FROM THE PRESIDENT'S DESK

We will continue with our Pot Luck's next month celebrating the 4th of July. We will have chicken because it just seems a natural to have fried chicken, potato salad and corn on the cob for a summer holiday meal. As usual please bring a dish to pass, your own drinks and table setting. Ray will chair this event but we still need a volunteer to head up the Labor Day event. Now don't everyone swamp me with emails and phone calls, just one or two residents to coordinate this event.

The painting of the clubhouse should be completed by now and some wonder why? Well we have a great clubhouse committee that recognizes that if you keep ahead of maintenance like this it will be a lot less expensive in the long run.

Bingo will be down for the month of August and the first week of September which is Labor Day Weekend. This gives the Bingo workers a break during the slow period of the year. We are always looking for residents to work the kitchen and the floor calling back the numbers on bingos. If you can help out, please give me or Jeanne Muncaster a call.

Have a Great Summer!

Ray Sears – HOA President

HERE YE...HERE YE...HURRICANE PREPARATION MEETING

This year's meeting for Block Captains and residents will be held on June 29, 2017. The meeting will run from 10:00 AM until Noon in the Clubhouse. Block Captain information will be distributed. All residents are welcome. We will be available to answer questions.

Thank you

Caribbean Isles Board of Directors

DID'JA KNOW??

There is a new activity taking place in the Clubhouse. Cribbage is being re-incarnated at 1:00 PM on Mondays. If you are interested, please bring your cribbage board or just come and play. 2 to 4 at a table. Congratulations to Lily Porter who got an exceptional hand on 5/8. For cribbage fans, her hand consisted of 10, Q, K, the starter Q for 16 points and in her crib 10, J, J, Q, the starter Q for another 16 points and a total of 32 points. A very good hand is 8 points. Come on down to the Clubhouse on Mondays at 1:00 PM, have some fun and good fellowship. For more information, contact June Salvato – 727.430.4233.

GOOD TIMES NEWS

The next Good Times meeting will be held on Wednesday, August 2, 2017 at 10:00 am in the Clubhouse. All ladies from the park are encouraged and invited to come and join this group to help prepare and plan events for our community that all residents will enjoy. Any profits from our events go to the Homeowners Association for the betterment of our community and to support ongoing activities for all.

Caribbean Isles Golf Cart Poker Run

May's Poker Run was held on Saturday, May 13th@ 11:00AM. We had 14 golf carts and 1 bicycle participate with 22 people attending as either drivers or passengers. It was our biggest participation ever, even though many of our snowbirds have left. Each cart or bike put \$5.00 into the kitty with a pot of \$75.00 for 15 vehicles. Prizes went to the highest and lowest poker hand after collecting 7 cards from various residences and then using 5 of those cards to make the highest or lowest poker hand. The kitty was split 60/40.

C.J. Smith was the winner of the highest hand having put together a full house. Her split was \$45.00. Sue Sears was the winner of the lowest hand with a pair of fours. Her split was \$30.00. Not too bad for a ride around the park. We all hope we have enough participation to run this event monthly throughout the summer as it is a lot of fun and you don't need to know how to play poker to win.

The next Poker Run will be Saturday, June 10th. Sign up on the bulletin board ahead of time, meet at the clubhouse at 10:45AM, pay your \$5.00 and we take off at 11:00. It takes about 20 minutes to ride through and collect your cards. Then we sit in the clubhouse while figuring out who has the high and low hand. If you have access to a bike or golf cart please join in on the fun. You could be a winner! If you have any questions call June Salvato @ 727-430-4233.

GREETINGS CARIBBEAN ISLES RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....

June 2017.....

ZZZZZZ.....Oh sorry, I must have dozed off there. With everyone gone, sports news is really at a premium. There is some golf activity. In fact, there is a humorous story involving the girl's golf forays. It seems Cheryl Meyer found herself in a bunker at Largo Golf Course. After 2 unsuccessful tries at extricating the ball from the bunker, she picked it up and threw it on the green. Wouldn't you know the ball went in the hole. She gets points for style and imagination.

May's Poker Run was won by C. J. Smith by collecting 7 cards and turning them into a full house. Sue Sears turned 7 cards into the low hand with a pair of fours. C. J. took home \$45.00 and Sue took home \$30.00. This appears to be a fun activity, easy to do, and cheap. Call June Salvato (see Good Times article) for more info. Scoop might even give this a try. After all, my sports reporting has hit a lull.

Quotable Quotes:

Verne Lundquist, a CBS sports announcer for 42 years, retired this year. He is not a big fan of social media. He says "If there is a new worst four-letter word, it's S-E-N-D. It has caused a lot of pain and regret."

Answer to Last Month's Trivia Question:

The first NCAA Championship game took place in the Patten Gym on the campus of Northwestern University. At the time, it was regarded as the premier sporting facility in the Midwest. Scoop "kudos" to Denise Chittle (274), Bob McAuliffe (57), and Ray Sears (207) for researching the answer.

What do the instructions say? Creativity expert

Yoram Solomon often conducts workshops that teach people to approach problems with an open mind. In one exercise (recounted on the Inc. magazine website), he asks participants to build a structure out of a sheet of paper. Some cut the paper into smaller pieces, although his instructions don't specifically say they can.

Once everyone is finished, Solomon asks, "Did the instructions allow you to cut the paper?" Most believe they've done something wrong. But one person usually pipes up with, "You didn't say we couldn't, either."

"To be creative," Solomon points out, "don't assume restrictions that don't really exist."

Beware these creativity myths

Creativity can seem magical and mysterious, but you shouldn't make assumptions that can hold your imagination back. Watch out for these misconceptions that can impede your efforts to find innovative ideas and solutions:

- The "eureka" moment. Many people believe that creativity is a sudden flash of insight. More often it's the result of research and persistence, immersing yourself in a subject, and then building on what you learn.
- Inborn creativity. You aren't necessarily born with the ability—or inability—to think creatively. You can learn the knack by asking questions, looking at things in new ways, and challenging the status quo.
- Uniqueness. Good ideas don't always spring from something new. Often the best ideas and solutions come from combining separate elements in different ways.
- Lone wolves. The stereotype of the genius working alone in an office or laboratory is misleading at best. Although some mavericks do produce good ideas totally on their own, many of the best ideas and solutions are the result of collaboration by smart, motivated people.
- Brainstorming. Brainstorming sessions can produce results if they're focused on a specific issue. If it's just a free-form session of throwing ideas around, chances are you won't generate practical solutions. Keep the discussion centered on the problem you're trying to solve.
- No limits. Creativity may seem to thrive on the concept of thinking beyond boundaries. In reality, constraints can force your thinking in the right direction. Try setting some limits to what you want to create—size, budget, deadlines—and see how that helps focus your imagination.

Did you know June is also...

Adopt a Cat Month. Your local shelter has tons of cute, cuddly newborn kittens mellow older cats, and everything in between. Shelter staffers are ready to help you adopt your very first cat or bring home a friend for another beloved cat.

National Dairy Month. Start the summer with nutrient-rich dairy foods. From calcium to potassium, dairy products such as milk contain essential nutrients that can help you manage your weight and reduce your risk for high blood pressure, osteoporosis, and other health problems.

National Zoo and Aquarium Month. June is an excellent time to explore your local zoo and aquarium as well as the websites of America's great zoos and aquariums. Many of them have excellent educational resources—photographs, videos, facts, lesson plans, activities, and sounds so real you'll think you're there.

PTSD Awareness Month. The purpose of PTSD Awareness Month is to raise public awareness of PTSD and effective treatments and help all those affected by PTSD. Mental health experts aren't sure why some people develop PTSD and others don't, but if stress reactions don't improve over time and disrupt everyday life, seeking help to determine whether PTSD is present is important.

National Automotive Service Professionals Week, June 11-17. A weeklong celebration to honor the commitment and dedication of the automotive, truck, collision specialists and parts specialists who keep our vehicles running safely.

Men's Health Week, June 12-18. The purpose of Men's Health Week is to heighten the awareness of preventable health problems and encourage early detection and treatment of disease among men and boys. This week gives health care providers, public policy makers, members of the news media, and individuals an opportunity to encourage men and boys to seek regular medical advice and early treatment for disease and injury.

National Nursing Assistant Week, June 15-22. Nursing assistants work in hospitals and nursing homes performing everyday living tasks for the elderly, chronically ill, or rehabilitation patients who cannot care for themselves. This week is set aside to recognize the nursing assistants who dedicate their lives to the well-being of others.

Global Day of Parents, June 1. The Global Day of Parents was proclaimed by the UN General Assembly in 2012 to honor parents throughout the world in appreciation of their selfless commitment to children.

Flag Day, June 14. Fly Old Glory with pride!

Father's Day, June 18. A day to honor fathers everywhere.
