## DID'JA KNOW??

---

Britain's new money is plastic. The new 5-pound (\$6.60) bill introduced in September is strong polymer and can handle a trip through the washing machine without shredding like the paper cash it is replacing. It has the latest anti-counterfeit and security features and Bank of England officials insist it will be cleaner, safer, and stronger than paper money. Some 440 million of the new notes will be phased in. Gives new meaning to the phrase "paper or plastic?"

# GOOD TIMES MEETING MINUTES

---

## Good Times Meeting Minutes

October 5, 2016

The meeting was called to order at 10:00am by President June Salvato. There were 14 ladies present.

The pledge to the flag was recited.

Blanche Onley gave the Sunshine Report. She sent out nine Get Well cards to residents in the park. There is a balance of \$25.90 in our account.

Old Business:

Barb Paul gave a report on the success of Taco Night and the Newlywed game which was enjoyed.

The Poker Run will be held on October 15th starting at 11:00 AM. Volunteers to give out the poker cards are Blanche, Chris Swank, Jeanne Muncaster, Tom Salvato and Helen Boivin.

The Craft Show/Bake Sale tables are sold out with 15 people on a waiting list. The signs for the show need to be updated. Blanch, Helen, Marie, Barb C. and Barb P. will remake them on Monday, Oct. 10th in the clubhouse. Signs will go up the Monday before the event.

Halloween Gobbles and Brews October 30th. Chris Swank volunteered to make sandwiches. Sandy Duford volunteered to make soup. Sue Sears, Barb Paul, Jeanne Muncaster and Blanche Onley volunteered to set up the tables and decorate at 10:00 AM the morning of the event. June and Barb Cleaver volunteered for Clean-Up. Costumes are optional.

There will be a meeting for the Lighting Contest and Golf Cart Parade on October 26 at 10:00 am for the committee which includes June Salvato, Sue Sears, Barb Paul, Jeanne Muncaster, Lorrie Harris and Barb Cleaver.

New Business:

Ideas were discussed for Volunteering and Giving opportunities within the community. It was decided to again contribute toiletry items to be given to the Woman's Shelter. Elaine will place a box in the card room and she will also deliver the items to the shelter. It was also decided to have a "Giving Tree" around the Holidays. Ages and gender will be given by the Salvation Army of those needing gifts and we will place tags on the tree for people in our community to take a tag and buy a gift and place it back under the tree with the tag attached. We will ask the Salvation Army to come and pick up the gifts before Christmas. Jeanne Muncaster and her committee of five will attach our volunteering projects to the November Media before it goes out to the community so all can have the opportunity to contribute.

Future luncheons were discussed. The Holiday Ladies luncheon will be held at Mango's Restaurant in the Doubletree Inn in Redington Beach on December 13th at noon. June passed around the menu choices. The cost will again this year be \$25 along with bringing a stuffed animal for the Salvation Army. Money will be needed to be paid ahead of time to Toni Pesta when she gets back early November. We will ask for hostesses for next year's lunches when

*Continued on page 14*

more people are back but June volunteered for June 2017 and Jane Beasley volunteered for May 2017. Addresses of the restaurants will be included in the Media beginning next month.

The meeting was adjourned at 11:10. The November meeting will be held at 10:00 on Nov. 2nd .

## **GREETINGS CARIBBEAN ISLES RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....**

**November 2016.....**

Moving on to bigger and better things as our northern friends start to trickle in. Golf and bowling are well under way. Hopefully I will have some results to report on soon. The Fun Shuffle on Tuesday nights is moving well.

Here is some breaking grandkid news. We've heard many reports from the Meyer family (Lot 359) on their grandkids sports exploits, mainly from the older ones. Well now the youngest member of the clan has exploded onto the soccer scene. 5 year old Landon scored his first goal and almost had a second one while playing in Marathon, New York. Could be the first of many in his career.

Bob Pesta reports that the Caribbean Isles Shuffleboard team will commence playing on November 21. He is still hoping to recruit some new players to share the shuffleboard experience. He will be back in the park in early November.

## A troubling trend: Americans overdoing antibiotics

---

**A**ntibiotics are a boon to doctors and their patients, but they pose dangers if they're overused. That makes this news especially concerning: A Texas study reported on the UPI website found that about one in 20 adults have stockpiled supplies of antibiotics in their homes and use them without a physician's advice.

The study of 400 adults in the Houston area found that 14 percent of adults have a stash of antibiotic medications in their home, and 5 percent have used them without a doctor's guidance in the past year. The medications come from a variety of sources: 40 percent came from a store or pharmacy, 24 percent were purchased outside the United States, 20 percent came from family or friends, and 12 percent were left over from past prescriptions.

In 4 percent of cases, the drugs obtained without a prescription were intended for use on animals, not humans.

## Millennials worry about debt

---

**M**illennials aren't the carefree kids you might think they are. A FICO survey found that they're concerned about debt—with good reason. According to FICO's online survey of approximately 1,000 Americans over 17, 32 percent of millennials owe \$20,000 or more in student loans, and 45 percent owe at least \$7,000 on car loans.

In all, 37 percent of millennials ages 25-34 say they're concerned about their level of debt, and 33 percent would like assistance in managing their debt. For example, 65 percent would like to receive an email alert when their student loan payments are overdue by less than 90 days, and 35 percent want to be notified by app when their mortgage payments are less than 90 days late (but they'd prefer a phone call if their payments are more than 90 days overdue).

## These tiny robots may save your life

---

**T**he newest medical robots look and move like bacteria, and they can deliver medications to specific locations within the human body and perform intricate surgeries like clearing clogged arteries.

According to the Science Daily website, a team of scientists is working to develop a selection of biological robots that are soft, flexible, and move through bodies under the control of an electromagnetic field. Once they reach their destination, they're heated to change shape, mimicking—for example—the bacterium that causes African trypanosomiasis, or sleeping sickness. Although still in development, these microrobots could revolutionize the way patients are treated in the not-so-distant future.

## Get more creativity with a clear focus

---

**C**reativity and innovation aren't always accidental. A consistent focus will produce better results, so you don't have to wait for lightning to strike. Try these techniques to spur your imagination as you work:

- **Start your day with a purpose.** Instead of rushing out the door without a plan, spend a few minutes in the morning thinking about what you want to accomplish that day. Do this before checking your cell phone or email. You'll be less likely to get distracted by other demands.
- **Shake up your routine.** Get out of your comfort zone so you aren't always surrounded by what's familiar. Get up earlier than normal, take a new route to work, do your tasks in a different order, try something new and exciting—anything to shake your mind free of its preconceptions and look at your work in a different light.
- **Be mindful.** Don't go on autopilot. Pay attention to everything around you—the people you work with, the tasks you work on, the environment you work in, and so forth. The more aware you are of what's going on, the more likely you'll see a new connection or find an idea where you least expect it.

## Don't be afraid to ask questions

---

**A**lyssa Mastro Monaco was deputy chief of staff in the Obama White House until 2014. She told a radio station an important lesson she learned early on about the importance of asking questions:

During an Oval Office meeting on the economic crisis, she was close to panic, worried that the president would ask her a question about issues she knew nothing about, such as quantitative easing. She began quickly writing down key words and phrases to look up later.

Economic adviser Larry Summers noticed and tapped her on the shoulder. "Come to my office later," he said.

Worried that Summers was mad at her, Mastro Monaco went to his office after the meeting. Summers asked about her list.

When she told him what she'd written down and why, Summers said, "I'll tell you anything you need to know." He proceeded to give her a quick lesson on economics. She left the office feeling relieved—and better informed than before. Nowadays she knows that admitting you don't know something is better informed than pretending you do—and she never thinks asking for information is stupid.

## Did you know that November is also...

**National Epilepsy Awareness Month.** Learn about the different types of seizures and how to prevent them—or help someone suffering from them. A seizure is a short change in normal brain activity that can cause changes in awareness, behavior, or body movement. Because anyone can have a seizure, recognizing symptoms and knowing how to help is vital.

**Native American Heritage Month.** Established at the turn of the 20th century as an effort to gain a day of recognition for the significant contributions the first Americans. In 1990 President George H. W. Bush approved a joint resolution designating that November “National American Indian Heritage Month.” Similar proclamations have been issued each year since 1994.

**Military Family Appreciation Month.** Throughout November, military families serving around the world are honored and recognized for their commitment and the many contributions they make every day in support of the military and our nation.

**National Animal Shelter and Rescue Appreciation Week, Nov. 3-9.** Approximately 3,500 animal shelters across the United States serve the estimated 6 million to 8 million homeless animals who need refuge each year. Get acquainted with your local shelters and rescuers, and learn how you can assist their lifesaving work.

**National Nurse Practitioner Week, Nov. 13-19.** Held annually to celebrate these exceptional health care providers and to remind lawmakers of the importance of removing outdated barriers to practice so that NPs will be able to practice to the full extent of their experience and education.

**American Education Week, Nov. 14-18.** The 2016 theme, “Great Public Schools: A Basic Right and Our Responsibility,” will present all Americans with an opportunity to celebrate public education and honor individuals who are making a difference in ensuring that every child receives a high-quality education.

**U.S. Election Day, Nov. 8.** Get out and vote!

**World Diabetes Day, Nov. 14.** Celebrated worldwide by the more than 230 member associations of the International Diabetes Federation in more than 160 countries and territories.

**International Games Day, Nov. 19.** Raising awareness of games and gaming in libraries to publishers and the public around the world.

**Thanksgiving, Nov. 24.** Turkey, football, pumpkin pie, and family. What could be better?
