## BOARD BUSINESS

### UPDATES FROM THE BOARD

---

Until all of the legalities pertaining to Fair Housing Act and any exceptions for 55+ communities can be checked, current pool rules will remain unchanged.

#### From the Desk of

#### Jeff Clark, President *Consider this an Op-Ed piece*

I have spent the past few hours watching yet another gun-based mass murder tragedy unfold. I just finished writing letters to Republican government leaders who get "A" ratings from the National Rifle Association. I guess it's more important to protect gun manufacturers than it is to protect innocent high-school students.

All of my life I have hated guns, yet I've always been respectful of contrary opinions and have kept my mouth shut. Where has it gotten me, or the rest of the country? Just more needless deaths, because a few wackos think they have the right own a gun who's only purpose is to quickly kill large numbers of human beings. Well, no more. I have a right to my opinion, and I have a right to voice it. I've spent too many years respectfully listening to brainwashed NRA members; I just wish there was a way to get them to listen to ME.

### **John Pickering, Director**

I'd love to assure you all that winter in Pinellas County is behind us and our lawns, trees and residential vegetation is fully out of hibernation mode and ready to grow like crazy. Sadly, I can't do that as I remain a Director in Training and haven't completed the bulk of my online meteorologist training courses.

I am anxiously awaiting the spring recovery of our foliage to see what negative long term effects we might have to deal with related to the recent low overnight temperatures.

2017 Beautification Grant Rebate has been received and we're hoping to participate again this year if possible. I'll keep you informed.

### **Lawn mowing is scheduled for three Fridays in March: the 2nd, 16th, & 30th**

I continually applaud the efforts of all BC residents who strive to combine Phase I & Phase II social activities, general communications and community teamwork. As an extension of the progress being made, Bill Russo, Phase II Grounds, Lawns & Lakes, RV Area, Trees and Mangroves Director (whew) and I have recently begun discussing how we can maximize our commercial leverage with Alexander's Landscaping. I'm not promising that we'll ever resolve the common complaint from our mutual residents about the inconsistent management of the leaves & lawn clippings by the "Blower Brigade", but it's certainly one of the topics on the table. Other recommendations or concerns can be emailed to me at [johnp@mybriarcreek.com](mailto:johnp@mybriarcreek.com) for possible inclusion within our future discussions.

Lastly, Briar Creek remains one of the most highly sought-after senior communities in our area, and my hat's off to each of you for the residential pride you demonstrate to potential buyers as they canvas our streets.

### **From the desk of Connie Holmes, Secretary/Director**

February 7, 2018 Board of Directors Meeting UPDATE

- The Laundry equipment on Sugar Bear Drive now belongs to Briar Creek Community. It was found that purchasing the existing equipment was a better deal than buying local with no commercial warranty. A new door has been installed with a lock that takes the same key as the Clubhouse.
- A policy has been established and approved for the Bulletin Board(s) at the Clubhouse. \*
- There have been roof repairs going on at the Laundry Building and the BC Mart/Shed. This will prolong the life of our roofs at both locations.
- There continues to be discussions concerning security at our Clubhouse and Common Elements. There will be a committee appointed to check into various methods and the cost involved and a decision made at a later date.
- Home inspections have been taking place in our park. Most of the residents are on top of things and all came up "Smiley Face" but some have a little cleanup to do to get their home looking great. Thank you making this a beautiful place to live.

Connie Holmes, Secretary, Board of Directors

## **Board of Directors WORKSHOP Summary, Pat Rivera**

The Board of Directors extend their thanks to those residents who attended the February 13, 2018 Workshop. Many topics were opened up for discussion, consideration and evaluation. This was an informal gathering; many ideas were expressed and exchanged; no votes were cast on any items discussed during the workshop.

Among topics of concern/interest was visibility of signage at the front entrance; illegal/inconsiderate parking; swimming pool; nuisance trees; sidewalk; an accurate/updated census for emergency contacts; and last, but not least, the unfinished new home.

Some of the items which were discussed are currently being addressed by the Board of Directors. As is often the case, the answer/solution is not simple or without complications, rather a “process.” If you are interested in more details from discussion(s), please ask one of those who attended the workshop.

One suggestion, which generated unanimous agreement, is for residents to begin referring to Briar Creek as a “community” rather than a mobile home park. To officially/legally make such a change is prohibitively expensive. The Social Club Officially recognizes/designates us as a community. The official Webster definition is: a group of people who live in the same area (such as a city, town or neighborhood) [or village]; a group of people who have the same interests, etc. Clearly, Briar Creek fits the description. We are community!

## IN MEMORIUM

## TOWN CRIER

*Betty Chatigny*

---

In the olden days, a Town Crier would walk through the streets in the evenings shouting out all the news events that had happened earlier that day. The Town Crier was a person employed by the town council to make public announcements in the streets. He would ring a bell to alert the residents and then stand, holding a torch or candle, yelling out to let people know the news.

Welcome to the world of technology! Now we have email and there is no one walking the streets – at least no one shouting out the news!

We, the residents of Briar Creek, Phase 1, have two ways to get Briar Creek news on line. First is the Briar Creek Email List. When you’ve add your name to this list, you will be apprised of happenings in our community such as water shut-offs, road repairs, power outages, severe weather warnings, pool repairs, clubhouse updates, as well as general advisories about our Briar Creek Board of Directors. This information will be sent to you via email.

The second way to stay informed is to sign up for the “Insider” Email List. If you’ve signed up for this list, you’ll receive information to the official social events in our community: upcoming events at the clubhouse; planning meeting changes; entertainment news; and notifications of that type events pertaining to Phase 1 residents. This information will also be sent to you via email.

If you haven’t signed up for one (or both) lists, it’s not too late. Email [bettychatigny@hotmail.com](mailto:bettychatigny@hotmail.com) with your request. Be sure to include your name and address, as well as your email address, with your request. Or hand me a note at our next meeting with your information.

Keep in mind your email address will remain private and will not shared with others.

## SHUFFLEBOARD LEAGUE UPDATE; “B” Team

Martin Shapiro

<http://www.mybriarcreek.com/shuffle>

---

Our Saturday Doubles League for phase 1 and Phase 2 residents has been very popular - maxed out with 24 players and five registered alternates. The roster is composed of a mix of seasoned and new players; with a random draw for partners each week of play.

Everyone is having a great time competing for the title of League Champion.

The League continues through March 3rd. Come out on Saturday morning and root for your favorite players!

Our Big 10 League teams are currently both in second place for the season (as of publication deadline) with six more weeks of competition. It will be interesting to see if either of our “B” team can pull ahead to take down the championship.

## **SOCIAL CLUB**

*Dave Doran*

---

**A**s the March Media arrives we will be beginning a New Social Club year under Georgia Douglas as the President. Please provide her with the support that you provided me over the past three years. I will be serving as Georgia's Vice President.

As new residents move into Briar Creek, we look forward to welcoming many new faces and ideas as they join social club activities. Please remember that all of the activities presented by the social club depend on active volunteer participation. The more residents who step up and sign up to assist in planning and executing the plans, the easier it is during the year.

“Many hands make like work.”

## **Social Club President**

*Georgia Douglas*

---

**W**hat an amazing fun year we had in 2017. We danced to some great bands; learned to follow instructions from our professional square dance caller; plus we had a "few first in BC", a Formal Concert included a sit down catered dinner; and A Sing-A-Long followed by an amazing Pot Luck dinner. It took our Briar Creek Village to give our Social Club members the entertainment they requested at the beginning of my term as Chairperson in 2017.

Without the work and skills of our Social Club Committee members, helpers, decorators, planners, clean up committee, coffee makers, (all which make up our Village), and YOU, we would not have been able to provide the welcomed Entertainment each month.

I thank everyone for their friendship and every ounce of commitment they had in providing Briar Creek 1 the entertainment that we enjoyed throughout the year.

## **HELP WANTED**

---

**A** BIG Briar Creek Thanks to Helen Coar for maintaining the supply inventory for the kitchen and Clubhouse parties. THANK YOU, Helen!

A search is on for a “new” supply manager. Love to shop? With someone else's money?

This job is for you. Looking for responsible, organized, self-starter to train. Please contact Helen Coar for “interview.” This is a critical position; anyone with interest in supporting Social Club and general Clubhouse disposable kitchen/food service supplies may apply. No overtime!

## Membership cards

Pauline Hoad

**N**ow that March has arrived it is time to purchase your 2018/19 Social Club membership. You can chuck your orange membership card out. The new Social Club membership card is buff color.

Your Social Club membership comes with lots of perks! One of them is the picnic in April (free for members). Another example is the Appreciation Night celebration that was held in February).

If you wish to run for an office in the Social Club you must also have a current membership. If you participate in any activity at the clubhouse, from cards to line dancing to shuffleboard to table tennis to bingo to our weekly coffee meeting to other special events, do the right thing and buy a membership to support your Social Club. The cost for a year is \$1.00...that's right folks, you read that right...ONE DOLLAR for a whole year. Pauline Hoad is selling them at Wednesday morning coffee.

## Social Club President Comment

Georgia Douglas

I am so grateful for you, my Briar Creek family, for your loyal support and encouragement throughout this coming year as your Social Club President. It takes a village to organize our events and you are always there for me. I thank you ahead of time and I hope to live up to our Briar Creek standards and expectations. I also thank Dave Doran for his outstanding support for this office.

This month we celebrate St Patrick's Day which is our largest event of the year. The annual parade and viewing "stands" once again will include Safety Harbor Dignitaries, Fire Department engine, decorated golf cart entries, our Briar Creek's very own, First Place Kazoo Band, flag bearers, costumed friends and their pets, bartenders serving green beer, wine, servers wheeling out a traditional full Irish meal - our village creates a celebration grand enough to make Irish eyes cry! The full day of events wraps up with Mr. John Jackson, a local entertainer, who will put our dance floor in full swing (possibly an Irish jig or two) as we dance through the night.

Look for tickets on sale during Wednesday morning coffee.

May your blessings outnumber the shamrocks that grow, and may trouble avoid you wherever you go. Irish Blessing

Tuesday, March 6th our local models will be donning Bon Worth's fashions to let those who attend see the fashion trends for this season. An ice cream social will kick off the fashion show. Please check your bulletin boards for the particulars. Please sign up if you're planning to attend.

## **KRAZY KARDS Has been saved!**

---

**T**hanks to Elaine Harsh, Mary Houpt, and Georgia Douglas, Krazy Kards lived up to its name. The new team (with a little help from Pauline and Gary Hoad) hosted a friendly crowd of 52 Krazy players in February.

Join us at Phase 1 clubhouse on March 13 for another round of Krazy Kards. Tickets are available at Wednesday morning coffee. It is crazy fun! An "informal" survey is wondering if there will be enough interest to continue Krazy Kards through the summer. Please let Elaine know if you are interested in letting the Krazy flow this summer!

## **DID YOU KNOW?**

**S**CAM ALERTS Deputy Jessica Hughey of the Pinellas County Sheriff's Office Division of Crime Prevention and Community Awareness Unit has issued two SCAM ALERTS. Both scams are phone calls. Be aware of both so that you will be able to recognize them if they happen to you.

A caller states to be with the Sheriff's Office and has an arrest warrant for you. The caller goes on to offer to "drop" the warrant in exchange for a fine. Warrants are NEVER handled in this manner. Hang up. If you want to confirm any information call the Pinellas County Sheriff's Office (727 582-6200); do NOT call any phone or go to any website the caller provides.

Similar scam callers may claim to be from an official government office, cable or utility company and demand that you owe money. They may threaten to cut your service if you fail to pay immediately over the phone. **DO NOT PAY ANYTHING. HANG UP.** Contact the number or website that you have on record for the utility, etc.

Another scam going around (and around) is a caller informing you that your license for Windows is expired. The threat is that you must immediately renew the license or your computer will not work. They may even want to "check" your computer via phone to see if it is infected with viruses. **HANG UP. DO NOT** provide any information. Microsoft Windows would like these scam reported via their website at [support.microsoft.com/reportofscam](http://support.microsoft.com/reportofscam) or call 1-800-642-7676.

Scammers will be very convincing. They will want payment using a credit card or gift card (Gold Dot Card) because it's fast and untraceable. **DO NOT PROVIDE ANY NUMBERS** to the callers.

## CAUGHT BEING A GOOD NEIGHBOR

---

**N**ames have been withheld just because...

A sudden flood of water in the laundry room! Help! In no time at all, two neighbors responded to the call. The cause – water heater; Mr. Fix-Its determined a new water heater will be required. Neighborly assistance saw the crisis through. Thank you!

## VOLUNTEER HIGHLIGHTS –Beds For All Paws

---

**B**eds For All Paws is an organization dedicated to making beds for animals in shelters. We want animals to have warm, comforting beds, made with love, until they find their forever home.

Beds For All Paws started as a vision for Cindi Hughes and with strength, love and huge inspiration from the community, it grew and grew. Initially, five ladies responded to the neighborhood website; they began sewing out of their homes. Numerous kind individuals as well as companies have generously been donating supplies towards our mission to provide beds for all paws. The outpouring of support is amazing.

Now there are weekly meetings with over 30 volunteers to sew, pre-cut fabric, organize and transport materials and completed beds. To date more than 310 beds to animals in shelters have been delivered. That number is projected to double by mid-February.

Thankfully, everything has been falling into place for the organization. Hughes says: “Not good luck, not coincidences, but full blown miracles!! If there is something this project needs, it appears; if there is an obstacle put in its way, it is removed immediately”

With more like-minded people becoming involved with this worthy effort, it is hoped that the group will supply enough beds so that not one single animal is left without a cozy bed. If you are interested in this project, you may join by filling the contact form on the Beds For All Paws website at [www.bedsforallpaws.com](http://www.bedsforallpaws.com). Look for them on Facebook, Twitter and Instagram at Beds For All Paws.

*Please remember that Elaine Harsh will also accept old towels, sheets, blankets (no pillows) and pet food for the Humane Society.*

*Georgia Douglas collects and delivers your clothing that no longer serves you to the shelter for abused persons.*

## **Book Nook Thoughts**

*Vivian Rodriguez*

---

**H**ello all you beautiful people! March madness, Ides of March, Daylight Savings Time, Spring begins, Passover, the beginning of Lent, and St. Patrick's Day. Along with all of that we have all the monthly and special activities to choose from as Briar Creek residents. Whew...what a month. Please don't forget to visit our lovely library and pick a special book from the hundreds we have, to spend a quiet moment reading.

For those of you not familiar with the process of borrowing a book or donating one to the library, let me explain. We have paperbacks and hardcover books separated. In the back room, we have large print, westerns, non-fiction and seasonal titles. New books that have just recently been donated are on a special shelf to the right, in front of the windows. The new books will eventually be integrated into the existing collection by our wonderful, amazing library volunteers.

No need to check anything out. No time or number limit either. Just pick what you want and take it home. When you return the book or when you have a book to donate, place it in the big red and green basket on the floor. The same amazing, wonderful volunteers will check off that the book has been read, or if it's a new donation, determine if it's suitable for the library (meaning current and not a duplicate), and then place them on the appropriate shelves. I'm happy to say that our library is frequently used.

If anyone cares to become a wonderful amazing volunteer and help out in the library (it entails a couple of hours in one week blocks) please call and leave me, Vivian Rodriguez, a message. Right now we are down to two ladies, Mary Houpt and Helen Coar who have hung in there and done so much for the library. If we could have just a couple more volunteers, each person would be responsible for one week out of every 5 weeks. Please consider it.

Have a wonderful March everybody. Don't drink too much green beer.

## Briar Creek Bugle Phase II – February 2018

(Pete Loranger-Editor Phone 421-2321)

(E-Mail: [Pete316@Knology.net](mailto:Pete316@Knology.net))

### BC II Phone Tree

*Marsha Bowlby*

---

I have changed over to Google Group to send out the e-mails. This was just an operational change and shouldn't have any effect on you. I received word that some of you stopped getting the e-mails around the first of February. I sent out a test e-mail asking for your response that you received it. I heard from about 80 of you. I have 140 families on the e-mail chain. If you haven't gotten an e-mail from the BC2phonetree since the 6th of February (date I sent out the test) please check your Spam folder. I've been told that an update could have reset something on your spam setting and the messages could be going to Spam. If you got the e-mail and didn't reply, please do so, I need to know who is not getting the messages.

When something is going on in the park, like the sewer relining, it's a good thing to check your e-mails. Updates are posted as I get them.

We would like to offer the option to Phase II residents to have your bereavement calls and messages from the Social Club and Condo Boards be sent to you by e-mail instead of a phone call. This would ensure that everyone gets the same information, and if you're on the phone tree that you will get the information.

These e-mails would be sent out so that no one would see your e-mail address, so they will not be shared, Judith and myself will have the list.

#### TO SIGN UP

I will need the following sent to [bc2phonetree@gmail.com](mailto:bc2phonetree@gmail.com)

- Your name
- Your street addresses
- Your e-mail addresses
- Your phone numbers

You will receive an e-mail back to let you know I have your information.

### BC II Phone Tree/ Bereavement

*Judith Holden*

---

The BC II Phone Tree continues to grow and is proving to be very successful. With that in mind, Marsha and I have decided to separate the Phone Tree from Bereavement.

In the future, information for the Phone Tree should be sent to Marsha at 727-724-9406 or [BC2phonetree@gmail.com](mailto:BC2phonetree@gmail.com). News of a bereavement should be sent to me, Judith at 727-430-1274 or [judith09jeff23@yahoo.com](mailto:judith09jeff23@yahoo.com).

**O**ur Kennedy Space Center trip will be here in just a few days. This will be an early morning pick-up: 6:15am. Please be at the clubhouse by 6:00. It will be a great day. Our Ed Fletcher dinner theater on March 17 is sold out. We are all looking forward to a wonderful show and a delicious luncheon. Please be there by 11:00am.

On April 2 we will finally be on our way to New Orleans! Beautiful hotels, excursions, and great food are all waiting for us on our fully escorted tour. We hope no one missed out if they were thinking of joining us.

Finally we want to let you know that there have been some changes made. In an effort to make things run a little more smoothly, we are asking for full payment within two weeks of signing up for any day trip. For overnight trips it will be the same with full payment to be determined by Advantage Cruises. With cruises there is always a deposit when you sign up and these are made directly to Advantage Cruises and they will determine the date for final payment. Thank you for your understanding. ## Entertainment

*Carol Rodrigues*

---

**F**riday, March 9 we look forward to an evening of horse racing, sponsored by Betty and Sonny Whitehouse. A pulled pork sandwich with all the fixings will be offered from 5 to 6 p.m. for \$4.00 per person. Tickets are available at both clubhouses. At 6 pm the horse racing will begin. Bring your spare change to make small friendly bets on the horses. Ed Snell our resident jockey will again MC the event. If you can't make the dinner, come for the races at no charge.

A volunteer appreciation breakfast is planned for Phase II residents only on Saturday, March 10 (note the change to Saturday instead of Sunday). This breakfast will be free to all, but you must sign up for tickets so we will know how many to cook for. The breakfast will be Saturday morning at 8 a.m. during our normal coffee hour and will offer scrambled eggs, ham, hash brown patty and English muffins.

Friday, March 23 will be our last karaoke dinner and dance for the season. With a hamburger dinner offered for \$3.00 from 5:30 to 6:30 and dancing and singing at 6:30. No need to sign up in advance, just come and enjoy and good evening of entertainment. Ron Scott will again focus on the music and Pete Foley will supervise the dinner.

## WANTED:

### SOMONE TO RUN BINGO, I will be retiring May of 2018.

**A**re you sitting at home on Monday nights wonder what you could do? Are you a little bored? Think about running Bingo, in the past we have had it going from September (after Labor Day) to the week before Memorial Day in May. I usually go down around 3:30 -3:45 to set things up if I'm doing by myself, with two or more it wouldn't take as long. We start selling cards at 5:00, Bing play starts at 6:00 and it's usually over by 8:00 or a little after.

This is something a couple of people could do, it would make it easier to handle. I have an Excel program on a laptop that figures the payouts. We have an old laptop that was donated for this purpose.

I will be happy to show anyone who is interested in running it how I do it, if they want. If you are interested and want to observe some Monday evening, come on down, I would be happy to show you.

I would hate to see our Bingo discontinued.

**COME ON DOWN MONDAY NIGHTS.. SEE WHAT YOU CAN WIN!**

The prize money has been really nice this year, jackpots of over \$100.00..

SELLING CARDS FROM 5:00 TO 5:45

GAMES START AT 6:00

SEE YOU ALL ON MONDAY EVENINGS AT BINGO...

There will be sign-up sheets in both club houses. Or you can call June at 726-0130. Let's make our final Blood drive of the season a Great One. Thanks.

## ALL ABOUT YOUR WATER

Bill Beyer

---

**T**he briar creek water committee in Phase II would like to inform you of many ways to prevent you from having any problems in your homes as well as preventing excessive water use.

1. Do you know where your water shutoff is located outside your home? If not, you can call someone on the water committee and they could help you find it.
2. This is important for a couple of reasons:
  - A. If leaving the house for a day or more, it is wise to turn the water off in case a pipe burst (which has personally happened to us while we were at home).
  - B. To make sure that your outside shutoff functions properly, you can turn it off and then check if any of the faucets in the house still have running water. If they do then the outside shutoff needs repair or replacement.

Other important items that should be checked and repaired are as follows :

- Toilets running, faucets dripping, unusual wet areas in your yard or running into the street.
