BEAUTIFICATION MATCHING GRANT

Sharon Philyaw

Briar Creek MHP, Phase 1, was just officially notified that we are one of Safety Harbor's Beautification Matching Grant recipients for 2016. This Grant was awarded after an application form was delivered to Safety Harbor City Hall and a lengthy award process was started in April of this year.

Safety Harbor will return 1/2 of the expenses incurred by us when we complete the beautification of the front of our Clubhouse by the end of June. One of the rules which was an important part of the application was that the improvements had to be seen from the main street of our development. A Safety Harbor landscaper was chosen from 3 different applicants and work was begun in May. After removal of the old bushes and tree, a dry rotted soaker hose and 8" of old dirt, new dirt and fertilizer, appropriate plants, a new soaker hoses with timers and mulch will be applied and nature will begin to work its magic.

We hope that all our residents will enjoy the new, fresh, colorful look for the front of our Clubhouse.

SOCIAL CLUB MEMBERSHIPS

Pauline Hoad (Winter) and Jean Richter (Summer)

Memberships are available at Wednesday Morning Social Committee Coffee Hour. The first member of each household is FREE for 2016-2017, thanks to the generosity of an anonymous donor. Membership for each additional member of the household is just \$1.00.

HELP WANTED:

Elaine Harsh has done an amazing job selling 50/50 raffle tickets at the Wednesday meetings. Proceeds of sales go towards our Social Committee events, so this is an important fundraiser for the organization. Elaine is interested in taking a respite from her sales job, so we are looking for a resident to spend a bit of time at each meeting selling raffle tickets. If interested, contact Dave Doran, 585 329-3827.

HELP WANTED:

Looking for someone to provide temporary care and lodging for our pet cockatiel, approximately 2- 1/2 to 3 weeks the last of August. For more information, call LaVonne or Alex Newcomer at 727-239-0388

BC MART

Dave Doran and Ray Jablonski

With the snowbirds gone, the BC Mart will be operating under Summer Hours. Please listen to the announcement of the hours at the Wednesday Coffee Social Hour or call Ray Jablonski at 386-5283 for information. Hours are also listed on the white board outside the store. Your support is greatly appreciated; it provides great revenue for the Social Club each year, and funds to improve the look of the BC Mart both inside and out. Please Stop and Shop! We try to make shopping a fun time, with good stuff, good value and lots of laughs. PLEASE DO NOT LEAVE DONATED ITEMS IN FRONT OF THE STORE OR IN THE GARAGE.....Please call if you need assistance.

“THE BRIAR CREEK USO 2016 TOUR”- MEMORIAL DAY

Georgia A. Douglas

The flag flew at half-mast in front of the clubhouse to honor our fallen heroes while inside Robyn Prentiss opened the ceremony by leading our residents and guests in the Pledge of Allegiance and the singing of our National Anthem. After a brief introduction, guest speaker Dr. Carl Goggins, a decorated military veteran and former resident of Briar Creek I, asked all the veterans in the room to stand and they symbolically renewed their oath to serve their county. Dr. Goggins captivated his audience with interesting facts on the Stars and Stripes. He then invited 6 veterans, assisted by Tony Marsella and Joe Guazzerotti, to participate in staging a memorial flag folding. Joe explained what each fold meant after the completion of each of the folds - 13 folds in all. You could hear a pin drop in the room of over 115 audience members from Phase 1 and 2. Carl did an excellent job in delivering his message to us.

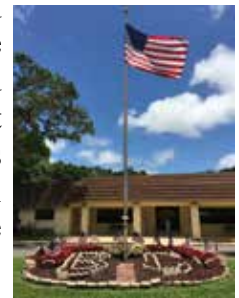

At the head of each table was an empty chair with complete place setting honoring our heroes. Also on display were photos of fallen heroes, veterans and military letters and memorabilia of those Briar Creekers who valiantly served their country. When the solemn portion of the program concluded, a lighter fare of awesome food, fellowship, and”M usic by Marilyn and Brian” was enjoyed by all.

The winning names for the door prizes were drawn by our veterans: Jeanne Richter, Linda Miller and Ann Daley each won an American Flag suitable for outdoor display. Joe G. donated a gorgeous cake decorated with the emblem of each branch of service and the words “Remember Our Fallen Heroes”. Wow!!! It was amazing and delicious as well.

I want to thank all those on the committee and other volunteers who went above and beyond to make “The Briar Creek USO 2016 Tour” not only a huge success but an awesome and heartwarming experience. A wise woman told me that planning an event “takes a village”. I want to thank Jean Richter for doing our beautiful flyers and posters, Ray

Jablonski, who directed the cooking of our meal. Without him you would still be waiting for your food! Thanks also to our Memorial Day Committee members: Robyn Prentiss who co-chaired with me, Pat Rivera (tickets and many other things too numerous to mention), Carolyn Jablonski (assistant chef), Linda Miller, Mary Houpt, Elaine Harsh and the generous volunteers who helped set up, decorate, serve, clean up and put the room back to its usual setup: Joan Bienvenue, Denise Bienvenue, Marty Martin, Helen Coar, Joe Daley (ice man), Dave Hunkins (table man), Terry Henry and Jerry Richter.

"HERE COMES SUMMER" Music and Dance Party

Karen Mbiad and Mary Houpt

50's, 60's, 70's, country and more....DJ Fred Mbiad provided music from all the decades and genres and everyone loved it! Residents from both Phase 1 and Phase 2 danced and enjoyed sweet and savory snacks to welcome summer. The light and airy evening was several weeks in the making. Fred took musical suggestions from those attending a recent Wednesday coffee hour and worked hard to put together the seamless stream of sound that had something for everyone! There was lots of conversation and lots of dancing and the evening proved that "less is more" when it comes to social events!

Thanks to Elaine Harsh for selling 50/50 Tickets. The money prize was won by recently retired Thelma Gaglione. Robert Miller won the Breakfast and Bowling prize donated by Bonnie's Restaurant. The Haircut donated by Barber Fred Mbiad was won by Frank Chatigny....fortunately he has a full head of hair! Jerry Richter won the pie donated by JoAnn Barr and Harold Olsen won the bottle of wine.

Many hands make light work and, as usual, so many helped put the evening together. This fun night would not have happened without the help of the wonderful volunteers from BC1.

CAUGHT BEING A GOOD NEIGHBOR

Phil Rogers
Robert C. Miller, Pete Fedelem, and Rich Raucci
Joe Guazzeratti and Terry Henry
Bob Barr
Ray Jablonski

(Phil cut down the large branches which fell on the bridge and blocked the walkway after a storm. Robert, Pete and Rich made a lifesaving rescue of a resident in the hot tub. Joe and Terry cleaned the pool shower tiles, floor and shower head. Bob Barr came immediately to fix the pool when the chillers and scuppers stopped working and Ray Jablonski assisted a "differently abled" resident by getting a walker out of the trunk, setting it up and escorting the resident into the clubhouse event, then parked the residents car and returned the keys!).

***"If you see something, say something!" Let Liz Raucci know if you have witnessed a Briar Creek resident doing something great for the park or a fellow resident(s) "just because"!**

FIND IT IN THE “BOOK NOOK” LIBRARY

Patricia Rivera

Few are comfortable discussing end of life issues; but we all need to express our concerns, requests and instructions. The Book Nook is now providing a valuable resource to get the conversation started. Now, it may help to think of things this way: Perhaps your parents died and no one knew that they wanted to be cremated. Mourning, loving, devoted and a little guilt ridden, you and your siblings (if you have any) spent thousands of dollars on cemetery plots, top end caskets with special vapor lock gaskets, granite headstones – the works, plus some. No one really knew so you did what you thought they wanted and deserved. No one ever talked about it. What if their wishes had been dramatically different, more affordable and very practical?

Mom wanted to donate organs and direct cremation with a celebration of life at a later date when everyone could gather. Dad wanted military rights, 21 gun salute and cremation following a viewing. He wanted to wear his dungarees and suspenders over a t-shirt while sporting his favorite cap. Instead of flowers he wanted donations of food or money for the local food pantry.

Now it's about us. Have you made any decisions? Have you thought about end of life issues in detail? The “Book Nook” has the **State of Florida “Health Care Advance Directive”** booklets. Feel free to stop by and pick one up. Open it! Read it! Take it with you; take two or three if you need more. The booklet is in compliance with Florida statutes and explains everything you need to know. It contains three convenient forms: Living Will, Designation of Health Care Surrogate and Uniform Donor Form as well as a cut-out card to carry with you. With information in hand, discussing your specific preferences is made simple, easy – comfortable. There are also web address links to compatible sources, such as “Five Wishes”, which is a venue to provide details regarding **WHO** you would like with you in final hours; **WHAT** to do if illness or accident leaves you in a vegetative state; **WHERE** you want your remains or cremains; **WHAT** songs or music you want **WHEN** you die.

Follow the guidelines provided which are informative and complete. In so doing, you will be taking steps to assure that you rest well – how and where you prefer.

CRAFTS - Barbara Glasheen

Crafts will resume in November. Crafts are held on Wednesdays at 1:00-3:00PM. Vintage mink coats were upcycled to create this beautiful Teddy Bear hand-crafted by Madeline Geigenmiller. This is just one example of the many beautiful items created at the weekly craft get-together in the Clubhouse.

Share your talents or learn new ones: Wednesday's at 1PM – November!

Greeting Cards - Linda Pickering would be delighted to teach anyone who is interested in designing and crafting their own greeting cards and would do so at the Wednesday get-togethers. Call Linda Pickering at 727 444-0232 when crafting resumes in November.

CARDIO AND CHAIR YOGA CLASSES

Joan Bienvenue

Cardio classes are held every Tuesday at 9:00AM in the Phase 1 clubhouse, and normally last about 45 minutes. Chair Yoga is held immediately after the Cardio class. If you belong to the **SilverSneakers®** organization, there is no charge for either class. If not, don't despair; for only \$3 a session, you can join the Cardio class; if you wish to take both the cardio and chair yoga on the same day, the total cost is \$5. Classes are open to both Phase 1 and Phase 2 Briar Creek residents.

Wear a tee-shirt and shorts, all necessary equipment is provided (if you have 2 or 3 lb. weights, please bring those for your personal use). Classes are geared toward cardio and flexibility improvement. None of the exercises are difficult, and with enthusiastic people and invigorating music, both sessions seem to fly by. Contact Joan Bienvenue at 724-8561 if you have questions.

ZUMBA CLASSES

Joan Bienvenue

Zumba classes are held at 11:30AM on Fridays in the Phase 1 clubhouse. Zumba is normally a fairly strenuous exercise; however Claudia, our instructor, has assured attendees that this particular class is geared to the "*more mature*" participants. The same **SilverSneakers®** conditions apply to this class also. If you are not a **SilverSneakers®** member, the charge for each class is only \$3.00.

Rummy Kub® (RummyQ), (RummyO)

Nancy Ellis

Join us Wednesday evenings at 7:30 in the club house for Rummy Kub. If you haven't played, Rummy Kub is a fun, strategic game played with tiles and similar to the Gin Rummy Card Game. Don't know how to play? Don't worry, we'll teach you in just a few minutes. For information call Nancy Ellis at 796-8528.

WELCOME TO THREE NEW "AREA REPRESENTATIVES"!

Marcia Kincella, Debbie Landon and Terry Henry are the newest Briar Creek Phase 1 "Area Representatives". In case you are not aware, there is more to this job than simply volunteering for the position. In fact, it is not a volunteer job! According to the Briar Creek Social Club Constitution and By-Laws (11/26/14), Article VI, Section A – Representatives:

1. Briar Creek Mobile Home Community #1, Inc. shall be divided into six (6) areas, per appendix 1. A representative of each area shall be **APPOINTED BY THE PRESIDENT** to serve during his/her term of office.
2. Responsibilities of the area representative shall be as follows:
 - Distribute the Monthly Media, including the calendar of events
 - Welcome new residents and acquaint them with the social activities and the Neighborhood Watch Program
 - Provide the Editor of the Monthly Media with newsworthy items of their area
 - Perform such other duties assigned by the President.

Historically, the area representatives have also been responsible for distributing the "Dial Directory". Most importantly, and as per Article II, Section J – Nominating Committee:

The Nominating Committee Shall:

1. Consist of six (6) members, ONE FROM EACH AREA as defined in Article VI, Section A-1. The committee shall select one or more candidates for each elective office and present its report to the members at the January meeting.

In the distant past, this function has fallen to the Area Representatives! That being said, welcome Marcia, Debbie and Terry and thank you for taking the time to serve your community. Please keep your eyes and ears open to newsworthy happenings in your respective areas and let the Editor know. And a great, big "THANK YOU" to the three Area Representatives who have completed their terms of service: John Gaglione, Kathleen Cory and Shirley Payne. We appreciate the many miles you have walked while making your Media deliveries!

?DID YOU KNOW.....that the lower open section of your mailbox (not the one used by the USPS) is now called “THE ROCK BOX”? Yes!...first we had the “Book Nook”, now we have the “Rock Box” to have a common reference when delivering community mail, announcements, and the “Monthly Media”.

The Doctor is (NOT) in...PART 2

So have you been thinking about what we as a community can do to become more healthy and supportive towards our family here at Briar Creek? This "health thing" is a work in progress that we all should be a part of. You might say, "I'm not sick, why should I become involved?" Here's why...

After we purchased our home in Briar Creek we were thrilled that we could step outside our door and go walking. The ground was relatively flat and we did not need to drive anywhere to get started. (In our Tennessee home we had to drive to flat land as all paths back home were up hill.) And so we did! Many of you walk on a daily basis and feel much better because of this, and so do we. But in February, something DIFFERENT happened.

On Friday, February 12, Dave and I were walking on Sugar Bear when I suddenly felt a heavy weight on my chest. I kept walking and it eased off and I thought to myself, maybe I should tell Dave. (YOU THINK???). At his insistence we returned home the short way across the creek and around the pool. I felt fine and did NOT have another pain. Great!! But he would not quit nagging me to go to the Doctor to be checked out! So finally that afternoon I went to the new Bay Care Urgent Care and Dr. Gilhooly was concerned enough to set me up with a cardiologist on Monday at noon. I was told to take it easy (no walking) until I saw him and instructed to call 911 if ANYTHING else should happen before then. No problem...we went out to a Valentine's Day Brunch at Safety Harbor Spa and Resort and later that evening enjoyed the holiday dinner and dance at the Clubhouse. Monday at noon I saw the cardiologist after his Nurse did an EKG. Long story short...I was admitted immediately for a heart cath. 6 hours later I was sporting a new stint due to a major blockage. I later asked if I had a heart attack and my DR said, "if you had had a heart attack we would not be having the conversation because my blockage was the widow maker. And to think I only had about 10 minutes of pain and nothing more.

Lesson learned...not all heart symptoms are the same. Do NOT assume you are OK. If I had waited you might not be reading this post!

**This fall we will be planning health initiatives for Briar Creek. If you have suggestions, please call me, Connie Holmes 423-297-5627 and let me know.

GETTING IN TO HOT WATER

Liz Raucci, BA, MSN, MHA, RN

The Briar Creek Spa is a warm and inviting place to relax and relieve muscle aches, but for some it can spell trouble in the form of HYPERTHERMIA. What is hyperthermia? Hyperthermia is an abnormally high body temperature and because the water temperature of our Spa is above 1000F, several groups of residents and guests using the Spa must use care and seek their physician's advice before going into the hot tub.

Water is circulated through the hot tub which pumps out cold water and pumps in hot water. Unlike a hot bath, which is usually less than 1000F to start, the hot tub is hotter, does not cool down and may cause you to overheat. At-risk groups include:

INFANTS AND CHILDREN – little folks have a difficult time regulating their body temperature. When exposed to the high temperature of the Spa, their internal temperature can rise quickly which can cause a problem with their metabolism. (Metabolism is thousands of chemical reactions that occur at the same time in the body's cells to keep our cells healthy and powering everything we do: moving, thinking and growing).

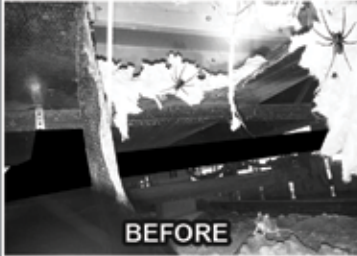

PREGNANT WOMEN – some studies have shown an increased risk of birth defects in babies of women who have had an increase in body temperature, especially during the first trimester of pregnancy (from both external (hot tub) and internal sources (fever)). It is believed that using the hot tub raises the body temperature to a higher level for a longer period of time. This is due to the fact that in the hot tub the normal processes of perspiration and evaporation do not assist in the lowering of one's body temperature.

HEART DISEASE – extended immersion in hot water can overheat your body causing stress on your heart. Your temperature rises but your blood pressure drops! Evaporating sweat usually cools you off, but in the hot tub sweating doesn't work so you can't cool down. Your blood is diverted from your core to your skin and your blood vessels dilate (open) to try to cool you. This causes the drop in your blood pressure so your heart rate increases to counteract the drop in pressure. If you have existing cardiac disease, this can force your heart to work harder. Medications can also contribute to the issue, especially cardiac drugs and diuretics.

Awareness and common sense can keep you safe while you enjoy the therapeutic benefits of the hot tub. Make sure the temperature of the Spa is not too high for you, especially if you are in one of the "at risk" categories above, stay hydrated, limit your time in the hot tub and make sure you have received clearance from your physician before engaging in the activity. **HAVE FUN, BUT BE SAFE in BRIAR CREEK!**

STORM FRONT

Wood Storks just standing there
Amidst the thunder and lightning
Nothing seems to bother them
Nothing seems too frightening

Rains come pouring down in torrents
Streets turn into mighty rivers
Winds are blowing, trees are swaying
A mighty punch the storm delivers

Lightning flashes, thunder rolls
Water rushes down the street
Mightily crash the lightning bolts
When their targets at last they meet

Slowly now the storm abates
Not much longer it can last
Until the rains completely stop
And the mighty storm has past

Wood storks waiting patiently
Until the weather subsides
Step by step they walk in tandem
Searching for 'after the storm' delights
