FROM THE PRESIDENT'S DESK

First of all, I want to take this opportunity to wish all of you a very Happy Holiday. As this time comes around, I try to think back of all that has taken place this past year. For sure we find that the community we live in is blessed for the minimal amount of damage we received through Irma. We have lost some dear residents and for this we are saddened, but at the same time we have gained many new residents as we have sold 30 homes as of late October. We hope that these new people take the time to get involved in the many activities we hold as they settle in to our community.

Along with the "Snow Birds" returning we should be looking forward to a busy and happy time for the next six months or so.

As I told you last month, the HOA has met with the Co-Op to discuss the upcoming January rent increase. They presented a complete picture of the lot rent paid by other communities of similar size and stature. Caribbean Isles falls almost in the middle of this category but in looking at the structure and upkeep we far exceed most. We are proud of the features we display and for this it takes a sizable amount of revenue to maintain. It was determined that for a minimal amount of ten dollars a month this raise, the first in five years, is warranted.

Now in speaking of Lot Rent, the Co-Op has also notified us that they have changed the bank that handles our Lot Rent payments. As of January 1, 2018, all payments will be made to Premier Community Bank. Each of you will receive a notice mailed to your address on record of the changes and what you must do to update your individual payment method.

There will be a golf cart and bicycle Holiday Parade held on December 17th at 3:00 that will be judged for best design and theme so join us and get on board. Also on December 15th and 16th we will have residents from Boca Ciega judging the best decorated homes in our community, so if you haven't started yet there is still time to put up your holiday decorations and have a chance to win the \$100.00 first prize. Monetary prizes for both the parade and house decorating will be awarded by the HOA on December 17th at 4:30 pm at the Community Holiday Get-Together in the clubhouse.

On behalf of the HOA, we hope the New Year brings each and every one of you blessings and good health and we promise we will keep working to make Caribbean Isles the best community ever, one that you can be proud of and want to always return to.

Happy Holidays

Ray Sears, HOA President

DID'JA KNOW??

Allstate America's Best Driver's Report ranked the cities with the safest drivers, considering population and frequency of accidents. Surprisingly, New York City (Seriously!!) ranked as the safest city in the country for drivers, with the average driver experiencing a collision once every 8.3 years. Others in the Top Ten included Madison, Wis, Boise, Idaho, Fort Collins, Colorado, and Laredo, Texas. I'm looking forward to the Top Ten safest cities for pedestrians.

GOOD TIMES SOCIAL PLANNERS NEWS

Please notice that what was formerly called the Good Times Ladies has now been changed to Good Times Social Planners. The change is to reflect on what we stand for and what we are in existence for as many people do not know. Our purpose is to plan and run many social activities and dinners that take place in our clubhouse. The profits from these activities go directly to the Homeowners Association which then pays for things like the free catered Annual Christmas Dinner for the community members, equipment for the kitchen, paper supplies in the kitchen and many other things that our community people enjoy. With that said, we are recruiting new ladies to join us.

Our meetings are held on the first Wednesday of each month. The next meeting is December 6th at 10:00 AM in the Clubhouse. Please join us.

Upcoming events sponsored by the Good Times Social Planners:

December 12th – Hot Dog/Hamburger Tuesday at the Clubhouse. Anytime between 4:30 – 6:00 PM. \$2.00 giant hot dogs, \$3.50 1/3 lb. hamburger or cheeseburger. You may also purchase sodas and chips. Beginning in January, this event will be on Mondays.

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. GREETINGS CARIBBEAN ISLES RESIDENTS! SCOOP HERE! SPEAKING OF SPORTS...

December 2017.....

Things are really heating up in the Caribbean Isles sporting arena with the arrival of our northern friends. Golf is progressing nicely with the first park scramble scheduled for December 8th. The bowlers are enjoying themselves immensely now that the season is rolling along. The Beach Bums, featuring Bob Brun and Ray Duford, find themselves in first place at this point in the season while the Niners, featuring Tom Turner, Kathleen Dudley, Bob Pesta, and Glen Lyday are laying in the weeds waiting to string together some wins. The Late Comers, featuring Wayne and Cheryl Lively and Larry Milobowski are finally out of last place and are looking to move up now that all are back.

Bob Pesta reports that now that he is back, shuffleboard will be starting to roll. Practice has started and the shufflers are looking forward to starting their league season.

This month we also have some terrific sibling news. Jeren Kendall, 21 year old grandson of Ted & Darlene Johnson (Lot 374) was the 1st pick of the Los Angeles Dodgers and the 23rd overall pick in the first round of the Major League Baseball Draft in June of 2017. He attended Vanderbilt University in Nashville, Tennessee and plays centerfield. Lots of hard work and dedication allowed him to realize his lifelong dream. His grandparents are justifiably very proud of him. Let's wish him the best of luck on his journey to the major leagues.

Claudia & Dave Hartsell's son, Michael, is a nurse at St. Anthony's Hospital here in Tampa. He will receive his Masters in Nursing Education in May. He also received the Excellence in Clinical Practice Award for the State of Florida. Claudia & Dave are very proud of his accomplishments. We want to wish Michael the very best in his pursuit of a very noble Profession.

Quotable Quotes:

“Major League Baseball says it wants to work on speeding up the game next year. The question is does it really matter how fast the games are played when the World Series still goes all the way into November?” ...Jim Barach, political humorist.

Answer to last month's Trivia Question:

The high-mounted brake light was mandated to be installed on all new vehicles manufactured in the US in 1986. The hope was to cut down on rear end vehicle crashes. Scoop "shoutouts" to Bob McAuliffe (Lot 57), Tom Turner (Lot 209), and Larry Milobowski (Lot 216). Unfortunately, Ray Sears saw his perfect record fall as he guessed seatbelts. They were mandated in 1964.

This month's "Where in the world is Scoop?":

- Go West, young man
- On a mission
- Hard to swallow
- Not the same as Puerto Rico
- Coming home to nest

Remember to let me know of stories and/or accomplishments by residents, friends, and/or family and we'll publish them here. Call me at 727-581-1334 or email me at nilerivers@gmail.com. And remember, when it's news in Caribbean Isles, it's news to me.

Book Recommendation:

Here Vultures Fly

by Rudy Rodrigues

This is the narration of the personal experiences of the author, Rudy Rodrigues, during his ten years of service with the United Nations in Afghanistan, where he was engaged in emergency relief and later rehabilitation programs in close collaboration with the Communist government, the mujahideen, the Taliban, and the post-Taliban government.

The author was responsible for opening the first UNICEF office in Kyrgyzstan soon after the collapse of the Soviet Union in a unique environment and culture. During this time, he was working with a government unfamiliar with the United Nations and its goals and objectives. In addition, the Kyrgyz population was traumatized by this sudden period of transition and uncertainty. A major focus of the author's work was gaining the confidence of the government in Uzbekistan and to ensure the building of meaningful partnership programs for women and children.

This book also covers the adventures, romance, and thrill of being born and raised in Kenya; serving as an officer in the army; the challenges of working in Papua New Guinea; and having the glorious opportunity of working in the UN in different parts of the world with a multiethnic/multicultural community.

About the Author

Rudy Rodrigues was born and raised in Kenya. He graduated from the Royal Military Academy Sandhurst and the British Army Staff College. He was commissioned and served as an officer in the Kenya Army in both command and staff appointments. Resigning after sixteen years of active service, he then immigrated to Canada with his wife and three children.

Later, Rodrigues was appointed country director of a Canadian NGO in the Sudan, with a mandate to provide leadership, strategic planning and the delivery of UN (WFP) emergency relief supplies to the more than three million starving people displaced by the famine of 1985. He did so using a fleet of 350 cargo vehicles and a staff of over 3,000 people. This trucking operation was later taken over by the UN, and Rodrigues served as its Director.

In 2006 Rodrigues ended his career, and moved from Afghanistan, where he was last working with the United Nations. He retired to Winter Park, Florida where he lives today, and enjoys traveling, writing and spending time with his family, children and grandchildren.

Control that holiday glow

Candles are a popular holiday decoration, but they're also one of the most dangerous. It's important that you follow these precautions to prevent full-blown fires:

- Never leave a lighted candle unattended.
- Always put candles in a metal or ceramic holder. Never place them in combustible containers or ones that can melt.
- Put out candles once they get within two inches of their holders or decorations. This is especially important to follow with natural or plastic decorations that often grace holiday candle holders.
- Keep wicks trimmed to a quarter-inch.
- Never burn candles near things that can catch fire—including Christmas trees and curtains.

Be safe on your bicycle

Bicyclist deaths have risen significantly in recent years, and adult men, not kids, are most often the victims, according to the Medline Plus website. In 2015, the most recent year figures are available, biking deaths rose 12 percent. Of the 818 fatalities in 2015, a hefty 85 percent were men, with an average age of 45.

A report by the Governors Highway Safety Association noted that bikers often believe they have the right of way and are unable to stop in time to avoid a collision. Drivers also often don't see bikers until it's too late.

Intersections aren't the most dangerous area. Seventy-two percent of bicycle fatalities occur away from intersections. More than half take place between 6 p.m. and 6 a.m.

Alcohol, whether consumed by the biker or the driver, is also a factor in 37 percent of collision deaths.

If we are creating ourselves all the time, then it is never too late to begin creating the bodies we want instead of the ones we mistakenly assume we are stuck with.
