BOARD BUSINESS

LAWNS and TREES

Barbara Pesic, Director, BOD

Lawn Mowing Service

Mowing for March will be on March 10th and the 24th.

Grievances / Mowing Service

Please call Barbara Pesic at 727-307-5316 to report any grievances with the mowing service. (If you are leaving a voice message, please include full name, address, and phone number.) Issues are inspected and then reported to the mowing service management for resolution or correction in service. Due to the danger of approaching workers operating equipment, it is requested that you report the problem rather than give instructions directly to the crew. Thanks for your cooperation with these procedures.

Landscaping

Our landscaping service will be adding some new trees and plants to the common areas of the park. Be looking for changes at the island, the clubhouse and at the BC store in the near future.

...continued on page 6

PARKING

Jeff Clark, Vice President, BOD

One of the greater challenges facing the Board is the issue of parking. From the Restrictions page on mybriarcreek.com (which can be found under the "By-Laws" link on the home page), you'll find the following:

"…Automobiles must be parked in spaces provided on your own lot or as otherwise designated by the Board of Directors. Vehicles will not be permitted to stand overnight in the street except for the purpose of preparing such vehicle for a trip within the following forty-eight (48) hours…

…Except as otherwise provided herein, no cars, trailers, boats, trucks, recreational vehicles, motor homes, or commercial vehicles of any kind shall be parked on the common elements, without a guest sticker; provided, however, that trucks and commercial vehicles may be temporarily parked while present in the Park in the course of business. Repairing of cars, building or storage of boats, campers or trucks larger than a standard pick-up truck is prohibited, whether on the condominium lot or parcel or in or on the streets. Additionally, no inoperative vehicles shall be parked in such areas, nor shall the repairing of such vehicles be made…"

Your Board is working to resolve the issues of parking, especially as it relates to the laundry and storage building on Sugar Bear Drive. We're currently looking at the following:

- For the laundry building, permanent signs stating a maximum parking time (2-4 hours) for the spaces directly in front of the building. This would insure adequate parking for laundry or storage purposes.
- Vehicles in guest parking areas* will require either a "BC" sticker in the rear window for resident vehicles, or a guest permit on the dashboard for guests. Either way, any vehicle parked in a guest parking area will require the name and phone number of the car's owner for emergency-contact purposes. These areas are for temporary parking only; any vehicle to be parked for more than 48 hours (resident away on a cruise, for example) must be parked in one of the 9 spaces at the east end of the lot adjacent to the shuffleboard courts. If the owner of said vehicle is not immediately available, arrangements must be made in advance on their part so that the vehicle can be moved in case of an emergency.

We're all aware that times have changed since construction began on Briar Creek 40 years ago; very few residents in 1977 had more than one vehicle. As more and more homeowners have multiple vehicles, we need to update and revise the parking rules so that they're fair and equitable to everyone.

*The laundry room on Sugar Bear Drive, the BC Mart/ garage on Beechwood, and the parking areas on east and west sides of the Phase I clubhouse.

MARCH

You know that expression, "March comes in like a lion and out like a lamb?"…well, it is true. The month often starts with bad weather and ends with Spring warmth, even in this time of global warming! The Roman god of agriculture and farming, Mars, is who the month of March is named after. It is a time of new growth and fertility. Time to get out and LIVE! The energy of the month goes from rest and reflection to growth and expansion. Be fertile and plant your own seeds of growth and goals. Join a book club, stop in at water exercise, draw a picture in art class….play some shuffleboard, go on a BC excursion, meet a new neighbor. Enjoy the little piece of heaven that is Briar Creek. And **don't forget to turn your clocks AHEAD on MARCH 12th!**

Help for Severe Aortic Stenosis

Severe aortic stenosis is a narrowed aortic heart valve that doesn't open and close properly, reducing blood flow to the rest of the body.

Morton Plant Hospital is now enrolling eligible patients in the Medtronic Evolut R low-risk trial, which investigates the safety and effectiveness of a transcatheter aortic valve replacement (TAVR) system in patients with severe aortic stenosis who are at a low surgical mortality risk. TAVR is a minimally invasive alternative to open-heart surgery used to treat failing aortic heart valves in patients with severe aortic stenosis. Morton Plant Hospital was chosen as the first hospital in Tampa Bay to offer the TAVR procedure for patients with severe aortic stenosis who were at an intermediate or high surgical mortality risk. Our team has completed more than 700 TAVR procedures over the last five years.

To see if you or a loved one with severe aortic stenosis may be eligible for this trial, or for more information on the trial, call the Center for Advanced Valve and Structural Heart Care at Morton Plant Hospital at **(855) 44-VALVE (855-448-2583) or visit MortonPlantValveTrial.org.**

HAPPY DAZE DANCE

Mary Kay Brown

Unfortunately, the date for this requested event was the eve of the 7 night Cruise from Briar Creek, but it was sufficiently attended! The entertainers for this event, 'Happy Days', were entertaining as usual, and interacted with the audience very well. They have performed in Phase 1 many times, and the residents seem to enjoy them a lot. We had "Elvis" in the building, Tina Turner, and the Blues Brothers with our own Sal Micelli performing! It was great fun. The hosts for the night were David Doran and Jeff Clark, who did a remarkable job and served hot fudge and caramel sundaes, and Coca Cola floats. They even dressed for the occasion! Thanks fellas for the help, couldn't have done it without you.

Scoopers Jeff and Dave

CALM SEAS AND SMOOTH SAILING

Liz Raucci, Editor

Alice Hall did the twist and Linda Hayes rocked her knee-high white pleather go-go boots! Denise Bienvenue and Bob Miller celebrated in the casino, Dave Holmes and Maggie Concannon celebrated their birthdays' and Sharon and Andy Philyaw celebrated good news. The Dennis's and the Dion's flew in for the fun and Pat Rivera, along with Betty Chatigny, came close to winning the top prize in trivia several days in a row. Whether you went ashore or stayed on board, there was plenty to eat, drink, see and do on the Rhapsody of the Sea. A big "Thank You" to Judy Young and Karen Johnson for organizing the trip. Briar Creeker's do know how to have fun!!

A few of the happy cruisers

More folks at sea!

HELLO, Y'ALL!

Georgia Douglas

A new year begins for me as your Social Club Entertainment Chairperson for 2017. Thank you for having faith in me to do as good a job as our past Chairperson, Mary Kay Brown did. I have an outstanding committee (A Village) to work with me including Dave Doran our president, to make this an exciting year for ALL of Briar Creek and friends.

My first social function will be the easiest of all: our annual St. Patrick's Day Event. We will try to keep all our ticket cost as low as possible with some free events offered during the year. I welcome any suggestions from our residents for the types of entertainment you would like to see throughout the year. Thank you for your support.

RECYCLE EVENT

Dave Doran

The Recycle program that was shared between Phase I and Phase II was a grand success having given our community a chance to clean all those cans of paints, cleaners, "stuff" and televisions and recycle them in the correct way. We thank everyone who helped, it was a fun time.

STORYTELLER

Mark Kay McBride

For those of you that attended the Roy Book Binder event, it was a fun night! Roy is a resident of St. Petersburg, and formerly from New York. He entertained the crowd with many stories of his life, and blues music on his guitar. Most of the songs were written by him and had a story to them. He was very pleased with our crowd and hopes to return to Briar Creek in the future. Roy has opened for Ray Charles, and traveled with Bonnie Raitt before she became so popular. He has had quite an interesting life and he said this is what he really enjoys doing. There was a scant crowd for this event, but nothing like this has been done in Phase 1 as long as I have been a resident. He performed 2 - 45 minute sessions of stories and playing and singing the blues. As far as something different, this was it! Dessert and coffee was served during intermission. Thanks to Dave Hunkins for his help with the sound system.

NFL CHAMPIONSHIP GAME

Mary Kay Brown

The NFL Championship Game/Pizza party was really a great success! I would like to give a huge thank you to Roy and Pam O'Neill. They had everything all set up for the football game, the pizza had been ordered early, but we had to wait a little longer for delivery from Pam and Elsie Anderson, as Domino's seemed to be running behind! I guess they weren't prepared for such as rush! We had a total of 59 people attending and I believe that is a record for this event, started a few years back by Ray Farrell. We do apologize for the sound: it wasn't hooked into the ceiling speakers and with people talking, was a little hard to hear. As always, we live and learn!

It appeared that everyone who stayed to the end of the game had a very good time, unless they were a Falcon fan! What a comeback the Patriots made in the fourth quarter, and history was made that night by going into overtime! A lot of people pitched in and brought snacks, cookies, etc., to accompany the pizza. Thank you all who attended and brought food. Donations were accepted to help defray the cost of the pizza.

BREAKFAST!

Pam and Roy O'Neill will be preparing breakfast from 8am-10am in the clubhouse on MARCH 26th. Join your neighbors and friends for a delicious $3.00 breakfast consisting of: Scrambled Eggs, Ham, Tater Tots, Orange Juice, Toast, Coffee or Tea and a Pastry.

KRAZY KARDS

Pauline Hoad

MARCH 5th is the next scheduled Krazy Kard at **7:00 pm.** If you have never played Krazy Kards and would like to give it a try, please sign up. It is a great way to meet your neighbors, both from Phase 1 and Phase 2 as players rotate from table to table.

We have lots of teachers and it is a fun night. Please call Pauline Hoad 727-723-9710 for your ticket. Tickets are $3.00 and there are prizes for the 1st and 2nd place tables as well as the last place table and refreshments are served midway through the games. Tickets will be available at Wednesday morning coffee. Please remember your sign-up is your commitment to attend. The rest of the players are counting on you being there.

VALENTINE'S SOCIAL

Mary Kay Brown

Valentine's Tom and Dot

Wow! What a great night! Our Valentine's Day Dance was so much fun with so many people attending and the great music by "Cover to Cover"! There was one little glitch with the coffee maker, but thanks to Bob Barr and Al, it all came together finally!

I must say thank you to Liz Raucci, and Lynn Lijewski for the planning for this event. They provided heart shaped red velvet cupcakes with white frosting and sprinkles, a chocolate fountain with strawberries, pineapple, marshmallows, and angel food cake for dipping. I believe everyone enjoyed the chocolate fountain! This has been one of the largest crowds that we have had in many years for the Valentine's Dance. The group played a variety of music, which seemed to be well received. The dance floor was full the entire evening and several lucky guests won door prizes: Tony Alves and John Hayes each won a bottle of wine and Bob Barr and Mary Kay Brown each won a box of chocolate. The dance floor was full most of the night! And the most amazing thing happened: when it was all over people continued to celebrate instead of leaving when the last note was played! Of course, there were those of us who stayed on to help clean up and it really didn't take long for that to happen. Actually, the cleanup was finished just before the entertainment was ready to leave after packing up all of their gear. Thank you to all who attended, helped in any way, especially the cupcake bakers and Carolyn Jablonski, decorator, and Jean and Jerry Richter. Again, thank you for the support I received for this event. I could not have done it alone and my "planners" were really on top of everything. Thanks also to Kathy Warzyniak for donating the pudding shots for the evening and for melting chocolate!

ST PATRICK'S DAY

Georgia Douglas

Plans are still underway for the annual St. Patrick's Day celebration. Once again the event will be chaired by our own Art Finnegan and hosted by Joe Daley. Our annual parade of decorated golf carts, bicycles, motorcycles, scooters, etc. will begin at 4:00pm. Prizes will be awarded for best decorated vehicles and costume. Local officials will be in attendance and pending any emergencies, our parade will be led by the Safety Harbor Fire Department vehicles. Cocktail hour begins after the parade with beer, wine, and sodas provided. Our fantastic Irish Chef, Ray O'Jablonski, has agreed to serve his specialty: Corned Beef, Cabbage, Carrots, Potatoes, and Rye Bread Dinner. The evening will end with dancing to the Ramsey/Aikin Duo (they played at our 2016 Memorial Day event). The donation for St. Patty's day is $15.00, which includes food, drink, & entertainment. Come one, come all and enjoy the day and evening.

AARP SAFE DRIVING CLASS

Carol Smitley, Phase 2

The AARP Safe Driving Course will be held in the Phase 2 Clubhouse on MARCH 16th from 8:30am to 3:30pm. Cost of the class is $15.00 for AARP Members and $20.00 for Non-Members and includes lunch. Contact Carol Smitley 725-3948 for further information.

ENTERTAINMENT GOODBYE

Mary Kay Brown

I would like to express my deep appreciation for the committee of people that have helped me this past year. I have enjoyed being your Entertainment Chairperson, but it is a job, and very time consuming one to be done correctly. I cannot thank the committee people enough for everything they have done. So many people have "stepped up" to help decorate, make desserts, prepped the food for many events, and of course; the clean up! Thanks also to the people who weren't on the committee, and just pitched in cleaning up after the events. Friends, acquaintances, and even some I didn't know were always willing to help with anything! I appreciate all of the help the President of the Social Club, Dave Doran, has given me…we seem to work very well together. I did the best I could to make some money, have entertainment that

all enjoyed, and present some different events. Due to scheduling conflicts, some events had to be on Friday nights, and I apologized for that. I must also give credit to Gene Arend, Treasurer, for giving me the OK for some of the entertainers I booked, as some were costly, but I believe you get what you pay for!

We saved a lot on expenses as far as decorating, we used what we had and people were creative enough to make centerpieces and other decorations without having to go out and buy a lot. Table covers are always an expense, but not an outrageous one. My thinking was: save on decorations and pay a little more for the entertainers we can all enjoy.

Georgia Douglas will be taking over the Entertainment Chairperson duties for this next year, beginning March 1st. I can only hope that everyone supports her as much as they have supported me. I will still be involved in a secondary manner, to help Georgia however I can and only if she needs me. She will be in charge. I am always available to help any committee or person that needs it. Again, thank you all: each and every one of you, for your expressions of kindness given to me, and your support. I truly do appreciate it.

That the Flag which currently flies in front of the Phase 1 Clubhouse had been presented to Peach Richardson by the United States Government on behalf of a grateful Nation for the service of her husband, Stanton. God Bless the USA.

FANNY FLAMINGO QUICK FIX FACTS!

CAUGHT BEING A GOOD NEIGHBOR

"IT'S NEVER TOO LATE TO BE WHAT YOU MIGHT HAVE BEEN"
Jane Travis

In ***PHASE 2***, **PAUL SPENSER, BILL RUSSO and MIKE SCHMIDT** repaired broken boards and painted the Bocce Ball Court making it look brand-spanking new once again! That's teamwork for ya!!

DUDLEY AND MADELINE GEIGENMILLER were in the right place at the right time and their neighbor thanks them for it!

CONNIE DUBOIS decorates her whole neighborhoods' mailboxes each holiday and brings cookies to her neighbors! She brings up her neighbors' mail and pails, all while babysitting her 10 year old grandchild! Live Oak considers her a wonderful neighbor!!

DAVE McCLANAHAN is also a great neighbor. He recently helped by hauling soil and helped a neighbor with his landscaping. Thanks, Dave!

JUDY YOUNG does so much for so many. Whether it be arranging trips, providing chauffeuring services or just lending an arm to support someone crossing the street, Judy is always there. Despite threatening the Bingo Callers or harassing folks for trip payments, Judy has a very soft side to her make-believe tough personna!

BRIAR CREEK INITIATIVES

Connie Holmes

KNOW YOUR NEIGHBORS

It gets tough to remember names when some of us are not here year round, but this is something we should strive to accomplish each day. Some of us jokingly say, "I wish everyone in Briar Creek wore their name badge every activity so I would know their name." Guess what? This is not a bad idea, in fact it is a GREAT idea! I have read that everyone likes to hear their own name spoken, because we are proud of who we are and that someone is talking to us. Sometimes we just cannot remember the persons' name, so rather than ask it again, we don't address them personally. Let's make a greater effort here in Brian Creek to learn the persons' name by wearing our name tags to club events.

One great way to learn your neighbors is to have a block party. Cypress Drive did this twice last season and both were a great success. We all introduced ourselves and shared where we came from before coming to Briar Creek. What a wonderful experience to learn not only their name but about them as well. We found out we had 3 couples on the street that were married 2 years or less at that time; we also had 3 couples that had been married more than 50 years! WOW! Since last spring's block party we have seen Ron & Carolyn Howell relocate due to health reasons, Bob Thygerson now resides at Horizon Bay and Nina Burnett moved to North Carolina to be near her family. Things are constantly changing and so must we. We have welcomed Martin & Vivian Shapiro, Allan & Terry Bjorn, Steve Fontaine and Barbara Mercer to our street. OOPS, looks like Cypress Drive needs to have another street party to meet and greet each other. What about your street?

REFLECTIONS OF BRIAR CREEK

Linda Eddington

In The Long Life Equation by Trisha Macnair, MD, MA she states that because we are inherently social creatures when we positively interact and support each other, it is an estimated equivalent of adding 6 years to our lives. Most of us know that being with people who care about each other as demonstrated through acts of neighborly kindness and involvement with our Briar Creek community activities, sustains a strong social network that keeps us healthier and happier longer. Let's keep building our healthy BC neighborhood with continued respect, trustworthiness, shared sense of ease and calm, laughter, respect for common areas, managing differences with assertiveness and cooperation, and especially helping whenever one can.

March is National Women's History Month

In our own personal lives, the NWHP encourages discovering stories about our mothers, grandmothers, and great grandmothers to help us better understand their lives, the challenges they faced, and ultimately, ourselves and our own times. Recognizing the dignity and accomplishments of women in our own families and those from other backgrounds leads to higher self-esteem among girls and greater respect among boys and men. The results can be remarkable, from greater achievement by girls in school to less violence against women, and more stable and cooperative communities.

The impact of women's history might seem abstract to some, and less pressing than the immediate struggles of working women today. But to ignore the vital role that women's dreams and accomplishments play in our own lives would be a great mistake. We draw strength and inspiration from those who came before us – and those remarkable women working among us today. They are part of our story, and a truly balanced and inclusive history recognizes how important women have always been in American society. from www.nwhp.org

BOOK NOOK

Linda Edington for Patricia Rivera

Because March is National Reading Month I am coordinating a "Love of Reading" discussion in Phase 1 Clubhouse on SUNDAY, MARCH 19 from 2 to 5 pm. Coffee, tea, and snacks will be provided. I hope all our neighbors who enjoy the company of books and each other will join in the conversation. I invite the members of the various book clubs in Phase 1 and 2 of Briar Creek to participate. Any questions, contact Linda M. Edington at 706-817-2088 or lme@iquest.net.

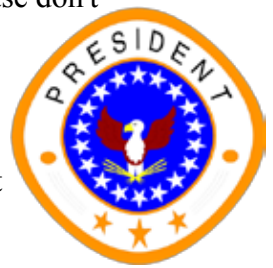
Briar Creek Bugle Phase II – February 2017

(Pete Loranger-Editor Phone 421-2321)
(E-Mail: Pete316@Knology.net)

From the President

Mike Lucas

WOW !!!! A very tumultuous and trying start to 2017 required immediately " jumping in up to our necks " and addressing several important issues that impacted our community and I must say I learned a lot in those first two months and I surely will continue to learn in the coming months, as well. I want to say that it is an honor to serve our wonderful community and the fantastic folks who live here. And I am extremely humbled that the good people of Briar Creek ll as well as my fellow Board members have entrusted to me the position of President of the Board of Directors. I will do my very best to ensure that I fulfill your trust and expectations. As always I am available to everyone, so please don't hesitate to approach me or call, my number is in the Monthly Media.



Please be mindful of the following safety concerns, they are important:

Briar Creek ll speed limit is 15 mph, please do not exceed it. We have many residents who walk along our streets, so it is important to watch out for them.

To those of you who do walk along our streets, please walk against the traffic and pay attention to the vehicles approaching from the front and the rear, your life or someone else's could depend on it. Also, if you should walk during the evening when daylight is fading, after dark, or at other times of low light, please wear light colored clothing and always carry a flashlight, so you can be seen.

And lastly, be a good neighbor, if we help each other and are kind to one another we will surely continue to make Briar Creek ll a wonderful place to live.

Sincerely,
Mike Lucas, President
Briar Creek ll, MHP

Home Inspections

Clark Woodard

A special thank you all the volunteer inspectors who helped with the 261 home inspections done during February. Everyone responded promptly and acted in a professional manner. There was no way that I could have done this without your help. I would like to thank the residents who keep their property up to Briar Creek standards. Just a reminder, residents who have inspection forms with corrections completed should return the form to me at 89 Cottagewood Drive as soon as possible. If anyone has any questions or concerns regarding their inspection, please call me at 286-6595. It's up to all of us to keep our Briar Creek community looking beautiful.

Bingo

Marsha Bowlby

ATTENTION – THERE WILL BE NO BINGO ON MARCH 13TH…

Bingo will make you think, but it also is fun and you can win $$$. The last month our Top Hat game has averaged $65.00 and our Jackpot game has average $140.00. Not bad for an investments that could be as low as $6.00. Better return than the lottery and you had a night out. Maybe even dinner if you come to The Monday Night Dinner. So basically for under $10.00 you can have dinner, socialize with your neighbors and play Bingo.. and possible win $$$. Life in Briar Creek… it doesn't get any better.

Pete Foley's Monday Night Diner opens at 4:00 and serves until 5:15…for $3.00 you get a sandwich, chips and a drink.

BINGO Cards will be sold from 5:00 to 5:45 with games starting at 6:00.

If you don't want to do the whole game, play the Early Birds…they take about 20 minutes and its fun. Give a try. Who knows you might get to yell "BINGO".

What else could you ask for?

Entertainment

Carol Rodrigues

Showtime Extra is scheduled for Thursday, March 9 with Christine Joyce. She sings, dance and performs comedy, her shows are full of quality material, fun and professionalism. Christine won the Bright House Senior Idol show. This event is held in appreciation for the many people that supported our Showtime events over the year. Anyone with a current Showtime ticket for Jan. and Feb. 2017 will be able to obtain a "free" ticket for the show. If you would like to attend but did not purchase Showtime tickets, the cost for this event will be $10 per person. By popular demand we will leave everyone at the same table as at the first and second Showtime rather than orchestra seating so that we will have a place for our drink and snack. Tickets are available at coffee each week or call Carol 286-6595. The clubhouse will be open at 6:30 for drinks and snacks, the show will begin at 7 pm.

Bunco March 23 at 6:30 for dessert, the game will begin at 7:00 pm. Tickets are $3.00.

Karaoke March 25 at 7 pm. Olive Shearer and Ron Scott will host an evening of karaoke and music. This will be a free event for all , no need to sign up, just come and enjoy an evening of fun and music with your friends. Bring a drink of your choice and a snack with share with your table.

Horse Racing, Friday, April 7 at 6 pm Sonny and Betty Whitehouse, our hosts for this event, remind us to bring quarters for our bets. Bring snacks and a drink of your choice to enjoy this fun evening of horse racing and friendship. This event is free to all residents of phase I and phase II.

Watch for upcoming spring events, Aloha Party April 22, Bunco on April 27.

Tickets for all events can be purchased at either clubhouse during coffee hour.

Briarettes'

Betty Hudd, President (813-817-1774)

Our speaker for the February meeting was Deputy Jessica Hughey. A big thank you goes out to her for her time to inform us on crime prevention and house surveillance of our homes that can be implemented when we are away from home. Also, a big thank you, ladies, for volunteering sweets.

Our March 7th meeting will be our popular Dump Salad. For those of you that are not familiar with what we call Dump Salad, Briarettes will furnish the lettuce and the dressing and the attendees will provide the toppings to share with others, for example, tomatoes, cucumbers, crotons, pepperoni and cheese, whatever you love on your salad. This will also be our fashion show. Gwen from Bon Worth will show us what is new for the summer fashions. Our local

sought after models will be displaying their runway training to enhance the styles.

Ladies from Phase 1 and 2 and guests are encouraged to attend at Phase 2 club house.

Time- 1:00 pm. Just come and continue to enjoy each other's company. If you wish to participate in the 50/50, bring a dollar.

GOOD NEIGHBORS

Karola Haines

Nancy and **Randy Blanchard**, **June** and **Larry Van Wormer**, **Arlene Rosenberg**, as well as **Shelby Haynes**, **Dick** and **Ida Haines** and **Jody Beatty** are some of the best neighbors, friends and family in this community anyone could ask for!

Joe and I can't begin to express our heartfelt gratitude for their selfless acts of kindness.

Both Joe and I became incapacitated at the same time a couple of weeks ago; so all of the aforementioned helped out/are helping out by walking our "Charlie", cooking/delivering meals (some delicious cookies, candies and desserts, I might add), and running errands for us.

Some of them are not feeling so well themselves, but are willing and eager to help!

THANK YOU !

Also sending our a ***special "thanks"*** to our neighbor **Chuck Donovan** who is keeping our driveway and the street clean of tree debris, which we all know can be a big chore at this time of year.....

All of these neighbors, friends and family are a "God" send !!!!

Thank you all from the bottom of our hearts, you are wonderful !!!!!!!

Joe and Karola Haines

LOWER THE WATER BILL COMMITTEE

Bill Beyer

The Lower the Water Bill Committee has been revived and will be locating valve covers, elevating them, and covering them with new valve box cover retainers. Due to expected damage, we will replace multiple covers which protect the valves and make it much easier to locate them. The covers will be painted blue along with the markings on the streets that define their location. The next step will be to recheck what valves need to be shut off to take care of a water problem in designated areas.

We request that you notify the water committee if you notice any type of water leak, including any standing water in anyone's yard. Please call a member of this committee listed below. Two contact numbers will be listed in the monthly media front inside cover.

We apologize for any inconvenience we may cause when we perform these procedures.

NOTE: It is very important that your water shut off functions properly. You may check it by turning it off then check if any faucets in your home still have running water. If you still have running water, your shut off does not work properly and needs to be repaired.

We have been making hats for the cancer patients and afghans for our residents who are sick and are either home bound or have entered the nursing home, so they will always remember that all of Briar Creek is thinking about them. Seeing the joy on their face is worth every stitch we put into the items we make.

In the past, we have had classes on Spider Weaving, Swedish Weaving on Monks Cloth, Fleece Pontos, Aprons, and many other items. We also bring along our own projects to work on and enjoy the many conversations that we share.

For those of you that would just like to sit and chat and see what we are making, as well as make new friends, you are all welcome to join us. We would love to have you.
