Social Committee Tidbits

Mary Gilmore

Tropical Storm Isaias was kind to Florida, but it did turn into a “category 1” hurricane as it barreled into North Carolina and then spawned tornadoes and dumped a lot of rain with strong winds in the Mid-Atlantic States and New England. Our all year rounders have family up north and found out that there was flooding in Pennsylvania, and further north, many trees were uprooted and many people lost power for almost a week in some locations. Shall we say that once again the Seminole Indian Chiefs, who are buried in this area, kept our area safe? Many of our parents told us this story years and years ago.

Boca Ciega is fortunate to welcome an all year rounder to our park. Eric Rudzinkas from upstate New York, twenty-five minutes west of Albany, bought Sharron De Villers' home. Eric is retired from the New York Department of Transportation. He has been working hard on his home to make it his own. His work ethic is that everything has to be done right now. He said that this process of selling his home up north and finding his new home in Boca Ciega took him about two years. He has friends in Largo and at first he was looking in Clearwater, but once he visited Boca Ciega, he saw the park as peaceful and clean. Eric, as many New Yorkers I have known, including Jim, gave me a run for my money, in that before I could ask him where he was from, he asked me where I was from. He has already met some of his neighbors and is learning what makes our park work.

About two months ago, PH told me that Scott from JSS Construction would be bringing in four more loads of dirt to continue filling in the ditch behind the homes on Michigan. Since that time, the ditch has been mowed by Professional Landscape Service & Supply. If you look, you can now see to the bottom of the ditch and there is standing water in some places. Now, would be an excellent time to get the ditch filled as Scott had promised. Construction in Florida has not come to a stand still and work needs to be completed in a timely fashion.

Our Saturday morning breakfasts are continuing. We now have four restaurants in our rotation. It's good to see our neighbors whom we don't always get to see during the week and share our stories. Either on the way over to the restaurant, or at the restaurant, or on the way home from the restaurant, we sometimes talk park business especially when I am getting near the deadline for the park newsletter article.

Terry, who delivers our newsletter each month, asked that all residents have a park mailbox for park mail otherwise she has no place to leave the newsletter.

Virginia, who is a member of the Board of Directors and honestly looks out for all of us year rounders, asked that any resident who is planning to make changes to the exterior of their home or anywhere around the perimeter of their home first get approval from the Unit Changes Committee per rules and regulations. Remember if you get a new air conditioner, new roof, have exterior painting done, get new windows, or get a new exterior door, you need to first get an approval. If we didn't have Bob, who rides around the park every morning and picks up debris from our palms when he sees it, we would be up to our "you know what", in palm fronds and boot debris. Bob wisely said all trees drop something. Rich replied to my statement that our lawns looked especially good this week and said that they probably sharpened the blades. All in all, we are looking forward to everyone's return to the park. PH did ask me to ask you to let her know when you are returning. Take care and stay well.

Prayer for Protection From Hurricanes

Submitted by Mary Gilmore

God our Father, Creator and Lord of the Universe, you have set the Earth on its foundation and all the elements of nature obey your command. We humbly ask you to keep us safe from all dangers and calm the storms that threaten us. We ask this through our Lord, Jesus Christ, Your Son, who lives and reigns with you and the Holy Spirit, one God forever and ever. Amen

“LOOKING BACK”

We are inviting all of you, past and present owners and renters to submit a favourite memory. Please send your article and try to include a photo or two that we can all enjoy!

This month we thank John and Jane MacDonald for sending along some pics and memories!!

John and I have great memories of Boca Ciega, right from our first walk around the park, two years before we actually even resided there. On that walk, we met Tom and Sue who kindly invited us in for coffee.

One memory that stands out, is our first Saturday morning breakfast at the clubhouse. Matt saw us staring into the sea of faces, came over, and said to John: “Hey big guy, come and sit with us!” And then we met Marianne! It was so wonderful of him to do that. Many memories of course, followed. Pot Luck suppers, Line Dancing (loved this), Euchre, Friday night, get-togethers, happy hours, dances (I tried to get John up dancing, but he sat with Matt).

I mustn't forget the art with the ladies on Friday mornings and stitching with the talented people. They tried to teach me.... but oh well? Recently, art workshops with Patti, where so many could join in, were such a popular and fun event. There are, of course, many, many more memories. Our winter life was there.

We have met lifelong friends and have sadly lost so many that will never be forgotten. John and I will not travel this year but certainly intend to, as soon as we can. Our thoughts are with all of you.....see you soon.....

PANDEMIC PROJECTS

Darryl and Paula Paquette

I think everyone would agree that going through a Covid Pandemic was not what we would call a “fun time”!! So, we all had to get our minds adjusted to being in isolation, then being in our social circles or bubbles, wearing masks, standing in line ups at grocery stores etc. What we had to do was find the positives of the situation and move on. We valued our special 6ft. distancing visits with families and friends and even got back to enjoying nature with gardening, golf, etc. I know a lot of people got their “to do” lists out and finally made some check marks beside some of the chores we had put off. Darryl and I got busy as soon as our 2 week isolation was over! I sanded our bathroom vanity and got started on the update of our bathroom. From there, we moved on to making a little flagstone path next to one of our rock gardens. I had always visualized this and finally it was done! In between these chores we found time to garden (me) and cut wood (Darryl). Our biggest chore this year was pouring cement stairs and walkway down to our shoreline. We have lived here for 15 years now and we’re both getting older so the path down to the shore was getting a little unsafe for us. The rough terrain, as in roots and wobbly rocks was certainly not going to be easier in the coming years. We worked together and fabricated some pretty interesting forms for the stairs etc.

Sometimes large rocks became part of the form and sometimes we had to pour around some of the unmovable objects! All in all, we're pretty happy with the result. Each time we head down to the dock to kayak, or swim, we comment to each other about what a great pathway we have now!!

I'm sure most people would agree that life in the Covid Pandemic has made us "stop and smell the roses" and learn to appreciate the simple things in life!

It's simple to play ... when you patronize a current advertiser, ask for a Monthly Mania ticket (or a reasonable facsimile) and fill it out completely. Put the ticket in our Monthly Mania drop box in your community or **mail your paid receipt** to us at **Monthly Media • 220 Bahama St. • Venice, FL 34285**. That's all you do. At the end of the month the Publishers will pick up the tickets and hold a drawing. If your ticket is drawn, we mail you a check.

(Allow 4-6 weeks for mailing of check). **This month's cash winners are:**
