home in order to limit the spread of the coronavirus. During the day, you don't see many neighbors out and about. We seem to venture out on our bikes or take a walk after supper, when it is cooler as the sun begins to go down. When we see our friends and neighbors, it is not uncommon to gather still about six feet apart or about a hockey stick apart at the intersection of two of our roadways. A few folks do enjoy a game of shuffleboard some evenings. Our pool has been closed as well as other public pools in Florida. Beaches, state parks, and some of our golf courses are also closed.

As some of you might know from a Facebook account, we did have a fun Sunday evening organized by Susan Pranger and Joanie Love. We gathered at our clubhouse parking lot for a bicycle parade through our park. We decorated our bikes as well as ourselves, just for fun. There was no theme for the parade, but our shortage of toilet paper in our stores was one of the main topics.

About twenty of us made three sweeps through our park. Neighbors who were not in the parade, came out to take pictures or cheer us as we went by and congratulate us on our clever costumes and decorations on our bikes. Susan and Joanie gave us a needed break and Shirley asked what we are doing next weekend.

Some jobs have been done to keep our park looking good. A total of 57 of our Queen palms have been trimmed by our men saving all of us \$25 per palm, by their hard work. Thanks go out to Dan Spitzley, Doug Sutton, Ron Martin, Rick Martin, Bob Martin, Keith Brogan, Rex Pranger, and Lloyd Gagnon.

Do you remember the covers over our main water pipe valves which were painted a brilliant pink so that they could be located easily? What do you think happened at one of these sites? Bees thought the cover was perhaps a beautiful new gigantic flower, and decided to enter through the small hole in the cover and set up housekeeping. A stream of water made them decide against their new site.

All of us in the park, are well. We hope all of you who have returned home this season are also well. Pope Francis on Easter Sunday, asked the world to have hope and be courageous and we will. "It doesn't matter how slow you go as long as you don't stop."

Working Hard

Sharron Devilliers

Before 8:30 this morning, I heard the sound of chainsaws, so I looked out to see a handful of men with a rope around the palm tree between Spitzley's and my house. By the time I ran to get my camera and returned, it was on the ground, so this picture is seconds after I heard the "thump" as the tree landed. I thought you would like to know that there is still a lot of activity and work happening in our Boca Ciega. I'd also like to express that I'm happy to hear from many of you that you have arrived at your destination safely. Hope everyone has a great summer.

Bike Parade

By Sue Pranger and Joni Love

With everyone in the park following the Covid-19 restrictions, and self - distancing as per the “Shelter in Place” order by the Governor of Florida, we discussed what we could do to help each other through this dismal time .

After a few other ideas, we decided to have a bike parade. Hoping to have at least 6 participants, we were shocked at the number of residents that showed up. Twenty four participants decorated their bikes with items they had found around their home. Many of the residents set up chairs and watched from their driveway, windows or porch, cheering and waving as we rode by. The parade was started with an air horn, which could be heard throughout the park at 7:30 pm. It was fun and so enjoyable, a great way to take our minds off the coronavirus, if only for a short time.

We are hoping our Boca Ciega Family can all be together again in 2021.

“This too shall pass.” Please stay safe.

Remembering Mary Finke

Mary Diane Finke
JUNE 10, 1942 – APRIL 13, 2020

Mary Diane Finke (nee Estvander), passed away at her home in Columbus, Indiana on April 13th 2020 surrounded by her loving husband of 52 years Ernie, son Bill (Nikki), and daughter Kathleen Flanagan. Mary was born June 10th 1942 in Cleveland, Ohio to parents Joseph and Angela Estvander, who preceded her in death. She was also preceded in death by her brother Joseph Estvander. She is further survived by grandchildren Amanda and Nathan Finke, dear sisters Janet (Frank) Petruno and Elaine (Bill) Price, and ten nieces and nephews. Mary learned from her sister Janet the pleasures of “Cleveland style” polka & waltz music and how to dance to those tunes. Line dance instructor was one of Mary’s most cherished avocations. Over the years music & dance became who she was to many people. During her years at Maple Heights High School (class of 1960) she discovered her talent for and love of bookkeeping, and later worked in that field at Sun Finance in Cleveland. After a number of years of excellent homemaking, Mary re-entered the workforce at P.T. Tech Engineering & Manufacturing in Sharon Center, Ohio, where she became the head of the Human Resources department. Other hobbies included playing cards, map reading and route planning for the 13 years of “snowbirding” in Largo, Florida, and watching Cleveland Indians baseball- as she was a lifelong fan; “Go Tribe!”. After cremation she will eventually be interred with husband Ernie at the Indiana Veterans National Cemetery in Madison, Indiana. A celebration of life event is tentatively scheduled for this summer. The family suggests donations to St. Jude Children’s Research Hospital. Online condolences may be sent to the family at www.myers-reed.com. Myers~Reed Chapel on 25th Street is assisting with arrangements.

Keeping Busy

Sue Pranger

The past few months at Boca Ciega have been a challenge with the coronavirus pandemic. The State of Florida closed the swimming pool on March 27, no activities at the clubhouse, beaches were closed, and the restaurants only being open for drive through. In order to "Shelter at Home", I needed something to keep myself busy. I decided to make masks to keep my Boca Ciega family and friends safe.

After checking with many of the seamstresses in the mobile home park, I was able to find enough material, thread and elastic to begin my project. Thanks to Marianne Schwamberger, Ingrid Eby, Kathy Spitzley, and Joni Love. I also have to give a special shout out to Doris Brookhart for giving me her sewing machine when she moved to Pennsylvania. Without her sewing machine, I would not have been able to make the masks.

After talking with Ingrid, she decided she wanted to learn to make masks and send some to

**Happy
 Mother's Day!**

From the Chairperson

Santo Amenta

As another Boca Ciega season winds down in a very different and difficult reality, I would like to take this time to thank everyone who participated, organized, and hosted so many of our varied social activities and functions. Without your willingness to be part of our extensive social events, we would not be the caring community that our Park exhibits every day. Unfortunately we had to cancel many of our late March and April Special Events for the health and safety of everyone.

Through this spirit of volunteering, we have now been able to pretty well fill all of our planned activities and events for next year. Coming on board to look after the Welcoming Committee is Rose Baldwin who has taken over from Debbie McQueston. Kathy Spitzley will also be helping out Ginny Tracy with Cribbage and Poker. Everyone else has volunteered to continue chairing all of the other activities. The enclosed chart in this month's newsletter, lists the day each activity is on, as well as each activity chairperson.

In the area of Special Events throughout the season, we have also come close to filling everything. The only event that needs volunteers is our Welcome Back Dance in January. Entertainment has already been organized and booked. Please consider organizing this event and let me know by way of email or through our Residents Alert.

We have also added our previously, very popular, three hour Sunset Dinner Cruise in late March.

As well, we have modified our calendar by replacing our St. Patrick's Day dance with a St. Patrick's themed Potluck dinner in March. Much like our other main holiday celebrations, we will be providing the meat course of corned beef and other fixings, with participants bringing their own dishes and desserts. Thanks to Pat and Ilva Petruccelli, and their committee for taking this on. Please refer to the included Special Social Activities Calendar 2020/21 for a list of all the events planned, starting in November of this year. Hopefully, things will get back to as close to normal with everyone returning once again. With our current health crisis, I don't know what the future may hold for us or whether we will be able to return to normal daily life as we know it.

Finally, I hope that both all of our permanent residents, and all of our Snowbird owners and lessees stay healthy during this current crisis.
