## President's Corner

*Don Fitzsimmons*

**H**ello to All,  
This month the reality is here. For most of us we are settled into our winter home and are happy to be here in Florida. But watching the very early winter blast coming down from the north and covering most of the US.

When we arrived the park looked great and again see the good job the current lawn contractor is doing. We commend them on a job well done.

The permit applications have been submitted for the south ditch and are awaiting approval. Hopefully that will be very soon. We will keep pushing.

We lost another of our fellow park residents recently, Teresa Frizzle. We send our condo-

lences to son Ralph and the rest of her family.

Our winter season is up and running with all the activities in place so our wish for you is that each of us will participate to the extent possible in all of our activities and we have another great season here in Boca Ciega. Until next time.

## Editor's Corner

*Roz and Brian Bogoslawski*

**W**e are always looking for pictures from the different park activities and events. They can be sent to me as a TIFF. or JPG. file, also include the event or function along with the names of the people in the picture.

Please forward all newsletter material to: [editor.bocaciega@gmail.com](mailto:editor.bocaciega@gmail.com)

All reports and any articles of interest for the newsletter must be emailed or mailed and received by the 14th of every month. Thank You.

*Ingrid Eby*

**I**t is so good to be back at Boca Ciega once again. Each day more and more of the residents pull into the park. It is so good to see everyone and catch up on all the happenings that have gone on during the summer.

The park is in excellent condition. The grass is so nice and green and looks great. All the palms and bushes look lush and well taken care of. The inside of the club house is decorated for fall and looks so pretty. Some of the coaches are decorated for fall and there are pumpkins here and there.

The park events are slowly beginning to start up once again. Bingo, pinochle, poker,

exercising, hand and ponytail have all started up, to name a few. Coffee Klatch on Saturday mornings has begun and next Thursday is Early Bird dinner. Of course, it will be better when everyone is back to have all the activities going again.

The sign-up sheet is up for the Thanksgiving dinner and once again the Canadians are hosting this event for the Americans. What a nice treat. This is always a well attended event and of course a delicious meal.

As soon as pot luck starts up we will have our social club meeting. There is lots to look forward to when everyone returns.

### NEWS AND NOTES

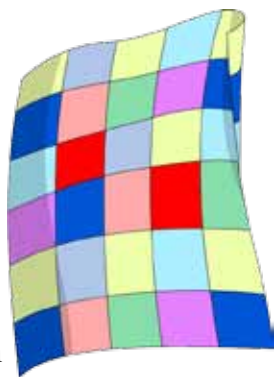

I am sorry to inform everyone that Teresa Frizzle has passed away. She has been a resident of Boca Ciega for some time and she will be missed. We extend sincere sympathy to her family at this time and pray God will give them the peace that passes all understanding. Her memorial service will be held November 22nd at St. Jerome Church.

Elda Fitzsimmons hurt her ankle and is now in East Bay Rehabilitation Center. We wish her a speedy recovery and are anxious to see her around the park once again. She is well enough for visitors and enjoys having company.

Linc Zwicker fell and broke his shoulder. He had surgery and is now rehabbing to be able to come down to Florida by Christmas he hopes. Hang in their Linc and follow the doctors orders so you can mend quickly.

## Quilting

*Kathy Spitzley*

Our first official quilting class will be on Wednesday, December 3, 2014 from 10:00 AM to 12:00 at the Club House. All interested persons are welcome to attend. Bring your ideas and material so we can get started. I'll have a couple of ideas to share but you can bring your own pattern to work on if you like. All new and old quilters welcome.

## Shuffleboard

If interested in playing, please email me at.....rbbogo@gmail.com.... We plan to start the 2nd Tuesady in January, there will be a morning session and an evening session. No past experience or equipment is needed. Sign up early as there are only 32 spots aavailable and there has been alot of interest already expressed.

## You Can Do It Exercise

Mary Gilmore

Since the beginning of November, our morning exercise group began to loosen up and warm up again. We are using a similar walking program as we did last season. You can customize your own program by deciding whether to do one mile, two miles or three miles. Maybe, by the end of the season, some of us might again be doing four miles. Remember not to rush yourself. Please only do what you can do comfortably. You know your body and your strengths. Be kind to yourself and you will most likely see results like improved balance, stamina and flexibility. Without a doubt, if you come regularly, you will notice a few inches off here and there and your clothes fitting looser.

We are using a Leslie Sansone DVD and only have four steps to learn; these include marching or walking, knee lifts, kicks and lateral steps or a grapevine move. If all of our steps are counted, we are told that we have covered one mile, two miles or three miles without even leaving our own little space on the clubhouse floor!

Classes are held Tuesday, Wednesday and Thursday at 8:30am in our clubhouse. Everyone is welcome; wear comfortable clothing and your sneakers and bring water to keep yourself hydrated.

## Rummage Sale

Carol Persons

Our annual Rummage and Bake Sale will be held on Saturday, January 17, 2015, so please mark your calendars. It'll be here before you know it.

A list of committee heads will be posted in the clubhouse. If you would like to work in any specific area please contact the committee head to let them know if you haven't already done so. If you are told no more workers are needed in that area just let me know and we'll either find a permanent place for you somewhere else or you could be used to relieve some of the other workers during the day, which would be much appreciated. We will not turn away any willing workers.

Our great bake sale is well known and is a big money maker. If you are willing to contribute something to our bake sale it would be appreciated if you could have your baking done and delivered to the clubhouse by 3:00 p.m. on Friday afternoon, January 16, 2015, so Yogie and her crew can get everything set up and priced.

We will need items for our gourmet gift baskets to be raffled off and your contributions are greatly appreciated. There will be a box in the clubhouse for your contributions or they can

be delivered directly to Ginny Tracey or Terry Maegdlin. Please just gourmet food items and wine or alcohol. No candles, lotions, scarves, or clothing of any sort.

We are going to have a new addition to our sale this year. We will have a small boutique set up in the library. Some of you have said you have some nice things to contribute but neglected to do so because you felt that our regular pricing was too low for such items. Well, people, now is your opportunity. Susan Logan and Mae Webster will be in charge of the boutique and both have said they have several items to contribute. However, most of us could not fit into anything of theirs and we will need a variety of sizes to make our boutique work. Because we are limited in space, we only want clothing, shoes, purses and perhaps better class jewelry. I would suggest these items not be placed in the sheds with everything else but kept separate so if you could keep them in your possession until just before the sale, that would be great. If you need to get them out of your way before then you can deliver them to me and I will see that they get delivered to the boutique for the sale.

There will be a short meeting for workers on Thursday, January 8, 2015, at 10:00 a.m. in the clubhouse to cover the basics of the sale. It is not mandatory that you attend but everyone is welcome to attend if they wish. Note that I have changed the meeting from its usual Friday morning to Thursday morning so that the golfers have an opportunity to attend the meeting. Starting about 8:00 a.m. Thursday, January 15, 2015, the chairs will be removed from the clubhouse and the tables arranged for the sale and the trucks will begin emptying the sheds and delivering everything to the clubhouse so we can begin setting up. The trucks will also go around and pick up large items from your individual residences. You may either leave them at the end of your driveway or in your carport or give us a call (616) 889-2211 or (616) 889-3646 or e-mail me (carolpersons@hotmail.com) previous to then if you need the workers to retrieve the items from your unit so we can make arrangements to also make those pickups. Anyone with a strong back is invited to meet the trucks at either shed to start loading up. Please have things ready on Thursday when we will have all the help we need. If you need something picked up from your residence but won't be home on Thursday morning, please arrange with a neighbor to allow the workers access.

Also, a dumpster will be delivered to the Clubhouse on Thursday morning and will remain there until Monday morning. You will be able to use this dumpster for any large items you wish

to discard with the exception of large appliances and/or electronic equipment. If you have any questions about what can be deposited in the dumpster just check with one of the outside workers.

The sale will be open to park residents on Friday, January 16, 2015, from 6:30 – 7:30 pm. To give our workers a chance to have a relaxing dinner before starting work, the clubhouse doors will be locked until 6:30 pm.

## December Is...

---

National Impaired Driving Prevention Month. Get home safely from your holiday parties this month—and remember safe driving habits all through the year. December was designated National Impaired Driving Prevention Month in a presidential proclamation in 2011 to “address the serious and growing threat drunk, drugged, and distracted driving poses to all Americans.”

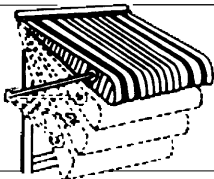

Safe Toys and Gifts Month. Shopping for toys for Christmas, Hanukkah, or other holidays? Think about safety. Every year, toymakers around the world recall millions of toys due to safety concerns like lead paint and small magnets. Choose toys that are safe for the age of the child so everyone can enjoy a happy holiday.

Universal Human Rights Month. Universal Human Rights Month is dedicated to sharing information about human rights and distributing copies of the Universal Declaration of Human Rights throughout the world in English and other languages. The declaration was adopted by the U.N. General Assembly on Dec. 10, 1948.

National Stress-Free Family Holidays Month. Don't let the stress of the holiday season get you down. Instead of driving yourself crazy trying to create the “perfect” holiday, identify what's truly important to you, your family, and your friends, and develop holiday traditions that are uniquely your own.

## Numbers in the News

---

### **Stay-at-home fathers on the rise for diverse reasons**

More fathers are staying home to take care of their children than ever before, according to the Pew Research Center. Some 2 million dads are at home full-time (though not all of them are their children's primary caregivers). In 1989, only 1.1 million fathers were stay-at-home dads. Economic reasons may be part of the trend, since 47 percent of them live under the poverty line, and daycare can be expensive.

They tend to have less education: Fourteen percent don't have a high school diploma, compared to 3 percent with at least a bachelor's degree. And they may be at home due to disability—the Pew report notes that 35 percent are ill or disabled, although that figure is down from 1989, when 56 percent of stay-at home fathers were ill or disabled.

But many fathers stay home not because they have to, but because they want to. Researchers at Pew found that 12 percent of dads today freely choose to stay at home to care for their families, up from 5 percent in 1989.

### **Is cash losing its cachet?**

We may not be moving toward a cashless society, but for some people paying with plastic is the preferred way to go. A survey from CreditCard.com found that 51 percent of adults under 30 will use a credit or debit card for purchases under \$5, while 77 percent of people 50 or older prefer to pay cash when buying something for \$5 or less.

Debit cards are more popular than credit cards among the younger generation by a 3-to-1 margin, and hold a 2-to-1 lead among users of all ages. Americans held balances on credit cards in the amount of half a trillion dollars by the end of the first half of 2014, according to the Federal Reserve Bank of New York.

### **The cost of littering adds up**

Trash and litter are unsightly—and expensive. Litter cleanup costs the country approximately \$11.5 billion every year, according to a 2009 study from Keep America Beautiful. That includes costs to businesses cleaning up their properties—\$9.1 billion—as well as state, city, and county expenses that come to more than \$1.3 billion, and the estimated \$241 million that educational facilities have to spend cleaning up sports areas and school grounds.
