OOPS!! REPORT

I swear I was not under the influence of the virus when I submitted the April input, although subconsciously, maybe I was. A lot of typos and grammatical errors but hopefully you got the idea. Here is a list of goof-ups:

The heading for Lawn Mowing listed March as the month while the actual dates were April.

When the books came out, the article from Mark stated that the office, clubhouse, pool, and restrooms remained open for normal hours of operation. That obviously was not the case.

In the Anniversary section, which seems to be my Achilles Heel, I listed Tim & Mary Newton's wedding date as April 27th, 1960 and their anniversary was listed as 30 years. That won't work. Their wedding date was April 27th, 1990.

In Dance Committee news, I inexplicably changed the title of the Arabian NIGHTS Dance to the Arabian KNIGHTS Dance. I must have thought it had something to do with the military. Be sure and read the article referencing this Dance later in this book.

So sorry for the goof-ups and omissions. I hope to redeem myself with this issue.

FROM THE PRESIDENT'S DESK

I find it very difficult to concentrate on anything during this BC time. No not Before Christ, it's Before Corona. Days of the week are a blur and somewhat meaningless, not sure what day it is because nothing is scheduled. Even hours of the day seem longer with no need to get out of bed to do the same as you did yesterday and the day before that. It is refreshing to talk at arm's length with neighbors and friends that are walking by or on the continuous stream of golf carts out for a breath of fresh air.

Speaking of golf carts, there has been a dramatic increase in the number of carts in the park and we have rules that govern the use of carts. Our Rules and Regulations call for golf carts to be registered at the office. For this reason, we have developed a registration form that is to be

...continued on page 6

filled out by each golf cart owner and your lot number will be attached to your cart along with a registration sticker. More on this as the language is finalized.

As you probably guessed, all of our Pot Lucks, Pancake Breakfasts, Koffee Klatches and Hot Dog/Hamburg nights have been canceled. Bingo has also been canceled for the foreseeable future. Normally we shut down bingo July and August so it looks as though we will not have any bingo until September. This is a hit to our income but we must keep our residents and workers safe. Keep an eye on the community channel for information on when we may start up some activities, maybe even have a Memorial Day event. Let's hope so.

Best of Health to All,

Ray

MAY LAWN MOWING SCHEDULE

The lawn mowing dates for the month of May, 2020 are:

Monday, May 4, Monday, May 11, Monday, May 18, Monday May 25 (Memorial Day).

Please remember, these dates are subject to change depending on the weather and with management approval. As always, check Spectrum cable Channel 732, your email, or the Clubhouse bulletin board for changes.

DID'JA KNOW??

The record for the most chicken wings eaten is 444 in just 26 minutes! In the 2015 Wing Bowl, Patrick "Deep Dish" Bertoletti ate 444 wings while Molly Schuyler, the defending champion, came in a close second with 440 wings. This competition, held in conjunction with the 2015 Super Bowl, was held in Philadelphia (eat your heart out, Buffalo people!!). You can't make this stuff up!

ON THE MARK..

As we all are dealing with the many closures that have impacted our lives, I wanted to let you know what we, the office and maintenance staff, have been up to behind the locked clubhouse doors and padlocked pool entrances. Busy. Surprisingly busy. When the decision was made to close the office to 'in person business', I anticipated that we would run out of things to do quickly, but not so.

In the office, we have been busy completing projects that had long been on the 'to do' list. While the phone hasn't been ringing as much, there's been a significant increase in "Requests to Alter" with trees being cut down, planters being built and painting galore (seems like some of you are looking for something to do!). On a daily basis, we mail out more letters than we receive.

Our maintenance staff has been busy scraping, cleaning, prepping and painting, maintaining, repairing and improving. Several projects scheduled for this summer have already been completed. Other projects have been identified and will begin soon.

While none of us know what the future holds, we encourage you to remember that all this is only temporary. Look for ways to help your neighbors, even if it's only by being a little

friendlier, just stay 6 feet apart. A kind word or a small act of kindness goes a long way!

While the office has been busy, the clubhouse has been quiet...to quiet. The phone isn't ringing much, the door chime isn't sounding, and the chatter & laughter have been paused for now. We miss the friendly visits from residents who stop by to say 'hi' on their way to the pool or a meeting in the clubhouse. We miss those who come in to ask a question and end up telling a story...or two.

As the business of the community continues, we miss the people of the park and look forward to when we can once again hear the door chime sound and have the opportunity to serve the residents of Caribbean Isles in person!

MEET CHAPLAIN DAN...

Since this month's media was going to be lacking in content, I reached out to our Media Coordinators for anything encouraging to put in. Our manager, Mark, responded with a referral to Chaplain Dan Billings who is the Newby Management Chaplain. He was gracious enough to realize that encouraging thoughts and words would be in order and sent me a copy of his daily words of encouragement that he sends out to his team. I am going to include it in this month's media. He is also going to copy me on all his daily communications and I'll pick out ones that I think pertain to us. So, let me introduce you to Dan Billings, Chaplain for Newby Management....

Good morning everyone,

I trust that you had a good week and getting into this new, and yes very different, week finds you rested and prepared for the challenges of limiting our travel, staying the correct distance apart, washing our hands for the right amount of time and on and on the list goes. As important as preparation is for the physical side of things it's even more important for us to be prepared emotionally and spiritually. With that in mind here are a few things to remember as we make our way through what has become a very unusual "normal":

...continued on page 14

1. GOD IS IN CHARGE! I know that putting things in all caps is like yelling via email but it is so important in times of crisis to remember that this virus has not caught God sleeping or unaware. One thing that gives me peace that I find in Scripture comes from Psalm 139. Take a moment today as time permits and read slowly through this Psalm and then apply and believe it. See in this Psalm all the things that God knows about you. The verse that stands out for me is 15 and 16. God was aware of the moment of my conception and aware of me even before then, God also has every day of my life recorded in His book and these things were written BEFORE I came into existence. Here is what I remind myself of when going through things like a virus that is running rampant across our country.....God knows me.....God has already predetermined my days.....THIS VIRUS IS NOT IN CHARGE. Sure, I am going to be careful, I'm going to follow the guidelines, I'm going to..... but at the end of the day no virus, no drive by, no car crash, nothing will remove me from this earth one nano second before God says so.
2. Get your focus on the outward not the inward. There is an amazing transformation that takes place when dealing with someone who is depressed when in counseling, we can take our focus of ourselves and re-orient that focus on someone or something else. I know right now with us being socially distanced it's hard to do this while maintaining the distance rule but there are so many ways we can encourage others during this time. Write, (remember pens and paper) a note or a letter, make a phone call, video chat, etc. Make some homemade masks (there are dozens of patterns on line) find a way to be active and giving back during this time.
3. Get moving. Many of us who find ourselves in the "essential" category will not have a problem with this during the day if we are still going to the office and going about our routine but if we are staying at home it's easy to become very sedentary. Limit the amount of time you are glued to the tube or screen and get up and get going. It's a great time to tackle that project or cluttered room that's been ignored for a while. I'm afraid that when this has run its course, we are going to be in need of a drastic weight loss program if we are not careful.
4. Pray and Sing. OK, I know this one may be a stretch in the singing department but spend time in prayer, seek God as your source of strength and courage and then if you don't sing crank up some praise music in your favorite style and let it take your focus from fear to the presence of the Father. I find for myself that it's impossible for me to worry and praise at the same time.

Just a few thoughts today. Without a doubt these are difficult days and we will be stretched and pulled to our limit during them. We will find ourselves on edge for no apparent reason and if we are not careful those closest to us will feel the brunt of our stress and weariness. So, finally.....be quick to extend GRACE. Know that the folks around you both coworkers and

REMEMBRANCES...

One of the tragic consequences of this epidemic is the fact that we cannot gather to remember our residents who have passed away. Blanche Onley has done a masterful job in sending condolences to the families but it is just not the same as including friends and acquaintances in celebrations of life. While I have no intention of turning the Media into a procession of eulogies, I think it is appropriate in this time of "social distancing" to make mention of two of our residents who passed away this month. Here are some thoughts on them:

Scott Whiski – "I remember a young man named Scott, Scott Whiski. He was such a sweet, calm soul. He was sick almost as long as his mother, my friend, Gloria Todd, can even remember. Scott endured not one, or two, but several kidney transplants in his life and never seemed to let that get him down. In fact, Scott was an up and coming shuffle board player. Gloria was blessed to have him 32 years longer than she or the doctors thought possible due to his strong will to live. March 31st came and took his life, here in the park where he lived with his mom at lot #197. Scott was loved by many as a friend, a dear friend by Arthur Allen and especially a best friend and companion as well as a son, by Gloria. We miss you Scott...." Written by Barb Cleaver.

Bill Penrod – We were fortunate to have Bill & Rosie Penrod in our community for 5 years. That all changed when Bill passed away on April 7th at age 79. They made a lot of friends in the park with their fun-loving attitude and willingness to participate in activities. That willingness was severely tested by Bill's illness. But one thing Bill was extremely passionate about was golf. He would play anytime, anyplace, and in fact, remembered every shot he made on every golf course he played. I myself would rather forget most of my shots. But that's how Bill was. He was a veteran and honorably served our country in the United States Air Force. He was a good man, a good husband, and a good father, and he will be missed.

GOOD TIMES SOCIAL PLANNERS NEWS

The Good Times Social Planners will hopefully resume meetings the first Wednesday in September at 10:00am to plan next season's events. Any lady in the Park is invited to attend. Help us plan events for a fun season.

Also, the Ladies Tuesday Luncheons are on hold until the restaurants open up again and everyone feels safe going. We will wait to see how this virus plays out before we decide on the next luncheon date. Any activities or events in the Park are now on hold.

Everyone be safe and healthy!

DANCE COMMITTEE NEWS

Thank you all who have supported us throughout this season. We will begin our next season on November 15, 2020 with our March cancellation of the Arabian Night Show and Denise as our D.J. We are sorry for this March dance cancellation but we want everyone to stay safe and healthy during this epidemic. Hold on to your ticket if you have one and you can use it next season for the Arabian Night Show.

Also take a look at next season's entertainment. Shows that have been booked include the Mike Calzone Show which is always very popular and successful. Also, we have booked a two hour Frank and Dean Show with songs sung from the Frank Sinatra and Dean Martin era followed by an hour of dancing.

We also have booked two very popular bands who have performed here in the past. Lisa Kay and the Gold Top Band and the entertainer/song writer/singer John Jackson.

To everyone back up north and those who stay here we wish you a healthy and wonderful summer. We hope to see you all dancing next season. Stay safe!

From the Dance Committee:

Sandi Duford, Barb Cleaver, Brenda Milobowski, Sue Howarth, Georgiann Leone and Sue Sears

GREETINGS CARIBBEAN ISLES RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....

May 2020.....

Ah, well, another month has gone by with the same absence of sports news both on the national scene and here in the Isles. I guess the biggest news on the national scene was the signing of Tom Brady, pro football's G.O.A.T. (Greatest of all time) by our Tampa Bay Bucs. Let's hope #1, we can watch pro football this season, and #2, the Bucs can protect him. Otherwise, it'll be another loong season. Also, Scoop has learned that the PGA wants to restart their season in mid-June and go weekly through the end of the year. There are a lot of hoops they will have to jump through to accomplish this feat but who knows. There won't be any fans at the tournaments but at least we may be able to watch it on TV.

Here in the Isles, there are no programs currently running. Bowling has been suspended with two of our teams, Late Comers with Wayne and Cheryl Lively, and Caribbean Isles with Chris and Deb Barbley and Rick and Nancy DeCamp occupying first and second place. No word yet on if the league will restart.

Sign of the times:

My ability to remember song lyrics from the 80's far exceeds my ability to remember why I walked into the kitchen.

Answer to last month's "Where in the World is Scoop":

Cool man!! Scoop travelled virtually to the Haight-Ashbury district in San Francisco, home of the now long-gone hippie movement. You wouldn't recognize the place as this trendy neighborhood is now a whole new scene with upscale boutiques, internet cafe's and hip restaurants. Such a shame that none of them can open. Those of us who were around during that time can only reminisce with our tie-died T-Shirts. A "Scoop Shoutout" to Sue Sears, Lot 207, who remembered the "groovy scene".

This month's Trivia Question:

Baseball's 1951 National League season ended with the classic "shot heard 'round the world". What was the event and who were the main participants?

Remember to let me know of stories and/or accomplishments by residents, friends, and/or family and we'll publish them here. Call me at 727-581-1334 or email me at nilerivers@gmail.com. And remember, when it's news in Caribbean Isles, it's news to me.
