Presidents Report

Don Boccinfuso

As we all start to arrive from the north, I would like to remind all, to please make sure you put your garbage and recycling in the proper bins. Also, break up all big items and cardboard. We are still having problems with this.

A reminder to all that rent their units, there is a \$100 administration fee for all applications, even if it is a repeat.

We will be trimming the trees in early November and will need help. Please see me if you wish to help.

At this time there are two units for sale. You must see the owners for information.

To all that are travelling south-SAFE TRAVELS

Social Committee Tidbits

Ingrid Eby

The hall is all decorated for Fall. The temperatures have dropped from the mid-nineties to the high eighties so we are ready for the season to begin. However, we are missing the Snow Birds. For some reason, everyone is coming down later this year. The year round residents are more than ready for some people to be in the park. Hopefully, by the time this newsletter is in print, more people will be down to make the park more lively.

Because of all the rain this summer, the vegetation around the coaches has gone crazy. The weeds mainly, have taken over. So many places need cleaning up and we are having trouble finding anyone to do the job. Most of you will have a surprise when you arrive at your place. The palm trees have also had a growth spurt. The fronds have dropped and even though many of them have been cut, it doesn't seem like we can keep up with the extra growth. The seeds have been dropping all over the street`s and of course this makes quite a mess.

We have also had quite a problem with people not knowing how, or completely disregarding, the procedures for placing trash and recyclables in the containers. The garbage company has fined us once again for garbage being put in the recycle bin and large items being placed in the regular garbage bin. It is hard to know who the culprit is. If this continues, it may result in the recycle bin being removed with extra garbage pickup, which will mean a raise in the cost. Of course, this will be passed on to the residents. People, please tell your guests that use your coach when you are not here, to follow the rules posted on the bins.

Next month there will have been a Social Club meeting, and many of the activities will have begun. We look forward to everyone returning and the events in the park resuming.

It is good news that I don't have any sickness or deaths to report. Hope it continues that way.

As always stay healthy and be safe - especially all those coming south.

Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

Yard Sale Update

Rob Boccinfuso

Just a friendly reminder, that the Boca Ciega yard sale is Jan. 18th 2020. Details about any meetings will be announced as it gets closer. Any ideas from department heads, as we have no golf cart to transfer people? It might be a good idea to work on confirming your crew?? Anyone interested in helping, please contact Debbie at #131 or Lore at #10.

Thanks,

Fun Times Are Coming

Bill and Leslie Burdick

We are rapidly approaching the time of the year when we will all be gathering into our social and warm homes in Boca Ciega. I am sure we will all gather with stories from our months apart, and be anxious to tell our stories and hear those of our friends.

As we once again form our Boca Ciega family, we will all enjoy socializing, eating and laughing together. One of our annual opportunities to enjoy all of this at one time, is our gathering at Ed Fletcher's Dinner Theatre. An important date to get into your busy social calendar is **Thursday, January 30, 2020** (yes, you are seeing right that is 2020). On that date, we will meet together at the Dinner Theatre to enjoy "The Wild Women of Winedale."

We will return at the first of the year and will immediately have tickets available for \$40 per person, which includes the always delicious and plentiful banquet meal, many laughs throughout the show, and on top of that, is our time for socializing. We are looking forward to sharing the tickets with our Boca Ciega family.

"The Wild Women of Winedale"

This joyful and exuberant, yet ultimately touching comedy, focuses on three women at cross-roads in their lives, the Wild sisters of Winedale, Virginia-Fanny and Willa and their frustratingly quirky sister-in-law, Johnnie Faye. This feisty and fun-loving trio has supported and cheered one another through life's highs and lows through the years, including the early demise of two of their husbands. With equal doses of hilarity and heart, these extraordinary women come up with delightful and surprisingly unorthodox ways to clear the clutter from their lives, their homes and their relationships so they can move their lives forward. Together they prove it's never too late to take another one of life's paths for a grand new adventure.

Ditch these financial bad habits

Want to handle your money better? Most of us do. The Motley Fool website advises breaking these three bad habits:

- **Paying bills late.** A few days or weeks may not seem to matter, but you'll be hit with late fees, interest, and damage to your credit rating. Do your best to pay all your bills on time. Set up reminders so you're always on schedule. Automatic payment is one reliable option.
- **Accumulating too much debt.** Not all debt is bad, as long as you manage it sensibly and pay it off in a reasonable time. If you can't pay off your credit cards and other debt by the end of the month, set up a budget that helps you monitor and control your spending before debt gets out of control and hurts your credit rating.
- **Not saving.** Putting money away can be difficult, but not saving any money is a mistake. You should have a reasonable cushion in case of emergencies—at least three months' worth of living expenses. Look for ways to cut costs, and set up a separate savings account so you're able to keep track of savings and spending money easily.

When and where to pay cash

Credit and debit cards are convenient, but sometimes you're better off using cash. The Reader's Digest website suggests keeping your card in your wallet in these situations:

- **Tipping.** Tipping in cash instead of adding it to your bill ensures that your server gets the full amount.
- **Farmer's markets.** Many vendors have credit card machines nowadays, but not all of them. And the machines can always go down because of a power outage or spotty Wi-Fi. Keep cash handy so you don't miss out.
- **Minimum purchases.** Coffee shops and other venues frequently have a \$5 or \$10 minimum for credit card purchases. Paying cash ensures you don't buy more than you need in order to meet the minimum.
- **Private transactions.** You want to buy a special gift for your spouse, but you don't want him or her seeing it on a credit card statement. Use cash to keep the transaction secret.

Money and beauty are defenses against the sorrows of this world, but neither can undo the past. Only time will conquer time. The way forward is the only way back to innocence and to peace.

—Dean Koontz

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."
