"Thank you for doing a very professional job on my roof. I am not easily pleased with most contractors, ASC is the exception! Your crew was on time, sometimes even early. There are no leaks and it looks great. ASC was not the cheapest, which proves you get what you pay for."

GREETINGS CARIBBEAN ISLES RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....

April 2016.....

April Fool!! Hopefully all residents “sprang ahead” with their clocks and more importantly had their smoke detector batteries checked and/or changed. This is an interesting time of the year since baseball starts full time and golfers look forward to the Masters Tournament. The northerners (especially the Canadians) start their preparations to return to the Great White North for the spring and summer months.

In Bowling news, the 55 & Alive League will wrap up their season on April 20 with a fun day with contests and a banquet. Our Caribbean Isles teams are enjoying the competition and the camaraderie of the league. At press time, the team of Bob Brun, Ray Duford, Cecilia Backstrom, and Herbert Backstrom had a chance to capture the second half title. We wish them luck.

In Shuffleboard news, Bob Pesta reports the season was better than last year in that they ended up with a higher team average (.404) and with more wins. And they did not end up in last place. They had their season ending tournament on March 14th with the following results:

1st Place - Richard Boivin & Ray Duford

2nd Place - Andy Lebo & Helen Boivin

3rd Place - Tony Valerio & Sue Alexander

Congratulations to them and the whole team on a good season.

In golf, at press time, the Caribbean Isles group will have their last scramble tournament of the season at Largo Golf Course on April 1st. Results will be published in May. Also the 4th Annual Charity Tournament to benefit the Wounded Warriors will take place on April 3rd at Largo Golf Course. This year the committee has chosen to make their contribution to a local group known as the Wounded Warrior Abilities Ranch located in Pinellas Park. Results will also be published in May.

Sign of the times:

Pharmaceutical company Valeant stock dropped 50% on news of a possible default. The good news is their sales should soon go back up with investors getting prescriptions for migraines, high blood pressure and anxiety.

ANSWER TO LAST MONTH'S TRIVIA QUESTION:

One of the co-founders of Chi-Chi's was Max McGee, a split end on the Green Bay Packers Super Bowl teams of 1967 and 1968. He is famous for catching the first touchdown pass in Super Bowl history, a 37-yarder from Bart Starr in the 1967 game. He is also famous for playing that game with a massive hangover after spending the night with a couple of flight attendants. (Aahh, the good ol' days). A Scoop "shoutout" to John Keaveny (Lot 292) for recognizing the answer and a Scoop "shout" to Dave Olsen (Lot 352) for knowing the answer but not remembering the name.

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word - the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

April Is...

Financial Literacy Month. With taxes due, this may be a good time to learn more about good financial practices. Are you ready to accept responsibility for changing your financial situation? Do you believe that you can and will change the way you make financial decisions? If so, it's time to start.

Month of the Military Child. More than 2 million children in grades K-12 have parents who are serving in our military. Make a difference in the life of a military child by seeking out opportunities to acknowledge their sacrifice, volunteering for organizations that support them, and recognizing their contribution to the nation.

National Autism Awareness Month. A nationwide effort to promote autism awareness, inclusion, and self-determination for all and to ensure that each person on the autism spectrum is provided the opportunity to achieve the highest possible quality of life.

National Garden Month. Gardening grows fun for the whole family. Whether you're digging in the dirt, enjoying the magic of a small seed transforming into a beautiful flower, or observing the bugs, birds, and butterflies, gardening is a delightful way to celebrate the coming of spring.

Weekly

National Robotics Week, Apr. 2-10. The purpose of National Robotics Week is to celebrate the United States as a leader in robotics technology development, educate the public about how robotics technology impacts society, and advocate for increased funding for robotics technology research and development.

Animal Control Officer Appreciation Week, Apr. 10-16. This week recognizes the hardworking men and women who risk their lives and devote huge amounts of personal time and resources while serving the public and helping animals when no one else can.

National Environmental Education Week, Apr. 17-23. The nation's largest celebration of environmental education, EE Week reaches hundreds of thousands of students and educators across the United States with non-biased, high-quality, environmental education materials grounded in accurate, timely scientific information and tied to local, state, and national learning standards.

National Pet ID Week, Apr. 17-23. Collars and tags are a reliable way to identify your pets should they become lost. Make sure your dog, cat, or other animal friend always wears a current identification tag. Pet supply catalogs, stores, veterinary offices, and animal shelters often have forms to order ID tags.

April Fool!

It's April 1st—the day for practical jokes large and small. If you're looking for inspiration, remember one of the all-time great media hoaxes.

In 1957, the BBC's respected news program Panorama ran a story celebrating a bumper spaghetti crop in Switzerland—thanks to a mild winter and the near elimination of the destructive “spaghetti weevil.” The program included footage of Swiss farm workers pulling strands of spaghetti from trees and laying them in the sun to dry.

Although some viewers caught on—and chastised the BBC for playing fast and loose in a news program—others fell hook, line, and pasta ladle. Many even telephoned the network to ask where they could get their own spaghetti trees.

Make new friends all through your life

Building friendships and creating thriving social circles is a key component of good health throughout your entire life. From Mayo Clinic's HealthQuest newsletter come these suggestions for making new friends no matter how old you are:

- Take your pet for walks. Make conversation with folks who stop to chat.
- Join a hobby group.
- Volunteer in community groups or at a hospital, church, or school.
- Take a course at your local community college.
- Shape up while meeting new people in an exercise class.
- Get active in a social cause or goal.
- Go out to lunch with a work or social acquaintance at least once a month.
- Ask a small favor of a neighbor or co-worker, and do the same for him or her.
- Volunteer to usher at your local community theater.
