## BE IN THE KNOW

Betty Chatigny

If you haven't signed up for the Briar Creek Email list, perhaps it's time you joined the Briar Creek email group. All you need to do is email your name, email address, street address and phone number to [bettychatigny@hotmail.com](mailto:bettychatigny@hotmail.com).

When your name is added to the list, you will receive a confirmation email. And when news breaks, you will be aware of happenings by an email notification. If the water is going to be turned off for repairs, if bad weather's heading our way, if there are upcoming important meetings at the clubhouse, or an emergency situation arises, you will be notified via email.

I realize your privacy is important, so be assured your email information will not be shared with anyone else. If you have signed up for this notification system, and feel you are not receiving the appropriate emails, first check in your "*spam*" or "*trash*" email folders for previous messages. This can happen if your computer does not "recognize" an incoming email address and there is a simple fix for this situation.

Board Members sometimes request emails be sent that pertain to their area of responsibility. If you receive one of these emails and you want to reply or send a comment to that person, please don't respond to me. You should reply to the person whose name appears as the originator of the email.

If you have any questions about how the system works or any other concerns, please give me a call at 727-216-3871. We look forward to adding your name to our ever-growing list of those residents who are "*in the know*."

## BC MART

# FANNY FLAMINGO

---

As a community, moving through this Covid-19 pandemic has been a ball and chain for most. BC is aware of what is required and has worked hard to bring back such things as coffee hour, line dancing and other activities as we take baby steps to ensure safety with masks, distancing, sanitizer, gloves, etc. Please, if you still do not feel comfortable then don't attend the activities, we fully understand. We will get through this!

## FREDDIE FLAMINGO

---

**R**emember when you bought your home in Briar Creek and you signed an agreement that you had read and understood the rules and regulations? We know it is human nature, or in this case bird nature, to not always agree with these rules and regulations. Much work is done learning from other condo communities like ours what works and what does not, and obeying these rules as well as being held accountable for them is what keeps a community respectful, strong and attractive to invest in.

If you do not agree with the rules and regulations, you can participate in making changes through the Board of Directors. When in doubt about anything do not ask a neighbor, contact a Board member. Some communities have paid dearly for not doing the right thing. Help keep us safe, strong and a great and respectful place to live as we make great memories.

## SMILES OF THE MONTH

Pat Dion

---

**W**ell with all that is taking place in 2020, one of my daily goals is to stay positive and look for fun and rewarding activities. When that's in short supply I go online and look for jokes that make me laugh. These have been tested on JP so I'm hopeful they will at least get a smile out of you and brighten your day. My favorite is the one about the two elderly women having breakfast in a restaurant.

*Why aren't koalas actual bears? Because they don't meet the koalafications.*

*A boy asks his father, "Dad, are bugs good to eat?" "That's disgusting. Don't talk about things like that over dinner," the dad replies. After dinner the father asks, "Now son, what did you want to ask me?" "Oh, nothing," the boy says. "There was a bug in your soup, but now it's gone."*

*Why don't blind people skydive? Because it scares the heck out of their dogs.*

*Two elderly women were eating breakfast in a restaurant one morning. Ethel noticed something funny about Mabel's ear and she said, "Mabel, did you know you've got a suppository in your left ear?" Mabel answered, "I have a suppository?" She pulled it out and stared at it. Then she said, "Ethel, I'm glad you saw this thing. Now I think I know where my hearing aid is."*

*...continued on page 14*

*Why is it that your nose runs, but your feet smell?*

*A man went to his lawyer and told him, "My neighbor owes me \$500 and he won't pay up. What should I do?" "Do you have any proof he owes you the money?" asked the lawyer. "Nope," replied the man. "OK, then write him a letter asking him for the \$5,000 he owed you," said the lawyer. "But it's only \$500," replied the man. "Precisely. That's what he will reply and then you'll have your proof!"*

## LINE DANCING

*Helen Coar*

I received the OK to restart line dancing and the dancers are happy to be able to kick up their heels. They have missed the fun exercise. So, meet you at the Clubhouse on Wednesday evenings at 6:30 pm. Dust off the dancing shoes and don't forget to wear a mask and respect social distancing so that everyone is comfortable participating.

## BRIDGE & CRAFTS

*Barb Glasheen*

I'm sorry to inform my bridge and craft friends that I am not returning to Briar Creek. This past spring was very difficult after the distancing issue came into effect. You can't play bridge six feet apart. I am home among family and that's where I want to be. I wish you all the best. You are great people and I hope that someone will take over both activities when all is safe.

## BINGO

*Jean Richter*

Bingo will remain closed until conditions of the Coronavirus are considered safe for a group of people to be in the same room. I know we all miss Bingo and hope we can play soon. Better to be safe than sick!

### Board of Directors:

#### Ron Prevost – President

**W**e are currently in the process of resealing all of our streets in our entire community. This is a very large undertaking and requires the patience and cooperation of all of our residents to be successful.

To do all of our streets takes three weeks, weather permitting, and affects your activities for two days to apply the sealer and allow it to dry sufficiently for vehicle traffic. It will last for many years if done successfully.

Please turn off all watering devices when your area is being worked on.

I would like to thank all the volunteers who assisted us in the weed removal on all the streets and driveway entrances throughout the community. All your hard work will make a much better result to the project.

Thank you all for your understanding.

Your board is carefully monitoring the Pinellas County Covid 19 restrictions and following them to keep our residents safe and healthy. The pool, exercise room, and library remain open with guidelines for your use. Please enjoy them but mask up and social distance when required.

Welcome back to the snowbirds returning home. I wish all of you a happy holiday season.

#### Jean Schmidt - Condo Secretary/Alterations/Director

**H**urricane season will soon be officially over, cooler (than 90) temps are here and hopefully many of our snowbird friends have returned!

Election Day – Nov 3rd- if you haven't mailed in your ballot, get down to your polling place and exercise your right!

Veteran's Day-Nov 11th -Thanking **all** of our veterans for their service!

Please consider running for our Condo Board and get your resumes in to Progressive as soon as possible – as well as your proxies!

Just a reminder, any outside alterations must have a submitted request form AND an approval from the Condo Board before any work is done.

## Neighbor to Neighbor

Linda at lme@iquest.net and Ellen at ellenreports@yahoo.com

**H**ello Neighbors!

We hope you are all staying safe and healthy as COVID-19 continues to be present in Florida.

We are spotlighting some of our long-term residents in the next few “Neighbor-to-Neighbor” articles. It is amazing how Briar Creek has changed over the years since its founding in 1977!

I had the pleasure of speaking by phone to one of our Phase 1 residents, Beverly Alho, who moved into the park with her husband in that first year, 1977. We had a wonderful conversation about how things were back then.

When she and her husband moved into Briar Creek, there were only a few mobile homes set up in the park at the time. When they bought their house on Sugar Bear, she said, “We knew the park was growing.” There was “nothing here” back then. McMullen-Booth was a 2-lane road, there was no hospital, no Medical Arts, no grocery stores, no fire station, and no police station.

The pool was in progress of being built and afterwards, the Alhos would meet a large group of friends at the pool every evening. They all became close friends. “Now, they’ve either moved back north, gone into a nursing home or passed away. Those were fun times,” she said. In the beginning, there was no clubhouse, no Board of Directors, and no shuffleboard.

After the clubhouse was built, Beverly and her husband attended dinners, shows, holiday activities, and Bingo. When the first Board of Directors was instilled, rules for keeping the park beautiful were ratified. “I’m glad they did,” she said.

I asked Beverly how old she is because, in my head, living in Briar Creek 43 years and assuming she was 55 when they moved in, then she must be 98! We had a good laugh because Beverly is actually a young 75 years old and moved into the park at age 32. “The 55+ restriction came in the early 80s but they never allowed families with kids to live here.” Since she and her husband had no children, that was a big draw for the Alhos. “It’s always been so quiet and peaceful here.”

Beverly has always loved animals and when they added a Pet Section, she was really happy. I asked her about other wildlife in the area in the late 70s. The park was surrounded by fields, grass and had no fences. At the time there was an abundance of wildlife; turtles, armadillos, bob cats, possums, raccoons, and coyotes. Once, when she was sitting outside in her back yard, she saw a wild pig. “I kind of adopted her. Every night, she would come,” Beverly said. “I

named her Miss Piggy and my dogs loved her. She came for several years and would sit on my lap sometimes.” Eventually, Beverly found a “pig rescue” in north Florida where Miss Piggy could live out her days.

I want to thank Beverly for sharing her stories with me and the rest of you! Look for our article next month when we will be highlighting another long-term resident.

Make it a great day in the neighborhood!

Betty Hudd

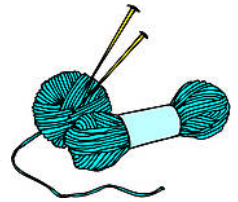

**W**ell girls the virus is still at hand and the club houses are following guide lines on partially opening for our benefit so we will wait for more freedom in the future.

I feel this is the time to step down, not due to health reasons, just to give another individual an opportunity to give the group a new path. The new President will find the support from the girls as I did when we are able to resume, thank you. Hopefully a President will step forward so we don't fold. Also remember your Secret Pal to be revealed in a few months and above all remain healthy.

## Crafts, Knitting, Crocheting

Darlene Beyer

**I**f you are knitters crocheters and have yarn, you can get started on making scarves and hats for the children at the Sheriff's Ranch or the cancer patients while you're sitting in your homes during this quarantine time. This will help you fill your time and feel productive while doing something for others in need.

## Yes, We Do Have Seasons

**H**ere in Florida, many trees drop their leaves in the fall or early winter, just as they do in the northern states. For example, red maple can be found throughout Florida, and other trees that drop leaves include sweetgum (liquidambar) and crape myrtle.

Cypress trees have leaves and shape that look similar to evergreen trees, but they also drop their leaves. The leaves of the two cypresses near the benches overlooking Dove Lake will start to turn coppery and then fall as the weather turns cooler. The trees aren't dead, only dormant for the winter.

By contrast, the Southern magnolia stays green and keeps its leaves year round. The leathery leaves are shiny and dark green on the top, but the undersides are naturally a rusty brown.

The Southern live oak keeps its leaves for a long time—all through winter. Come spring, the live oak drops its old leaves in a rush as the new buds start to come out. (That's why we end up raking in March!) Live oaks are beautiful trees—the Baranoff Oak near the Safety Harbor Library is an awesome example.

## Humane Society & The Haven

*Barbara Bergling*

**B**riar Creek residents are the most generous people I have ever met. Thank you all for your donations to the humane society and to the Haven. During this time few people are traveling, but you are still going to the dentist. If you don't use the toothbrush, floss or toothpaste, consider donating them to the Haven. The Humane Society can always use old bath towels, blankets and decorative pillows that you no longer want. As always, you can drop any contributions off inside my screen room. 93 Briarwood Pl.

## PHONE TREE

Marsha Bowlby

OK, ARE YOU READY FOR A LAUGH.... YOU CAN LAUGH WITH ME.

**A**re we having fun yet??? These past few days (Oct 9th -11th) have been a real challenge with the PHONETREE. It seems that I press a key that I shouldn't have and actually deleted the entire phone tree group, that was back in July, not a good time in my life.... No So I decided to use my old system until I could redo the Google Groups, and that was Gmail. Well that was ok for about a few weeks and then it stopped working for large groups. (which is why I went to Google Groups in the first place)

So, these past few days I have been creating the new Phone tree again on Google Groups. There are other systems out there that are free, and I will look into them at a later day. (my mind can only accommodate so much at one time.)

So, I start to direct add e-mails to the Google Group, things are going well and then it tells me I have reached my Dailey quote. (110), so I think no problem I will finish tomorrow. Well I'm not sure what they meant by daily because it wouldn't let me direct add any more. Ok, so I thought I would do it by invitation... That was not so good, because you didn't know I was doing it and you thought it might be spam. So, I go to the old system and sent out a message to those of you who needed the invitation and let you know what is going on. I resend the invitation and think.... Gee I wonder if enough time has passed that I can directly add members again. And sure, enough it had so all those reissued invitations didn't need to happen.

So now I have the Phone tree up and running with 197 members and around 160 households.... So, if all this mess up you are not on please send me an e-mail and I will check it out. I am sure by the time your reading this my mind will be ready for the challenge.

I can laugh about it now and I hope you enjoyed a chuckle or two... Thank you all so much for your patience on this...

Marsha
