# We Respect Our Home

---

In the last few months, our swimming pool area, as well as other park locations, has been violated by non-respectful users.

The picture below shows damage to the hot tub caused by someone throwing in a bottle of “hair and body wash.” The pool company fished out the bottle and had to correct the damage which caused not only inconvenience to the residents who wanted to use the hot tub and pool but also increased our pool maintenance costs.

Helen Coar, Joe Guazzerotti,  
Terry Henry, & Jean Richter  
(1 to r), deciding who's first to  
clean up the suds.

Several comments were made at a recent Wednesday Social Club meeting that illustrated the need for firm, decisive action in response to those who either cannot or will not abide by our guidelines. These policies were put into place so our property will be protected and maintained in an orderly manner. No more than you would let someone into your home and damage items, than you should allow a person or persons (whether known or unknown) to wreak

havoc on Briar Creek property.

If you see someone doing something unacceptable in or around the pool, clubhouse, shuffleboard court, parking areas, laundry buildings, and so on, please don't hesitate to call someone immediately. You can call the appropriate Board of Director member, or if you are not sure where your call should be directed, pick up the phone and call the non-emergency number of the Pinellas County Sheriff's Department, 727-582-6200. If you don't have that number handy, you can always call 911 and say “This is not an emergency” and they will connect you with the proper person.

As a resident here, you have an obligation to follow the bylaws, guidelines, and obey our other park restrictions, as well as applicable legal restrictions, while in Briar Creek. Naturally, these regulations also apply to your visitors. Please note when you have a visitor 16 years or younger, and they are riding a bicycle in our community, a bicycle helmet is a legal requirement. As the title says, We Respect Our Home, and we hope others will also.

As a reminder, the following are the published guidelines in conjunction with using the

swimming pool, as well as the spa. Naturally, even with the absence of written rules, using common sense is always a number one priority.

## **Pool & Spa Rules**

*Gene Arend, President*

The Board of Directors is responsible for issuing rules for the use of the Pool and Spa. These rules cover both behavior and conduct, as well as safety issues. The following are the rules established:

Smoking of any type of cigarette, cigar or device is permitted only on the patio area where the two ceiling fans are located. No Smoking is permitted in the immediate area surrounding the Pool or Spa.

No Food or Drinks in glass containers, nor are animals permitted on the pool decking or in the pool or spa.

No Life Guard is provided at any time.

Showering to remove excess sun tan lotion or oils is required prior to entry to the pool or spa. No foreign substance is permitted in the pool or spa.

Adults swimming hours are 9 AM to 10 PM. Children under 18 are permitted from 10 AM to 2 PM and again from 5PM to 7 PM. Children under 16 must be accompanied by an adult. The hours for children during some holiday periods are altered to the adult hours and a sign is posted at those periods.

Children under 3 years old must wear a swim diaper at all times.

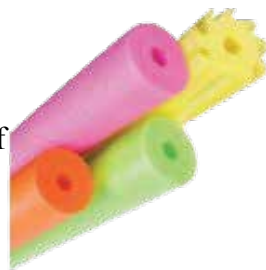

Maximum water temperature in the spa is maintained at an average of 104 degrees. Children under 14 years old are not permitted to use the spa by rule of the Pinellas Health Department.

Maximum use of the spa is recommended to not exceed 15 minutes by rule of the Pinellas Health Department.

Pregnant women should not use the spa. Persons using alcohol, narcotics or other drugs that cause drowsiness or dizziness should not use the spa or pool.

An approved pool tag should be carried as a passive form of identification at the pool and spa by owners or guest. If someone is not familiar to an owner, it is recommended they politely ask the other person to present the pool tag prior to using the pool or spa.

The temperature in the pool is maintained by heaters or chillers to be at an average of 84 degrees year round. Excessive rain or sun can cause these temperatures to vary several degrees before the equipment can adjust the temperature. The volume of water in the pool may take several hours to adjust to the desired temperature. Therefore 2 – 4 degrees in either direction is not unusual. The access door to the temperature gauge has been sealed to reduce the number of phone calls reporting the temperature is 82 degrees or 86 degrees. The pool is monitored and inspected by a licensed company on a regular basis.

## IRS Calling You? No Way!

---

**C**learwater police are warning residents about scammers who are using the department's name. Police say the scammers are calling residents and claiming they owe the IRS money, then telling the residents the Clearwater Police Department will arrest them if they don't pay up. The callers make the scam sound legitimate, by using the name of Capt. Harris and a real phone number for Clearwater police, officials said.

Police say the scammer tells the people they will be held in contempt of court if they don't get a prepaid debit card, and they are threatened with arrest within 24 hours if the person does not do as they are told. Some victims have been told that police are watching their house and monitoring their phone calls. Additionally, the callers sometimes insist that you provide them your Social Security Number. **NEVER** give out that information over the telephone, even if the caller sounds legitimate!

The department has received several complaints to its fraud hotline about these calls. Officials say if you receive a call like this, hang up and call the fraud hotline at [727-562-4424](tel:727-562-4424).

### **New neighbor get together**

We will have a new neighbor/resident Happy Hour get together on Sunday,

July 26th from 5 to 7 pm. If your neighbor is new to Briar Creek, please invite to our welcoming happy hour and plan on joining in the festivity.

Dear neighbors, our monthly good neighbor stories. I saw a good neighbor wash his neighbor's driveway and his awnings.

Thanks, Betty, for the suggestions in the June media about Household Hints.

Remember the saying, “We get by with a little help from our friends.” What stories can you tell about a neighbor helping a neighbor?

Remember, we want your suggestions. Tell us, write in the suggestion box, and send us emails.

“May the world be kind to you, and may your own thoughts be gently upon yourself.”

## NEW MONTHLY FEATURE - "In the Spotlight"

Starting with next month's issue, we plan to "spotlight" one resident each month. In order to be included in the "In the Spotlight" monthly drawing, write your name and phone number on a blank card to be deposited in the "In The Spotlight" container. The resident's name will be selected by random drawing each month. Blank cards will be supplied to you each Wednesday before the Social Club meeting. If, for some reason, you are unable to make a meeting, you can email your name to [www.monthlymedia@mybriarcreek.com](mailto:www.monthlymedia@mybriarcreek.com), or give your name to Betty Chatigny, either in person or by phone, to make sure your name is in the hopper.

Dozens of residents are already taking advantage. Please see our brightly colored insert for more information.

**Get Your Picture on the Cover** - We select a new and interesting picture every month to be printed on the cover of your newsletter. If you or your neighbors have fun events or activities please send in a picture and we'll enter it to be selected. Please include a description of the image and a brief release allowing us to reprint the picture. Our mailing and email address are located the bottom of this page.

## Betty's Household Hints

---

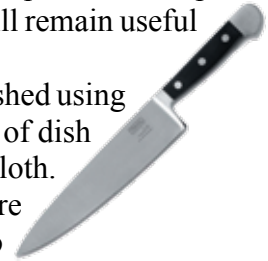

Caring for your kitchen knives means keeping them clean and sharp. A few simple guidelines can make a real difference in how long your knives will remain useful tools in food preparation.

Wipe the blade with a clean non-abrasive cloth as soon as you've finished using the knife; then rinse the knife with warm to hot water. Put a few drops of dish soap onto a wet non-abrasive cloth and scrub the blade with the soapy cloth. There are non-scratching scrubbers that will work well, especially if there is heavy debris on the knife. Rinse the knife once more with warm to hot water and dry the knife with a clean cloth, taking extreme care not to dry across the sharp edge of the blade.

To maintain a sharp edge on your kitchen knives, NEVER put your knives into the dishwasher. The combination of very hot water and the type of detergents used in electric dishwashers will dull almost every knife blade, and if this occurs, there is usually no way to keep the original sharp edge.

A chef told me that using a wooden knife block is a safe and easy way to store your knives. He also mentioned that if one stores knives in a wooden block, that the knife blade should be inserted into the appropriate slot with the "sharp edge side up." He said if a knife is slid into the slot with the sharpened edge downward, the knife will dull fairly quickly because the honed edge rubs against the wood every time the knife is removed and reinserted.

Another convenient way to store your kitchen knives is to use a magnetic strip hanger. These magnetic strips can be mounted on the side of a kitchen cabinet and your knives will always be within arm's reach. Most hardware stores carry these magnetic strips, as well as stores like Walmart, and are reasonably priced.

## Ladies' Luncheon

*Hildie Meyer*

---

**T**he Ladies' Luncheon this month, on July 15th, will be held at a restaurant that we have not been to in a long time. It is Cricketers, at the intersection of Curlew Road and Alternate 19, in the corner shopping center. Some of you may recall that this is one of the night spots that Lori Pinard used to sing at; some of you may have even been there on a night when she was entertaining. The house specialty is Fish 'n Chips, a dish without equal. However, if fish is not your preference, you are sure to find something else to your liking. See you there.....

## Entertainment

*Marge Grohskopf*

---

**C**omplete plans for the 4th of July are not available as of the media due date. Please check the Clubhouse for Poster and Sat. Morning announcements.  
Sat. July 18th Sandy and Jay Watson will host a Rock and Roll Evening. It's free, bring a snack for all to share 7-10pm. Feel free to bring along your favorite CD.

Thurs. July 23 will be Bunco. Easy fun night to spend time with neighbors. \$3.00 donation 6:30 is dessert and we begin Bunco at 7:00.

The Entertainment Committee is always looking for new ideas . Think about any activities you went to at another neighborhood, church social etc. We are open to new activities. It does not mean that you have to host the event, of course we always welcome anyone who would like

to chair an event with or without the assistance of the committee,

You have been most cooperative volunteering when I've asked for help. I hope to have the same cooperation in the future. It would be nice if every person would try to assist in at least one event during the year. Year-round, Seasonal & Rental, we are all part of one community.

Being one is what makes Briar Creek a great place to live.

## The Pill Bottle Ministry

*Stella Tavenor*

---

**T**hank you so much for supporting the pill bottle ministry. You have donated over 4,000 Pill Bottles. Please continue to bring them to the clubhouse. Carol Smitley will collect them while I am away.

Holy Trinity, Episcopal Church, across the street, collects these bottles and sends them to M25M -Matthew 25 Ministries – a Christian charity, in Blue Ash, Ohio. They send the bottles along with other medical supplies to needed locations in the USA and overseas, where sanitary dispensing of medications is difficult.

For information on Matthew 25 Ministries, go to their web site at [www.m25m.org](http://www.m25m.org).

Thank you  
Stella

## Social Club

**H**ello Neighbors!

Well here we are nearly half way through the year already! I can't thank you all enough for being so supportive and forgiving!

It has been my privilege to be your President this year and I hope to continue serving you for the remainder of the year. You are a wonderful group of people and I need you all to keep me in line when my "oldtimers" kicks in! Keep up the good work!

# History Book

Karen Johnson & Judy Meek

Judy and I are working on the History Books. As there was no 2014 book put together, we are scrambling for pictures of the several events that took place in that year. Even if you only have one or two pictures,,,,, that might be more than we have.

Also, we would like to have copies of any obituaries for 2014 and 2015.

There is an envelope on the bulletin board for you to put items in. If you do not have hard copies of your pictures, that's ok. Just put them on a thumb drive and we will make copies.

Any suggestions for these books are welcome. After all, they are for you.

# CONDO BOARD

Billie Ann Berry, President

## REMINDER TO PET OWNERS

It has been noted that some pet owners have not been picking up after their pet. Please be advised that it is your responsibility to clean up after your pet. Also, do not walk your pet in the non-pet section. Other regulations are included in your documents...please review them.

Thank you for your cooperation.

## SPEED LIMIT

Remember, the speed limit in Phase II is 15 miles per hour

## REMINDER

There are Garbage Trucks, Fire Trucks and Ambulances that need to use our streets. **DO NOT** Park on the opposite side of the street if you see cars parked on the other side of the street. Park on the same side as they are parked. It allows the big trucks to have room to get down the street.

## ALTERATIONS/RENOVATIONS

If you are making changes to the exterior of your property, you are required to complete a Alteration/Renovation Form for approval by the Board of directors. The forms to be completed are outside the Condo Office in the Clubhouse. Please date the form, filling in your name and address and a detailed description of the change. You will also be required to include the name of the Company doing the work and their License number. Submit the completed form to the President of the Board.

**DO NOT** do any work until the form is approved by the Board and you receive a letter stating the approval. Give yourself enough time for the project as it has to be brought before the Board at the next Board Meeting. Between May and August, there are no Board Meetings, however, the procedure is the same - complete the form and submit to President - four(4) Board Members have to sign off on the form **before any work is to begin**. Again, give yourself enough time for the change as four(4) members may not be readily available. Once you receive the letter of approval, you may start the work.

Also, be advised, any work requiring a permit from the City/County will not be approved until the permit is attached to the Alteration/Renovation Form. For example, removing trees, pouring concrete to widen driveways or make walkways.

BRIAR CREEK BUGLE JULY, 2015 N

## **BOWLERS WANTED!**

*Pat Bourdon*

**B**riar Creek Phase 2 is looking for new bowlers for their non-sanctioned league on Tuesday mornings at 9:30.

Good or bad, it doesn't matter. Never done it before? As good a time as any to learn how now. We have some that bowl over 200 and some that can barely break 100. What we try to do is to have fun, fun, fun. Ok, the exercise is great too. And you get to meet new people. It's not expensive and you get money back at the end of the year in the form of prizes. What more can you ask for?

Bowling starts on October 6th, 2015 so give it some thought and in September contact Pat Bourdon in Phase 1 to tell her you want to join.

## STORM FRONT

Wood Storks just standing there  
Amidst the thunder and lightning  
Nothing seems to bother them  
Nothing seems too frightening

Rains come pouring down in torrents  
Streets turn into mighty rivers  
Winds are blowing, trees are swaying  
A mighty punch the storm delivers

Lightning flashes, thunder rolls  
Water rushes down the street  
Mightily crash the lightning bolts  
When their targets at last they meet

Slowly now the storm abates  
Not much longer it can last  
Until the rains completely stop  
And the mighty storm has past

Wood storks waiting patiently  
Until the weather subsides  
Step by step they walk in tandem  
Searching for 'after the storm' delights

## Ancient bones offer clues to evolution

Scientists may have discovered a new human ancestor to go along with “Lucy,” the 3.2 million-year-old *Australopithecus afarensis* female from eastern Africa. Dubbed “Little Foot” because of his small bones, this specimen was unearthed in South Africa in the early 1990s. His skeleton was almost completely preserved after falling down a narrow cave shaft and dying there. Whether Little Foot was a relative of Lucy’s or a different pre-human species has been a subject of debate among anthropologists, but a new dating process suggests that Little Foot lived and died some 3.67 million years ago, close to the same time as Lucy.

Although some scientists dispute the accuracy of the dating technique, if it holds up it suggests an evolutionary link between different species of *Australopithecus* in ancient Africa, as well as evidence of where in Africa modern humans began to develop.

## Birds do it, bees do it, and so do amorous mice

From time immemorial, men have wooed their lady loves with romantic (if sometimes off-key) music. Now scientists from Duke University believe that love songs aren’t just for humans. Mice also sing to females they hope to attract, although they aren’t likely using Barry White.

Instead, mice rely on high-pitched sounds outside the range of human hearing, using specific tunes when they smell a potential mate and different ones when they finally set eyes on her. The songs are louder and composed of more complex sounds when they smell a female scent, and get simpler—but longer—when they finally meet face to face. The complex songs seem to attract females, although what specifically draws them close is still uncertain.
