## President's Corner

*Don Fitzsimmons*

---

**H**ello to All,

Autumn is in the air here in Ohio, although we have not had a killing frost as yet. This is a little unusual but unusual has become the new norm for our weather it seems.

The park is running along in good shape. Contract workmen were in this past week beginning work on the ditch and surveyor due in next week. So hopefully they will be in full swing on the ditch soon.

Just a note for you all. At the time of this writing we have the following units for sale in our park.. This can give you notice for someone interested before you return to the park. They are units 11, 15, 95, 105 and 116.

Time is growing short for some of to return so it is button up one place and open again our winter home.

We hope summer has been good to all of you and look forward to seeing you all soon.

## Social Committee Tidbits

Ingrid Eby

Smiling pumpkins and dancing leaves must mean autumn is here! Jack Frost has been busy nipping the tips of the leaves and they have turned into an awesome array of spectacular colors. The reds, yellow, oranges and browns display the artistic work of the fall season. In contrast, weather in the South is still hot and steamy. There has been a lot of rain and the park looks lush and green. Everything is in good shape and waiting for all of us Snowbirds to return. I am sure many of us are cleaning out the fridge and packing up for our trek down to Florida. It will be good to see everyone and resume all the activities at the park.

We have many activities planned for this upcoming season. Some of the usual events and some new ones to take advantage of. Remember it takes everyone in the park to make it a happening place to live. We are very fortunate to have such a nice group of people to spend time with in the winter months.

Here's hoping that everyone has a safe trip on the way South.

### News and Notes

I saw on face book that Bob Eyre had a pace maker installed. He is doing well and home from the hospital. Our best
