### ATTENTION

After 2 years of researching into new cart manufacturers, we have chosen to represent JH Global "Star Cars" line of new vehicles. They have a 14 year proven track record in manufacturing & customer service and all of their major electrical components are US made instead of imported.

Over the years we have seen numerous new carts come and go from the market, leaving customers hanging with useless warranties and no parts available.

**I**t seems as I start me report often with sad news. We lost another long resident Lee Reagan; our hearts go out to her family also to Bob her long-time companion.

Dan was re-admitted to the hospital with complications from his surgery. Happy to say he is out and on his way to recovery again.

Just received word from Rose Baldwin that Dave is in the hospital receiving treatment for a cancer tumor on his shoulder blade near his spine. Please keep him in your prayers.

The park is very quiet with no issues as we all start planning our return in the fall.

As I was finishing my report, I received a phone call informing me that Carol Persons had passed away. Carol was a long time very active member of our Boca Ciega family. We will miss her dearly; our hearts go out to Butch and the family.

## Summer News

Ingrid Eby

---

### HOT HOT HOT

**T**hat seems to be the word to describe the month of July. In Hawaii, a volcano is erupting with hot lava covering lots of acres and forcing people to flee from their homes. Out in the West wild fires are raging burning thousands of acres and family homes. The mid-west is scorching with unseasonably warm weather. Every day on the news there are warnings to stay hydrated and stay in air conditioning. The East coast is experiencing the same temps with no relief in sight. Mother Nature is giving us a run for our money this summer. However, it seems that Boca Ciega hasn't been affected any more than usual by the heat.

The residents at the park had a lovely celebration for the 4th of July. Sixteen folks went to The Sea Hag for a wonderful meal and social activity for the park. Everyone, commented on how nice the restaurant was and how good all the food was. It was a nice change from Perkins.

Ralph Crudo's nephew Brian invited everyone in the park to breakfast on Saturday July 30th. While at the restaurant Brian showed everyone memorabilia that Ralph had kept for many years. Everyone enjoyed the breakfast and seeing the newsletters and directories from years ago. It was a pleasant surprise and very much appreciated.

New faces in the park are Jean and Lane Franks. They are from Colorado and live on the front street. We look forward to meeting them in the fall and getting acquainted. We welcome them and hope they will take advantage of all the activities that are held during the year.

### News and Notes

Dan Spitzley was back in the hospital with a serious infection. After a week in the hospital he is now home and having to heal and rest. We all know that is hard for Dan. Prayers go out for healing and patience for a during his recovery.

Bob Bulmer was back in the hospital getting his wires repaired in his defibrillator. Bob is home and has to take it easy for awhile. This is also hard for Bob. Prayers for his recovery.

Jim Gilmore had a few melanoma spots removed and is healing nicely. Prayers needed for his recovery.

Mary Gilmore received very good news. Her three month check up was clear. No more melanoma discovered. Thanks go up for that.

A diplomat is a man who always remembers his wife's birthday, but never remember her age.

As always be healthy and be safe.

## The cost of dry cleaning around the world

**H**ave you ever wondered how much dry-cleaning a suit costs around the world? Maybe not, but the online dry cleaning service Zipjet did, and it looked at 100 cities around the world to find the answer.

The most expensive city for dry cleaning a two- or three-piece suit is Oslo, Norway, where the cost is \$52.03 in U.S. dollars. The cheapest is Jakarta, Malaysia, at \$2.20. Chicago ranks 53rd, with a cost of \$12.72.

Russia is the biggest user of dry cleaning services, spending \$3,265,888,189 annually. The United States comes in second, at \$3,029,470,494, followed by Brazil in third place, at \$1,065,702,298. Of 10 countries surveyed, Canada spends the least—\$500,834,651.

If you're intrigued, you can check out more information at the study at <https://www.zipjet.co.uk/2018-global-dry-cleaning-index#USD>.

## Discarded tech adds up

**C**hances are you've got a few old cell phones sitting around your house that you haven't used in years. A recent survey by Decluttr.com found that Americans have some \$33 billion worth of discarded technology lying around, with the average U.S. home hanging onto \$264 worth of unused tech. That includes:

- Almost 60 percent of U.S. homes with more than two unused cell phones (Apple and Samsung, mostly).
- Thirty percent of people who say they keep their old phones for backup, and 30 percent who don't want to risk losing control of their personal information.
- Other devices, such as cameras (40 percent), PCs (25 percent), consoles (10 percent), and iPods, tablets and more (10 percent).
