## BOARD BUSINESS

### UPDATES FROM THE BOARD

#### *Parking in Briar Creek*

Our Snowbird neighbors are beginning to return, and I know we all look forward to welcoming old friends back to Briar Creek. But as our population increases, so does the need for parking spaces. We want to remind you of our parking rules now so you can inform future guests, and hopefully avoid some past problems.

- No overnight parking on our streets.
- All cars (those belonging to guests as well as residents and homeowners) parked in guest-parking areas must display a completed parking pass that's visible from the street.
- No one is allowed to park any type of recreational vehicle or watercraft anywhere within the park, including all common areas, or anywhere on your lot. The sole exception to this rule is the one that allows you to park an RV in front of your home to pack it for an upcoming trip up to 48 hours before leaving. Examples of RVs are (but not limited to) "pop-top" campers, travel trailers, fifth wheels, motorhomes, and pickups with slide-in campers. Watercraft includes all motorized boats, jet skis and any non-motorized craft that requires a trailer to move it over the road. Canoes and kayaks will most likely be exempt from this rule, but need to be stored out of sight and off the ground. Larger non-motorized craft (canoes, kayaks, pedal boats, etc....) will need to be approved for storage on an individual basis.
- All vehicles must be licensed and registered at all times.

*...continued on page 6*

The enforcement of these rules is critical for emergency responders, not to mention the well-being and convenience of all of us. Therefore, you will find stricter enforcement of these rules this year than in the past. There are NO EXCEPTIONS to these rules, and enforcement can include towing of vehicles (with the vehicle's owner being responsible for all related towing charges). While every effort will be made to notify the owner before a vehicle is towed, emergency situations may require immediate towing with no notice. Unlicensed and/or abandoned vehicles will be given a one-time, 24 hour written notice before they're towed.

We're seeking even more cooperation from the residents in the pet area (north of Briar Creek), as you have the least amount of guest parking. Your guests should park in the area just east of our clubhouse, and they can use the walkway/ bridge behind the pool to get to Turtle Creek Court. From there it's a very short walk to Sugar Bear Drive. Better yet, park your own vehicle in that lot before your guests arrive, and allow them to park in your own driveway.

## UPDATES FROM THE BOARD

### Trees

The planting or removal of any trees within Briar Creek requires two things:

- An Architectural Review Request Form, and
- A permit to remove and/or plant a tree from the City of Safety Harbor

The City of Safety Harbor takes its trees quite seriously, and wants to ensure that their beauty is preserved for the entire community to enjoy. As a city ordinance takes precedence over any restrictions or by-laws we may have, I will not consider any architectural request for tree removal and/or planting that does not first include an approved Safety Harbor permit. You should be aware that Briar Creek residents that proceed without a permit are subject to a fine of \$100-\$500 from the City of Safety Harbor. I encourage any resident to contact me immediately if they feel a tree has been (or is currently being) removed/ replaced without a valid permit.

So please- obtain your permit(s) from the city of Safety Harbor first. If they don't approve the permit, then there's no reason for the Architectural Committee to consider your request.

Jeff Clark,

Architectural Committee Chair

If you have a concern or a problem, I really do want to hear from you. A phone call, an e-mail, corner me at coffee hour: they're all welcome forms of communication. But there is one form that isn't welcome and, quite frankly, I will not respond to.

Board Director is a volunteer position, so there is no price that will allow me to respond to a rude, disrespectful or profane message. I know we have our bad days (or bad weeks, or bad months...), but there is never an excuse to treat any of us with rudeness or disrespect. I've received voice-mails that were not only nasty and insulting, but also profane.

I won't be a hypocrite and claim I've never used foul language, but there's a time and place for everything. If you want us to respond, then please address us in a way that you would like to be treated (as well as anyone else you interact with, for that matter). If I haven't responded to your concern, then you might want to review your message and rethink how you expressed it.

### BC Rentals Update

There has been NO change in the number of rentals allowed, and all 31 are filled. Please continue to be good neighbors to those who are renting, whether annual or seasonal. These people are our neighbors and some have become homeowners because they liked our BC Community so much. Several others are snowbirds and have come back year after year to enjoy Briar Creek.

All renters are interviewed by our Board representatives just like our new owners are. We respect YOU and hope to provide a safe environment for us all to enjoy.

Remember, our BC policy does NOT allow for anyone to stay in a vacant house for 30 days or more UNLESS you are an approved renter. Please do not embarrass your family, friends or even strangers by breaking the approved policy. (Also, don't think no one will find out...we will! Just because your neighbors don't say anything to you or oppose the idea to you, they WILL talk to the BOARD!)

Briar Creek is a homeowner community and we want it to stay that way. Do your part and be a good neighbor! If you have any questions, please feel free to call me, Connie Holmes, Secretary, Board of Directors in charge of the Lease and Purchase at 423-297-5627.

## PROXIES FOR ANNUAL MEETING DECEMBER 4, 2017– Joann Barr

---

**T**o all Briar Creek Property Owners:

You will be receiving in the mail from Progressive Management your General/Limited Proxy. It is important that all owners submit their proxy for our Annual Meeting scheduled for 10:00AM, Monday, December 4, 2017. Your completed SIGNED Proxy ensures the Board of Directors will be allowed to conduct business during 2018. Unsigned proxies will not be counted.

Be sure you vote for each issue as explained in the Proxy. A quorum of owners (159 of 317) is required to pass the listed issues. If we do not have a quorum our monthly maintenance fees will go up considerably. Only one Proxy is valid per property. If you own two properties, submit a proxy for each one. Please show your Unit Number, then date and SIGN your Proxy before submitting. The signature must be any owner on the title. If you change or have changed the title or mailing address since purchasing you need to let Progressive Management know.

You must submit your Proxy prior to 9:00AM on December 4, 2017

*There are several ways to submit your Proxy:*

1. Drop in the mail slot at Clubhouse Director's Office.
2. Give to Jo Ann Barr any time, or drop off at 106 Cedar Elm Drive, put in black mail box at back door.
3. Mail to Progressive Management

It is recommended that your Proxy be dropped at the Director's Office or given to Jo Ann Barr. Mailing slows the tally process. Early submission insures there are enough proxies received to conduct business during the 2018 year.

If you have any questions or need to know your Unit Number, please call Jo Ann Barr (727-669-3820). Thanks for your help.

PLEASE NOTE: Extra copies of the Proxy voting page will be available. Progressive Management mails your Proxy to the address they have on record for you.

# Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583)** or visit **[MortonPlantValveTrial.org](http://MortonPlantValveTrial.org)**.

## **Beautification Matching Grant Fall 2017**

An application was submitted to the City of Safety Harbor for their Fall 2017 Beautification Grant, which if approved, grants 50% of the cost (up to \$2500) of a landscaping project. A plan was submitted for landscaping in 3 common areas: 1) the planter on Sugar Bear at the laundry facility; 2) the planter on the corner of Briar Creek Blvd and Cypress; and 3) clubhouse grounds to include the planter boxes on the rear of the building, adding a new tree (a replacement requirement) and replacing the dead Azalea on the walkway.

This project completes the landscaping needed in common areas of the park which began in the spring of 2016.

## WANTED: KRAZY KARDS COORDINATOR

---

If you would like to keep the Krazy Kard tradition alive; consider becoming the host. Krazy Kard Nights host and hostess for many years, Pauline and Gary, will coach you. This is a fun night which has been held monthly during the season! This is an awesome opportunity for you to step up and volunteer for you community!

## SOCIAL CLUB/ MEMBERSHIPS

*Dave Doran*

For your **\$1.00/PER PERSON** Annual Dues you get a picnic, Appreciation Night and other **FREE** events throughout the year as well as a chance to win \$5.00 every week at coffee hour! Only members are allowed to vote on certain issues.

We welcome back the steady stream of snowbirds as they return to our lovely community. During the winter months the social club offers more activities and events which are open to all residents in both Phase I and II. Everyone is encouraged to volunteer to help in many different ways. Just ask Dave Doran or Georgia Douglas if you want to help assure that these events are fun for all!

As we look for to re-introducing Sunday breakfasts, all of the staff will be sporting classy, new maroon Briar Creek aprons!

Also open for discussion, and up for vote in January is changing the start of Wednesday morning coffee time to 9 a.m. (from 9:30 a.m.). The proposed change would allow more time for announcements, comments, committee reports, etc. Many times, these things have gone beyond 10 a.m. – interfering with the BC Mart opening time.

Under the proposed change, coffee and donuts would begin at 8:15 a.m. instead of 8:30 a.m. You are invited to submit your thoughts/comments in the suggestion box; Social Club members will vote on the proposal the first of the year. Membership is a buck, \$1, for the whole year and gives you voting privilege as well as free admission to our annual Appreciation Night and Annual Picnic. Best bargain in the world!

## ANNUAL BAZAAR NEWS

Dave Doran

**T**he Annual Bazaar is sneaking up on us; December 1 and 2. We will be having a meeting the first part of November for your important input. New ideas and suggestions are always welcome; we are open to ways of growing the bazaar.

Lists will be posted for all departments looking for volunteers to head the department as well as people to assist. This is certainly a busy event and definitely fun, too!

This year there will be speakers inside and outside; all the staff will be decked out in maroon money aprons so it will be easy to identify the money changers; the folks

Be on the lookout for announcements of planning meeting date!

## OPERATION HURRICANE MARIA/ PUERTO RICO

Dave Doran, Georgia Douglas, Robyn Prentiss and many of the villagers

**T**HANK YOU! Thank you! Thank you to everyone who gave money and/or goods. Robyn Prentiss saw this opportunity as one that could make a huge difference and left out all of the red tape stumbling blocks often encountered during relief efforts.

Through a network of private individuals, who wish to remain anonymous, this program makes it easy to participate in a worthy cause. Donations were dropped off at the clubhouse, sorted packaged, picked-up, flown to Puerto Rico and distributed quickly, efficiently with delivery directly to those in most dire need.

Thank you to all of the volunteers who gave, who helped shop and pack donated items ready for pick-up; a portion of cash donations were used to purchase generators.

For more information regarding this mission, contact Robyn Prentiss 239-6068.

## THANKSGIVING with BC Family

**I**magine a huge family dinner with friends, family, and neighbors. Now imagine all that fun in the comfort of the clubhouse and all you have to do is show up! Pricing will be somewhere between \$20 - \$25 per person.

Contact Kathleen, 727- 452-1697; Elaine, 727-669-0174; or Georgia, 843-754-3036 for more information regarding menu, price, and time.

### Anyone for Dinner and a Movie?

**T**o celebrate the 50th anniversary of its premiere (December 11, 1967), TCM- Turner Classic Movies will be showing the landmark film, "Guess Who's Coming to Dinner" at the Woodlands Square 20 cinema on Tampa Road. The date is Wednesday, December 13th, and show times are 2PM and 7PM.

Anyone interested in attending either showing (with a meal after the matinee or before the evening showing) should contact Jeff Clark as soon as possible, so we can buy tickets in advance; on line price is \$13.38 (possibly slightly less at the box office, no senior discount). Meal price is dependent upon where we decide to eat. Please let me know which show time you'd prefer, but be prepared to attend either one as we'll go with the majority's preference on the time.

With top-notch performances from an amazing cast (and Spencer Tracy's last movie role, for which he received a posthumous Academy award), this film never disappoints. To see this film again, on the big screen (with digitally-remastered film and music) is a real treat. You can reach Jeff at 585-613-6218, or email him at [jeff@mybriarcreek.com](mailto:jeff@mybriarcreek.com).

**REMEMBER SHOWTIME Phase 2 2018.** Seats are limited at this time, but you still have time to reserve a table. Contact Pete. Payment is due in December.

**T**he annual renewal period for Medicare coverage selection has been shortened this year. It is a good idea to look over your current coverage to be certain it still is the best choice to cover your current needs. It can be overwhelming to compare all of the options and changes.

SHINE (a free program offered by the Florida Department of Elder Affairs and the local Area Agency on Aging) trained volunteers are available to assist in selecting the best choice and answer questions regarding Medicare, Medicaid, and health insurance.

SHINE services are free, unbiased and confidential. The Safety Harbor Library will host SHINE volunteers who will provide one-on-one counseling. To schedule an appoint, call 727-724-1525 ext 4107 or email Outreach@cityofsafetyharbor.com. The library is located at 101 Second St. N. in Safety Harbor.

**IF YOU have access to the internet** [www.mybriarcreek.com](http://www.mybriarcreek.com) has almost everything you want or need to know about Briar Creek as well as what is going on in other mobile home parks in the area. BC Mart often offers coupons and there is a "classified" section where you may find something that you didn't find at BC Mart.

## BOOK NOOK

*Vivan Rodriquez*

Hello all you beautiful people! And you are beautiful, inside and out. These past few weeks in the aftermath of both Irma and Maria, I have seen what my neighbors are truly made of. After we knew our own homes were alright, people turned their focus on the community and its needs. It was a wonderful thing to witness the selfless acts of my neighbors.

With Hurricane Maria, something that didn't affect Briar Creek directly, the response by its residents proved that as members of the human race, it did. Both Phase 1 and Phase 2 rallied together to help the people of Puerto Rico. Within a few days, generators, food and supplies were collected and packed for shipment. And the efforts continue.

You have probably wondered what all this has to do with library news. It has nothing to do with it. I am shamelessly using my little forum to thank you all for I am Puerto Rican, and what you all have done is not only a necessity but a blessing for the people on my little island.

Twenty one days after Maria hit the island, my mother was finally able to reach her brother. Although my cousins suffered serious damage to their home, everyone is alive and well. My uncle did describe the current conditions as difficult. No one in the little village they live in has power or water. Every day they gather on school grounds and receive drinking water and some food supplies. I asked my uncle what he needs most of all. All he wanted was batteries, which of course we will ship. His situation is the same for the majority of the island as of now.

Throughout this very stressful and helpless time, my strength has been not only buoyed by the concern and caring of my friends and neighbors, but by the outpouring of love that Briar Creek has shown to people they never met. I have been overwhelmed to tears with the gratitude in my heart. And even as I write this my eyes get misty because as I've said before, when I see you, in my heart, I see angels. Thank you for everything all you beautiful people! THANK YOU! Martin Shapiro snapped this stack of generators.

P.S. I promise next month I will get back to library news.

Every Fall welcomes in the “Flu Season.” There are many individual thoughts and feelings surrounding inoculations. The Flu has many variants; seasonal Flu shots will not protect you against all strains of the Flu, just the one expected to be the most likely to infect the population during any given season.

The Center for Disease Control (CDC) recommends for the most effective protection against this year’s strain, one should be inoculated by the end of October; it is not too late, now, though. Keep in mind that it takes about two weeks to benefit from the shot.

The Flu vaccine is not recommended for everyone; check with your doctor before making your decision. Most insurance programs cover the expense of the Flu vaccine, as well as the Shingles and Pneumonia vaccines; again check with your primary physician.

Last Flu Season, the CDC estimates that 310,000 people were hospitalized for flu-related illnesses. Best calculated average number of Flu deaths annually has been updated to about 23,600.

It is true, that we all “gotta go somehow,” if we can prevent death by flu, why not roll up your sleeve and take the shot?

## **Freddie the Flamingo**

*Dave Doran*

---

It appears that Freddie Flamingo has been entertaining in the BC Mart after hours.

All evidence indicates that Freddie has been laying out place settings and wine glasses; at this point there has been no actual pouring of wine or playing of music.

We are not certain whether or not he has had any guests – yet. Rumor has it that he has been seeing Filisia Flamingo and that she is eager to help at this year’s Bazaar. Stay tuned!

## CAUGHT BEING A GOOD NEIGHBOR

---

**R**obin Prentis 727-239-5819, Georgia Douglas 585-329-3827 and Dave Doran 843-754-3036 have teamed up to provide an opportunity for Briar Creek residents much needed supplies to Puerto Rico. This will be an on-going mission. There are collection boxes in the clubhouse.

While the need for provisions continues, the network or anonymous individuals who are providing their private planes, wants no public recognition for their humanitarian contributions.

Non-perishable food items as well as personal care products are needed; invite your friends, family and neighbors to contribute.

Irma stirred things up for us, but Maria slammed Puerto Rico. This effort is a worthy way to share – no gift is too small. Monetary donations will be used to purchase supplies if you are unable to get to the store. In partnership with Harbor Freight, offering a special price on generators, BC donations have purchased at least six to be shipped to PR.

## HURRICANE SEASON – #6 in a CONTINUING SERIES of ARTICLES

*Pat Rivera*

---

**T**he 2017 Hurricane Season ends on November 30. Let us not forget that it will return again in 2018!

If you purchased a supply of non-perishable food items in preparation for the Hurricane season, you may start using them now. OR donate them to the food bank collection box in the clubhouse.

Remember, too, that items are being collected for Puerto Rico. In addition to non-perishable food and manual can openers, they are in desperate need of personal care items. Tooth brushes, tooth paste, mouth wash, anti-bacterial hand sanitizer, soap, shampoo, etc.

First aid items, band aids, antibiotic creams, sprays, etc.; baby food, non-perishable formula, bottles, diapers, wipes, baby Tylenol, etc.

If you are uncertain what to contribute, call Robin, Georgia or Dave (see caught being a good neighbor). Or walk into your kitchen or bathroom, take a look at what you use on any given day and buy those items for Puerto Rico.

Looking ahead to 2018, consider becoming a BC storm volunteer. Requirements are willingness to attend one informational session at the beginning of each Hurricane Season and then to assist BC residents with formulating a plan of action should it become necessary. Irma skirted by us, I'd like to believe we will be safe against all future storms, but preparation is still strongly suggested. Briar Creek is in a mandatory evacuation area.

### BC II PHONE TREE

MARSHA BOWLBY/JUDITH HOLDEN

---

**H**ave you not been receiving calls when someone passes in the Park? We have several families that we do not have a current phone number. If you're not getting the calls, this may be the reason, please call me, e-mail or drop a note off at my house with your current phone number, better yet, sign up for the e-mail notices. This is the best way to get the information. IF you do not want to receive any calls let me know that also. I am trying to update our lists.

We would like to offer the option to Phase II residents to have your bereavement calls be sent to you by e-mail instead of a phone call. This would insure that everyone gets the same information, and if you're on the phone tree that you will get the information.

These e-mails would be sent out so that no one would see your e-mail address, so they will not be shared. The original thought was for this to be used for bereavement messages only, but we found it very useful to relay information during Hurricane Erma to our Phase II residents and our Condo president has had me forward messages.

I have 96 families on the e-mail list, wouldn't you like to be on it also.

#### TO SIGN UP

I will need the following sent to [bc2phonetree@gmail.com](mailto:bc2phonetree@gmail.com)

Your name

Your street address

Your e-mail address

Your phone number

You will receive an e-mail back to let you know I have your information.

### Yellow Phone Directory

Art Tavenor

**T**he new Directory is being finalized for the coming year. If your number needs correcting, contact me. If your number is not listed, I have not received a WAIVER to print it. Please contact me to get a signed waiver. This is important for new residents....please get a signed waiver to me or Pete Loranger.

# ANNUAL CONDO MEETING

---

Date: December 4, 2017

Place: Briar Creek II Clubhouse

Time: 7:00 P.M.

Attention Property Owners

Progressive Management will be mailing the information this month. Owners need to submit their General Limited Proxy for our Annual Meeting. Your completed signed proxy allows your Board of Directors to conduct business for 2018. Proxy must be signed by person listed on title of your property. Unsigned proxies will NOT be counted.

## PROXY:

- 1 – Vote for all items listed
- 2 – Sign and date (signature of owner on title)

REMEMBER, your proxy will give us our quorum and without a quorum, your maintenance fee will go up considerably.

- 1 – Sign proxy (owner on title)
- 2 – Unit number (listed on outside of Progressive mailing)
- 3 – Date
- 4 – Put in proper envelope

Deadline for Proxy is 5P.M. 12/4/2017

Ways to submit your proxy:

- 1 – Drop in mail slot @ director's office in clubhouse.
- 2 – Give to Joan Davis anytime, or drop off @ 131 Forest Lane, side door has a basket.
- 3 – Mail to Progressive Management (separate envelopes)

We recommend you give your proxy to Joan Davis or drop in mail slot @ director's office. Mailing slows down the tally process. Early submission insures we meet our quorum.

IF YOU HAVE ANY QUESTIONS, please call Joan Davis @ 726-4829. If I am not home, leave a message and I will call you back. I will also get extra proxy forms, should you make a mistake.

Thanks for your help in having a smooth Annual Meeting.

Joan Davis

**A** FEW NEW DAY TRIPS!!

Wednesday, Dec.6th is our "Mystery Trip". It is only from 5-9, wear comfy shoes and holiday shirts. The price is just \$39, refreshments will be served but you should eat dinner at home. It will be so much fun! Sign up now!..

Our next adventure is Thursday, January 9th. We are going to Winter Park to visit the Charles Hosmer Morse Museum of American Art. It also houses the largest collection of Tiffany Glass found anywhere. Along with the museum, we will be going on a scenic boat ride on the Lakes of Winter Park. Lunch will be on your own because there are so many beautiful restaurants in the area that you can just go for a light lunch or a full course meal. Everyone who has been there rave about the whole experience. It is \$68pp and includes the bus, boat and museum admission. It is a fully escorted tour and also includes the gratuities for the driver and escort. The bus departs at 7:15am and returns at 5:30 so it will be a lovely, full day. Don't miss out!

Now is the time to get serious about New Orleans! April 2-7. It is a 5 star tour. Fully escorted, we will be staying at the beautiful Crowne Plaza right on Bourbon Street. Mobile, Ala. is our overnight going. We will be staying at the wonderful Drury hotel and we will be staying at a new Fairfield Inn in Pensacola on the way home where we will be visiting the Blue Angels Naval training base. This trip is \$919.00 pp. You can read about everything it includes by picking up a flyer in the Phase 2 clubhouse or going on My Briar Creek.com and going to the Phase 2 travel section. We have quite a few signed up already so don't wait. We need deposits of \$100 so if you have already signed up please get them to Karen or me. The final payment is due the end of January. Any questions about anything please call Roz at 727-385-3010 or Karen at 727-686-0161

We have a few more spots for our Nov.30-Dec1st overnight to St. Augustine. It is \$209 pp. and we are staying at the Country Inn and Suites right on San Marco Drive and Bayview. The trip includes the trolley sightseeing of the city and the night trolley tour of all the Christmas lights. and of course, bus, hotel, breakfast and it is also fully escorted. We only have about 5 or 6 seats available so we need to know right away if you would like to join us. We would love to have you!

## Shuffleboard

Tom Feeley

The shuffle board courts in Phase II are open for your enjoyment on a daily basis. As in the past couple of years, there is a group that shows up on Wednesday mornings around 930 AM and play for a couple hours. Due to an insufficient amount of players needed for league play, there will be no organized team play for Briar Creek II this season.

If you are interested in playing on Saturdays in the associated league – starts in December or January, please contact Ellie Prevost. The associated league plays at Briar Creek I shuffleboard courts and also at the Clearwater Shuffleboard courts. There are shuffleboard tournaments every Thursday at the Clearwater Shuffleboard Club located at 1020 Calumet Street, Clearwater, FL. Tournaments include pro and amateur. Clearwater Shuffleboard Club is a great place to sharpen your skills as a player. Any questions, please contact Tom Feeley.

Lemonade, ice tea and water will be provided. Bring a dish to share. Sign up on the bulletin board at each clubhouse. All can attend the dinner even if you can't participate in the food collection.

Jay & Sandy Watson

**A**s most of you know, we collect donation for the local Humane Society & deliver. There is a table by our storage shed where you may leave your donations at any time. The Humane Society is a no kill shelter so no animals are euthanized there.

These, too, are God's creatures who are unable to provide for themselves, so are completely dependent on us for their very lives. In return they offer their unconditional love and devotion. Please be as generous as you are able in helping these helpless animals to a better life.

If you are unable to get your supplies to us, call and we will pick up.

Thank you for your concern.

### Feb. 23 and April 6 (Phase I & II)

**A**ttention all golfers! Two scrambles have been scheduled again this winter-- sign-up sheets will be in your clubhouse later. Sign up individually, as a twosome, or make your own foursome. It will be casual and fun.

We plan to golf 18 holes at Countryway Golf Course during the afternoon, and then eat dinner together at Daddy's restaurant. Put the dates on your calendar now—you don't want to miss out on these enjoyable events with friends!

**W**E need SPIRITS, cash donations, Jewelry etc.... Enough said for now....much more to come...but I am here, accepting.....WE WILL HAVE ANOTHER SUCCESFUL EVENT...

I need a volunteer to handle the Gift certificates. I provide the letter requesting donations.....you just need to get these requests out to restaurants, hair dressers, nail salons,,advertisers' in the media,,stores of any kind.... Etc etc etc. and return to me for recording., Let me know if you are willing to help with this.

Start thinking of your work area. I have started a list on a first come basis..... Glass, Bakery and Jewelry are full at this time.

If we have enough items for a pre-Christmas item sale, it will be noted on the sign under our flag.
