BOARD BUSINESS

PROXIES FOR ANNUAL MEETING – DECEMBER 5, 2016

Joann Barr

To all Briar Creek Property Owners:

You will be receiving in the mail from Progressive Management your General/Limited Proxy. It is important that all owners submit their proxy for our Annual Meeting scheduled for 10:00AM, Monday, December 5, 2016. Your completed SIGNED Proxy ensures the Board of Directors will be allowed to conduct business during 2017. Unsigned proxies will not be counted.

Be sure you vote for each issue as explained in the Proxy. A quorum of owners (159 of 317) is required to pass the listed issues. If we do not have a quorum our monthly maintenance fees will go up considerably. Only one Proxy is valid per property. If you own two properties, submit a proxy for each one. Please show your Unit Number, then date and SIGN your Proxy before submitting. The signature must be any owner on the title. If you change or have changed the title or mailing address since purchasing you need to let Progressive Management know.

You must submit your Proxy prior to 10:00AM on December 5, 2016.

There are several ways to submit your Proxy:

1. Drop in the mail slot at Clubhouse Director's Office.
2. Give to Jo Ann Barr any time, or drop off at 106 Cedar Elm Drive, put in black mail box at back door.
3. Mail to Progressive Management

...continued on page 6

It is recommended that your Proxy be dropped at the Director's Office or given to Jo Ann Barr. Mailing slows the tally process. Early submission insures there are enough proxies received to conduct business during the 2017 year.

If you have any questions or need to know your Unit Number, please call Jo Ann Barr (727-669-3820). Thanks for your help.

PLEASE NOTE: Extra copies of the Proxy voting page will be available. Progressive Management mails your Proxy to the address they have on record for you.

LAWN MOWING

Barbara Pesic

Lawn Mowing

Mowing service for October will be twice this month on October 14th and 28th.

Grievances / Mowing Service

Please call Barbara Pesic at 727-307-5316 (or email/text message) to report any grievances with the mowing service. All issues will be inspected and then reported to the mowing service management for resolution. Due to the danger of approaching workers operating equipment, it is requested that you do not give instructions directly to the crew. Those requests should be phoned in. Thanks for your cooperation with these procedures.

FYI: Free Trees on October 22nd

The City of Safety Harbor Free Tree Program's next give away date is October 22nd from 8:00 a.m. until 11:30 a.m. while supplies last. Each resident (identification required) can select 2 trees (in 3 gallon containers). Various types of trees will be available including: Crape Myrtle, Southern Live Oak, Bald Cypress, Magnolia, Bottlebrush, Red Cedar and Slash Pine. The give away will be at the Public Works Department at 1200 Railroad Ave. in Safety Harbor. For more information contact Art Finn, city arborist, at 727-724-1555 ex. 1303 or email afinn@cityofsafetyharbor.com.

Common Area Landscaping

Since we have a new landscaping service, Alexander's Property Maintenance, for common area planters, Sharon Philyaw is stepping down from the Beautification Chairperson position. Many thanks and much appreciation to Sharon for directing the landscape maintenance of our planters since May of last year and overseeing the installation of new landscaping in the planters attached to the front of the clubhouse and the one at the front door. Special thanks for implementing a natural remedy for the eradication of the potato vine, which required several broadcasts of beetles to various areas of the park. Hopefully these beetles will end our potato vine problem. Sharon will continue to handling the holiday decorating of the island and flagpole planters to the end of the year.

PARKING ON THE GRASS

Gene Arend

I know we have covered this in many greeting sessions with new residents and many existing residents have heard this before.

For the benefit of anyone not hearing this before, here it is again. PLEASE DO NOT PARK YOUR VECHILE ON THE GRASS. I know you may be able to move it when the Lawn Maintenance people arrive. And I know there was some reason that made sense to you , but if your vehicle is parked on our grass, beyond the aesthetic view to visitors and residents, there is a cost related issue. The weight of your vehicle, maybe not the first time, but eventually it will weaken or break the water lines that are 1 – 2 feet below the surface. That requires a plumber and cost the Association \$300 - \$500 and possibly more in some circumstances. Many of the lines in the community are in that 5 foot easement in front of your property. So beyond the inconvenience it causes when we shut off your water, it's also a cost factor we all must pay which means you pay. I know that only works out to about \$1 or \$2 per month on your monthly Maintenance Fee but that's not money well spent.

SAND IN THE STREET

Gene Arend

After the most recent continuous rain and previous heavy rain events, I have seen evidence of large quantities of sand on some streets.. Not being an erosion expert, I have evaluated the sand and believe it is residue left from a property where soil has been washed away. This means that if the soil is not returned or the cause of the erosion is not altered, someone's understructure also may be eroding. If you see large quantiles of soil or sand in the street after a rain storm, I suggest you evaluate your downspouts from the roof. Are they disbursing the rainwater evenly or are they concentrated into one area? If your downspouts are connected above or below ground, is all of the rain being redirected to the street? If it is just redirected to another property then they may be the ones experiencing soil erosion. If soil or sand is coming from these connections there could be a breach.in your connection system. Many homes are downhill of the runoff so it may not be your unit but one upstream so to speak. Someday you may look under you home and see a space between your building and the pillars designed to hold it up.

The Board has discussed this situation and we do not have the authority or power to change it, only to monitor it and make you aware. We strongly suggest that you perform an inspection on the underbelly of your unit. . .make sure Hermine did not wash away sand and/or soil. Check your downspouts, make sure they are directed properly.

Do you have an item for sale or services available? The www.mybriarcreek.com website list products Briar Creek owners have for sale, as well as services they can provide. This page also displays comments, satisfactory and unsatisfactory, on vendors they have hired. This is your ideal source on owner sales and services. Are You Looking To Rent? If you are planning to lease your property either for the winter season or on an annual basis, then contact webmaster@mybriarcreek.com.

SMILE FOR THE CAMERA!

Betty Chatigny

Schedule your sitting on line (www.mybriarcreek.com) or at our regular Wednesday clubhouse coffee gatherings (see schedule below). The more residents who take the opportunity for a free picture, the more complimentary perks we get; i.e., extra space in the directory for community information and photos.

If you have a picture that might fit into the community section of the new directory, you can email it to bettychatigny@hotmail.com. The picture could be a wildlife shot, a neighborhood gathering, or even a social event. Our goal is to include as many of these "extra" photos that we can.

Professional photographers will here on the dates below to take our photos, and you will end up with a complimentary 8x10 photograph, as well as a color photo directory with your picture and address. You can also include your pet in your picture. You will have the opportunity to purchase additional photographs.

OCTOBER

This month we celebrate the High Holy Days of Judaism: October 3rd, 2016 marks the beginning of the Jewish New Year and is a holiday filled with hope. It is a time when Jews work to amend their behavior and seek forgiveness for wrongs done during the past year. The Shofar (ram’s horn) is blown to remind people of the importance of reflection during this important holiday. We extend “L’Shana Tovah” to our Briar Creek neighbor and friends.

The Jewish holiday of Yom Kippur begins at sundown on Tuesday, October 11, 2016. It is the day of atonement and its’ purpose is to bring about reconciliation between people and God. It is a time of prayer and fasting. “Tzom Kal”.... wishing an easy fast to our BC residents.

October is Breast Cancer Awareness Month. Have you performed your monthly self-breast exam yet? Have you scheduled your yearly Mammogram? DO IT! Early detection is key.

From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital and its physicians served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2017. Another example of how the community gave back.

WEDNESDAY MEETINGS

Dave Doran

Well, in case you have not heard, I will be arriving mid October and will then be a full time resident of BC! We sold our house.....been bittersweet, lots of packing and garage sale as I write this, but it was time and it will be good to share the year round seasons with all of you. I see that you have enjoyed good entertainment during this past summer. Thank you Pat, Georgia, Lee and Andy and anyone else that took the podium at coffee hour during the summer months; very much appreciated.

BC MART

Dave Doran and Ray Jablonski

Did see a picture of the new shed and it will be a great addition to BC and the BC Mart in providing a clean and ease of entry building to store the big stuff that is donated for sale at the store and bazaar. We will have a grand opening when I get back and am thankful for all those who handled the purchase and construction. Thank you, thank you. We will work hard this year to take the store to a new level.

BAZAAR

Dave Doran

After selling the house here in New York and becoming a full time resident and I plan to just relax for a week after arriving mid-October (I'm pooped already)! The Committee will then get together and plot our course for this year's bazaar scheduled for the first weekend in December. Hopefully we will have some new faces and new ideas that will help make this year's event the best ever. Thanks to everyone who signed up already on the bulletin board....as always, it is volunteers who make it all happen!

JEWELRY

Helen Coar

It is that time again to ask for donations for the jewelry table. The Committee will begin pricing items early in October. Any bracelets, necklaces, pins, earrings and watches are always welcome. There will also be a table for purses, scarves, wallets, etc. All donations are greatly appreciated. For those returning from up North, please bring whatever items you can donate. Looking forward to everyone's return and a successful Bazaar!

GAME NIGHT

Jean Richter and Jerry Richter (article by Sharon Philyaw)

Game Night was a success for all 23 residents and guests who did attend! Fun was had by all in playing several different types of games, including “Seven” and “Five Crowns”. Several people also enjoyed learning to play new games that they hadn’t tried before! As usual, there were plenty of goodies and no one went home hungry. It was a fun way to spend an evening and a big “thank you” goes out to all involved in putting it together (also to the people that ran and got paper towels when someone turned over a whole cup of coffee on their lap. It took several days to not have the inside of my shoes smell like coffee)! If another Game Night is scheduled, I’m sure that the word will get around on how much fun it was and many, many more will hopefully attend. There will also be tables set up for those who do not want or like to play games but just want to be part of the excitement!

AUGUST MOVIE NIGHTS

Georgia Douglas and Pat Rivera

INTERSTELLAR”, “CALENDAR GIRLS” and “JOY” were some of the movies shown during August at the Clubhouse. Georgia Douglas and Pat Rivera hosted Tuesday nights at the Movies which were enjoyed by all those who attended. What a great way to spend those ‘crazy, hazy days of summer’! The ladies are considering hosting monthly movie nights throughout the Winter. For a \$1.00 donation, you can enjoy a movie and fun night out. If you would like to see movies over the Winter season, please place a note in the “Suggestion Box” next to the Clubhouse Front Door.

LABOR DAY

Georgia Douglas

Our “Workingman’s Holiday, AKA: Labor Day was amazing and enjoyed by over 100 Briar Creeker s and friends. A memorabilia table displayed items from various professions and the careers of several residents. After a Fred Mbiad-lead blessing, our meal of chicken tenders, salads and a variety of desserts was served while guests enjoyed the music of the Ramsey-Aiken Duo. Thank you to everyone who helped make this another successful gathering: Jean Richter, Pat Rivera, Karen Mbiad, Pat Bourdan, Helen Coar, Dotty Sullivan, Terry Henry, Elaine Harsh, Jerry Richter, Bob Thiegerson, and Fred Mbiad.

WATER AEROBICS

Mary Kay McBride

Join us in the Phase 1 Pool, year round, for this fun exercise. Water aerobics is the performance of aerobic exercise in fairly shallow water. It’s a low impact activity that takes the pressure off your bones, joints and muscles. Water offers natural resistance which can help strengthen muscles and has many health benefits like improved heart health, reduced stress and increased strength. You don’t even have to be able to swim!

If you have a “noodle” bring it, but it is not required and there are some community noodles available at the pool. Classes are held daily, except Sunday (and Saturday’s are optional) at 9AM (11AM from November 1st to May 31st). Call Mary Kay at 740-852-9475.

ZUMBA CLASSES

Joan Bienvenue

Zumba classes are held at **11:30AM on Fridays** in the Phase 1 clubhouse. Zumba is normally a fairly strenuous exercise; however Claudia, our instructor, has assured attendees that this particular class is geared to the "*more mature*" participants. The same **SilverSneakers®** conditions apply to this class also. If you are not a **SilverSneakers®** member, the charge for each class is only \$3.00.

DID YOU KNOW.....

“Free Rural Delivery of Mail Day” was designated on October 1st, 1996. Did you know that we have at least two retired mail delivery persons right here in Phase 1? Thank you to both Joe G and Connie Potter Holmes...”neither snow, nor rain, nor heat, nor gloom of night stays these couriers from the swift completion of their appointed rounds.”

BRIAR CREEK HEALTHCARE INITIATIVES

Connie Holmes

October is FIRE PREVENTION MONTH...ARE YOU READY?

In October 2012 I had just completed a 10 days mission/vision trip to Ahmedabad, India and was headed home the next day. Before going to bed, I laid out my clothes for the return trip, packed up everything I could and laid down for the night. Early the next morning I was awakened by my teammate from across the hall beating on the door, yelling: “There’s a Fire!” What about you...are you prepared for a fire?

According to the National Fire Protection Association, 51 percent of fires in manufactured homes were reported as having NO smoke alarms present. The following are safety tips to consider...

- Keep smoke alarms working. Never remove or disable a smoke alarm. If you do not have alarms and cannot afford them, the Safety Harbor Fire Department will supply you with one.
- Make sure you have enough smoke detectors. You can never have too many. They can be purchased at WalMart for under \$10. There should always be an alarm in your sleeping area!
- Know your escape plan. Is your bedroom in the back of the house away from the door? If so, can you open your windows easily for an escape route?
- Have an Emergency Notebook. This can be a binder that has all your essential information in it. (Birth certificates or copies, copies of all insurance policies or just the info page, car titles or copies, list of current prescriptions, copies of driver’s license, a phone list of everyone

we might need to call ASAP, including insurance agents, wills and medical directives, rabies certificates for all pets, credit card info, etc..

Final lesson learned: Be grateful for what you have every day. It can always get worse, and it can all be gone in a flash. We have great fire protection with the Safety Harbor Fire Station in close proximity to the park, but I would rather feed them donuts than see them in action within Briar Creek!

REFLECTIONS OF BRIAR CREEK

Linda Eddington

After nine weeks and 8700 miles on the back of a motorcycle seeing this beautiful country and Canada, visiting family and friends, it is good to be back home at Briar Creek. I was asked if I would want to live at any of the many beautiful places we stayed and my answer was “no”. I did see “for sale” signs and asked myself if I would be happier living there. The answer was always no! I am fortunate to travel because it gives me the opportunity to have new experiences and time to think about where I live and how much I appreciate my Briar Creek neighbors. I am home feeling more content and yet eager to go again.

BRIAR CREEK RESIDENT ENJOYS “HONOR FLIGHT” AT HOME

On August 20th, 2016 the Baldomero Lopez State Veterans Nursing Home hosted an “Honor Flight” for those vets unable to travel to Washington, D.C. Rather than board a plane, the residents walked or were wheeled down the aisles receiving well wishes and a standing ovation from those in attendance. Our Jack Kinsella was one of those Korean War Army Veterans honored for his service to America.

While the band played military tunes, singers and drill teams entertained the servicemen and they had an opportunity to have their photos taken with models in military uniforms and hear remarks from keynote speaker, U.S. Brigadier General Richard K. Sele. They even had a virtual tour of all the monuments in Washington, D.C. – the same tour they would have taken were they able to make the trip. Every veteran received a white “Honor Flight” shirt, a ball cap, a goody bag of gifts and mail delivery reminiscent of their “military mail call”! This event was sponsored by Operation Patriot and Honor Flight of West Central Florida.

On behalf of her husband Jack, Marcia Kinsella would like to thank the 100+ family, friends and Briar Creek residents who sent the beautiful cards and letters he received during “mail call”. She read each and every one of them to Jack and they were very moved by the outpouring of love and respect shown to him. They thank you for helping to make this event so meaningful for them.

CAUGHT BEING A GOOD NEIGHBOR

“What you do makes a difference, and you have to decide what kind of difference you want to make.” Jane Goodall

- Ray Jablonski and Rad Pesic worked very hard to dismantle the old shed on Beechwood and prepare the site for the installation of the brand new, larger replacement shed. Ray, Rad, Don Hall, Fred Mbiad and Jerry Richter were the ‘week two’ volunteers on this important community project. Thank you to these hard-working residents who do so much for so many.

- Georgia Douglas caught this guy on camera! “During Hurricane Hermine’s strong, gusty winds, my live oak tree branch, heavy with rain-soaked moss, was hitting the ground. I was afraid it was going to break and hit my house. My neighbor, John Lindsey, came over with his saw and cut it off for me. What a wonderful neighborhood I live in, and what a neighbor!”

- The evening that Hermine Hurricane was due to arrive in our area, Terry Henry and Joe Guizzerotti had Terry’s new neighbor over for coffee to calm her fears and answer her questions about the event possibly coming. Joe even walked over and escorted her back and forth to Terry’s house. It seems the neighbor has lived in Florida for a while but **not** in a mobile home and didn’t know what to expect.

- Andrew Philyaw, received a phone call previously in the late afternoon from the same resident, who was very unsettled about the hurricane situation. He calmly explained the situation to her and assured her that he and Sharon would call her if they were notified of anything that they thought she should know and that they would not evacuate, if needed, without her. They would make sure that she was with them if they had to leave the Park.

- Saturday, after the storm, Betty Rossello was seen stopping her car to get out and start cleaning out the drain on Briar Creek Blvd near the Clubhouse. It was draining, but was piled up with all sorts of debris. After 3 or 4 trips with her arms full of debris, the drain was clean and running even more freely.

- Karen Mbiad was caught doing the same type of cleanup in front of her home as I’m sure many other unnamed people did.

- Mario Gurreri went with a rake and barrel in hand to help a neighbor in his yard after the storm.

- Preparing for and following the stripping and waxing of the floors, many hands made lite work of moving the tables and chairs in and out of the Clubhouse. Dave Hunkins thanks the following volunteers: Jerry and Jeanne Richter, Joe Daley, Bob Barr, Rich and Liz Raucci, and others who he may have left out! Pitching in makes BC the great place it is!

THIS MONTH I WAS SO HAPPY TO LEARN OF SO MANY GOOD DEEDS! KEEP THEM COMING, THEY HAPPEN IN BRIAR CREEK EVERYDAY! Let Liz Raucci know if you have witnessed a Briar Creek resident doing something great for the park or a fellow resident(s) “just because”!

ANNUAL CONDO MEETING

Date: December 5, 2016

Place: Briar Creek II Clubhouse

Time: 7:00 P.M.

Attention Property Owners

Progressive Management will be mailing the information this month. Owners need to submit their General Limited Proxy for our Annual Meeting. Your completed signed proxy allows your Board of Directors to conduct business for 2017. Proxy must be signed by person listed on title of your property. Unsigned proxies will NOT be counted.

PROXY:

- 1 – Vote for all items listed
- 2 – Sign and date (signature of owner on title)

REMEMBER, your proxy will give us our quorum and without a quorum, your maintenance fee will go up considerably.

- 1 – Sign proxy (owner on title)
- 2 – Unit number (listed on outside of Progressive mailing)
- 3 – Date
- 4 – Put in proper envelope

Deadline for Proxy is 5P.M. 12/5/2016

Ways to submit your proxy:

- 1 – Drop in mail slot @ director’s office in clubhouse.
- 2 – Give to Joan Davis anytime, or drop off @ 131 Forest Lane, side door has a basket.
- 3 – Mail to Progressive Management (separate envelopes)

We recommend you give your proxy to Joan Davis or drop in mail slot @ director’s office. Mailing slows down the tally process. Early submission insures we meet our quorum.

IF YOU HAVE ANY QUESTIONS, please call Joan Davis @ 726-4829. If I am not home, leave a message and I will call you back. I will also get extra proxy forms, should you make a mistake.

Thanks for your help in having a smooth Annual Meeting

Volunteers go house to house passing out candy, in return the residents give us can goods. These items are given to the Safety Harbor Family Center, helping struggling families within our community.

We like to have people costume, but it is not necessary. We need people to walk up to the homes and golf carts to carry the food. Many hands make little work. We will have golf carts transporting the food. You don't need to walk far distances as we have golf carts that follow along the way.

Calling Tree

Barbara Bergling

Calling Tree needs your help. Recently several of our callers and people who work memorials have decided that they have done their share, which they have, and decided to quit. So, I am asking you to volunteer. We need people who will make calls to a specific street, and addresses. Also people who are willing to back up about three people, in case they are on vacation. When there is a Celebration of Life at the clubhouse our committee sets up the room, head table, dessert tables, and if there is food, those tables. The community donates the desserts but we need to cut, plate and put them out. If you wish to volunteer to be the chairperson for that, you would be able to pick your own committee. Karen Johnson is in charge of the food and she will need a couple of people to help her.

The calling tree/bereavement is very important and very appreciated so please think about it and volunteer.

For more information or to volunteer, please call or email Barbara Bergling 727-799-2904 or 727-204-6457 or hepgramma43@gmail.com

Briarettes'

Betty Hudd, President (813-817-1774)

This month, we will have a lady from Hospice, Kelly Siegel, speak to us about their care. For refreshments this month, we will have dips and spreads. Come on down and give it a try. We visit, learn things, and we eat well. Also, please bring a dollar for the 50/50.

Ladies' Luncheon

Hildie Meyer

First of all, a warm welcome back to all you ladies who were able to enjoy some time up North with family and/or friends; or simply to be surrounded by a different and relaxing change of scene. Our luncheon this month will be on October 19th, at 1 p.m., and will be held at Ozona Blue. We are all looking forward to seeing you there.

Travel Club

Karen Johnson & Roz Lucas

It is \$66pp. The signup sheets and all the details are on the board for both of these trips. everyone is invited to come along and enjoy these days with us.

Also on our list is our beautiful fall cruise to New England, New Brunswick and Nova Scotia. It is Sept.24-October 1 2017. This is going to be a great trip and something different for a change than the usual Caribbean ports. Again, on the board with all the information.

CALLING ALL BOWLERS (or want-to-be bowlers) – LEAGUE BOWLING BEGINS 10/18/16

Hello everyone and welcome HOME, all you snow-birds – or seasonal residents! We are happy to have you back again! We are about to say goodbye to the SUMMER FUN BOWLING and welcome in the fall and winter bowling leagues here at Briar Creek. We had a great time over the summer, just bowling for fun, with many truly improving their scores and averages significantly, while enjoying some great fellowship with our neighbors.

Our fall league begins on **Tuesday, October 18th and continues for 24 weeks, ending in April. The cost is \$10 per week and if you miss a week, you only pay toward the prize monies, not for your bowling, which I believe amounts to about \$4.00. YES, we give CASH prizes at the end of the season and everyone gets a team prize, and no one gets a special prize more than once. This way more people get special prizes.**

WHERE Countryside Lanes on US 19, just North of Hwy. 580

WHEN: Tuesday Mornings at 9:30 a.m. (Arrive at 9:00 am for practice and begin bowling by 9:30 am)

WHO: Sign up with Pat Bourdon at: (727) 482-3817
Or Lynda Foster at: (813) 846-2233

We would love to see you at the Lanes for some fun, fellowship and even some exercise!!! If you have any questions, please feel free to call either Pat Bourdon or me. See you at the lanes!

Lynda Foster

No traveling involved to other parks. This will be a fun get together, (at a zero cost) and usually for a couple of hours with no commitment to play each and every week. Once a month we will have a day where players will enjoy free food & drinks, No experience necessary. Signup sheets have been posted in the clubhouse and on the shuffleboard courts.
