BOARD BUSINESS and UP DATES

From the Desk of – John Pickering, President

Welcome to our June Media update. Summer is upon us, snowbirds have headed north, traffic congestion has subsided considerably and restaurant wait times are no longer a problem.

Understandably the heart of our community still beats on and requires our respect and attention. Volunteerism, yet on a smaller scale during the summer months, remains one of the fundamental reasons BC 1 is identified as one of central Florida's most appealing over 55 communities year after year. Please help your neighbors in any way you can to keep each neighborhood cluster organized and visually appealing. Keep an eye on all snowbird properties and of course notify our trusty Sherriff's Department if you sense anything is out of sorts.

By the time you read this article "Director Ray J" will have helped Safety Harbor wrap up all of the final touches on the Sugar Bear sewer repairs. Hats off to all involved as this complex project progressed way ahead of schedule with very few issues. I'm personally very proud of the neighbors directly affected by this project in the way they cooperated with the construction company and the related inconveniences.

At press time, the Phase 1 water main relocation effort along the creek behind the homes on the north end of Cedar Elm is on its way to a successful completion. Again, Ray deserves a handshake from each of us for the way he's overseen this critical corrective action. We're now

...continued on page 6

in the throes of working with Safety Harbor and Pinellas County in deciding the next phase of a multi-year remediation plan for the creek and nearby waterlines. I will be soliciting volunteers to join a Special Committee to oversee this initiative once we're all back in the fall. Please drop me an email if you feel that you want to be involved. All Director email addresses can be found in the front of the Media.

Our Board meetings will subside after our session on June 5th and remain in hiatus until October 2nd. Of course we're prepared to call a meeting during the off months if something requires our attention. I would love to reconvene our October meeting with a full slate of Directors if possible. BC 1 is comprised of many qualified individuals with a bounty of skills, intelligence, experience and the passion it takes to oversee our delightful Community, and all it takes is an email to me or any of the other Directors for consideration. Step up and contribute in a meaningful way!

Yes, as always, I will be heading to NH for a couple of months in an effort to avoid the summer humidity here and enjoy some time with our energetic grandsons. I can be reached via cell phone (603-562-9762) or email anytime you want to say hello. I will do my best to help in any way I can from 1,365 miles away.

I hope you enjoy a great summer wherever you find your pillow each night and I ask God to bestow a magnitude of blessings upon you all!

Bye for now,
John

Lawn Maintenance/Trees/Landscaping - John Pickering

Summer weather is upon us providing us with rains on nearly a daily basis and increasing winds accompanying the seasonal hurricane trends that we deal with for the next few months. Be you a year rounder or a snowbird, please make sure that your eaves & downspouts are clear of debris and clutter. Position your downspout extensions carefully so that the intense flow of rain does not affect your property, or your neighbor's, in a negative fashion.

Nature's rain supports deep green grass that grows like crazy all summer. Plush & beautiful, our lawns will need mowing on a weekly basis. I expect to have a seasonal mowing schedule to share with you by our next Media edition, but for now just plan to see activity each & every Tuesday morning.

TLC is doing a great job for us and is getting to know our neighborhood clusters and trying to better understand the specifics of each lawn and our personal expectations. Please remain patient with them as they continue to understand the unique characteristics of our 317 homes. This learning curve is challenging and they deserve our understanding if we see things being done differently than our previous lawn care service provider.

Remember that change can be difficult but the end result is usually worth the short term frustrations.

Who can stay in my home while I am away?

This question has been asked several times in recent months and we have asked for clarification for us all. According to Florida Case Law & Black's Legal Dictionary, the definition of immediate family is: 'to include (a) **person's parents, spouses, children, and siblings**' only. **There is also leeway to include 'parent-in-law and grandchildren'**. We fully understand the desire of everyone who has ever visited Briar Creek 1 to desire to spend some leisure time in our community (in fact many of the current owners did just that). But the fact remains, we are only 317 total homes and there is no way we can accommodate everyone who wishes to enjoy our 'near paradise'.

BC1 is currently at 8% (25) total rentals and only 5 of those are 'snowbird' rentals. The other 19 are annual and some have had the same residents for many years who are very involved in our many activities. Please note: **'use and occupancy does NOT have to have a \$\$\$ amount to be considered a rental.** Please do not put your friends and neighbors in the awkward position of asking them to house your friends and family without an approved rental. This also puts your 'guests' in an awkward position as well as they have no idea you were not allowed to offer them your home for a vacation. Your home is open to anyone you choose when you are present, but a homeowner cannot have guests in their home if they are not there to receive them. If you do have 'allowable' guests (immediate family only) visiting at your home while you are away, a courtesy email to your Board is always encouraged to make us aware of activity at your home.

With short-term rentals in great demand, it is the obligation of your Board to see that our documents, (which includes our policies), are followed. I know some of you are reading this and thinking nothing like this goes on in BC1, but it has. Should this happen in the future, the fining process will be followed and no exceptions will be approved.

Board passes Fining Protocols, Policies & Procedures

At the May Board meeting a decision was made to define the process involved when a homeowner chooses to ignore the guidelines set forth in the governing documents of Briar Creek 1 Community. According to FL State Statue 718.303, (and our BC1 docs.) the Association may levy reasonable fines for the failure of the owner of a unit, or it's occupant, to comply (follow) with any provision of the Declaration, Association Bylaws, or Rules of the Association.

A fine may be issued for the maximum of \$100 per violation, and can duplicate the fine up to \$1000. (*Example* A homeowner chooses to rent/lease/loan their home to a friend or stranger for ANY amount of time knowing there are no Rentals available in BC1. Upon the knowledge this has occurred, the \$100 fine per day, up to \$1000 will be issued) The Association may also suspend, for a reasonable amount of time, the right of an owner, or an owner's tenant, guest,

Continued on page 10

or invitee to use the common elements, facilities or other Association property for failure to comply with the BC1 documents.

The desire of the Board is not to become a ‘police’ agency looking to issue ‘tickets’, but all directors, upon being seated on the board, signed an affidavit to uphold the documents of our association. It is our desire to continue to keep BC1 the community we all know, love and enjoy. We all bought here to be part of such a beautiful community and want it to stay that way. We are not striving to make any profit, we only want compliance with our documents and the papers YOU signed to follow when you purchased in BC1.

You will see more info to come in the following months as we do our best to keep you, the homeowners, informed of what is going on in Briar Creek 1.

PHASE 1 & 2 OUTDOOR WATER USAGE

Watering of lawns should be done with consideration for the whole community. There is only a single water meter that monitors the water usage in both Briar Creek Phase I & II.

The water bill reflects the water usage in both communities. When lawns and other outdoor plants are watered, to the point that water is running down the street into the storm drain, this is a waste of a precious natural resource as well as a lack of concern for fellow residents who pay through their monthly condo fee for the water used in both communities.

There are water restrictions in place by Pinellas County. Usually this time of the year and other times, when rain is in short supply, residents are required to follow county policy concerning the use of water, to ensure that there is a sufficient supply for everyone in the County.

Residents need to follow the restrictions, and if water is running down the street, it indicates that the ground can no longer absorb it and the water should be turned off. It is better to water several times than try to get it done all at once and waste water.

I have been called out several times with what residents believe is a water leak only to find that someone’s lawn or plants are being over watered and I have to request them to stop. I ask all residents to show respect for their fellow residents and our precious natural resources and use water responsibly.

Director, Archtural Control/Annual Inspections - Jeff Clark

A reminder:

An Architectural Review Request form must be completed for any addition or alteration you wish to make to the outside of your home. I often get the one-word question: “Why?” There are several reasons for it, but the two most important ones are:

- We’re far from the typical mobile home park, as we’re also a condominium. In a typical condo, the board and/ or management company have full responsibility for the exterior appearance of all buildings and grounds. As each Briar Creek homeowner is responsible for their property, the board needs to ensure that each resident keep up the appearance of their home to a universal standard. Briar Creek looks good, and your board wants to make sure it stays that way.
- When you do want to add to or change the outside of your home, it often requires digging. Before you start, wouldn’t you like to know where utilities are? As soon as I receive an Architectural Request that requires excavating, I hand it off to Ray Jablonski so that he can check your lot for utility line locations. He’ll show you where these lines are, so you can safely proceed with your project. Without this information, you run the risk of severing a power line, or breaking open a water main. I can assure you that, without an approved Architectural Request, you will be charged for any and all costs associated with fixing damaged utilities. That bill starts in the hundreds, if not thousands, of dollars.

So, help us keep Briar Creek looking great, and help keep yourself out of trouble (not to mention small-claims court...) by always submitting that Architectural Review Request! jeff@mybriarcreek.com

From the Nest of Freddy, the Flamingo

Dave Doran

Remember that if you are going away for the summer for an extended vacation **turn off your water and water heater!** When you return, first turn on an inside tap, and then the water heater.

Another reminder, call **727-582-6177 Sheriff's Office** – They will check on your house while you are away. This is a great value to our community.

Fanny Flamingo sends a big THANKS to Annette LeMieux for planting, watering and painting of figures in the garden next to BCMart. Looks, fabulous!

What's Going On in the Creek?

Remember that 2019 Hurricane Season begins June 1 – November 30. If you are full time residents of Briar Creek, be prepared. Make plan to either evacuate or find a shelter. Keep the gas tank topped off; if you evacuate the area, gas may be difficult to find on your way out of town. Also make sure your prescription meds are filled (check with insurance if it is “too early” to refill).

If you or someone you know needs special assistance to evacuate, the county has a Special Needs Program. Register NOW by visiting www.pinellascounty.org/alertpinellas. Do not wait until a storm approaches to register. If you don't have access to the internet ask a neighbor to help you register.

It is a good idea to routinely pick up a few non-perishable supplies each time you shop during Hurricane season. Once warnings are issued, grocery shelves may quickly empty. If you opt to go to a shelter you may want to bring some food and water for yourself. Have enough pet food on hand, too. Not all shelter allow pets. Most stores have hurricane preparedness information near the entrance/exit – grab one.

Please look out for your neighbors if they need help during a storm.

WHO KNEW? The water main break along the creek would be this big of a deal?

HELPFUL NEIGHBORS

Thanks to Fred Mbiad for painting the yellow caution spots around the clubhouse!
Thanks to Annette Lemieux and crew for trimming, cutting, pruning, cleaning up, planting, and mulching the plants in the green area surrounding the clubhouse, pool and BC Mart. Many hands make lighter work. It was a HUGE undertaking.

Summer in Safety Harbor

The city of Safety Harbor's Recreation, Events, Arts & Leisure, REAL Fun department offers an extensive schedule of activities through their "Living Young" program including lunches, local tours and day trips.

Look in the May-Aug 2019 issue of REAL magazine for details. You may also log onto www.SafetyHarborRecreation.com for schedules and registration information; or call 727-724-1545.

Board of Directors:

Bill Russo – Lakes & Lawns

Our new lawn company started on Tuesday May 7th. Every Tuesday should prove to be more productive than Fridays. Our Board people & other volunteers helping with good supervision, and communications is the key.

Offering these lawn people a bottle of water will go a long way!

Also, Please do NOT feed the squirrels. We are having problems with them getting into the roofs and vapor barriers of our homes.

Thank you for your cooperation.

Jean Schmidt – Alterations/Renovations

With the summer season upon us, there will be probable delays in having any alteration requests approved. Please do not plan an alteration that needs "immediate" approval! Alteration requests require four Board Members to approve and sign.....most of the summer there will only be 3 of us here at any time and my "partner", Clark Woodard, is

gone until the fall. We have received a suggestion to display alteration request approvals in resident's windows during work being done. The Board decided it would be better if we posted a list on the Board of Directors Bulletin board. For those interested, I have posted it since middle of April. I update it as projects get completed and new requests come in. Thanks for your cooperation!

Travel Club

Karen Johnson & Roz Lucas

Hi Everyone, December 28 will find us at the Sailor Circus holiday show in Sarasota. The Sailor circus Academy is the top circus school in the United States training students to become circus performers. They only do 2 public shows a year and we have secured 40 premium seats for this performance. We put the sign-up sheet on the board this past Saturday and we already have 22 signed up. We will also be going to the Der Dutchman for their wonderful buffet lunch. \$99 includes everything! Don't miss out on this very unique show.

March 23-26 we will be doing a trip to Atlanta. We will be staying at the beautiful Drury hotel and visiting places like CNN, the Coca-Cola Museum, the Aquarium and several more places. We will have the exact cost in the next media. This is really going to be fun. All of us have driven through the dreaded Atlanta traffic but we never just stop and visit this beautiful city.

There is still time to sign up for our short 5 day cruise December 2-6 on the Mariner of the Seas. This is the annual cruise for cancer sponsored by Dale and Marie Emmerich, owners of Advantage cruises and tours. There will be cocktail parties, lots of special entertainment and all on this newly refurbished cruise ship. Call Advantage for all the pricing and get signed up now!

Our best cruise of all is our Wine Country cruise from L.A. to Vancouver and pricing includes an extra night in a hotel in Vancouver so we will have time to sightsee this beautiful city. We will be going on the Star Princess and stopping all along the West Coast. This ship has also just been refurbished and is absolutely beautiful. Don't wait to get your deposit in as prices go up very unexpectedly. The dates are April 7th-15th 2020.

We have lots of new day trips for the upcoming season, everything from the Red Barn flea market to 2 days in St. Augustine to see their beautiful Christmas lights. More information on everything in next month's media. Please call Roz, 727-385-3010, or Karen, 727- 686-0161 for more detailed information on everything. See you all on the bus!

Ladies' Luncheon

Carol Smitley

The June 19th Luncheon is scheduled to be held at Red Lobster, 26320 U.S. 19 N., Clearwater. I think most of our ladies enjoy going to this restaurant. Phase I and Phase II ladies and guests are always welcomed. The sign-up sheet is in the hallway, Phase II. Reservations will be turned in the Monday before the luncheon. If for some reason you signed up but you can't make it please give ME a call. Remember, it is at 1:00.

Food Pantry

Joan Davis

On the third Saturday of each month, we collect what you have donated and deliver it to the Food Pantry that week.

We also collect and deliver for Mattie's Kids. Items for Mattie's kids must be individual portions. This is so that the children can pop a top and eat the item. Some examples could be the following: Pudding, Jello, Individual peanut butter, pouches of tuna, canned Vienna sausages, cheese-cracker packets, and individual fruit cups.

Please, **NO CANDY**, this is not good for the children. Also, PLEASE, NO out of date goods.

We collect and deliver year round to both places.

Thank you for your donations.

ANIMAL SHELTER

Jay & Sandy Watson

Please don't forget all the rescued animals in need of food. We have coupons available if you want one.

All of God's little critters need to be taken care of. They are so grateful for anything you can do for them.

Don't forget to adopt them too. You will be rewarded with so much love and loyalty! Our little Grayce brings so much joy to our home!

Just leave your donations on the table in front of the shed in our carport.

Thank you!

Jay & Sandy

BCII PHONE TREE

Marsha Bowlby

If you're not on the phone tree, and you have an e-mail address, maybe you should think about getting on. All you must do is e-mail me at BC2phonetree@gmail.com with your name, e-mail address, your street address and phone number. A response will be sent saying you have joined. I use Google Groups; your e-mail does not show in the group. I'm the only one who has your email address and I do not share it. I have around 150 households on the phone tree currently.

Is your spouse the one getting the e-mails and you never know what's going on? I have several families where both spouses are on the e-mail chain so they both read the e-mails at their convenience. So, if this appeals to you, send me your e-mail address.

Reminder, if you are on the BC2PhoneTree and you are not getting the e-mails please do the following:

1. Check in your spam, trash or whatever the file is called that messages disappear in, to see if the messages went there.
2. If they are not in that file, please send me you e-mail again so I can check it. Send it to BCIIphonetree@gmail.com.

When a message is sent out on the phone tree and you respond back, that comes to me, the phone tree. If you want to respond to the person who requested the e-mail to be sent you need to contact them.

BEREAVEMENT

Judith Holden

Please inform me of the passing of any past or present Residents of Briar Creek II. Until I have official information, I am unable to follow the wishes of the family regarding any services, posting of addresses, name on the outside board, the flag lowering, etc.

None of this can be done without permission of the family.

Please help me to honor their wishes.

I can be contacted at 727 430-1274 or at judith09jeff23@yahoo.com.

Thank you for your attention to this matter.
