## BOARD BUSINESS

### Lawn Mowing - Barbara Pesic

Mowing will occur on the following Fridays: February (2/6), March (3/6) and March (3/20).

### Handling Grievances

Should you have any problems with the mowing service, please advise Barbara Pesic via phone or email. It is requested that residents not give verbal instructions to the mowing crew. All complaints are to be addressed by the management of the mowing service. Thank you very much for your compliance.

### Board of Directors Meeting - Gene Arend

I enjoyed the participation and cooperation from all who attended our recent board meeting on January 7th at 7 PM. I hope the evening venue made it possible for those who cannot attend a meeting at 10 AM. The meeting lasted over one hour. I like to try to keep the meeting to 30 or 45 minutes; however, there was so much positive input and suggestions, it was difficult to cut it short.

I was pleased so many residents addressed agenda items and made comments prior to the meeting which enabled the business portion of the meeting to proceed smoothly and quickly. Prior to the close of the meeting, several attendees made suggestions or comments which we not only will address as time permits, but have added some good task material for the board to consider. It's nice to know the board will not run out of things to do.

Although some future meetings will be in the morning, I hope to be able to alternate the morning and evening venues. The minutes of the meeting will be posted on the bulletin board and our website (Board of Directors Tab) which will include both the business portion and your comments. The Reserve Analysis will be posted on the website and bulletin board and I hope to have a “To-Do” list posted there soon. This will help you see what we are doing as we go forward.

**Next Board Meeting - Gene Arend**  
 Tentative date for the next meeting is February 18th at 10:00 AM.

## Inspections – Linda Miller and Pat Arend

**W**e are in the process of assembling our teams for the annual inspections of Briar Creek Phase I. We are looking for volunteers to make up our teams of two. We will meet with the teams in advance to review the procedures and expectations. Each team usually is assigned an area to inspect which might take 60 to 90 minutes to complete the inspection. The inspection is broken into two major areas (roughly north and south of Briar Creek Blvd) and conducted the first few months of 2015. The teams perform the inspections at their leisure reporting the results to Linda. Some teams may have time available to be assigned one area while others can do multiple areas. The more volunteers we have allows us to share the responsibility. Please contact Linda or Pat if you have the time to volunteer.

## THINGS ARE HAPPENING IN BRIAR CREEK

**W**ork on the tiki huts is in process. The workmen were contracted by Andy Philyaw. Below are a couple of shots taken by Resident Elizabeth Raucci during the re-thatching phase. Good photos, Elizabeth!

Also included is a picture, snapped by Elizabeth, of two storks strolling around Briar Creek. Wildlife photos are always welcome. Thanks for your submissions!

## MESSAGE FROM ANN DALEY, PRESIDENT SOCIAL CLUB

---

One night, as I drove around the park, looking at all the lights and decorations, one street was as nice as the other. It showed the pride and joy we have in our community. Now that Christmas and all the hustle and bustle is over, we can settle down for a long winter's nap. Not So Fast! We have many great events planned for the next two months so come out and enjoy yourself. Hope that 2015 will be a Happy and Healthy New Year.

## Bingo - Jean Richter

## Briar Creek Library - Lee Cameron

---

Now that snowbird people have returned to Briar Creek, the library is acquiring new books. To make room for the new arrivals, books that have been on the shelves over three years will be removed to make room. Just a reminder, the magazine rack will be emptied at the beginning of each month. DVD's are always accepted, VHS tapes are not. The people who help keep the library running smoothly are an awesome group, but they would appreciate some help, so if you can give one week a month to help out, it would be wonderful.

## Briar Creek Store - Dave Doran and Ray Jablonski

---

2015 - the BC Mart begins another year! Who would have thought? New stuff is beginning to find its way to the store. Remember, the store is open to Phase 1 and Phase 2, as well as your friends, relatives, and maybe people you can't stand! Hours and phone numbers are always posted in the window and no junk please! Our Briar Creek website has a link to the BC Mart. Stay in touch with it since we will be posting items (well, Freddie and Fanny will be showing them), plus special coupons. And we no longer give green or plaid stamps, so get over it! We will also post items on the bulletin board in the clubhouse. And, if you're looking for that special something, let us know and we will keep our eye out for it.

Our first recycling for electronics, such as TV's, etc., will be January 31st. We will remind everyone at each coffee hour. We will be willing to pick up those TV's that are too heavy to drop off at the store during the week before. Just call one one of us: Dave at 585-329-3827 or Ray at 203-980-5644. Please, if you can bring the electronics to the store, it will help us greatly. A list of all electronic recyclables they will accept and future dates is posted on the bulletin board in the clubhouse, as well as the store. Let us do the right thing and recycle properly.

## A Word of Thanks - Kathleen Cory

**Alice Hall and Kathleen Cory**

Handling ticket sales for Briar Creek events has been a fun task; however, after a couple years, I decided to hand off the responsibility to another volunteer, Alice Hall, has stepped up to take over. I'd like to thank everyone who helped me over the years I did the job.

When a popular event is approaching, ticket sales can get rather hectic, so I'm sure Alice will appreciate my providing a few tips

to ticket buyers that will make her job easier. If you know an event is just around the corner, try to be prepared with the correct amount needed for tickets so Alice isn't put in the position of having to make change for a large denomination bill. If you don't have the money in hand, and want a ticket for an upcoming event, you can pay the next week. And, again, it helps to have the exact ticket cost at that time.

Being responsible for cash, tickets, and/or questions can be almost overwhelming at times, so Alice will truly appreciate your patience.

## Mahjongg Lessons - Sharon Philyaw

Since hearing that they are going to give lessons to learn Euchre, I thought it might be good to have available lessons on how to play Mahjongg as well. I've heard several residents ask about it and we have many new residents also. I approached Jane Fedelem, as she plays Tournament Mahjongg, and asked her if she'd be willing to teach people the game. She said "yes," and that Sundays from 12-1PM would be good for her schedule starting on March 8th. An hour would be about all that new people could absorb at a time as there is a lot to remember in the beginning. The new game cards are sent out for the game starting April 1st so the playing field would be level, for current players, as well as new ones.

## Do You Have a Kindle or a Nook E-Reader?

If you have an e-reader (as many of us do), keep in mind there are a myriad of ways to get "free" books for your electronic device. Amazon.com is just one. A favorite of many people is [www.bookbub.com](http://www.bookbub.com). This particular website offers free (and some very low cost) books for both Kindle and Nooks. If and when you use Amazon and/or [www.bookbub.com](http://www.bookbub.com), the books are yours to keep. And keep in mind many libraries offer an on-line connection to "borrow" free books for a week or two. Good luck in your search for great reads!

# New Pain Treatment Available in Dunedin

Dunedin, FL - Imagine forty years ago if you were told that lasers would replace scalpels in surgery or that robotic instruments would build cars; you may not have believed it. By the same token, would you believe that chiropractic treatments could be performed using a special hand-held instrument using space age NASA technology, all while you were sitting in an upright position without turning or twisting movement to your spine?

According to Dr. Drew, "This new form of computerized treatment is so gentle and effective that it amazes even the most skeptical patients. It's called the Impulse IQ and it is the latest state-of-the-art technology in existence today, and the only one in the Hernando, Citrus, Pasco & Hillsborough area."

Dr. Drew says that, "The secret to the Impulse IQ is in its ability to deliver an extremely precise adjustment." He says "Even though traditional forms of adjusting also work, people are drawn to this new technique because of how gentle it is and does not involve any twisting, especially in the neck." The Impulse IQ is FDA approved, UL listed and treatments are covered by most insurances, including Medicare.

The procedure is backed by years of scientific research, and our patients can't stop raving about their results. They are using words like "Incredible", "Amazing" and "Unbelievable." It's changing the future of pain treatment like nothing else I've seen in over 20 years of practice", says Dr. Drew. If you have any of these conditions, the Impulse IQ may be the answer you've been looking for.

someone to purchase the food. I volunteered to do the shopping with the help of my friends, and it has become an annually event. This year we used 15 grocery carts and 3 suv's and 1 car. The food pantry suggests we use save-a-lot and lets us know what they would like. We really enjoy the day, and there are always smiles when we delivery at the pantry. Each year while we are shopping another customer in the store will ask what we are doing, and they will ask if they can add to our donation. This year the person that asked had been a victim of hurricane katrina and had been helped by a food pantry, and she wanted to "pay it forward".

We had an added bonus this year, the sit n stitch group sent some much needed hats that they had knitted. The ladies have since made more hats and have taken them to the pantry.

The food pantry is very appreciative of all that briar creek does.

Thanks again,

Marsha, karen, barbara, judy, marge, nancy, robin & judith

## **ALL QUILTERS & SEWERS**

*Darlene Beyer*

**W**ith all the new people moving into the park, in Phase 1 & 2, I'm realizing many of you like to sew or quilt. I'm sure that all of you would like to meet each other and see all the projects others are working on. Part of the fun is sharing ideas. Therefore, we would like to form our own sewing and quilting group.

So far, we have decided that Friday would be a good day for most and meet either every week or every other week at Phase II Clubhouse.

To ask about time of gathering or other information about the group, please call 727-403-9957

## **Annual Home Inspections**

*Joan Davis*

**I**t's That Time Again, we will be looking at all our homes in our community. We are putting teams together for the inspections. The process will be the same as last year.

Volunteers are needed, so please call to help us. Contact Joan Davis at 726-4829.

Your help is greatly appreciated. We can never have too many volunteers.
