Grievances / Mowing Service

Please call Barbara Pesic at 727-307-5316 to report any grievances with the mowing service. (If you are leaving a voice message, please include full name, address, and phone number.) Issues are inspected and then reported to the mowing service management for resolution or correction in service. Due to the danger of approaching workers operating equipment, it is requested that you report the problem rather than give instructions directly to the crew. Thanks for your cooperation with these procedures.

FINANCING AVAILABLE

PHASE 1 Clubhouse Usage

Joe Daley/Gene Arend

The Phase 1 Clubhouse and Recreation area is used by the Association, Social Club, Community Events, Individual Owner Private Events, and other recognized Not-For-Profit Organizations. In order to provide equal opportunity for all the community use, a calendar of these various events is available online for review. If you plan to use the clubhouse for an event, you must contact either Joe Daley or Gene Arend to schedule the event. Any event must be approved by the Board of Directors, the owners of the common elements. This procedure allows all owners to have access to the clubhouse for an event. If there is an event scheduled during a time period you wish to schedule, then either Joe or Gene can contact the parties involved, and see if the use of the clubhouse can be shared, by dividing the clubhouse, using the partitions in the middle of the clubhouse, or rearranging the time, or sections of the clubhouse. It is only through this process the clubhouse becomes equally available to the entire community. You can review the calendar online by going to www.mybriarcreek.com and clicking the tab “Clubhouse Reserve”. This web page allows you to see the calendar, and request to reserve the clubhouse, using an online request form. You can also call Joe by phone. If you are requesting to use the clubhouse for multiple days (.i.e. every week on Monday, at a certain time), then specify the start and end dates of the event. Any “for profit” event must obtain written Board of Director approval and comply with the rules of use established in 1988 and amended in 2008.

THANK YOU

Gene Arend

I wish to extend my best wishes for success to the new Board of Directors who has stepped forward to serve our Community and be a part the Association. I must thank Andy Philyaw, Barbara Pesic, Bob Barr, Everett Wardell, Joe Daley, and Ray Jablonski for serving with me these past two years. It was your willingness to accept my delegation of responsibilities and performing those tasks so well that has given me many accolades from the community. It was through you that I was able to see many successes. I am sure our community is better today because of your tireless dedication. Thank you for your confidence in me as President.

I have had many enjoyable moments as President and Director of the Association; however I am in favor of one stepping aside to allow others to come forward and shine. It is through our new owners, with their new ideas, enthusiasm and their readiness to serve on the Board that our community will thrive and be better as a result. I ask the community to support them and allow them the time to serve you well.

JANUARY

January was established as the first month of the year by the Roman calendar. It is the beginning of the new year and a time to make resolutions. January was named after the god, Janus, which is the Latin word for door. Janus has two faces which allowed him to look both backwards and forwards at the same time. He was the “spirit of the opening”. Let this January open your hearts and your minds to new beginnings...let’s learn from the past and celebrate the future and all it can be! **HAPPY NEW YEAR!!**

“DON’T KNOW MUCH ABOUT HISTORY”, well....neither do we.

That is why we are looking for a ‘Historian’ to continue to document events for Phase 1. This was a valued position that has fallen by the wayside and we are now in danger of losing information about our park, its residents and the important events that take place her. If you are interested in preserving our past, contact Dave Doran. In conjunction with the historian, Dave Doran and Jeff Clark are in the process of repairing the photo albums and historical documents that are crumbling. They intend to make them like new and in a user friendly format in order for resident old and new to enjoy and learn what makes Briar Creek the great place it is!

BC MART

Dave Doran and Ray Jablonski

We’ll be cleaning up and straightening up to get ready for a bigger and better BC Mart in 2017!! Watch for news on our GRAND RE-OPENING!

JEWELRY BAZAAR SALES

Helen Coar

Many thanks to everyone for their generous jewelry donations to the Bazaar. It was a good year. TOTAL SALES: \$1,435.00!! It has been my privilege to work first with Maggie York for 4 years and then as chairperson for the past 6 years. And many, many thanks to the gals who helped price and sell over the years: Terry Henry, co-chairperson, LaVonne Newcomer, Mary Haupt, Barbara Pesic and Lina Edington. Past years: Kathleen Cory, Betty Rossello and Sharon Bahm. A special thanks to Maria DeRee for her new ideas and who will now be the jewelry chairperson.

BAZAAR

Dave Doran

This year's Phase 1 bazaar was held DECEMBER 2nd and 3rd. I can tell you WE DID GOOD!... There is a VERY GOOD POSSIBILITY that we set an all-time record with sales of just over \$10,000.00 (that is combined Bazaar and this year's sales at the BC Mart)!! This is, in part, a result of so many great volunteers who gave of their time to make this annual event exciting and fun. There were some wonderful deals and that brought smiles to those who attended. Thank you, thank you. We will have an "after-the-bazaar" meeting (date to be announced), and your comments and ideas for future bazaars will be very much appreciated. There is an envelope on the bulletin board marked "BAZAAR"; please put your thoughts and ideas inside and we will discuss them at the meeting.

RECYCLE EVENT/PHASE ONE AND PHASE TWO

Dave Doran

This is the time for everyone to clean their shed out, paints, lawn chemicals, household chemicals, computer monitors cell phones; there is a complete list of what you can and cannot bring posted in both Phase 1 and Phase 2. Televisions will be the big thing! Truck will be at the Phase 1 garage at 116 Beechwood. DATE: **JANUARY 24TH**. A signup sheet for volunteers to help unload and load will be in each clubhouse. This is the time to get rid of all that stuff you cannot throw in the garbage. Any question, call me on my cell 585-329-3827

ENTERTAINMENT COMMITTEE

NEW YEAR'S EVE

Mary Kay McBride

Welcome 2017 and be entertained by Karen Kallin, "Little Ms. Dynamite". Karen is originally from Buffalo, NY, and she moved to Palm Harbor in the late 1990's, where she took a position with Pinellas Co. Schools, and St. Pete College. She is an educator, and while teaching, she worked part time in many restaurants in the area. After being given the opportunity to show her talent as a singer-

entertainer, Karen has been having a great time performing those oldies but goodies in front of many audiences. Because of her explosive high energy and her tireless hard work, she was given the name of Little Ms. Dynamite! Although Karen can voice many artists, her favorite artists are Brenda Lee, Connie Francis, and Leslie Gore. She loves to watch people put all of their daily stresses aside, let their hair down and have a great time listening and dancing to the “oldies but goodies”.... she calls it "free therapy". Tickets will be \$20 per person, and the hors d'oeuvres will consist of wings, meatballs, and fruit. 9pm till 12:30am! Come join us after dinner to "Ring in the New Year"!

BREAKFAST IS BACK!

Pam and Roy O'Neill will start off the New Year with the return of the monthly Sunday Morning Breakfast on **JANUARY 8th**, 8am-10am in the clubhouse. Join your neighbors and friends for a delicious \$3.00 breakfast consisting of Eggs, Hash Browns, Sausage or Ham, Toast, Orange Juice, Coffee or Tea and last but not least: a fruit cup! Future breakfasts will be held on **FEBRUARY 12th and MARCH 26th**.

VETERAN'S DAY CELEBRATION

Mary Kay McBride

The Veteran's Day Tribute went very well! Razzmatazz was so much fun and interacted with the crowd beautifully. Mr. Lowell brought his dummy, Joey, and together they put on quite a show! BC residents LaVonne Newcomer, Vivian Shapiro, Jean and Jerry Richter, Mary Kay McBride, Alice Hall, Conrad (from Phase II), Julie and Daffodil (friends of Lesley Blake), and the most impressive Jim Muir participated in the entertainment!

It was a night of fun and friendship. Following the entertainment portion of the evening we had our “Tribute to Our Veteran's”. The “Star Spangled Banner” was led by Robyn Prentiss, followed by “Oh, Canada” played on the piano by Alan Smith and sung by Lesley Blake and Company. A flag parade made up of: Army, represented by Gerry Rogers, Navy by Alex Newcomer, Air Force/Air Corps by Marty Martin, Marines by Joe Guazerotti, and both the US and Canadian Coast Guard by Mike Benoit. Each military representative entered the room carrying their respective flag while the service song was played by Dave Hunkins. Mary Kay performed a reading about a soldier and Santa Claus on the night before Christmas which was well received. Our evening ended with cake and coffee. Thanks to all who helped decorate, plan, bake desserts, and clean up. A special “Thank You” to American Legion Post 238, in Safety Harbor for loaning us the flags used for the parade.

“FEED THE PIG” Follow up

Connie Potter-Holmes

On November 23rd, Janet Hooper, Executive Director of the Mattie Williams Neighborhood Family Center and Connie Potter-Holmes opened the “Pigs” and came up with \$193.60 (plus Schneider pennies!) to provide Thanksgiving meals for those less fortunate in Safety Harbor. Thank you to all who donated to this worthy cause.

TRIM-A-TREE/SOCIAL HOUR/TOYS FOR TOTS

Mary Kay McBride

While Christmas Carols played in the background, Briar Creekers decorated the clubhouse inside and out. A beautiful new Christmas Tree was donated by two Santa’s Elves who recently made Briar Creek their year-round home. Beautifully decorated in silver and blue under the direction of Annette Lemieux, it is a work of art and very festive. With garland swaged over the windows and ornaments hung from the ceiling, the clubhouse was transformed into a winter wonderland, headed up by Helen Coar, Mary Houpt and Karen Mbiad. Even the Bingo counter is decorated for the season. This year, an outdoor tree was added to enhance the effect of the icicles and colored lights adorning the façade and Joe Guizzerotti spearheaded Santa’s helpers on the ladders and golf carts!

Snacks were enjoyed by all who participated. The “Toys for Kids” drive was kicked off and Marcia Kincella is chairing this worthwhile endeavor. It does take a village, but that’s what makes it so great when so many pitch in to complete a project!

A special ‘Thank You’ to Jerry Richter for taking pictures that can be viewed by all on the website.

CASTING CALL:

Calling all Gene Kelly’s, Lady GaGa’s, Bob Hope’s and Meryl Streep’s! Time to show off your talent! We are now casting performers for the Phase 1 Appreciation Night Talent Show. If you can sing, dance, play an instrument, tell a joke or put on a skit, we would love to add you to our roster of performers. Appreciation Night will be held on February 25, 2017 and is sure to be very entertaining. See Pauline Hoad (723-9710) or Leslie Blake (474-6504) if you are interested in either performing or volunteering to help with the show or sign up at the Clubhouse.

SHUFFLING

Bob Barr

Good news, in the Big 10 league both the A and B teams are near the top of their respective divisions in early December. At the fall meeting of the Big 10, Briar Creek was presented with the President's trophy for the most improved A and B teams as compared to the previous year. This is the first time since it came into existence in 1987 that Briar Creek has won this trophy. The trophy will be on display in our clubhouse until the fall of 2017.

We are always looking for new residents to come out and give shuffling a try. Shuffling is a fun and competitive sport that is easy to learn and yet difficult to master. We do have lots of retired cue sticks just looking for a new owner to get them back out on the courts. This time of year you will usually find someone out practicing around 11:30 in the morning on Tuesdays, Thursdays, and Fridays so if you are interested stop by and give it a try.

Home games in January are the 2nd and 4th, 23rd and 25th, and the 30th and Feb. 1st. Competition starts at 12:30 so feel free to stop by and cheer us on to victory.

TABLE TENNIS

Dave Hunkins

Get your paddles ready, table tennis is back. If you think this is a slow and boring game, think again! Come join this fun but competitive group. Anyone can play, any level of ability. Call Dave Hunkins for information 669-0503. **WEDNESDAYS at 7:00 pm.**

WATER AEROBICS

Mary Kay McBride

Join us in the Phase 1 Pool, year round, for this fun exercise. Water aerobics is the performance of aerobic exercise in fairly shallow water. It's a low impact activity that takes the pressure off your bones, joints and muscles. Water offers natural resistance which can help strengthen muscles and has many health benefits like improved heart health, reduced stress and increased strength. You don't even have to be able to swim!

If you have a “noodle” bring it, but it is not required and there are some community noodles available at the pool. **NOTE NEW TIME:** Classes are held **DAILY at 10 AM** except Sunday. Call Mary Kay at 740-852-9475.

ZUMBA CLASSES

Elaine Harsh

NEW LOCATION: Zumba classes are now held at **10:30AM on THURSDAY's** in the **Phase 2 clubhouse**. Zumba is normally a fairly strenuous exercise; however Claudia, our instructor, has assured attendees that this particular class is geared to the "more mature" participants. The same **SilverSneakers®** conditions apply to this class also. If you are not a **SilverSneakers®** member, the charge for each class is only \$3.00.

FANNY FLAMINGO QUICK FIX FACTS!

Putting in a new dishwasher? Get an aluminum oven liner and slide it under the dishwasher. If at some point the pump might drip you can sometimes hear it drop on aluminum but the liner will trap the moisture so it does not damage the floor which you would not see until it is too late. New Washing Machine or Water Heater? Always have them put in the appropriate metal pan for the very same reason, if they drip you can catch the problem before it destroys the floor.

Look for more helpful hints from Fanny in future editions of the Monthly Media!

CAUGHT BEING A GOOD NEIGHBOR

Never believe that a few caring people can't change the world. For, indeed, that's all who ever have.

Margaret Mead

TOM HAWKINS and MARK PFLUGH repaired the concrete stanchions on the BC entry island.....THANK YOU! That was a big job!

KENNY BLAKE aided law enforcement by identifying a car jacker that was busy on Sugar Bear. THANK YOU FOR HELPING TO KEEP US SAFE!

What a shocker!!!.....**MIKE BENOIT** checked out the defibrillator located in the Clubhouse to make sure it was still in working order! The 2 first aid kits were also updated and restocked. **WE NOW HAVE ASPIRIN IN CASE OF A SUSPECTED HEART ATTACK TO TAKE IMMEDIATELY WHILE WAITING FOR THE AMBULANCE.** In addition, we have fast acting antihistamine for anaphylaxis. Never know when you'll need it!

Worker Bees **MARY KAY MC BRIDE, ANNETTE LEMIEUX, LIZ RAUCCI, PAM O'NEILL, JANE AND PETE FEDELEM and RICH RAUCCI** were very busy purging, cleaning and reorganizing all the storage spaces and the kitchen in the clubhouse. What a chore!

IVAN CURTIS and BETH STORRER both took it upon themselves to care for a neighbor's plants when she went home for the Thanksgiving holiday and didn't make arrangements for their care. She came home expecting dead, brown plants but was very pleasantly surprised they were well cared for! Here's to Green Thumbs!

Thank you **PHASE 2 GOOD NEIGHBOR YAEKO PARISH** for putting Sylia's trash can up each week. It is very kind and thoughtful.

Let Liz Raucci know if you have witnessed a Briar Creek resident doing something great for the park or a fellow resident(s) "just because"!

BRIAR CREEK INITIATIVES

Connie Holmes

Why is it IMPORTANT to wear (or have) a Medical ID?

Have you ever gone to a Doctor's office and upon speaking with the Doctor and said, "what's wrong with me?" The Doctor replies, "what are your symptoms?" and you reply, "YOU tell me!" We all know Doctors and medical professionals are NOT mind readers and we must supply the basic information for them to begin their examination. Example: you would not find out what's wrong with your aching head if the Doctor only checks your hands for problems there; nor would you expect to find out what's wrong with your hearing when you go to an eye doctor. This could be true life experience if your Doctor does not have all the pertinent information to begin the examination process.

A medical ID provides for quick recognition of any medical conditions, allergies, medications, or treatment wishes which leads to faster and more effective treatment.

Medical ID bracelets reduce errors in treatment, which can result from not having a patient's health record during an emergency situation.

A medical ID speaks for you if you become unresponsive in an emergency.

First responders and medical personnel are trained to look for medical ID jewelry in an emergency. Medical IDs will alert professionals of critical health and personal information. Another possibility for your medical information is to place this information on your refrigerator for emergency personnel to locate easily. Just place it on the refrigerator folded or in an envelope with 'EMERGENCY ID INFO' on the outside. Make it very visible!

There are many reasons for you and your loved ones to wear a medical ID when living with common or unusual medical problems. A medical ID can and will save your life.

WHO should have a medical ID?

Some possibilities are patients with: Alzheimer's/Dementia, ADD/ADHD, high blood pressure, diabetes, cancer, allergies, on dialysis, on blood thinners, lung disease, autism, heart disease, Asthma, COPD, blood disorders, have a pacemaker or defibrillator, epilepsy, etc...the list goes on and on.

So many in our park live alone, this can be a matter of life and death. We ALL laugh at the commercial that shows someone who has fallen and 'can't get up' but this is a major possibility for many of us here in Briar Creek. Anyone can fall at any given time. There is an old saying that 'pride goes before a fall' and it is so true. If you need help...ASK!

REFLECTIONS OF BRIAR CREEK

Linda Eddington

The beginning of a new year brings refreshed optimism and hope for a more active, hospitable Briar Creek community. We heard from the President of Progressive Management at the Phase 1 annual board meeting on December 5th that the Briar Creek Association has consistently the most annual proxy votes then any other neighborhood. That is a very good indicator we care about what happens here.

There is a common belief that peace in the world begins with harmony in the family and between neighbors. We have begun to create harmony here in Briar Creek with identifying good neighbors in action and deed through the Monthly Media. To ensure harmony in the year of 2017, we will continue to extend compassion and a helping hand whenever needed. And, as a pebble creates a ripple in the pond, that harmony will ripple across our city, state, country and world.

A Blessing for the New Year.....The Mothers Union Anthology of Public Prayers:

God, bless our year giving us time for the task, peace for the pathway, wisdom for the work, friends for the fireside, love to the last.

2017 EDITORIAL

Liz Raucci

Here at Briar Creek we are always saying hello and goodbye. Makes me think of the Beatles lyrics, "I say goodbye, and you say hello". This year we said goodbye to Dottie, Katie, George, Robert and Gil but we said hello to Norbert, Inson, Luisa and Marilyn to name a few! We say goodbye to some in May and hello to them again in November. Here in Briar Creek things are always changingbut that's what makes it such a great place to live. There is no change without change. As we say goodbye to 2016 and hello to 2017, there is so much to look forward to....so many more hello's and a few goodbyes. We will welcome a new Board of Directors, a new Social Club board, new residents who will become friends and new inventory in the BC Mart! Unfortunately, we will probably say goodbye to some old friends, but that's all a part of living in Briar Creek, as well. Let's make the most of what this year and what our community has to offer. Meet a new resident, make a new friend, come to an exciting social event, try a new craft, practice a new skill and most of all, enjoy every minute of the New Year in this wonderful community we live in.

Cardio, chair yoga and Zumba gold classes

Cardio classes will be held every Tuesday morning at 9 a.m. Cardio classes include stretches, weights and movements to elevate your heart rate. Chair yoga will be held Tuesday morning at 10 am. This is not your daughter's yoga class. We won't be getting on the floor. Yoga will be done either sitting or standing next to the chair holding on for balance. Claudia our instructor helps us to improve our balance as falling is one our biggest risks as we age. On Thursday at 10:30 Zumba gold classes will be held. This is a wonderful way to dance our way to good health. Lots of fun and a wonderful age appropriate work out. Classes are \$3.00 for one class or \$4.00 for two classes on the same day. Those who have the Silver Sneaker option through their insurance are free; please bring your insurance card. This wonderful healthful option is open to both phase I and phase II residents. All classes are held at the phase II clubhouse.

Since it snows at this time in other parts of the US let's make anything that has a little white color in it for sharing. When in doubt you may Google a white food item for an idea. Our gatherings are open to phase 1&2 and their guest.50/50-\$1

The Remembering past Christmas Seasons

Standing at the kitchen counter this year, with my arms deep into sugar and flour, I started thinking about Christmas baking seasons in the past. All years are memorable in their own way but one stands out.

I had belonged to a Christmas Cookie Exchange with some dear friends for many years, sharing the happy memories of successful Christmas goodies, the tears over failed recipes, the yearly news update about families...jobs, marriages, children, school triumphs and disasters, college, children's' marriages and grandchildren. In 27 years, a lot of water goes under the bridge.

The most memorable year saw us meeting at Bonnie's house, a beautiful, large old mansion in an upscale part of town. We talked nonstop, drank wine, admired our handiwork and took the mandatory photos of ourselves and table groaning under the weight of dozens of beautiful cookies.

Late in the evening when the party broke up, we opened the door to see snow unexpectedly covering the sidewalk and the parked cars. Patsy and I proceeded to clear the snow off her car, but try as hard as we might, we just couldn't get her key to go into the door lock. Assuming the lock was frozen, for 45 minutes we blew hot air into the keyhole through a straw, put the key in hot water and happily accepted the help of strangers passing down the street. But nothing worked. The door lock just wouldn't open.

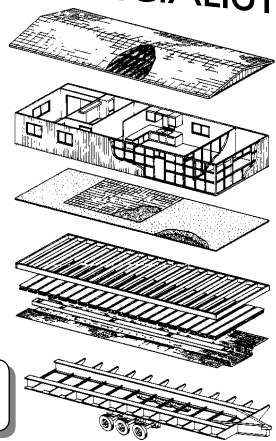

Finally we decided that our only option was to have Bonnie drive us to a gas station that stayed open late to buy some lock de-icer. So we carried all the boxes of cookies back to her house, cleared the snow off her car and started down the street. As we passed the car we had been working so hard to open, Bonnie remarked "Patsy, you don't have diplomatic plates on your car."

Oops, we had been trying to open the door of the wrong car.
