BOARD BUSINESS and UPDATES

From the desk of the President

John Pickering

Welcome to our July BUGLE. Hope all remains well with each of you!

Well I think CONGRATULATIONS are appropriate, and here's my summary:

Thank you and Congratulations to all residents of P1 and P2 for your cooperation and personal discipline during the past few months of the Covid-19 Pandemic. Most of our residents have been willing to wear masks, respect social distancing and limit their time outside their respective homes. Yes, we've all faced some restrictions involving our BC social amenities, lack of haircuts, grocery shopping etc. but things are slowly getting back on track.

To the best of my knowledge, there have been no reports of any active Covid-19 illness throughout our great community. Yes, at the risk of repeating myself, CONGRATULATIONS are in order. Please keep up the great work, remain strong in your efforts to foster health within your homes and neighborhoods.

Ah, but all things are not perfect after all. Speed limits are continually being disregarded and travel across Briar Creek Boulevard resembles a parade of Moonshine rigs trying to outrun the authorities' in-chase. No one is going to be sharing congratulations when we're wringing ourhands discussing the ugly results of that serious accident we all hoped would never happen.

...continued on page 6

And yes, I fear it's going to happen one of these days if we don't slow down considerably and respect our multiple Stop signs. Set a good example and be the first one on your block to keep your speed down until you reach McMullen Booth and/or Rt.19 when you really have no choice.

Bravo to each of you!

Bye for now.

Director, Lawn Maintenance/Trees/Landscaping

Roy O'Neill

Hello everyone. Sure hope you all are enjoying your great summer weather and staying healthy of course. The schedule for lawn maintenance is every Tuesday weather permitting as follow,so July 6, 13, 20 and 27.

Take care & stay safe.

BRIAR CREEK'S NEW WEBSITE

Al Hartin

TO ALL OWNERS

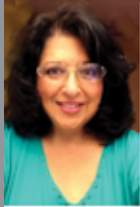

As some of you may know, Briar Creek has a new website. Gene Arend, who developed and maintained our website for thirteen (13) years, decided to retire. First a big Thank You to Gene for the numerous hours of work on our behalf. Your Board of Directors has decided to enter into a contract with Progressive Management to maintain our new Website. I have listed below some things you need to know.

1. Our new website is mybriarcreek.com. We were able to keep the same domain name so no change there.
2. The new website has a different look than the old one.
3. The new website has a protected tab only available to owners. This tab contains all the Board meeting minutes, financials, by-laws and any contracts with vendors. This is required by Florida Law.
4. To be able to access this protected tab, you will need a password. To get your password, you will need to email Progressive Management at info@progressivem.com. Once they receive your email, they will verify you are an owner. They will then send you an email that will come from the website hosting company, Vinteam. It will ask you for a log in ID which will be your email address (when you start typing it, your email address will come up automatically). It will then ask you for a password. This will be a password you need to create. You will be the only one that knows this password. Once you have done that, you will need to log back in to the website. When you click on the tab labeled "Access Your Community," you will be prompted for your user id and password and then you will have access to the owners only tab.

TRASH/RECYCLING/YARD WASTE COLLECTION

Karol Kagelmann

I've been asked to remind all BC I owners about the City of Safety Harbor's rules for what can and cannot be included in your recycling and yard waste. The following is an image of a brochure from the City about Recycling and then some rules/guidelines for yard waste that have been cut and pasted from the City's website. Please pay particular attention below to the correct yard waste container since a number of people have been placing their yard waste in plastic bags. This is not allowed.

“YARD WASTE

Yard waste is only collected on Wednesdays and in 32-gallon cans or bundles at the curb. Please do **not** place recyclable yard waste in the 90-gallon barrel, recycling containers or various other totes/containers. Do **not** use plastic bags. All yard waste must be in 32-gallon cans or bundles.

Materials

Yard waste materials, such as grass clippings and leaves must be placed in unlined garbage cans no larger than 32 gallons, limited to 1.5 cubic yards in volume (1.5 cubic yards is equal to 8 cans or bundles), and curbside by 6:30 a.m. on Wednesday only.

Bulky Yard Waste

Yard waste too bulky to be containerized such as branches and other vegetative materials must be cut into sections no longer than 4 feet in length and 6 inches in diameter, then bundled with twine in arm size manageable bundles. Please do not tape bundles or mix paper or plastic in as this will contaminate the recycling process for the entire load and will result in yard waste not being collected. Piles of yard waste in excess of 1 and a half cubic yards can be collected by special arrangement with the sanitation division for additional cost. Please make arrangements by calling 724-1550, ext 2002.”

ATTENTION: LEAD FOOTERS

Betty Chatigny

Vehicle speeding through Phase 1 is absolutely out of control. The speed limit in Phase 2 is 15mph, and 20mph in Phase 1. It seems to me that once a Phase 2 vehicle stops (or usually doesn't) at the stop sign at the intersection of Birch Creek and Briar Creek Boulevard, it's the pedal-to-the-metal time! Speeding past the pedestrians, parked vehicles, and generally not slowing down for anything or anyone is becoming the norm for our beautiful community. Of course, it isn't only Phase 2 drivers, but those are the ones that are tearing past our clubhouse in a rush to get to McMullen Booth.

Are you guilty of this? Or is it only your lead-footed friends and/or neighbors? I've been walking along Briar Creek Boulevard, facing traffic, and cars coming toward me will NOT give me one inch of extra space. Even when there is no oncoming traffic, they simply will NOT move over. They speed by me as if I am invisible! I've had to jump into the grassy area to avoid being brushed by an oncoming vehicle. Even making eye contact with the driver seems to be a futile gesture, plus making "move over" or "slow down" movements with my hands doesn't even merit a response. They simply keep speeding by, in a world of their own. My prediction is that someday a pedestrian, a bicyclist, a golf cart driver, will be hit and maimed or killed. Then the cry will go up, "How in the world could this happen?"

PHASE 1 AND PHASE 2 DRIVERS:

WILL YOU PLEASE SLOW DOWN IN OUR PARK? TAKE YOUR FOOT OFF THE GAS PEDAL, OBEY THE SPEED LIMITS AND STOP AT ALL THE STOP SIGNS, PLEASE!

A Few Messages

Debbie Landon

1. Angela Lane, our amazing and sweet mail carrier, celebrates her birthday on July 14th.
2. I want to THANK the generous neighbors who have expressed kindness and caring in ways that are always meaningful but especially during these trying times. I have two neighbors who greeted me almost every night after I would get off a long, stressful day at work. They would call out greetings, give virtual bear hugs, and also shared in my delight when I finally got a pack of toilet paper that Walgreen's held for me to pick up after work! Heeheehee!!!
3. To the neighbors who have each week faithfully put away my trash cans, yard waste cans, and recycle bins - do you know how great it feels after a long day at work to experience such acts of kindness? Thank God, I do!! Someone even went around my yard to take down my "stay-away-from-my-lawn" flags for the lawnmowers. THANK YOU!
4. I also saw two neighbors raking up my yard that has 3 huge oak trees, two who helped with an "issue", and a neighbor who is helping fix the bottom screening and doing so many fix-it items to the outside of my home. THANK YOU!
5. These are some of the reasons I love living here and I hope that I will someday be able to own my very own home in this neighborhood.

Briar Creek Bugle Phase II – JULY 2020

(Pete Loranger - Editor Phone 421-2321)
(E-Mail: Pete316@Knology.net)

EDITOR'S NOTE:

ALL INFO IN THIS ISSUE, INCLUDING THE CALENDAR REPRESENTS WHERE WE STAND AT THE TIME OF THIS PRINTING. PLEASE WATCH FOR ANY UPDATES, ESPECIALLY FROM THE PHONE TREE. If you have a computer...to get on the PHONE TREE... Contact Marsha Bowlby. The most current and up to date information will be sent out using this method. HOPEFULLY THE AUGUST ISSUE WILL BE BACK TO, OR CLOSE TO NORMAL. THANKS TO EVERYONE FOR THE HELP.

Board of Directors:

Tom Feeley – Vice President

After some 91 days, the clubhouse re-opened on June 11 with restrictions according to the six foot distancing guideline, residents only, no guest at this time. On Saturday, June 13, the social club held their first coffee and donut social. The chairs and tables in the clubhouse have been arranged according to the restricting guidelines. Therefore, due to the restrictions, no cards, dominos or fitness classes at this time. Hopefully in the near future the restrictions will ease so we can then start to get back to normal. Our property manager, Progressive Management has conducted a mailing to all of the property owners concerning the new Phase II website.

Included in the mailing were two letters one was a statement from your board of directors, the second letter was instructions on how to obtain a user ID and password that is required so to access the financial statements, rules & documents.

Our swimming pool has now been switched over to cooling with the temperature being maintained at 86 degrees. As of this writing, the spa is “out of service” due to an interior

plumbing issue with the heating unit. The service contractor has been notified. A big thank you to the social club board and the spend the money wise committee. The social club approved a donation of \$ 1,200 towards the purchase of new lounge chairs for the pool area. The chairs have been put in storage and will be placed in the pool area as needed.

Noodles are no longer available at the pool. Residents must bring their own noodles. Currently, the clubhouse and pool are still restricted to residents only, no guest or children at this time.

We are now into our rainy season. If you have not done so, now is a good time to conduct a good cleaning of your rain gutters. The most important issue this time of year is to have clean rain gutters so the rain water is able to drain out and away from your home.

Jean Schmidt - Condo Secretary/Alterations

Your elected volunteer Board of Directors is working hard to keep Briar Creek Phase II in compliance with local government COVID-19 mandates. Our lawns and lakes are looking great. The tool garage and workout room are clean and in top shape. The clubhouse is in great order as we follow guidelines to insure everyone's continued good health. We have had a few new home sales and hope to meet our newest neighbors soon. I have restocked the supply of outside alteration forms in the usual slot outside of the Condo Office door. Requests can be submitted thru office door slot or deliver to my "rock" box (under regular mail box) at 79 Red Fox Run. Please remember it could take up to a week to receive an approval during the summer season. Plan your projects in advance so there are no anxious moments waiting for an approval!

John (Butch) Miller – Home Inspection Director

A REMINDER, WE ARE CONTINUING OUR SUMMER HOME INSPECTIONS AND NEED YOUR HELP TO FINISH UP.

Check your Gutters for Plant growth or debris. This is also mold season so check the outside of your house for staining and fungus growth. If it looks like it needs it please have it cleaned. Dirty driveways should be maintained as well.

Home Inspection Director: John (Butch) Miller or call 727-309-7300

REMINDERS

Don't wait. Now is the time to prepare for Hurricane season!

Overnight Parking in the street is NOT allowed.

Daytime Parking – please Park on ONE SIDE of the street in your area. This will keep our streets open for Emergency Vehicles.

Visitor Parking is at the clubhouse on the side of the shuffleboard courts, (grassy area). Please put the VISITORS PASS in the front windshield. Residents who do not have the pass can contact a board member. Parking in an empty carport is NOT allowed without permission.

STOP at ALL STOP SIGNS, and, our SPEED LIMIT is **15MPH**. Your help is greatly appreciated.

Also: “FOR SALE” & “FOR RENT” Signs are restricted to “14" X 12" and may be posted inside a STREET SIDE window only of the mobile home unit. No other signs of any kind shall be displayed."

Library is open

Billie Ann, Ruth and Bill

THE LIBRARY IS OPEN SATURDAYS, TUESDAYS AND THURSDAYS, UNTIL FURTHER NOTICE.

ALL LIBRARY RETURNS MUST BE PLACED ON THE DESIGNATED TABLE IN THE CARD ROOM (back hallway). IT IS VERY IMPORTANT THAT YOU DO NOT PUT ITEMS BACK ON THE LIBRARY SHELVES. Returns should be placed on the table even if you have already disinfected them at home. Remember, you have handled these items again bringing them to the Library. This will allow at least 24 hours for "quarantine" and the disinfecting of the returned materials. IF YOU PULL OUT A BOOK, PUZZLE, ETC., AND DECIDE NOT TO TAKE IT, PLEASE PLACE IT ON THE TABLE IN THE CARD ROOM SO THAT IT CAN BE DISINFECTED.

We ask that there be no more than 2 people in the Library at a time to ensure appropriate social distancing. ALSO FACE MASKS ARE REQUIRED.

Thank you for your cooperation.

The Librarians, Billie, Ruth and Bill

Travel Club

Karen Johnson & Roz Lucas

Hi everyone, this is the last media report that I will be doing for the travel club. Because of Covid 19 and our travel agency going out of business Karen and I will no longer be running the travel club. We hope one day, when the world returns to normal and people will be traveling again, someone will step up and take over the club.

We want to thank everyone for the great support they have given us over the last 5 years. From Savannah to the Smokey Mts., New Orleans to Charleston and so many other places far and wide that we have travelled it has been a pleasure being with all of you. Stay safe, stay healthy and maybe one day we will meet on a bus again.

Entertainment

Carol Rodrigues

Even though the clubhouse is open, currently we've been told it's for Saturday coffee hour, the library and bathroom use only. Hopefully we will soon be able to open the clubhouse for entertainment. The entertainment committee is monitoring the situation closely and looking for things we can do within the bounds of the social distancing rules. When the Governor opens the state to gatherings of over 50 people, we will relook at entertainment events. Watch your newsletter and the BCII phone tree for more updated details.

Labor Day Luncheon:

Monday, September 7 we will offer a luncheon at the clubhouse with an afternoon of games to follow.

Advance notice for fall and winter dates are listed below:

October 30, Friday – Oktoberfest dinner and dance

December 3, Saturday – Paint and Sip night

December 12, Saturday – Social Club Christmas Party with Johnny Charro

January 14, 2021 Thursday – Sally Langwah, impersonator

February 21, 2021 Sunday – Bob Lawson, mentalist

March 18, 2021 – Thursday – Jimmy Mazz, singer

It is so good to get back to normal. Well, sort of. We will be meeting July 15th at Johnny's Italian Restaurant, 29070 S. R. 590. Since the clubhouse will be open, I will post it in the hallway for you to sign-up. Please remember that I turn in the reservations the Monday before the luncheon.

Crafts, Knitting, Crocheting

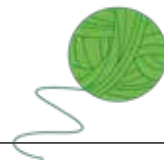

Darlene Beyer

If you are knitters crocheters and have yarn, you can get started on making scarves and hats for the children at the Sheriff's Ranch or the cancer patients while you're sitting in your homes during this quarantine time. This will help you fill your time and feel productive while doing something for others in need.

Sit and Stitch

Sandy Fassett

It's time to get serious about making hats and scarfs for the Sheriff's Ranch for Christmas. Bring your knitting needles and yarn to the Clubhouse on Mondays at 1 p.m. It's a day to communicate with your friends and still meet the new coronavirus rules.

Mingle

Sandy and Billie

Watch for any info on the phone tree or in the next Media.

Food Pantry

Joan Davis

We will be accepting food donations for the pantry on Tuesday the 21st from 9 to 11 AM. The Condo truck will be at the phase II clubhouse. Phase I is welcome to donate.

Humane Society & The Haven

Barbara Bergling

Thank you Sandy and Jay for collecting donations for the Humane Society. I volunteered to replace them. I also collect donations for the Haven, the Clearwater abuse shelter. I posted, on the clubhouse bulletin board, a wish list from the Humane Society and a list of items always needed at the Haven. Inside my screen door there's a basket for your donations. If you want further information, email or call me.

REMEMBER.....our pets still need your help.....

The Briar Creek story continues.....

In July of 1978 Ed Liparula donated 2 new flags to replace the first flag that could no longer be used. On the 4th of July, the new flag and newly installed flagpole were dedicated in celebration of the holiday. A basket picnic followed the dedication. On the 19th of July, Mark and Del Appleman donated a stereo to be installed in the clubhouse. This was a wonderful asset to the social evenings.

Looking through the Phase 1 albums, we noticed a few important themes that have contributed to making Briar Creek a wonderful place to live:

1. Pictures show that, then and now, our neighborhood is beautiful! We have many beautiful trees, benches with a nice pond view, flower boxes with flowers, luxury pools and spas. In other words, it is evident that the residents of Briar Creek are taking individual and collective responsibility for the ongoing physical beauty of our community.
2. Exceptional neighborhoods promote sociability. When it is safe, we will once again have 2 active clubhouses, with many different activities where we can safely interact with each other. And thank goodness the BC Mart reopens the first week of June. Looking forward to the treasures to be found and the good humor of Dave and Ray. And also, the incredible

bargains. It has been enjoyable to see neighbors riding around in golf carts, on scooters, bikes and walking waving and stopping for a chat.

We are fortunate that Briar Creek continues to have neighbors who are inspired by the people who live here, neighbors who value, ask and give of their expertise, neighbors who are active in problem solving and making decisions.

One last thought from Ellen Soper, (88 Laurelwood) My parents lived in Buffalo NY when I was growing up and they taught music in the public schools. After retirement, they circumnavigated the globe in their own sailboat. (1986-1996) When they finally became landlubbers again, they chose Briar Creek in which to spend their last 20 years. Mom wrote in a Christmas card, "Briar Creek is such a beautiful place to live, it has winding roads, tree-shaded homes and streets, and a quiet creek running through the park. We love living here!"

Make it an outstanding day in the neighborhood.

BCII PHONE TREE

Marsha Bowlby

If you're not on the phone tree, and you have an e-mail address, maybe you should think about getting on. All you must do is e-mail me at BC2phonetree@gmail.com with your name, e-mail address, your street address and phone number. A response will be sent saying you have joined. I use Google Groups; your e-mail does not show in the group. I'm the only one who has your email address and I do not share it. I have around 160 households on the phone tree currently.

Is your spouse the one getting the e-mails and you never know what's going on? I have several families where both spouses are on the e-mail chain so they both read the e-mails at their convenience. So, if this appeals to you, send me your e-mail address.

Reminder, if you are on the BC2PhoneTree and you are not getting the e-mails please do the following:

1. Check in your spam, trash or whatever the file is called that messages disappear in, to see if the messages went there.
2. If they are not in that file, please send me you e-mail again so I can check it. Send it to BC2phonetree@gmail.com.

The Phone Tree has been busy again. Lots of information being sent out. Pool updates, food drive and location of the emergency exit.

Signing up is easy, just sent me an e-mail to BC2phonetree@gmail.com with your name, address, phone number and your e-mail address. I am the only one with your e-mail address, I do not share it. When someone sends me an e-mail to post, it will come from me (the phone tree), I will put the name of the person who originated it either in the title line or at the bottom

of the e-mail.

When a message is sent out on the phone tree and you respond back, that comes to me, not the person who requested the e-mail to be posted. If you have a question about the e-mail you need to contact the person who requested, it to be posted.

If you're on the phone tree and you have not received any of the e-mails this past month, please check your spam/trash folders to see if they are there. If not please e-mail me using the phone tree address and I will try to figure it out.

MILITARY & SENIOR DISCOUNTS

WHEN TREATING A HEART ATTACK OR STROKE, TIME IS OF THE ESSENCE. EVEN DURING THESE TIMES.

Don't hesitate when it comes to getting emergency treatment.

Even during a pandemic, you still need to be treated immediately if you have an emergency. Debating whether or not to risk going to an emergency room during a heart attack, stroke or other health emergency—waiting even a few extra minutes—could be harmful. That's why in all BayCare hospital emergency rooms, patients who have symptoms of COVID-19 are screened and treated in a separate area. This helps keep emergency room patients and our team members safe. So if it's an emergency, don't wait. **For more information: [BayCareEmergencyCare.org](https://www.baycareemergency.org)**
