Health insurance decisions can be confusing due to endless coverage changes and many policy types. Fortunately, there is someone who can work diligently to help and without cost to you – Michael Crofts, owner of Best Plan Choice.

Through his own healthcare experience Mr. Crofts learned the value of good health coverage and quality medical care. He dedicates his agency to helping people with Medicare and Medicaid needs. You can visit the office to learn about Medicare plan options or he will come to your home.

Every year your Medicare health plan coverage changes even if you do not change plans. Also, new products are introduced and many offer benefits beyond original Medicare and/or Medicaid plans. Baby Boomers had completely different insurance products during their working years. The indemnity and major medical policies are no longer the only choice and often do not meet the financial needs of consumers today.

Don't waste time trying to figure it out. Michael will sit with you and review all of the documents, and answer all of your questions. Most importantly, he will conduct a needs analysis to determine your individual needs – if you expect a hospitalization, use certain medicines, or want benefit like dental or vision – everything is taken into consideration.

Best Plan Choice is there to help you make the right choice and is available long after the policy is written. This means helping with doctor changes, plan questions, annual review of your benefits, and of course taking great care of any friend or family member you refer. At Best Plan Choice clients become friends, and friends become clients.

Social Committee Tidbits

Ingrid Eby

For those of us in the North it's beginning to look and feel like Fall. The kids are back to school, football games are in full swing and the air is a bit chillier. I am sure everyone in Florida would welcome some cooler weather after the record setting heat and rain fall this summer.

Every year hurricane season becomes a growing concern and this year is no exception. Hurricane Dorian developed out in the Atlantic and never seemed to dissipate. It took forever to form but once it did it packed a wallop. People in the Bahamas received the brunt of her destruction this time. Our thoughts and prayers go out to everyone who suffered in Dorian's path.

The Snowbirds are beginning to think about returning to Florida, especially the ones who come in the Fall. It always seems like there are items that were bought over the summer that need to be brought to Florida. Then the question becomes, how are we going to get everything packed in the car? Every year we say "surely we have everything we need in Florida" but we always seem to purchase more.

As September and October roll around, the Social Committee begins to anticipate the events planned for the coming season. We have had the summer off but now need to get back in gear to put the final touches on everything that is on the docket. It seems like we try to squeeze so much into the short time that everyone is down. This coming season is no exception. There will be lots to do and many fun events planned.

News and Notes

As we see the flags at the Club House at half-mast, we lament the passing of yet another friend and neighbor this year. Fran Turner passed away on August 5th after being ill for quite awhile. Fran had been active in the park for many years and participated in various events over that time. She always had a smile on her face and a friendly greeting for everyone. In previous years the residents put on skits, and Fran and Gene were quite a hit. These performances were recorded and it is great seeing former residents perform. We extend our thoughts and prayers to Gene. Frannie was quite a gal and many of us have great memories of her.

Ralph Cornelius was in the hospital and is now sporting a pace maker. He is feeling 100% better and has lots more energy. He will be breaking the speed limit on his bike this Fall if he isn't careful.

Our sympathy goes out to Leslie and Bill Burdict, on the passing of their daughter-in-law, Lauria Burdict. It is particularly sad when young people are taken from us. Our thoughts and prayers go out to Scott, the children, and the entire family.

As always be healthy and stay safe.

Obituary of Frances Turner

Frances Jean Turner, 82, after 2 years under Hospice care, passed away Wednesday August 21, 2019 at her Largo, Florida residence. She was born January 07, 1937 in Martinsville, Ohio, to Lester and Ruth (Blazer) McCoppin. She was a devoted and loved wife and worked as a secretary and at Ann's Flower Shop in Xenia. Mrs. Turner and her husband, Eugene enjoyed traveling.

Frances is survived by her husband, Eugene Turner; sister, Ruth Wolary (Jim); brothers-in-laws, Donald Fitzsimmons, Robert Bean and several nieces and nephews.

She is preceded in death by her parents, Lester and Ruth McCoppin; brothers: Charles McCoppin, Spurgeon McCoppin, Duane McCoppin; sisters: Carlene Rogers, Elda Fitzsimmons, Janet Haines, Shirley Bean; brothers-in-laws: Morton Roger, Norman Haines.

Funeral services will be held Thursday August 29, 2019 at 12:00 NOON at Powers-Kell Funeral Home in Jamestown, Ohio, where friends may call one hour prior to the service. Rev. John Manley, Pastor of Wesleyan Evangelistic Church of Dayton, Ohio will officiate. Burial will follow at Woodland Cemetery in Bowersville, Ohio.

Gene Turner (Fran's husband) has kindly submitted a handwritten letter from 20 years ago and wanted to share it with our Boca Ciega family.

A Celebration story of Fran's Life

Life began for Fran 1-7-37. She was born to Ruth + Lester McCoppin on a farm in rural Clinton County Ohio. She grew up with 5 sisters + 3 brothers. She had a great family life and a wonderful Mother + Father. After graduating from Martinsville High School, she worked as a secretary in Wilmington.

When she was 21 years of age she met the man of her dreams, Eugene Turner and they married June 1, 1958. As time passed by she learned the importance of Thanking God every day for life, her family, friends and having a wonderful husband. Life is what you make it, and she enjoyed the simple pleasures of each and every day.

Her years of retirement in Florida surpassed her fondest dreams. You needn't cry because I'm gone, find some humor and fun in every day and move on.

From the Chairperson

Santo Amenta

As October comes around and there comes a chill in the air, hopefully you are all starting to think about the upcoming season at Boca Ciega. I know the permanent residents are anxious to welcome back all the northerners as soon as possible.

Your Social Committee Executives were all re-elected unanimously and have planned a busy schedule for all your social events for the 2019 - 20 season.

We have been able to fill many of the Special Activities Events with volunteers willing to carry on as in previous years. To those people, I am deeply grateful. However we do need others to fill events that at present need residents to step up and assume a leadership role in taking on the task of running the following event;

- Welcome Back Dance - January 23

In the Activities Chairpersons area we also need people to step up and take over the running of the following weekly card games;

- Hand & Pony.
- Euchre

Please think about what you can do to help in the above needs and remember that all these events and groups do not happen without organizers.

Hurricane Preparedness - Dorian and Beyond
As Hurricane Dorian approaches Florida, it's crucial Pinellas County residents stay prepared.

Use this checklist to make sure you are ready for the time a storm hits:

Know Your Zone: Check the Pinellas County Government website to find out if you live in an area that must be evacuated in the event a storm arises.

Find a Shelter: If you have any special needs, look up the right shelter for your family. Also consider where your pets will stay if you have them.

Prepare Ahead: Purchase water, non-perishable food items, medicine, batteries, flashlights, first aid kit, radio, and backup chargers for cell phones.

Get Your Emergency Access Permit: Residents of the Barrier Islands are required to present an emergency access permit to re-enter an evacuated area after a storm. Residents and businesses can register for a permit on pcsoweb.com/emergency-access-permit.

Follow us on social media to receive important updates about weather-related emergencies. You can also register for Alert Pinellas to get text messages and emails sent directly to your inbox about critical information.
