Boca Ciega Bulletin

As we try to keep our records up to date and accurate, we ask that any northern address, phone number changes or birthday, anniversary errors in the Boca Ciega Newsletter or phone number errors in the park phonebook be submitted to the office by Jan. 15, 2015. Your help is much appreciated. Thank You.

Park Observations

Several Board of Directors have been getting concerns about several things going on in the park covered by our rules but not being followed.

We thought this might be a good time to gently review some areas of concern.

First the posted speed limit sign. Many of us see them but go right on by at our own speed, not the limit set by the sign. Please observe the speed limit.

This creates problems for us which brings us to our second concern and is tied in with the first. We are having more small children visiting our park and we welcome them and love them all. If our speed limit is not observed we put these small children at great risk. By the same token we need to observe the rule, saying an adult with all children at all times and all places. We have to be more aware parents and grandparents of the children playing in the street and using scooters and trikes to go to and from the pool. They need to be kept within arms length of you at all times. It has been observed parents at the end of the street and the little ones halfway to the pool. People backing out of their carport cannot see clearly those little ones on the bike and we are making a situation that could be disastrous and the whole park would be devastated. Please try to do a better job of supervision this season.

We all remember from our rules that guests and family visiting need that request on file in the office and approved before they arrive.

The same is true of sub-leases. That provision is in both our documents and rules. We have had several infractions of this in the past and the board can prevent occupancy until the documents are submitted and approved by the board. Please do not make us have to do that.

Another violation observed is parking on the grass. Florida grass at its best is fragile and it only takes a few times to damage it. Park on the street and if your guest is going to be staying overnight there are forms at the office to request permission for them to park at the clubhouse.

Each of us has the responsibility of helping the park keep these rules. If you see an infraction politely ask the responsible parties to correct whatever infraction is happening rather than trying to notify one of the board members to handle the situation. Then follow up with a note to the office stating the date, time and infraction, so they can be recorded. If continued incidents occur then board can take remedial action. They have to be recorded, not word of mouth. We

are a cooperative, so that means each member cooperates in the operation of the park.

This is meant to be a friendly reminder of some of our rules being ignored and a request of cooperation in the true sense of the word.

Thank You

President's Corner

Don Fitzsimmons

Hello to All,
What a great season we have beginning. Most of the snow-birds have arrived and all activities are in progress.

The park is looking great and all are pleased with the landscaping firm doing the work. We will be renewing the contract soon. If you have any questions or comments please get them to me.

The lighting season will be over by the time you get this but the park has been lit up beautifully with more participating. Maybe we should have a lighting contest for the best. What do you think?

We hope you have had the happiest of Christmas seasons remembering the reason for the season. May your New Year be healthy and always filled with happiness and cheer.

Social Committee Tidbits

Ingrid Eby

The Social Club met for the first time since last March. There was a lot to talk about and a lot to go over for the upcoming season. Of course, we started with a pot luck dinner hosted by Aquinos, Ebys (minus me because I was sick) Manis and Dee Van Hyfte. Thanks to all those folks for a lovely dinner and to all who brought dishes to pass.

The hall was magically transformed by many elves to take on the Christmas Season. John Bender and Rich Manis put up the tree. The rest of the elves, Betty Manis, John Tirschman, Matt and Marianne Schwamberger, Frank and Marilyn Aquino, Yogi Heaphy, Rose Baldwin, Mary and Ernie Finke, Ilva Petruccelli, Mary Gilmore, June Andrews, Ingrid Eby and Marlene Winczewski all helped to make a lot of work a lot of fun. There were many laughs and we all agreed we do need to purchase some new decorations for the club house for next year. Some of the decorations are getting a little tired looking. Everyone thanks the elves for their hard work.

We thanked Kathryn Eyre for her willingness to handle the blood pressure service provided

by the park for so many years. We are now looking for someone to take this activity on for the people in the park. This has been a vital service for many years in our park and we hope to continue it.

Our New Orleans trip needs six more people to make it a go. We hope when everyone has returned we will be able to fill those spots. The Dinner Theater event will be held January 29th and soon tickets will go on sale. This is such a fun activity and everyone who has attended has enjoyed this evening out. The food is excellent and we have never seen a bad performance. Get your tickets from either Betty O'Conner or Ingrid Eby.

Recycling is now being handled by Jim Norton, Butch Persons, and Frank Aquino. We were given over \$130.00 dollars for our Social Club Treasury. Keep recycling and help the pot grow..

Shuffleboard will begin Tuesday January 13th. There are too many for the morning spots, but the evening time needs many hearty souls to come and show their skills or just learn the game. Sign-up sheet is on the board in the club house.

Swedish embroidery will begin January 8th. Everyone is invited to attend this class. It is a great time and we have a great teacher in Ann Martin. Contact Ann for any questions you may have or just show up. We have a good time stitchin and chattin. We start at 10:00 am in the club house.

There are many functions that haven't had sponsors to head them. Please consider hosting a function and giving your time to make our park a fun place to reside. It takes everyone in the park to make this well oiled machine keep running. There are always so many helpers but we do need some leaders to run the show.

We are working on the purchase of a defibrillator for the park. After the purchase, there will be training classes for those who are interested to be aware of the procedures for its usage.

New Business - New Year's Eve party is a go and will be hosted by Tom Hopkins and the Jongmans. The tickets for this event will be on sale as soon as possible. We hope this will be a fun time for all who attend. Once again, the more people who attend and support the event, will help to make it a festive time and a fun time.

News and Notes

It is great to be able to announce that Dotti Lokanc is home and doing well. She has round the clock assistance and this is keeping her on the mend. She enjoys getting out in the car port and loves having visitors. Great to see you Dotti.

It is also good to report that Elda Fitzsimmons is doing much better in the rehab facility. The doctor has given her the go ahead to put more weight on her foot and she is able to walk a little more each day. Great news Elda.

Many of us in the park attended a memorial service for Teresa Frizzle. It was a sad time saying good bye to one of our dear friends in the park. You will be missed Teresa.

It is with great sorrow that I report the passing of Matt and Marianne Schwamberger's daughter. She lived in Louisiana and Matt and Marianne are there now for the service. We can't imagine the pain they are going through and we pray God's will keep them in the palm of His hand. Safe travels to them and sympathy to the entire family.

Thanksgiving Dinner

Maud Davis

WOW !!!!!!!!!!

Our largest Thanksgiving Dinner ever. We had 102 residents and guests and 4 take-out dinners.

There were so many delicious and different hot dishes. The Salads were also excellent and a great variety. And of course the Desert table just gets better and better each year. The Pies that were leftover and had not been cut will be donated to Potluck Dec 8th. We are so fortunate to have so many talented cooks in Boca Ciega.

If we are involved next year I promise lots more Ham and I apologise to those who missed out on the Ham.

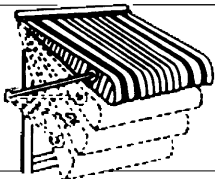

I would like to Thank Joyce Mrozinsky, Mary Finke, Ingrid Eby and Ann Martin for cooking the Turkey's. Great job.

Also Thanks goes to Dennis Eby and Matt Schwamberger for carving the Turkeys. To Ingrid Eby, Thank You for giving the Blessing.

To the Committee, it was a pleasure working with you all, Don and Yogi Heaphy, Dave and Rose Baldwin and Ann Martin, Thank You so much for all your hard work. You all did a great job. And a big Thanks to everyone who helped cleanup after dinner. Many hands make the job easy. And from your Canadian Hosts it was our pleasure.

Day at the Park

Susan & Tom Logan

Here we are spending a lovely day visiting Santa at Busch Gardens. The Eby's, The Webster's, The Logan's along with Susan and Tom's two daughters and their husbands.

It was a long and exhausting day, but everyone had a wonderful time. Thank you to the Ingrid and Denis for being our tour guides for the day.

Information.....We got tickets that would last through 2014 and to the end of 2015 for \$83.99 from AAA, that gives you multiple entries into the park and also includes all the rides and shows. Packages can be bought at the park for Meals. It unfortunately does not include parking, but if a 2 year package is purchased, it will include free parking.

A Special Thanks

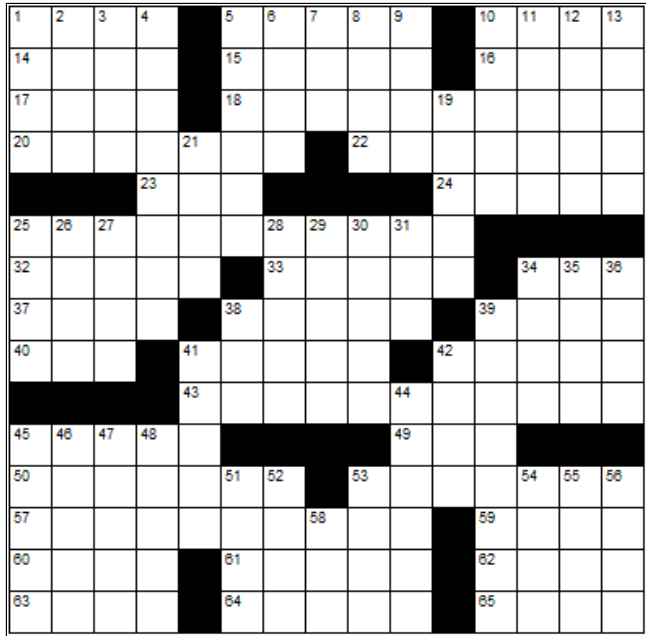

On behalf of all the Boca Ciega residents, we would like to extend our appreciation to Steve Strobl for his donation of 5 turkeys, which will be cooked and eaten at our Xmas Dinner.
