PET OWNERS, PLEASE READ & HEED!!

Elaine P. Eckert, Co-Op President 1/1/16

Yes, we are a pet friendly community!!! Yet, we find that we must remind our pet owners of some of the rules about dog walking.

There is a dedicated dog walking area in the community. Maps are available in the office. If someone else walks your dog, please remind them of the proper areas. If you are in violation of these rules and are reminded of the proper areas, please do not take it personally.

You are responsible for cleaning up after your dog. This includes the area outside the fence on Walsingham. We maintain this area as if it was part of our community. If you have “visiting” dogs, especially in non-pet areas, please adhere to the rules and register the dog at the office.

Please be good neighbors and respect the rules regarding your pets.

GOOD TIMES

The Thanksgiving Pot Luck was a wonderful success. We had a good crowd and everyone enjoyed the great food. Thank you to all who cooked turkeys and brought such great food. And a BIG thank you to those who set up, served and cleaned up.

Craft Show/Granny’s Attic was a huge success. It made a profit of \$1,011.50 which will go towards other events in the park, namely improvements in and around the clubhouse and the Christmas Dinner 2016, which will be free to all residents.

Spaghetti Dinner January 10, 2016, 5/5:30PM. Bring own silverware and drinks. There will be spaghetti, salad, bread and dessert. It will be a sit down, served dinner. Tickets are \$8.00 per person. Pat Demps 727-518-2683 is selling the tickets. Call Sue Sears 813-476-3831 for information. It will be an enjoyable time to sit back, relax and enjoy good company and good food.

January Ladies Luncheon will be 12th at 12:30PM, hosted by Chris Swank 727-474-6771.

2016 Election results - The three present officers were voted back in next year. They are Barb Paul-President, Barb Cleaver-Vice President and June Salvato-Secretary. We thank you for the vote of confidence...or is it that no one else wants the job (; ?

GREETINGS CARIBBEAN ISLES RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....

January 2016..... HAPPY NEW YEAR!!!

Well, well, well would you look at that! The New Year has snuck up on us again. This reporter wishes all park residents all the blessings of the New Year and the hopes that the horrendous events of 2015 will not be repeated.

Some great family news to begin the New Year. Mike & Ellen Zuppardo (Unit 325) report that their adopted daughter, Elena, just recently received a very prestigious honor at the 2015 Artistic Styling Awards, a cosmetology competition sponsored by Fantastic Sam's. She received one of 15 honorable mentions among contestants from all over the State of Florida. Her journey to this honor began at age 2 in St. Petersburg. Her dad did not want to bring her up in St. Pete at that time because that area was not suitable for a young girl. They moved to the Panhandle where she continued her education through grade and middle school. But when it came to high school and graduation, she decided to complete her education in...you guessed it...ST.PETE!! She graduated with highest honors at Aveda which is a top cosmetology school. Her parents are justifiably proud of her and she certainly deserves a Scoop "shout-out". Good luck to Elena as she continues her journey.

Current sports activities are bowling, shuffleboard, and golf. All are progressing well but deadlines prevent me from reporting current results. Scoop and his bowling team managed to work their way all the way up to 2nd place until they ran into a buzz-saw on December 2nd. Bowling result sheets are posted in the clubhouse.

In Shuffleboard news, Bob Pesta reports that even though the team has only 12 players when the normal roster is 16, our Caribbean Isles team is holding their own against the other teams with 43 wins against 53 losses. The team average of .448 isn't bad but could be better if we had some new players. C'mon gang, how can we expect our team to be competitive when we are shorthanded. If you are interested in participating and are not experienced, number 1, consider participating in the fun shuffle on Tuesdays at 7:00 PM to learn the basics. Then contact Bob @586-5645 to get info on joining the team. Consider the accomplishments of Rick Gould, who is a new member of the team, who won 4 of 6 games giving him an average of .667. A Scoop shout-out to Rick for paving the way for the revival of the Caribbean Isles shuffle team.

Sign of the times:

The latest candidate for president of FIFA (soccer's governing body) is a former political prisoner turned multimillionaire from South Africa named Tokyo Sexwale. Will it ever end???

Quotable Quotes:

"Sports does not equate to intelligence. If the American people wanted to equate the two, we'd be watching Monday Night Heart Surgery" - Michael Rosenberg, current Sports Illustrated contributor and former Detroit Free Press sports columnist as quoted by my fellow scribe, "Press" Jaworski of Clarkston, Michigan

Did you know that January is also...

National Bath Safety Month. Bath safety is an essential aspect of general home safety. An average of 370 people across all age groups suffer injuries in the bathtub or shower daily. Learn how to equip your bathtub or shower with safety precautions like grab bars and anti-skid strips to prevent serious injury.

National Blood Donation Month. Some give blood because a friend asks; others do so because it just seems like the right thing to do. Whatever your reason, the need is constant and your donation is important for maintaining a healthy and reliable blood supply.

**Help
save
lives**

National Mentoring Month. Mentoring young people can change your life—and theirs. Volunteering as a mentor or becoming an informal mentor to a young person you know is a valuable step in igniting the mentoring effect in your community.

Thyroid Awareness Month. Thyroid disease affects approximately 200 million people worldwide. If left undiagnosed and untreated it can cause depression, tremors, muscle weakness, and constant fatigue. Learn how to perform a thyroid neck self-exam, and talk to your doctor if you detect any lumps.

National Home Office Safety and Security Week, Jan. 3-9. Thousands of people working from home face risks in their residential workplace: clutter that can cause trips and falls, inadequate electrical wiring that presents a fire hazard, and other dangers. Take some time this week to ensure that your home office doesn't endanger your health and safety.

International Snowmobile Safety Week, Jan. 16-24. Snowmobiling is a fun and exciting family activity enjoyed by over 4 million people in the U.S. and Canada. International Snowmobile Safety Week educates people about safe snowmobiling practices and shows how operating safely can prevent mishaps and injury.

National Sugar Awareness Week, Jan. 18-22. The average American consumes about three pounds of sugar each week, for a total of 3,550 pounds in his or her lifetime. During this week, take the challenge: Go five days without eating any sugar and see how much better you feel.

National Certified Registered Nurse Anesthetists (CRNA) Week, Jan 24-30. CRNAs provide more than 34 million anesthetics each year. This event helps patients, hospital administrators, health care professionals, policymakers, and others become more familiar with the CRNA credential and the exceptional nurses who have earned it.

Learn the ABCs of skin cancer

That dark spot on your skin may be a freckle—or it may be skin cancer. How can you tell? The American Academy of Dermatology takes an alphabetical approach to identifying potentially dangerous skin conditions:

- **A: Asymmetry.** Is the spot or mole generally circular, or does one side look different from the other?
- **B: Border.** Is the edge of the item uneven, notched, or blurry?
- **C: Color.** Does the object vary in color in different areas?
- **D: Diameter.** Is the area larger than a pencil eraser?
- **E: Evolving.** Has the object changed its size, shape, or color?

Contact a dermatologist if you answer “yes” to any of these questions.

Just a rash? Check it out

A rash may be nothing to worry about, but sometimes it can be a sign of something serious. Doctors recommend you pay attention if a rash exhibits any of these symptoms:

- The rash spreads quickly across your body, which could indicate a major allergic reaction.
- You have a fever along with the rash. This could be a sign of a serious infection, so get to the hospital immediately.
- Your rash forms blisters or becomes painful.

The foundation of success in life is good health. That is the substratum fortune; it is also the basis of happiness. A person cannot accumulate a fortune very well when he is sick.

Get to the root of problems

When you can't solve a seemingly impossible problem, do you just throw your hands high in frustration and walk away? Most of the time that's not an option. Try re-framing the problem with these suggestions from Tina Seeling, author of *Inside Out: Get Ideas Out of Your Head and Into the World* (HarperOne):

- **Revise your question.** Turn the problem around by re-examining your real goal. Instead of "What new product will make lots of money?" ask, "What do our customers buy, and what do they avoid?" or "How can we offer more of what already works?"
- **Look for bad ideas.** You can unleash your creativity by flipping the process. Try to identify what doesn't work, what's failed in the past, or what would completely capsize any solution. You may be able to adapt a seemingly impractical solution, or eliminate a factor that's holding you back.
- **Question your assumptions.** Many of us fall into the trap of assuming that the answer we're seeking will look like solutions that have always worked. Take a close look at the problem, your organization, or your industry and identify practices that have never been questioned. Ask, "Why are we doing it this way?" You'll often find a new approach by going against the conventional wisdom.

Play these roles when developing ideas

Thinking creatively requires different mindsets at different stages of your project. If you can shift gears yourself, do that; if not, bring in a colleague to help you sort through the issues. Focus on these key roles as spelled out by Walt Disney:

- **Dreamer.** Don't limit your vision at the outset. Let your mind roam widely as you explore concepts, ideas, and solutions. You don't have to be practical at this stage—just allow yourself to daydream as you think about what you want to achieve.
- **Realist.** Once you've got a plan or idea you want to put to work, start narrowing it down until it's doable. You may end up eliminating the less practical aspects, but if you keep your mind on the core idea, you'll come up with a plan that satisfies your goal while succeeding in the real world.
- **Critic.** Poke holes in your plan so you can patch them up effectively. Run a test or set up a pilot program before rolling your solution out completely. Don't think of obstacles as failures; use what you learn to make your idea viable.
