OOPS!! REPORT

A resident reported that they were missing delivery of the media for 3 months. An investigation revealed that their residence was reported vacant in May when the majority of residents left for cooler pastures. Whenever they came back, they did not notify the office hence, no delivery. That has been rectified. I am going to initiate a project to try and better communicate the comings and goings of our residents with the office so we won't experience interruptions in deliveries. When you leave or return to the park, please communicate that to the office. If you are not receiving your copy of the media, please notify Neal Alexander (Lot 309) at 581-1334.

FROM THE PRESIDENT'S DESK

Hang on to your hat, here we go. The 2018-2019 season is here, and already some of our snow birds are here. We are waking up from our long summer nap and pretty soon will have a night or two when the A/C doesn't kick in during the night. Currently we are able to set the clock by the arrival of the afternoon thunder storms that come through just about the same time every day. Committees are meeting every week to plan events for your entertainment and the popular Hot Dog and Hamburg night will start up again in November. The HOA has approved a caterer for the December Holiday Dinner, going back to the one we used three years ago with great success. In September we broke out the new bingo program with high reviews. We now have a 110 inch center screen and two 60 inch flat screen monitors to display the bingo game in living color. Players have given their high reviews on the system and workers have much less work because they don't have to call back numbers from the bingo cards because the computer knows all. If you have never been to bingo before, now is the time.

We are still looking into having an outside contractor put up Christmas décor around the community due to the fact that none of us are getting any younger and most of the décor we presently have is dated and sparse. I would like to remind the residents that are here now that we do have a block of 10 rooms at the Holiday Inn Express & Suites and 10 rooms at the Hampton Inn & Suites that you can reserve in case of a Hurricane. Just call and identify yourself as a resident of the Caribbean Isles and provide a method of payment. I just hope that all of my efforts to get these arrangements is not needed.

The surveillance cameras have picked up some curious activity coming into and out of our community so we have had to lock up the entrance gates on Seminole Blvd. and the one going to Winn Dixie each night to help to keep out some undesirables. Cameras at the east and west entrances have been tweaked and we are able to read license plates and identify vehicles as they enter and exit. We still have the night patrol even if you see the yellow flashing light before the sun goes down doesn't mean they are not reporting problems that occur such as vehicles blocking access of emergency vehicles, water leaks and wild animals. Keep up the good work volunteers. The new schedule will be out soon.

To our snowbirds, have a safe journey on your way back to our winter home and we will be here to welcome you back. This place doesn't seem the same until all the family is here.

Best Wishes,
Ray Sears, HOA President

"...I am so happy with my new windows...I'd like to commend your work crew. Earbie and Larry were fantastic! I couldn't believe the clean-up EVERYDAY! The whole job took just a week even with all the rain delays. I would and WILL highly recommend your company to my friends and neighbors. Of course I won't need to say a word – the house is doing all the talking! Thank you so much for my beautiful new house."

Carol Zapiecki, Clearwater, FL

"Just a short note to express my appreciation for the work done on my mobile home. The crews that worked here...were gentlemen at all times, efficient, knowledgeable and prompt. You can be sure if I run into anybody who needs your type of work, I will surely recommend your company. It has been a very satisfying experience!"

ATTENTION CARIBBEAN ISLES RESIDENTS

The Board of Directors of Caribbean Isles Co-Op, Inc has proposed that there will be **no** rent or maintenance fee increase for 2019. The additional occupant fee for any third or more additional occupants will also be suspended for 2019.

STREET SEALING/MARKING PROJECT UPDATES

When you receive this copy of the media, the project will have been completed for Section 1 (Yellow). The project was delayed for 1 week due to street repairs not being completed. Please stop by the office for updated schedules if you have not received notification. The new dates for the project are:

- RED – October 3 & 4
- GREEN – October 10 & 11
- BLUE - October 17 & 18

Please re-read the information given to you for the procedures to follow while the project is going on in your neighborhood. It might be a good idea to get a heads-up on the work being done by inquiring of your neighbors in the Yellow Section on the East Side on how they handled it. You can also check the September media for a complete timeline of what is going to happen.

Some points to re-enforce:

The garbage trucks will not be allowed into your section until the following Tuesday. Hold your Wednesday recycling until the following week. Hold Friday garbage until the following Tuesday.

NO watering of any kind is allowed for these two days/nights. All automated sprinkler systems must be turned off the night before and remain off for 24 hours after the second day of work. This includes any outside water use.

If you have special needs and must rely on caregivers, please notify them in advance and if help is needed, please contact the office at 727-584-6400.

Plan your Doctor appointments accordingly. Avoid ordering any goods for delivery, including food, merchandise, water, or pest control.

Mail will be delivered to the office for pick-up or wait for delivery on that Friday. Amazon, UPS, and Federal Express trucks will not be allowed in the sections being sealed.

During this project, if you need assistance getting to your vehicles or getting caregivers to your house, or have any questions, please contact the office. Emergency vehicles will be exempt from these restrictions.

BUSY! BUSY! BUSY!

October is going to be a busy month. There are minor and major road repairs, painting of curbs, as well as street re-sealing all happening in a short period of time.

Major Road Repairs – The bidding process is now complete and a contractor has been selected to repair the road on St. Lucia & Leeward Isle. Work should begin soon and is planned to be completed before sections #3 & #4 are re-sealed.

Curb repainting – September 25th to 28th. The painted sections of the curb will be cleaned and prepared for re-painting. Please park away from these areas so work crews have the room to complete their tasks without concern of damaging your vehicle. Please avoid recently painted areas.

Street - Resealing – due to minor road repairs, street re-sealing was delayed a week. Please take a moment to review the updated information sheet sent to you via email. This is a very important and costly project. I took a ride across the street to Boca Ciega where they just had their streets resealed. You can see tire tracks from bikes and cars who drove on the asphalt prematurely and drove up their driveways. It looks bad. Please avoid doing this.

AUGUST LAWN MOWING SCHEDULE

The lawn mowing dates for the month of October are:

Monday, October 1, Monday, October 8, Monday, October 22

Please remember these dates are subject to change depending on the weather with management approval. As always, check Channel 96 (or for Spectrum cable systems, Channel 732), your email, or the Clubhouse bulletin board for changes.

DID'JA KNOW??

Potato chips, loosely known as “comfort food”, were invented in 1853 when a cook named George Crum (really??) fried paper-thin potato slices for a customer who kept sending back his French fries for being too thick. The customer – who turned out to be railroad tycoon Cornelius Vanderbilt – loved them, and the rest is history. Bet you can’t eat just one!!

September Golf Cart Poker Run News

Perhaps on a Saturday morning you may see golf carts and bicycles all in a row passing by your house. It's the monthly Golf Cart/Bicycle Poker Run!

The Golf Cart/Bicycle Poker Run was last held on September 8th. Twenty five people joined in on the run. There were 14 Golf Carts and one bicycle participating. Each vehicle paid \$5.00 which brought the total amount of money to be given out at \$75.00. 60% of that money goes to the high hand and 40% goes to the low hand. The high hand of \$45.00 went to Denise Looney with 3 of a kind. The low hand of \$30 went to John and Kayla Bertolino who had a pair of three's.

Anyone with a golf cart or bicycle is welcome to participate. The run is held the 2nd Saturday of each month and is a lot of fun. Be at the Clubhouse at 10:45 AM and pay your \$5.00 per vehicle. We then take off to seven different houses in the community and draw one card. Back at the Clubhouse we turn two of those cards in keeping what we think might be a winner of a high or low hand.

Pretty soon the Snowbirds will be back and our number of participants will increase with the number of carts and bikes in the community. That also means a chance of larger jack pots. So, charge up your batteries and oil your chains and join in on the fun!

GREETINGS CARIBBEAN ISLES RESIDENTS!! SCOOP HERE!! SPEAKING OF SPORTS.....

October 2018.....

OK, now we're getting into it. The bowling season has begun for our Caribbean Isles bowlers and it's nice to see Dale Wilkewicz (Lot 214) joining the league. The first week's action saw Dale's team, The Mixers sweep all 8 points to get off to a good start. Right behind them are last year's champs, the Niners, with Tom Turner and Kathleen Dudley leading the way took 6 of 8 as did the Late Comers, featuring Wayne and Cheryl Lively although they aren't back yet as is the case of quite a few teams. The Beach Bums, featuring Bob Brun and Ray Duford, last year's runner-ups, had a tough go, losing all 8 points. But they were without Bob & Ray (a comedy team??) so they are looking to move up when those 2 get back and rolling. The league could use some bowlers so if you are interested, contact Scoop at 581-1334.

The Golf season will be getting off the ground in October. They will play on Fridays at Largo Golf Course. If you are interested, call Sue Alexander at 581-1334 from September 30 to October 15. After October 15, call Cheryl Meyer at 581-0421. **Fore!!!**

Pretty soon the shufflers will be taking over on Monday's and Tuesdays for league and fun shuffling. Look for notices to come out in December.

One of the benefits of not having to report park sports news is I get to report on accomplishments by family members of our residents. From Pat Marchant (Lot 90), hubby Ed was presented an Outstanding Service Award of 50 years participation as a volunteer fireman at the 110th Annual Convention of the Southwestern Association of Volunteer Firemen held in Belmont, New York, August 1 through 4. In addition to this award, Ed received a Lifetime Achievement Award from Erie County Volunteer Fire Service; a Proclamation in recognition of 50 years of service from the New York State Senate signed by Patrick Gallivan, and a certificate of Merit from the New York State Assembly. He also received a Certificate of Achievement from Lake Erie Beach VFC in January of 2018. Whew!! I'm getting writer's cramp. I think the Marchant's will need a bigger mobile. But seriously, I hope all of you will join me in congratulating and thanking Ed for his service and dedication. And let's not forget Pat who also is (and was) active in the volunteer fire service in New York. I'm sure accolades will be coming her way soon.

And to continue the Marchant saga, Their grandson, Alex Herman, is the assistant to the caddy master at Muirfield Village Golf Club in Dublin, Ohio which holds the Memorial Tournament presented by Jack Nicklaus every year. The Wednesday before is the Pro-Am match and Tiger Woods asked for 2 caddies for the event. Alex and his boss took the job. The day of the match Tiger Woods was joined by Peyton Manning for the event. Alex was thrilled.

...continued on page 30

He said Tiger was not talkative (surprise, surprise!!) but Peyton filled his ears with wonder. Pictures on Facebook.

In sibling news, Al & Cheryl Meyer's (Lot 359) granddaughter, Riley Jennison, decided to pursue her own athletic career after big sister Sydney graduated and moved on to Cortland College. She decided on field hockey and for her first game assisted on the tying goal and scored the winning goal. Wow, what a debut! Kudos and keep it up, Riley.

Sign of the Times:

Boxing champ Gervonta Davis was arrested after an altercation over a \$10,000 bar tab. Needless to say, police say alcohol may have been involved.

Answer to last month's Trivia Question:

The last of the straight on NFL field goal kickers, Mark Moseley, converted 300 out of 457 field goal attempts, the last of which helped the Cleveland Browns win a division playoff game. He is now franchise director for Five Guys Burgers.

A shout-out to our old friend Bob McAuliffe (Lot 57) for getting it right. A "nice try" to Mickey Monaghan (Lot 329) who guessed Tom Dempsey who did kick straight on but with a one-half a foot and briefly held the record for the longest field goal kicked (63 yards).

This month's "Where in the World is Scoop":

It sounds like a bad draw in Scrabble
Nice showing at the World Cup
The northernmost capital of a sovereign state
Blue Lagoon was not filmed here
Is "midnight sun" an oxymoron?

Remember to let me know of stories and/or accomplishments by residents, friends, and/or family and we'll publish them here. Call me at 727-581-1334 or email me at nilerivers@gmail.com. And remember, when it's news in Caribbean Isles, it's news to me.

Did you know that October is also...

National Apple Month. Because apples are high in fiber and contain no sodium, cholesterol, or fat, they make a great snack. With more than 2,500 varieties grown in North America, it won't be difficult to find one you can enjoy chopped into your morning oatmeal, baked into a pie, or cored and sliced any time of the day when you want a delicious treat.

International Augmentative and Alternative Communication (AAC) Awareness Month. AAC is a set of strategies, tools, and devices used by people to overcome communication challenges. People who rely on AAC might use sign language, text, pictures, symbols, speech-generating devices or a combination of these for their basic communication. This month let's increase our awareness of the possibilities that could develop when everyone has the ability communicate effectively.

National Work and Family Month. In 2003 the U.S. government designated October as a time to promote sensible, flexible, and healthy work environments, as well as the benefits of work/life balance. Don't wait for your employer to create an initiative or perk to combat the daily grind. Take a day or more of PTO to decompress from your busy life and reconnect with your family.

Positive Attitude Month. Researchers believe people who embrace a positive outlook have less stress, an increased sense of well-being, better coping skills, and longer life spans. Purge the negativity from your life: Meditate, pray, practice positive affirmations, and surround yourself with only happy people. Do whatever you must, but always look on the bright side.

Fire Prevention Week, Oct. 7-13. This year's motto is "Look. Listen. Learn. Be aware. Fire can happen anywhere." Look for and eliminate potential fire hazards in your home. Listen for the sound of smoke alarms. Learn two ways of exiting every room in the event of an emergency. Visit the National Fire Protection Association website at <https://www.nfpa.org/Public-Education/Campaigns/Fire-Prevention-Week> to access more information.

Bone and Joint Action Week, Oct. 12-20. It's estimated that more than half of the U.S. population over 18 is dealing with some sort of musculoskeletal issue. This can include arthritis, osteoporosis, back pain, injuries or other conditions causing pain, disability, and a diminished quality of life. There is hope. Visit the website for the U.S. Bone and Joint Initiative at <https://www.usbj.org/> to find out about research, prevention, and initiatives targeting bone and joint issues

National Taco Day, Oct. 4. Have one for breakfast, lunch, dinner, or any time of the day. We celebrate the taco on this day just to give you one more reason to enjoy them.
