Handling the Monthly Media (also known at the monthly newsletter, the Bugle, et al) has been enjoyable; however, it's time to have someone else take over. And that "someone" is Liz Raucci, a talented and computer-savvy person. Even though Liz is relatively new to Briar Creek, she's stepped in to volunteer often and that's a real plus for our community. The May issue will be my last, and beginning with the June issue, the responsibility will be turned over to Liz. I plan to continue preparing the monthly birthday and anniversary list posted on the bulletin board.

Thanks to everyone who offered encouragement, suggestions, ideas, and support during my time handling the Media. I'd like to leave you with my last contribution as Editor, titled "*Lies My Parents Told Me So I Would Behave.*" These are actual anecdotes from real people. I'm sure you have memories of some of your own "lies."

✓ My parents had this elf they would talk about named "*Needle Nose.*" Needle Nose was like Santa's spy and would be watching kids to make sure they were being good. Whenever

I would act up, they would say "Oh, we just saw Needle Nose in the window!! You better straighten up or he is going to tell Santa you were being bad!" Until later in life I thought the concept of Needle Nose was part of everyone's Santa Claus experience.

✓ My parents convinced me that the ice cream truck was a music truck, it just drove around playing music. I believed this for way too long.

✓ If you pee in the pool, it will stain your new bathing suit bright purple forever.

✓ "If you watch too much TV, your pupils will turn square." Being a little kid I believed them.

✓ My parents are really old fashioned, so I was told that if I ate with my hands (even finger food) that my fingers would turn into worms and would fall off. It's always been a point of hilarity amongst my friends that I use cutlery for everything still over twenty years later ... apparently it stuck.

✓ When I was a kid, whenever my parents grilled steak, they would make me a hot dog and call it tube steak. For the longest time I thought hot dogs were really fancy, and whenever I had them at school or a friend's house I would be really impressed. One day my parents actually grilled me a steak and I got really upset and refused to eat it because it wasn't a tube steak, so my parents explained their ruse. Turns out steak *does* taste better than hot dogs.

Wednesday Meetings

Every Wednesday morning, there is a coffee meeting for all Phase 1 residents, (plus their visitors). Coffee and pastries are available for purchase at 8:30AM. The "official" meeting starts at 9:30AM.

BC MART

Dave Doran

Our store inventory is ever changing, have lots of stuff that can help new residents with furnishings and goods as they settle into BC. As always, it is open to all who reside here, outsiders, friends, relatives and enemies, they are all welcome.

We have a new sign coming for the window, as well as one that will be down near the road on Saturdays reminding people that the store is open. You can always check on mybriarcreek.com and go to the BC link and see much of what is for sale, sometimes even finding coupons. Store remains open Wednesday and Saturday mornings but as more snowbirds head home, the store schedule changes for the summer but you can always call myself or Ray for help, our phone numbers are posted. Stop by, it is always a fun place to visit.

BC Mart & Garage

Gene Arend

Some people continue to leave items in front of the Association Building located 116 Beechwood (AKA BC Mart). Any property intended for that location can be delivered on Wednesday or Saturday between the hours of 10 AM – 11 AM when a representative is on site. If you can not make this timetable, then contact Dave Doran 585-329-3827 to make arrangements and schedule an appointment. This property is not an authorized dumping point but is private property. If unauthorized items are dropped at this site, the Association will collect those items and deposit them back onto your driveway. While we encourage owners to donate items to the BC Mart, you must do it when a representative is available at that location.

BAZAAR

Although it is months away, I will post information on the bulletin board regarding some ideas and all the departments that will need leadership and hope those who did it in the past will again sign up again for this year. Any questions or ideas, please feel free to call me at 585-329-3827 or email me at: flamingofarm@earthlink.net.

By the time you get the May edition, I will have returned for the summer to Churchville, New York (left April 20th) but do plan to maybe return for a couple weeks in the summer to give a break to those who cover for me and see how hot and humid it really gets. I think this year will be a fun year with great ideas and planning from Mary Kay who handles entertainment and hope all of you will continue to put your ideas and suggestions in the box provided by the door in the clubhouse. Your input is always important and although I am 1300 miles away, you can always call me at 585-329-3827 or email me at: flamingofarm@earthlink.net and, if you're ever up near the Rochester, New York area, call and stop by and we will have a cocktail and a nice visit. Our area is worth seeing. Best to all, have a safe and healthy summer and I do cherish your support and friendship.

By now, many of our residents have or are heading North. Thank you to those that have supported our entertainment this past season! Starting May 7th, there will be a "Cinco de Mayo Fiesta"! It will begin at 5:30 pm with a "Taco Bar" being the main entree, along with chips and salsa, and desserts. Music and dancing by Claudia. BYOB and/or margaritas and Coronas! The cost will be \$8 per person.

On May 30 we will be hosting the "Briar Creek USO 2016 Tour" which is open to Phase II also, from noon to 4pm. Our speaker will be Ph.D & Ret. Platoon Sgt. Combat Engineer, US Army, Carl F. Goggins, Jr. (formerly BC Resident on New Fawn Court); the topic of his speech will be "Reverential Dialog of the Stars and Stripes." A meal will be served, and we will have music to boot!

I will be heading north myself this month, so the Entertainment Chairperson for the summer will be Georgia Douglas. Thank you, Georgia, for helping me out; it is greatly appreciated! We, the committee, are planning some fun things this season, so hope you all come and join in! In June there will be a "Here Comes Summer Get-Together" still in planning stages, on June 11.

I do want to say the Spinning the CD's at Phase II on April 1 was truly a lot of fun! We had a great turnout from Phase I. We really need to try and support both Phases of Briar Creek! Hope you all have a healthy and great summer, I will return in the fall, more than likely!

Those of you who missed Pipers & Trivia, it was very interesting, educational, and we had a lot of fun! Thank you to Josh Blais and Emma Brandmaier for their teaching us about bagpipes, and the history of them. Their playing was phenomenal!

Hope everyone has a happy and healthy summer, and will see you all in the fall, God permitting.

Entertainment/Social Club

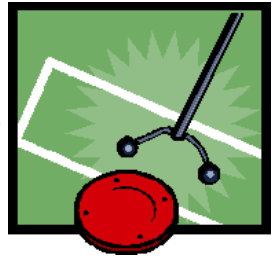

Mary Kay McBride-Dave Doran

Our first annual picnic/pool party held in Briar Creek at our clubhouse and facilities, from what we heard and saw was an unbelievable success. A combination of great volunteers, great weather, great music provided by BOTH WORLDS, good food, fun games and being held on a Sunday a huge crowd. It was truly magic. Anyone that missed it, sure missed a good time. We had dancing around the pool, in the pool, a 50/50 that split \$145 floating ducks that had prizes attached, just does not get any better! Thanks to everyone from the cooks to the cleanup to those who handled the games, together we created a great time for all those who attended. Any suggestions or comments, please put them in the suggestion box by the front door Great time, great people, great fun and we did it right here in Briar Creek.

Shuffling News

Bob Barr

We completed a great season with both the A and B teams finishing second in their respective divisions. The A team finished with 338 wins out of 576 games played and the B team had 334 wins out of 576 games. The combined improvement of both teams over the 2014-15 season earned us the "President's Trophy Final Club Standings" award which we will receive at our fall meeting in November.

The courts are open to all residents. If you would like to join us in the fall or just give it a try, feel free to do so. There are cues in the shuffleboard shed along with practice disks located below the white cabinets in the shed.

The fall practice sessions will begin in late September or early October when you will see us practicing, usually from 11:30 am to 1:00 pm. The B team plays on Mondays starting in November about 11:15 am and finishing around 4 pm. The actual games start at 12:30 and visitors are welcome to come and watch. The A team plays on Wednesdays at the same times that the B team plays on Mondays. We do take a break around 2 pm for coffee, tea, water or _____ and cake.

On a side note Bob played in the Clearwater Invitational Tournament where everybody played 5 games. Each game was with a different partner against different opponents which made it an interesting and fun day meeting and playing with and against different shufflers of all skills. Out of 144 amateurs, Bob was one of 8 who won all 5 games.

Founded in 1916.

Caring Ever Since.

From our family to your family

Morton Plant Hospital got its start in 1914 when several local women asked railroad magnate Morton F. Plant to fund a hospital. He agreed, if the community would also make a substantial contribution. They took the challenge and the hospital opened in 1916. Throughout the years, the hospital served the community, and the community gave back, ensuring that generations of families would be able to count on the compassionate, quality care provided by Morton Plant Hospital.

One of the most noteworthy hospitals in the nation, Morton Plant Hospital was founded because a community cared. And 100 years later, one thing remains the same — our commitment to caring for your family.

The new Doyle Tower at Morton Plant Hospital, scheduled to be completed in 2016. Another example of how the community gave back.

Storm Lesson

The following information was contributed by a Briar Creek resident and is certainly food for thought when it comes to mobile home wind damage.

In a recent windstorm in the Dade City area, it was found that wind damage almost always started with the carport roof peeling back, which occasionally progressed to pulling off part of the roof of the home. Upon investigation, it was discovered that all damaged units had one thing in common. In every case, the front support leg of the carport had been damaged (most likely by a car bumping into it) prior to the storm. That damage (or bump) broke the bond between the carport leg support and the concrete floor/drive. When the wind got under the roof, it raised the leg and, as a result, the roof peeled back, which progressed into additional damage to the unit roof. It was verified that the leg had been previously damaged by the dents on the leg itself and the condition of the holes where the leg had previously been anchored. To further validate those findings, homes, often right next door to the damaged units, whose carport legs were securely anchored, suffered no damage.

Homeowners, please check the legs of your carport to ensure they are firmly anchored to the driveway. If they are loose and not solidly attached to the driveway, they can be moved just a few inches to solid concrete and re-anchored with masonry screws. As the old saying goes, an ounce of prevention can be worth a pound of cure.

Library News

Patricia Superfine-Rivera

Welcome to the Book Nook! Phase I library space has a new, friendlier and more inviting name. Come in and browse the shelves. If you see a good read or two (no limit), you are welcome to borrow and lose yourself in a good book. Returning books or donating books – just drop them in the basket on the floor in front of fiction. The collection and the shelves have grown.

The main room contains genres including Romance in the island unit; fiction collection is shelved by author's last name and encircles the room; Sci-Fi/Fantasy are housed on the back case near the window, opposite the location for "new" books to the nook.

The "annex" is in the adjacent poker room where you may find a modest collection of non-fiction, Western, LARGE PRINT, seasonal and a shelf or two of medical topics.

New to the Book Nook: Official State of Florida Advance Directives brochure in abundance. So many of us are uncomfortable discussing or even thinking about end of life issues, but the topic is better dealt with while we can. The brochure walks the reader step by step through completion. It is not necessary to have the document notarized, just witnessed. It is advised that you share it with whomever you designate to represent you if you are unable to speak on your own behalf. Make sure it is readily available when needed. Make copies for others near and/or dear to you. Laws and rules often vary state by state, this is for Florida. Snow birds may want to look into similar documents in your summer states.

Another document, in limited supply, is "Five Wishes." This tool allows you to be very specific about who you want around you in final days, hours or minutes. It also provides space for any requests such as cremation vs. burial, organ donation, music during service or celebration of life. Perhaps instead of flowers, you would prefer donation to a favorite charity or research for a cure. Five Wishes does not need to be notarized either.

Both instruments are easy to complete and cover any possible personal relationship; traditional marriage; significant other/co-habitation; same sex relationships/marriage; live alone but have dear friend or companion, etc. If demand exceeds supply, additional copies can be obtained upon request.

A note regarding volunteering in the Book Nook: Anyone can be a librateer! If you only have a week to spare, sign up. The much appreciated and devoted core of current librateers continues to provide coverage because no newbies sign up. One week, sign the roster on the clip board and call me 305-546-2714 for an introductory briefing on reshelving books. Easy. If you find it suits you, sign up for another week or two whenever you have time to share.

Finally, thank you to everyone who extended warm welcomes to me upon my new "chapter" of life here in Briar Creek.

Crafts

Barbara Glasheen

Crafts are held on Wednesdays at 1:00-3:00PM. Each week we have new people joining us. Drop in to visit and see the different projects everyone is working on. You may find something that interests you. All are welcome. For more information, call me, Barbara Glasheen, at 727-712-9467.

Greeting Cards

Linda Pickering:

As a greeting card creator, I regularly attend Crafts on Wednesday afternoons and very much enjoy the experience. Recently, some "visitors" have stopped by to see what each of us is creating and some of you have expressed an interest in learning how to make your own cards. I would be delighted to teach anyone who is interested and would do so at our Wednesday get togethers. However, I would need to know that you plan to attend so that I can bring enough materials. You can call me (Linda Pickering) at 727-444-0232 to let me which Wednesday you wish to attend and I will look forward to sharing my passion with you.

Thought for the Month:

"Time is the coin of your life. It is the only coin you have, and only you can determine how it will be spent."

Cardio & Chair Yoga Classes

Cardio classes are held every Tuesday at 9:00AM in the Phase 1 clubhouse, and normally last about 45 minutes. Chair Yoga is held immediately after the Cardio class. If you belong to the **SilverSneakers®** organization, there is no charge for either class. If not, don't despair; for only \$3 a session, you can join the Cardio class; if you wish to take both the cardio and chair yoga on the same day, the total cost is \$5. Classes are open to both Phase 1 and Phase 2.

Wear a tee-shirt and shorts, all necessary equipment is provided (if you have 2 or 3 lb. weights, please bring those for your personal use). Classes are geared toward cardio and flexibility improvement. None of the exercises are difficult, and with enthusiastic people and invigorating music, both sessions seem to fly by. Contact Joan Bienvenue at 724-8561 if you have questions.

Zumba Classes

Zumba classes are held at 11:30AM on Fridays in the Phase 1 clubhouse. Zumba is normally a fairly strenuous exercise; however, Claudia, our instructor, has assured potential attendees that this particular class is geared to the "more mature" participants. The same **SilverSneakers®** conditions apply to this class also. If you are not a **SilverSneakers®** member, the charge for each class is only \$3.00.

Entertainment

Marge Grohskopf

On Sunday, May 1 there will be a May Day party with games and strawberry shortcake dessert. The clubhouse will be open at 12:30 for games and the dessert at 2 p.m. Come and enjoy and afternoon with friends.

Have you always wanted to learn some of the line dancing routines that you see people doing at the dances? We are offering an introductory course for beginners after coffee on Saturday's this summer. We will be taking it very slowly and learning only 1 new dance during the full lesson. Sign up on the sheet in the club house. You can talk with Brenda Greene or Marge Grohskopf with any questions.

The entertainment committee has just finalized the Showtime schedule for 2017. Coming January 29, 2017 will be "Old Guys Rule". A hilarious and entertaining variety show that promises something for everyone; 3 comedians each with their own special brand of humor. On February 19 "The Goldtones" will be singing all our favorite songs from the 50s and 60s. This is the ultimate doo-wop show. Reserve your seat at a table now, money is not due until Dec. 1. The \$25 cost per person will cover both shows. See Pete at coffee hour to make your reservations.

BINGO

Marsha Bowlby

Bingo has been a lot of fun this year, I have really enjoyed running it. I have been thinking of the games for next year, your surveys have answered a few of my questions of what you like and don't like and I will use that when I plan next year's games.

The last Bingo will be May 16th, our numbers are getting smaller and my workers are ready for a break, as am I. I want to Thank everyone who has helped me this year. It's been a pleasure to work with all of you and I really appreciate all your help. The Bingo machine has been a challenge some nights, but we've worked through it. It always makes for an interesting time.

I want to Thank Pete Foley for the kitchen he has had. He's had a great crew working with him and the dinners have been a big success.

So to all my Bingo players it's been fun and hope to see you in September.

Briarettes'

Betty Hudd, President (813-817-1774)

This was our last get together before we resume on Oct 4th. As usual we had a group that knows how to enjoy themselves. The dump salad was very light with all the fixings to enhance the salad plus desserts.

Zoe made center pieces of flowers and Yaeko made a purse which was given as door prizes. Hopefully we will never be associated with a mass shooting tragedy, yet from the video there were helpful hints to protect yourself with "Run, Hide and Fight" if ever involved in such a frightening situation.

Also thanks to all for the wonderful suggestions for guest speakers at our get togethers. Even though they might not have been implemented as of yet, I am working them into our meetings and all suggestions are welcomed.

Continue to enjoy yourselves and see you in Oct, Keep coming back.

Monthly Mingle

Jean Williams

We're looking forward to our next monthly mingle on May 19th. Looking for all you great people with those great food ideas that we all enjoy sharing.

See you at the clubhouse 4:30 -6pm. Don't forget your favorite beverage and your \$1.00 for the drawing.

Social Club

Brenda Greene

It's time again our snowbirds are returning north. We will miss our friends and neighbors. Hope all of you have enjoyed your winter here and that you have found Briar Creek to be a friendly, fun, and the best place to be away from home. We look forward to your return for the fall/winter season. To all of you, have a wonderful time with family and friends.

Travel Club

Karen Johnson & Roz Lucas

Our next day trip will be Thursday, May 19th to St.Armands Circle and the mall at University Town Center in Sarasota. The cost is \$34.00 and lunch will be on your own. it will be a fun shopping day. If you have never been down to St. Armands you are in for a treat. It is just beautiful. On June 10th there is a trip to Tampa to tour the SS American Victory W.W.II Steamship. Lunch is included in the lovely Colonnade restaurant in Tampa. It is \$54p.p. Please be aware this is NOT handicapped friendly. We have lots more things coming up! Sign up on the board and make all checks out to Accent on Travel.

Condo Board Info

A reminder regarding Pets:

Per Briar Creek II Restrictions in your documents: dated January 1994, Restriction number 16, page 35.

....Pets must be kept on a leash at all times and not allowed on private property other than the owner's. Owners must assume complete responsibility for cleaning up after their pets. In no event shall the pet be allowed to enter the recreational area and/or any other areas of Briar Creek other than those areas designated for pets and/or to cause a nuisance or disturbance of any kind.....

ALTERATIONS/RENOVATIONS

If you are making changes to the exterior of your property, you are required to complete a Alteration/Renovation Form for approval by the Board of directors. the forms to be completed are outside the Condo Office in the Clubhouse. Please date the form, filling in your name and address and a detailed description of the change. You will also be required to include the name of the Company doing the work and their License number.

Submit the completed form to the President of the Board.

DO NOT do any work until the form is approved by the Board and you receive a letter stating the approval. Give yourself enough time for the project as it has to be brought before the Board at the next Board Meeting. Between May and August, there are not Board Meetings, however, the procedure is the same - complete the form and submit to President - four(4) Board Members have to sign off on the form **before any work is to begin**. Again, give yourself enough time for the change as four(4) members may not be readily available. Once you receive the letter of approval, you may start the work.

Also, be advised, any work requiring a permit from the City/County will not be approved until the permit is attached to the Alteration/Renovation Form. For example, removing trees, pouring concrete to widen driveways or make walkways.

There are Garbage Trucks, Fire Trucks and Ambulances that need to use our streets. **DO NOT** park on the opposite side of the street if you see cars parked on the other side of the street. Park on the same side as they are parked. It allows the big trucks to have room to get down the street.

BAZAAR ITEMS

Pete L

We are now accepting items for the 2017 bazaar. You may bring CLEAN, WORKING, sell-able items to the exercise room. Things brought here are for SALE for the benefit of the entire community. NO TV'S.....none! (newer working flat screens are accepted) NO old large computer monitors. . Computers must WORK. Printers must work and have cords attached. If not, I will have to junk them.

If you have furniture, I have access to the truck, but request that you TRY to get help for the lifting, etc., and set up a time with me. Many of my HEALTHY lifters are not here in the summer months and I need HELP. We cannot take VERY HEAVY items, such as sleeper sofas, large heavy recliners, large heavy entertainment units etc.....no mattresses, stoves, washers/dryers, fridges or appliances in general, etc.

If you want to purchase anything from the exercise room.....SEE ME, CALL ME, LEAVE ME A NOTE, things are logged and accounted for over the summer and must be paid for. Over the summer I leave things in the room for residents to see for a few weeks, then they are packed and stored..REMEMBER this money benefits YOU. NOTE: If you have anything of value, new, or are hesitant about leaving it in the room.....drop it off at my house. I also accept liquor and baskets here. Thank you so much for all you do to make our Bazaar a success.

Did you know that May is also...

ALS Awareness Month. ALS, also known as Lou Gehrig’s disease, is caused by the death of neurons, leading to stiff muscles, twitching, and gradually worsening weakness. No cure is known, but this month is an opportunity to spotlight and support research to fight this deadly disease.

Better Hearing Month. Approximately 36 million Americans suffer from some form of hearing loss—and more than half are under 65. Visit an audiologist today to learn how to protect your hearing and ensure that your ears stay healthy throughout your life.

National Military Appreciation Month. As designated by Congress, National Military Appreciation Month celebrates the history of our armed forces and recognizes the brave people who have served in every branch of military service. It also allows Americans to educate each generation on the historical impact of our military through community participation.

National Bike Month. Sponsored by the League of American Bicyclists and celebrated in communities from coast to coast, National Bike Month is a chance to showcase the many benefits of bicycling and encourage more folks to giving biking a try.

Children’s Mental Health Awareness Week, May 1-7. A yearly event aimed at raising awareness of the issues and causes integral to the children’s mental health field nationwide. Sponsored by the National Federation of Families for Children’s Mental Health, this year’s theme is “Healthy Families, ResilientChildren: Mental Health is a Family Affair.”

National Nurses Week, May 6-12. One of the nation’s largest health care events, National Nurses Week ends on the birthday of Florence Nightingale, the mother of modern nursing, and recognizes the contributions nurses make. It also educates the public about the significant work they perform.

American Craft Beer Week, May 16-22. American craft brewers are small, independent, and traditional. The average American lives within 10 miles of a brewery, and the United States now has more beer styles and brands to choose from than any other market in the world. Enjoy a cold one (responsibly) all month long.

May Day, May 1. An ancient northern hemisphere spring festival celebrated in many cultures. Dances, singing, and cake are usually part of the activities.

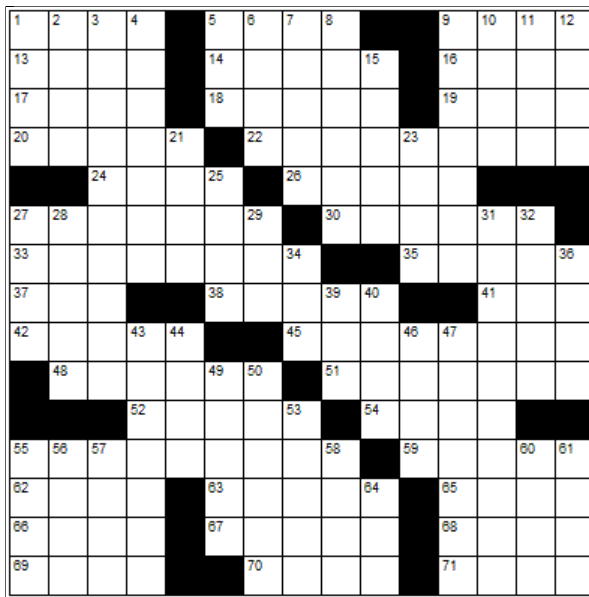

Mother’s Day, May 8. Don’t forget to tell your mother (and mothers everywhere) how much she means to you.

Memorial Day, May 30. A U.S. federal holiday honoring those who have given their lives while serving in the armed forces.

Exercise: More isn't necessarily better

Losing weight is just a matter of exercising, right? Actually, that may not be the case, according to a study of exercise and weight loss reported on the CNN website.

Researchers looked at 332 adults in the U.S., Jamaica, and Africa, measuring their activity level over a week. The volunteers displayed a variety of exercise levels from sedentary to active. Although those who exercised and were active more burned away more calories than the others, their activity tended to hit a plateau—after a certain level, more exercise didn't produce more weight loss.

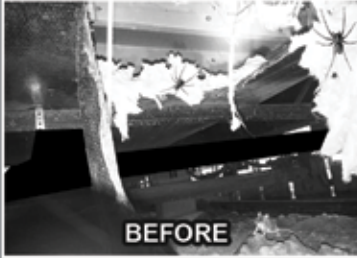

Switching exercises helped a little, since using different muscles can make your body use more energy. But in the long run, a combination of exercise and a reduced-calorie diet may be your best bet for losing those unwanted pounds.

Don't get zapped at work (or home)

Electrical hazards at home and in the workplace injure thousands every year from burns and shocks. Faulty or overloaded wires cause the majority of accidents, so protect your family and your co-workers by following these guidelines:

- Get inspected. If your electrical panel hasn't been inspected for more than 10 years, get a qualified electrician to look it over.
- Unplug heat appliances after use. At home, that includes toasters, hair dryers, and irons, among others. In the office, unplug space heaters or anything else that can cause a fire.
- Use the correct wattage. Putting a 75-watt bulb in a 60-watt light socket is asking for trouble.
- Don't overuse extension cords. They're meant for short-term use, not as way to plug in as many appliances as possible into one outlet.
- Use surge protectors. They'll keep computers and other appliances safe from overloaded circuits.
- Keep appliances away from water. If an appliance that's plugged in falls into water or gets wet, unplug it before you reach for it.
- Don't yank cords. When unplugging an appliance, always grip the head of the cord. Yanking and tugging can damage the cord's wire and insulation, which can lead to an electrical shock or fire.
